### INDENTURE SECURITIES

#### 8. ANALYSIS OF INDENTURE PROVISIONS.

The New Notes will be issued under the Indenture to be dated as of the consummation of the Exchange Offer and entered into between the Company and Wells Fargo Bank, National Association, as trustee (the "Trustee"). The following analysis is not a complete description of the Indenture provisions discussed and is qualified in its entirety by reference to the terms of the Indenture, a form of which is attached as Exhibit T3C hereto and incorporated by reference herein. The Company has not entered into the Indenture as of the date of this filing, and the terms of the Indenture are subject to change prior to its execution. Capitalized terms used below but not defined herein have the meanings assigned to them in the Indenture, a form of which is attached as Exhibit T3C hereto.

(a) Events of Default; Withholding of Notice

Each of the following constitutes an Event of Default:

(1) the Company defaults in the payment of any interest (including contingent interest, if any), payable to all holders of Registrable Securities on any Security when the same becomes due and payable and the default continues for a period of 30 days, whether or not such payment shall be prohibited by the provisions of Article 5 of the Indenture;

(2) the Company defaults in the payment of any principal of (including, without limitation, any premium, if any, on) any Security when the same becomes due and payable (whether at maturity, on a Change in Control Purchase Date or otherwise), whether or not such payment shall be prohibited by the provisions of Article 5 of the Indenture;

(3) the Company fails to comply with any of its other agreements contained in the Securities or the Indenture and the default continues for the period and after the notice specified below;

(4) the Company fails to provide a Change in Control Purchase Notice when required by Section 3.02 of the Indenture;

(5) any indebtedness under any bond, debenture, note or other evidence of indebtedness for money borrowed by the Company or any Subsidiary (all or substantially all of the outstanding voting securities of which are

## Edgar Filing: INTEGRA LIFESCIENCES HOLDINGS CORP - Form T-3

owned, directly or indirectly, by the Company) or under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any indebtedness for money borrowed by the Company or any Subsidiary (all or substantially all of the

5

outstanding voting securities of which are owned, directly or indirectly, by the Company) (an "Instrument") with a principal amount then outstanding in excess of U.S. \$5,000,000, whether such indebtedness now exists or shall hereafter be created, is not paid at final maturity of the Instrument (either at its stated maturity or upon acceleration thereof), and such indebtedness is not discharged, or such acceleration is not rescinded or annulled, within a period of 30 days after there shall have been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the then outstanding Securities a written notice specifying such default and requiring the Company to cause such indebtedness to be discharged or cause such default to be cured or waived or such acceleration to be rescinded or annulled and stating that such notice is a "Notice of Default" hereunder;

(6) the Company fails to issue Common Stock or pay the Daily Cash Amounts or Net Share Amount upon conversion of Securities in accordance with Article 4 of the Indenture;

(7) the Company or any Subsidiary, pursuant to or within the meaning of any Bankruptcy Law:

(A) commences a voluntary case or proceeding;

(B) consents to the entry of an order for relief against it in an involuntary case or proceeding;

(C) consents to the appointment of a Custodian of it or for all or substantially all of its property; or

(D) makes a general assignment for the benefit of its creditors;  
or

(8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Company or any Subsidiary in an involuntary case or proceeding;

(B) appoints a Custodian of the Company or any Subsidiary or for all or substantially all of the property of the Company or any Subsidiary; or

(C) orders the liquidation of the Company or any Subsidiary;

and in each case the order or decree remains unstayed and in effect for 60 consecutive days.

The term "Bankruptcy Law" means Title 11 of the United States Code (or any successor thereto) or any similar federal or state law for the relief of debtors. The term "Custodian" means any receiver, trustee, assignee, liquidator, sequestrator or similar official under any Bankruptcy Law.

A default under clause (3) above is not an Event of Default until the Trustee notifies the Company, or the Holders of at least 25% in aggregate

## Edgar Filing: INTEGRA LIFESCIENCES HOLDINGS CORP - Form T-3

principal amount of the Securities then outstanding notify the Company and the Trustee, in writing of the default, and the Company does not cure the default within 60 days after receipt of such notice. The notice given pursuant to Section 8.01 of the Indenture must specify the default, demand that it be remedied and state that the notice is a "Notice of Default." When any default under Section 8.01 of the Indenture is cured, it ceases.

The Trustee shall not be charged with knowledge of any Event of Default unless written notice thereof shall have been given to a Trust Officer at the Corporate Trust Office of the Trustee by the Company, a Paying Agent, any Holder or any agent of any Holder.

### (b) Authentication and Delivery of New Notes; Use of Proceeds

An Officer shall sign the Securities for the Company by manual or facsimile signature attested by the manual or facsimile signature of the Secretary or an Assistant Secretary of the Company. Typographic and other minor errors or defects in any such facsimile signature shall not affect the validity or enforceability of any Security which has been authenticated and delivered by the Trustee.

If an Officer whose signature is on a Security no longer holds that office at the time the Trustee authenticates the Security, the Security shall be valid nevertheless.

A Security shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Security. The signature shall be conclusive evidence that the Security has been authenticated under the Indenture.

The Trustee shall authenticate and make available for delivery Securities for original issue in the aggregate principal amount of up to \$120,000,000 upon receipt of a written order or orders of the Company signed by two Officers of the Company (a "Company Order"). The Company Order shall specify the amount of Securities to be authenticated, shall provide that all such Securities will be represented by a Restricted Global Security and the date on which each original issue of Securities is to be authenticated. The aggregate principal amount of Securities outstanding at any time may not exceed \$120,000,000 except as provided in Section 2.07 of the Indenture.

The Trustee shall act as the initial authenticating agent. Thereafter, the Trustee may appoint an authenticating agent acceptable to the Company to authenticate Securities. An authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in the Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent shall have the same rights as an Agent to deal with the Company or an Affiliate of the Company.

The Securities shall be issuable only in registered form without coupons and only in denominations of \$1,000 principal amount and any integral multiple thereof.

There will be no proceeds from the issuance of the New Notes because the New Notes are being issued in exchange for the Old Notes.

### (c) Release and Substitution of Property Subject to the Lien of the Indenture

The New Notes are unsecured obligations of the Company. As such, the new

## Edgar Filing: INTEGRA LIFESCIENCES HOLDINGS CORP - Form T-3

Notes are not secured by any lien on any property.

### (d) Satisfaction and Discharge of the Indenture

The Indenture shall cease to be of further effect (except as to any surviving rights of conversion, registration of transfer or exchange of Securities herein expressly provided for and except as further provided below), and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of the Indenture, when

#### (1) either

(A) all Securities theretofore authenticated and delivered (other than (i) Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.07 of the Indenture and (ii) Securities for whose payment money has theretofore been deposited in trust and thereafter repaid to the Company as provided in Section 10.03 of the Indenture) have been delivered to the Trustee for cancellation; or

(B) all such Securities not theretofore delivered to the Trustee for cancellation have become due and payable and the Company has irrevocably deposited or caused to be irrevocably deposited

7

(2) the Company has paid or caused to be paid all other sums payable hereunder by the Company; and

(3) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein relating to the satisfaction and discharge of the Indenture have been complied with.

Notwithstanding the satisfaction and discharge of the Indenture, the obligations of the Company to the Trustee under Section 9.07 shall survive and, if money shall have been deposited with the Trustee pursuant to subclause (B) of clause (1) of Section 10.1 of the Indenture, the provisions of Sections 2.03, 2.04, 2.05, 2.06, 2.07, 2.12, 3.02, 3.03, 3.04, 3.05, 3.06, 3.07 and 12.05, Article 4, the last paragraph of Section 6.02 and Article 10, shall survive until the Securities have been paid in full.

(e) Evidence Required to be Furnished by the Company to the Trustee as to Compliance with the Conditions and Covenants Provided for in the Indenture

Upon any request or application by the Company to the Trustee to take any action under the Indenture, the Company shall furnish to the Trustee at the request of the Trustee:

(1) an Officers' Certificate stating that, in the opinion of the signers, all conditions precedent (including any covenants, compliance with which constitutes a condition precedent), if any, provided for in the Indenture relating to the proposed action have been complied with; and

## Edgar Filing: INTEGRA LIFESCIENCES HOLDINGS CORP - Form T-3

(2) an Opinion of Counsel stating that, in the opinion of such counsel, all such conditions precedent (including any covenants, compliance with which constitutes a condition precedent) have been complied with.

(1) a statement that the person making such certificate or opinion has read such covenant or condition;

(2) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(3) a statement that, in the opinion of such person, he or she has made such examination or investigation as is necessary to enable him or her to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(4) a statement as to whether or not, in the opinion of such person, such condition or covenant has been complied with;

provided however, that with respect to matters of fact an Opinion of Counsel may rely on an Officers' Certificate or certificates of public officials.
