- (1) Shares withheld by the Issuer to satisfy tax liabilities associated with the taxable income on the vesting date of certain restricted stock. Additional shares will be withheld by the Issuer at a later date when the tax liability associated with the payment date is determined.
The number of shares reported is calculated by dividing the total market value of the reporting person's account balance within the Callon
- (2) Petroleum Company Employee Savings and Protection Plan (401(k) Plan) on the day prior to this Form 4 reporting date by the closing market price per share on that day.
- (3) Restricted shares awarded November 16, 2006. Vesting will occur 25% on each anniversary date beginning on November 16, 2007.
The number of shares awarded is conditioned based on the achievement of a specified performance target, based upon the price of
- (4) Callon's stock, to be calculated on December 31, 2010. If the performance target is achieved, vesting with respect to the awarded shares will occur on 04/18/2011, the third anniversary following the award date.
- (5) Restricted Stock Units will vest 100% on the third anniversary date following the grant date. Payment will be made in cash based on the average of the opening and closing market price of the underlying common stock of the issuer on the date of vesting.
- (6) Restricted Stock Units will vest 100% on the third anniversary date following the grant date. Payment will be made in shares of common stock of the issuer based on the average of the opening and closing market price of the underlying common stock on the date of vesting.
This Phantom Share award is subject to vesting on December 31, 2012 and is payable in cash rather than stock. In addition, the award is
- (7) subject to a variable percentage payout based on a performance criteria related to the Total Shareholder Return of the Company compared to a group of peer companies. Therefore this award can range from 0% to as much as 150% of its original value at the vesting date.
- (8) Restricted Stock Units will vest on the third anniversary date following the grant date. Payment will be made in cash based on the average of the opening and closing market price of the underlying common stock of the issuer on the date of vesting.
- (9) Restricted Stock Units will vest on the third anniversary date following the grant date. Payment will be made in shares of common stock of the issuer based on the average of the opening and closing market price of the underlying common stock on the date of vesting.
