Certain of the information provided in this Proxy Statement relates to Downey Savings and Loan Association, F.A. and any predecessor entity (the "Bank"), a wholly owned subsidiary of Downey. This Proxy Statement and the accompanying form of proxy are being mailed to shareholders on or about March 16, 2004. The mailing address of the principal office of Downey is 3501 Jamboree Road, Newport Beach, California 92660. Downey's telephone number is (949) 854-0300.

RECORD DATE AND VOTING OF SHARES

On February 27, 2004, the record date for determining the shareholders entitled to notice of and to vote at the Annual Meeting, 27,953,747 shares of Downey's common stock ("Common Stock") were outstanding. A majority of the shares entitled to vote will constitute a quorum at the Annual Meeting. The three director nominees receiving the highest number of affirmative votes at the Annual Meeting will be elected. Abstentions and broker non-votes are

counted for purposes of determining a quorum, but are not considered as having voted for purposes of determining the outcome of a vote.

VOTING AND REVOCATION OF PROXIES

All shares represented by a properly executed proxy will be voted in accordance with the directions on such proxy. If no directions are specified, such shares will be voted **FOR** the election of the Board's nominees for directors presented under Proposal 1 and **FOR** the ratification of KPMG LLP as auditors for the year 2004 presented under Proposal 2. If for any reason one or more of the nominees should be unable or refuse to serve as a director (an event which the Board does not anticipate), the persons named in the enclosed proxy, in their discretion, will vote for substitute nominees of the Board unless otherwise instructed. If any other matters are properly presented to the Annual Meeting for action (including any proposal to adjourn the Annual Meeting), the persons named in such proxy and acting thereunder will vote in accordance with their best judgment on such matters.

Any shareholder may revoke his or her proxy at any time before it is voted by filing with the General Counsel/Corporate Secretary of Downey a written instrument revoking it or by filing a duly executed proxy bearing a later date. The execution of the enclosed proxy will not affect the right of a shareholder to vote in person if such shareholder should decide to attend the Annual Meeting and desires to vote in person.

SOLICITATION OF PROXIES

Downey will bear the cost of soliciting proxies. Directors and officers of Downey and directors, officers and employees of the Bank may solicit proxies personally, by mail, telephone, telecopier or other electronic transmission. Such directors, officers or employees will receive no compensation for their solicitation services other than their regular salaries, but may be reimbursed for out-of-pocket expenses. Downey will request record holders of shares beneficially owned by others to forward this Proxy Statement and related materials to the beneficial owners of such shares and will reimburse such record holders for their reasonable expenses incurred in doing so.

PROPOSAL 2. RATIFY THE APPOINTMENT OF AUDITORS

The Audit Committee of the Board has appointed KPMG LLP as Downey's auditors for 2004 and this appointment is being submitted to the shareholders for ratification. In the event the appointment is not ratified by a majority of votes cast, in person or by proxy, it is anticipated that no change in auditors would be made for the current year because of the difficulty and expense of making any change so long after the beginning of the current year. However, such vote would be considered in connection with the appointment of auditors for the next year.

KPMG LLP was Downey's auditor for the year ended December 31, 2003, and their representative is expected to attend the Annual Meeting.

In 1989, the Board engaged KPMG LLP as Downey's independent auditor and the relationship which has existed has been the customary relationship between an independent accountant and client.

The Board recommends that shareholders vote "FOR" this proposal. Proxies, unless indicated to the contrary, will be voted "FOR" this proposal.

Directors meet their responsibilities by attending Board and committee meetings, attending director education courses and reviewing director education materials and communicating with the Chairman, Vice Chairman, President and Chief Executive Officer and other members of management on matters affecting Downey and the Bank.

DIRECTOR INDEPENDENCE

On November 4, 2003, the Securities and Exchange Commission ("SEC") approved the final corporate governance rules of the New York Stock Exchange ("NYSE"), including final criteria for director independence and a requirement that listed companies have a majority of independent directors. Applying the NYSE's final independence criteria, in December 2003, the Board determined that seven directors (Abrahams, Finnell, Hunter, Kouri, McAlister, McQuarrie and Olson) are independent, because each director has no material relationship with Downey or the Bank, either directly or as a partner, shareholder or officer of an organization that has a relationship with Downey or the Bank. The Board also determined that the remaining two directors (Rosenthal and Smull) are not independent.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board is responsible for monitoring the integrity of Downey's financial reporting process and systems of internal controls regarding financial reporting, accounting and legal compliance. In addition, the Audit Committee is responsible for monitoring the independence and performance of Downey's independent auditors, the internal auditing department and the internal asset review function. The Audit Committee also facilitates communication among the independent auditors, management, the internal auditing department, the internal asset review department and the Board. The current members of the Audit Committee are Gerald E. Finnell, Chair, Michael B. Abrahams, Dr. Paul Kouri and Brent McQuarrie. The Board has determined that each member of the Audit Committee is independent under applicable listing standards and that Gerald E. Finnell qualifies as an "audit committee financial expert."

Audit Philosophy

During 2004, the Board approved a revised Audit Committee charter to comply with new rules relating to the functioning of corporate audit committees promulgated by the SEC and NYSE. The revised charter is attached to this Proxy Statement as Appendix A. The charter is also available on Downey's website at www.downeysavings.com by clicking on "Investor Relations" and then "Corporate Governance." The Audit Committee also has a written

pre-approval policy for audit-related and tax services, which is attached to this Proxy Statement as Appendix B.

During 2003, the Audit Committee met 12 times. The Audit Committee reviewed and discussed with management Downey's quarterly earnings releases and financial statements as well as the annual audited financial statements. The Audit Committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61.

Communications with Audit Committee

The Audit Committee discussed with the independent auditors changes in significant accounting policies, the process used by management in formulating material accounting estimates and the independent auditor's conclusions regarding the reasonableness of such policies, estimates and adjustments arising from the audit, if any, and any disagreements with management over the application of accounting principles.

The Audit Committee received, reviewed and discussed with the independent auditors, the auditor's written disclosures regarding independence and the letter from the auditor required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*. Based on the review of such disclosures and giving consideration to the non-audit services provided by KPMG LLP during 2003, the Audit Committee has concluded that KPMG's independence has not been impaired or compromised.

COMPENSATION COMMITTEE REPORT

The current members of the Compensation Committee are Michael B. Abrahams, Chair, Cheryl E. Olson and James H. Hunter. The Board has determined that each member of the Compensation Committee is independent under applicable listing standards. During 2004, the Board approved a written charter for the Compensation Committee to comply with SEC and NYSE requirements. The charter is available on Downey's website at www.downeysavings.com by clicking on "Investor Relations" and then "Corporate Governance."

Compensation Philosophy

The Compensation Committee's goal is to align compensation programs with the strategic direction of Downey and the Bank and to attract, motivate and retain the best qualified employees. In carrying out its duties, the Compensation Committee evaluates compensation and benefits programs, including both qualified and nonqualified programs, and other benefits programs affecting all employees to ensure they are cost effective, competitive and fair.

The Compensation Committee periodically compares Downey's pay policies to peer group institutions. The Compensation Committee strives to implement benefits programs which, based upon competitive and cost

considerations, deliver the highest level of value consistent with corporate and shareholder interests. Total compensation (including benefits) is established in the context of overall job responsibilities, achieving corporate and individual performance goals and objectives, as well as competitive compensation conditions.

2003 Compensation Programs

During 2003, the components of the compensation programs included a base salary, a bonus program ("Annual Incentive Plan"), the 1994 Long-Term Incentive Plan, a Deferred Compensation Plan, a Section 125 Cafeteria Plan (i.e., medical, vision, dental and life coverages) and an Employees Retirement and Savings Plan (401(k) Plan).

Base Salary

During 2003 and early 2004, the Compensation Committee recommended, and the Board approved, the base salaries of Daniel D. Rosenthal, the former President and Chief Executive Officer and Marangal I. Domingo, the current President and Chief Executive Officer. The Compensation Committee also approved the base salaries of ten other executive officers. The Compensation Committee based its recommendations and approvals on assessment of market conditions and competitive factors, including salary surveys from nationally recognized third parties and salary surveys among the Bank's competitors.

Annual Incentive Plan

During 2003, the Compensation Committee reviewed and the Board approved an Annual Incentive Plan for Downey. Individual performance objectives were established for all eligible participants in the Annual Incentive Plan based upon their individual responsibilities and Downey's 2003 approved corporate performance target for net income, which aligned each participant's compensation with Downey's approved business plan. During 2003, bonus incentives targeted under the Annual Incentive Plan for the President (who is also the Chief Executive Officer), and the Chief Administrative Officer were targeted at 120% and 100% of their base salary, respectively. Other executive officers and eligible participants of Downey and the Bank were targeted at between 25% and 100% of their base salary. Pursuant to the Annual Incentive Plan, those targeted amounts may be adjusted based upon individual and corporate performance goals which provide for a potential bonus payment of up to 168% of an individual's targeted bonus amount. However, to the extent that actual corporate performance was 80%

or below the approved corporate performance goal, no bonus amounts were to be paid to participants pursuant to the Annual Incentive Plan.

During 2003, Downey achieved 96% of its corporate performance target. Based upon 2003 corporate and individual participant performance, bonuses paid, relative to the targeted amounts for all such participants, represented, on average, 93% of the bonus target.

1994 Long-Term Incentive Plan

In 1994, the Bank's Board approved a Long-Term Incentive Plan (the "LTIP"). The LTIP was submitted to the Bank's shareholders for approval at a special meeting of shareholders held on December 21, 1994. Thereafter, the LTIP was adopted and ratified by Downey and, pursuant thereto, shares of Downey are to be issued upon the exercise of options or payments of other awards for which payment is to be made in stock.

The LTIP was adopted to promote and advance the interests of Downey and its shareholders by providing a means by which selected officers and employees would be given an opportunity to acquire stock in Downey and other incentive-based awards, to assist in attracting and retaining the services of employees holding key positions and to provide incentives for such key employees to exert maximum efforts toward results that are in the best interests of all shareholders. Incentive stock options may be granted under the LTIP only to officers and key employees, including directors if they are employees. Currently, approximately 38 officers and key employees are eligible to receive awards under the LTIP. The LTIP is administered by the Compensation Committee and, during 2003, no stock option grants or other awards were made under the LTIP.

Deferred Compensation Program

During 1995, the Compensation Committee reviewed and the Board approved implementation of a Deferred Compensation Plan for key management employees and directors. The Deferred Compensation Plan is considered to be an essential element in a comprehensive competitive benefits package designed to attract and retain individuals who contribute to the success of Downey. Participants are eligible to defer compensation on a pre-tax basis, including director fees, and earn a competitive interest rate on the amounts deferred. During 1999, the Board terminated the 1995 Deferred Compensation Plan and a 1999 Deferred

Compensation Program was approved for key management employees and directors. Currently, 99 management employees and eight directors are eligible to participate in the program. During 2003, 15 management employees elected to defer compensation pursuant to the 1999 Deferred Compensation Program.

Employees Retirement and Savings Plan

The Bank offers to its employees a 401(k) plan. It is called the Downey Savings and Loan Association, F.A. Employees Retirement and Savings Plan. Participants are permitted to make contributions on a pre-tax basis, a portion of which is matched by the Bank. For 2003, the Bank contributed \$1.7 million as the employer match to the Downey Savings and Loan Association, F.A. Employees Retirement and Savings Plan.

Employee Stock Purchase Plan

Downey offers its employees participation in Downey's Employee Stock Purchase Plan. Downey believes that ownership of Downey's stock by employees will foster greater employee interest in Downey's success, growth and development and will be to the mutual benefit of the employee and Downey. The Employee Stock Purchase Plan is designed to provide employees a continued opportunity to purchase Downey stock through systematic payroll deductions. Downey bears all costs of administering the Employee Stock Purchase Plan, including broker's fees, commissions, postage and

other costs incurred with stock purchases. If an employee elects to terminate participation in the Employee Stock Purchase Plan, or sells stock acquired through the Employee Stock Purchase Plan, the employee is responsible for the associated costs.

President and Chief Executive Officer Compensation

During 2003, Daniel D. Rosenthal served as President and Chief Executive Officer of Downey and the Bank. In accordance with the Annual Incentive Plan and achievement of Downey's 2003 corporate performance target, the

Compensation Committee recommended and Downey's Board approved an incentive compensation payment to Mr. Rosenthal of \$403,200, which amount represents 96% of the targeted incentive amount.

On February 2, 2004, Marangal I. Domingo became President and Chief Executive Officer of Downey and the Bank. Prior to that date, the Compensation Committee recommended and the Board approved an employment agreement for Mr. Domingo, a copy of which is Exhibit 10.16 to Downey's Form 10-K filed with the SEC. The employment agreement provides for Mr. Domingo to receive a base salary of \$750,000 per year plus a bonus of up to \$1 million per year tied to Downey's annual return on equity performance. Mr. Domingo also received a signing bonus of \$250,000, a \$39,000 relocation package plus up to \$25,000 for moving expenses. The employment agreement also provides for severance to Mr. Domingo of \$750,000 if he is terminated without cause or demoted, his base salary or bonus is reduced or a change in control occurs. For 2004, the severance to Mr. Domingo will also include a pro-rated portion of his bonus.

Retirement Package for Chief Administrative Officer

In recognition of Ms. Wolfe's valuable service to the Bank since 1974, the Compensation Committee recommended and the Board approved a retirement package. If Ms. Wolfe retires in 2004, she will receive (i) at retirement, a lump sum payment equal to her annual base salary of \$400,000 plus her pro-rated 2004 bonus (calculated at the rate of \$33,333 per month); plus (ii) \$1500 per month for 60 consecutive months after retirement (total \$90,000). At the Compensation Committee's option (and if Ms. Wolfe so requests), this \$90,000 may be paid in a single lump sum, discounted to its present value. In addition, after retirement, Ms. Wolfe will remain available as a consultant to the Bank for the balance of 2004 and, for the months the Bank chooses to retain Ms. Wolfe as a consultant, she will be compensated at the rate of \$66,667 per month.

The Compensation Committee believes that the management team is dedicated to achieving significant improvement in Downey's long-term financial performance. The Compensation Committee further believes that Downey's compensation policies are designed to align closely the financial interests of senior executive management with the interests of Downey's shareholders and, as administered by the Compensation Committee, will enhance management's efforts in these areas.

Director Compensation

Annual Compensation

Currently, directors who are not employees of Downey or the Bank receive (i) an annual retainer of \$24,000 payable monthly or quarterly, at the director's option, (ii) an attendance fee of \$1,000 for each Board meeting held on a regular Board meeting day, and (iii) an attendance fee of \$1,000 for each meeting of a Downey or Bank committee or \$500 for each meeting of DSL Service Company's Board held on a day other than a regular Board meeting day. Non-employee directors who review the Thrift Financial Reports and Consolidated Maturity/Rate Reports, required to be filed quarterly with the Office of Thrift Supervision, also receive a \$500 fee per quarter in connection with the review and execution of those regulatory reports. The Chairmen of Downey's Audit and Compensation Committees each receive an additional annual retainer of \$5,000 and \$3,000, respectively. The Chairman of Downey's and the Bank's Boards is entitled to receive an additional annual retainer of \$2,500, respectively. Downey's and the Bank's Chairman has declined to accept these additional annual retainers. Directors are reimbursed for reasonable out-of-pocket expenses incurred in the performance of their duties. Furthermore, directors are entitled to participate in and receive the medical benefit coverage provided to the Bank's employees.

Director Retirement Benefits Plan

During 2003, the Board approved a revised Director Retirement Benefits Plan (the "DRB Plan"). To be eligible for the DRB Plan benefits, the director must have retired from the Board, not been an employee of Downey or the Bank while a director, and served as a director for a minimum of either three years (if he or she joined the Board before April 23, 2003) or five years (if he or she joined the Board on or after April 23, 2003). The total benefit an eligible director receives under the DRB Plan equals one-third of the months the director served (up to a maximum of 60 months) multiplied by the average monthly director compensation received during the 36 months preceding retirement. The total benefit will be paid to each eligible director or his or her designated beneficiary, in 60 equal monthly installments, without interest, beginning the month after retirement. If a majority interest of Downey's outstanding stock is transferred or acquired (other than by will or by the laws of descent and distribution), then the entire earned benefit becomes payable immediately, and the three-year (or five

year) minimum service requirement does not apply. If a retired director so requests, Downey, at its option, may make a single lump-sum payment of the total benefit. Any such accelerated payment would be discounted to the present value at the interest rate then in effect for the Bank's two-year certificates of deposit.

Founder Retirement Agreement

On December 21, 1989, the Bank entered into a retirement agreement (the "Founder Retirement Agreement") with Mr. McAlister, pursuant to which Mr. McAlister's compensation was \$32,167 per month, which payments commenced upon Mr. McAlister's retirement as President of DSL Service Company, a subsidiary of the Bank, in 1993. The Founder Retirement Agreement provides for adjustments to compensation payments every three years, based on the Consumer Price Index, as defined under the Founder Retirement Agreement. Pursuant to these adjustments, Mr. McAlister's compensation was adjusted to \$39,210 per month, effective as of July 1, 2003.

During 2000, in consideration and in recognition of Mr. McAlister having completed more than thirty years of service and his continuing involvement with the growth of Downey and the Bank, the Bank agreed to amend the Founder Retirement Agreement pursuant to which Mr. McAlister and the Bank agreed that Mr. McAlister would be

entitled to receive monthly compensation for so long as Mr. McAlister lives but not less than 120 months from June 28, 2000. Thus, the payments will be made to Mr. McAlister's estate through June 2010 should he die prior to that date. During 2003, Mr. McAlister received \$491,648 under the Founder Retirement Agreement. If a majority interest of Downey's Common Stock is transferred or acquired, then such compensation shall continue as scheduled or, at Downey's option, a lump-sum payment equal to the then present value of any remaining compensation shall be paid.

NOMINATING AND CORPORATE GOVERNANCE COMMITTEE REPORT

The current members of the Nominating and Corporate Governance Committee ("NCGC") are Cheryl E. Olson, Chair, Maurice L. McAlister and Brent McQuarrie. The Board has determined that each member of the NCGC is independent under applicable listing standards. During 2003 and 2004, and in accordance with SEC and NYSE requirements, the Board approved (i) a written charter for the NCGC; (ii) corporate governance guidelines; (iii) a code of ethical conduct for directors and financial officers; and (iv) a code of ethical conduct for all employees. Items (i)-(iii) and a summary of item (iv) are available on Downey's website at www.downeysavings.com by clicking on "Investor Relations" and then "Corporate Governance."

During 2003, independent directors met (without management) two times and have scheduled quarterly meetings in 2004.

Nomination of Director Candidates

The NCGC is primarily responsible for identifying qualified director candidates, including shareholder nominees, and the NCGC considers, among other things, a candidate's age, diversity, skills, background, experience and ability to represent the long-term interests of shareholders as a whole.

The NCGC will consider shareholder nominations for director in accordance with Downey's Bylaws. The nominating shareholder must be eligible to vote for the election of directors at the annual meeting for which the shareholder's director candidate is nominated. To be timely, a shareholder's nomination must be delivered to or received at Downey's principal executive offices not less than 20 days prior to the annual meeting; provided, however, that if Downey gives shareholders less than 30 days' notice of the date of the annual meeting (which notice must be accompanied by a proxy or information statement which identifies the nominees of the Board), to be timely Downey must receive the shareholder nomination by the close of business on the 10th day following the day on which such notice of the date of the meeting was mailed. Such shareholder's nomination notice shall set forth as to each director nominee (i) the name, age, business address and residence address of such nominee; (ii) the principal occupation or employment of such nominee; and (iii) such nominee's written consent to serve as a director, if elected; and as to the shareholder giving the notice (i) the name and address of such shareholder; and (ii) the class and number of shares of Downey which are owned of record by such shareholder.

At the request of the Board, any person nominated by the Board for election as a director shall furnish to the General Counsel/Corporate Secretary of Downey the information required to be set forth in a shareholder's notice of nomination which pertains to the nominee together with the required written consents. Ballots bearing the names of all persons nominated by the NCGC and by shareholders shall be provided for use at the annual meeting. If the NCGC fails or refuses to act at least 20 days prior to the annual meeting, nominations for directors may be made at the Annual Meeting by any shareholder entitled to vote and shall be voted upon. No person shall be elected as a director of Downey unless nominated in accordance with the procedures set forth in this section.

The only new director nominated this year is Marangal I. Domingo, who was appointed as President and Chief Executive Officer of Downey and the Bank effective February 2, 2004. The non-management directors of Downey nominated Mr. Domingo to become a director of Downey and the Bank.

Downey does not currently employ or pay a fee to any third party to assist in identifying or evaluating director candidates. The Board has not rejected any director candidates proposed by a shareholder (or group of shareholders) who beneficially owned more than 5% of Downey's Common Stock for at least one year at the time of such nomination.

Shareholder-Director Communications

The Board welcomes communications from shareholders. You may send communications to the Board or any particular directors(s) in care of Downey's General Counsel/Corporate Secretary, 3501 Jamboree Road, North Tower, Newport Beach, California 92660, who shall forward the communications to the director(s) and may review such communications and distribute a copy to Downey's senior management.

Directors' Attendance at Annual Meeting

The Board has a policy that all directors should attend the annual meeting of shareholders. All incumbent directors and nominees attended the annual meeting in April 2003.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Transactions with Management and Certain Business Relationships

During 2003, employees of Downey and the Bank provided accounting and related services to Maurice L. McAlister, Chairman of Downey's Board of Directors, certain members of Mr. McAlister's family and certain of his controlled affiliates. The aggregate value of these services was approximately \$70,046. Downey and the Bank have been fully reimbursed for the services provided.

From time to time, the Bank's Board has approved having the Bank enter into commercial leases with California partnerships in which Lester C. Smull, a director of Downey and the Bank, is the managing general partner. These commercial leases are for a total of four Bank branches, one each in Huntington Beach, Dana Point, Chino and Mission Viejo, California. The Bank's aggregate rental obligations on the four leases as of February 2004 is approximately \$26,135 per month. Management believes that the terms of the leases, including the monthly rent, are at least as favorable to the Bank as prevailing terms that could be obtained from a non-affiliated person.

Loans to Management and Directors

The Bank offers loans to directors, officers and employees of Downey, the Bank and their respective subsidiaries. These loans are made in the ordinary course of business and, in the judgment of management, do not involve more than the normal risk of collectability or present other unfavorable features. The loans are made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions involving non-affiliated persons.

Over a period of approximately 27 years, the Bank has made various loans to Director Smull, in his individual capacity, to the Smull Family Trust and to a number of California partnerships in which Director Smull is a managing general partner. As of December 31, 2003, the Bank had loans outstanding to Director Smull or his related partnerships in an aggregate amount of approximately \$19.3 million. Each of the loans to Director Smull or his related partnerships (i) was made in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions involving non-affiliated persons; and (ii) did not involve more than the normal risk of collectability or present other unfavorable features.

On December 20, 2000, the Bank made a loan to Director Kouri and his wife Bobbie Jean Kouri in the amount of \$260,000, secured by 13,639 shares of Downey stock held by the Kouris. As of December 31, 2003, the outstanding balance of the loan was \$229,944.

The Bank has made various loans to McMillin Companies, LLC, where Director Hunter is Executive Vice President of Planning and Acquisition. As of December 31, 2003, the Bank had loans outstanding to McMillin Companies, LLC and related entities in an aggregate amount of \$16.7 million. In addition, DSL Service Company has equity investments in real estate ventures associated with McMillin Companies, LLC, specifically (as of December 31, 2003) a \$13.2 million investment in McMillin Morgan Hill, LLC and a \$5.6 million investment in Cristal @ Morgan Hill, LLC. Each of the loans to, and equity investments with, the McMillin-related entities (i) was made in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions involving non-affiliated persons; and (ii) did not involve more than the normal risk of collectability or present other unfavorable features.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

At the close of business on February 27 2004, the record date for the Annual Meeting, there were 27,953,747 shares of Downey's Common Stock outstanding and entitled to vote, all of one class, and each having one vote. The holders of a majority of the shares outstanding and entitled to vote, either present in person or represented by proxy, constitute a quorum for the Annual Meeting.

The Audit Committee shall have the sole authority to appoint or replace the independent auditors, subject to any required shareholder ratification. The Audit Committee may retain, at Downey's expense, independent legal, accounting, or other consultants or experts it deems necessary in the performance of its duties. Downey shall provide for appropriate funding, as determined by the Audit Committee, to compensate the independent auditors and any advisors the Audit Committee employs.

II. Audit Committee Composition and Meetings

Audit Committee members shall satisfy the requirements for independence and expertise established by the New York Stock Exchange, Inc., in Rule 10A-3 of the Securities Exchange Act of 1934 ("Exchange Act") and other rules and regulations of the SEC. The Audit Committee shall be comprised of at least three directors, each of whom shall be independent non-executive directors, free from any relationship that would interfere with the exercise of his or her independent judgment. Each member of the Audit Committee shall be financially literate, as such qualification is interpreted by DFC's Board in its business judgment. At least one member of the Audit Committee shall have accounting or related financial management expertise.

The Audit Committee shall meet at least four times annually, or more frequently as circumstances dictate. The Audit Committee Chair shall prepare and/or approve an agenda in advance of each meeting. The Audit Committee shall meet periodically (at least annually) in separate executive sessions with management, the Director of Internal Audit, the Director of Internal Asset Review, the independent auditors, and as a committee to discuss any matters that the Committee or each of those groups believe should be discussed. In addition, the Audit Committee shall communicate with management and the independent auditors quarterly to review Downey's financial statements and significant findings based upon the independent auditors' review.

III. Audit Committee Responsibilities and Duties

The Audit Committee shall:

1. Review and reassess the adequacy of this Charter at least annually. Submit the Charter to the Board for approval and have the document published at least every three years in accordance with SEC regulations.
2. Review and discuss with management and the independent auditors Downey's quarterly and annual audited financial statements, including disclosures made in management's discussion and analysis prior to filing or distribution and recommend to the Board whether the audited financial statements should be included in DFC's form 10-K. This review should include discussion with management and independent auditors of significant issues regarding accounting principles, practices, and judgments.
3. Consider the integrity of Downey's financial reporting processes and controls, in consultation with the management, the independent auditors, and the internal auditors. Discuss significant financial risk exposures and the steps management has taken to monitor, control, and report such exposures. Review significant findings prepared by the independent auditors and the Internal Audit Department together with management's responses.
4. Discuss with management and the independent auditors significant financial reporting issues and judgments made in connection with the preparation of Downey's financial statements, including any significant changes in Downey's selection or application of accounting principles, any major issues as to the adequacy of Downey's internal controls and any special steps adopted in light of any material control deficiencies identified.
5. Discuss with management and the independent auditors the effect(s) of regulatory and accounting initiatives as well as off-balance sheet structures on Downey's financial statements.
6. Review with financial management and the independent auditors Downey's quarterly financial results and earnings guidance, if any, prior to the release of earnings and/or DFC's quarterly financial statements, (including the results of the independent auditors' reviews of the financial statements,) prior to distribution and filing of the Form 10-Q.
7. Review and discuss quarterly reports from the independent auditors on: all critical accounting policies and practices to be used; all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments and the treatment preferred by the independent auditors; and other material written communications between the independent auditors and management, such as any management letter or schedule of unadjusted differences.
8. Discuss any significant changes to Downey's accounting principles and any items required to be communicated by the independent auditors in accordance with SAS 61.
9. Review the independence and performance of the independent auditors and annually recommend to the Board the appointment of the independent auditors or approve any discharge of independent auditors when circumstances warrant.

10. Assume direct responsibility for the compensation and oversee the work of the independent auditors (including resolution of disagreements between management and the independent auditors regarding financial reporting) for purposes of preparing or issuing an audit report or related work. The independent auditors shall report directly to the Audit Committee. Preapprove all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for Downey by its independent auditors, subject to the de

minus exceptions for non-audit services described in Section 10A(I)(1)(B) of the Exchange Act which are approved by the Audit Committee prior to completion of the audit.

11. Annually obtain a written statement from the independent auditors delineating all relationships between the independent auditors and Downey. Engage in an ongoing dialogue with the independent auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the independent auditors, and recommend that the Board take appropriate action in response to the independent auditors' report to satisfy itself of the independent auditors' independence.

12. Set clear policies for the hiring of employees or former employees of the independent auditors who participated in any capacity in any audit of Downey.

13. Review the independent auditors' audit plan; discuss scope, staffing, locations, reliance upon management, and internal audit and general audit approach and meet with the independent auditors prior to the audit.

14. Prior to releasing the year-end earnings and financial statements, discuss the results of the audit with the independent auditors. Discuss certain matters required to be communicated to audit committees in accordance with AICPA SAS 61.¹ Consider the independent auditors' judgments about the quality and appropriateness of DFC's accounting principles as applied in its financial reporting. Obtain assurance that Section 10A(b) of the Exchange Act has not been implicated.

15. Evaluate the lead partner of the independent auditor team. Ensure the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law. Obtain and review a report from the independent auditors at least annually describing (a) the independent auditors' internal quality control procedures, (b) any material issues raised by the most recent internal quality control review or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities within the preceding five (5) years respecting one or more independent audits carried out by the firm, (c) any steps taken to deal with any such issues, and (d) all relationships between the independent auditors and Downey. Evaluate the qualifications, performance and independence of the independent auditors, including considering whether the independent auditors' quality controls are adequate and the provisions of permitted non-audit services to Downey is compatible with maintaining the independent auditors' independence, and taking into account the opinions of management and the internal auditors. The Audit Committee shall present its conclusions with respect to the independent auditors to the Board.

17. Review the appointment, if applicable, performance, and if necessary, replacement of the Director of Internal Audit, and the Director of Internal Asset Review, both of whom shall report directly to the Audit Committee. APPENDIX B

Downey Financial Corp. Audit Committee Pre-Approval Policy

I. STATEMENT OF PRINCIPLES

The Audit Committee of Downey Financial Corp. ("DFC") is required to pre-approve audit and non-audit services performed by the independent auditor to assure that such services do not impair the auditor's independence. Unless a type of service has received specific pre-approval by the Audit Committee, the independent auditor may not be engaged. Any proposed services exceeding pre-approved cost levels will require specific pre-approval by the Audit Committee.

This Policy describes the audit related and tax services that have the pre-approval of the Audit Committee. The term of any pre-approval is 12 months from the date of pre-approval, unless the Audit Committee specifically provides for a different period. The Audit Committee will periodically revise the list of pre-approved services, based on subsequent determinations.

The Audit Committee will consider and, as appropriate approve outside this Policy, the audit services performed by the independent auditor, including the scope of such services and the fees to be paid to the independent auditor.

The Audit Committee does not delegate to management the Audit Committee's responsibilities to pre-approve services performed by the independent auditor. For any Audit-Related Services, Tax Services or Non-Audit Services

beyond those described in this Policy, the Audit Committee has delegated to the Chairman of the Audit Committee pre-approval authority for such services. The Audit Committee may delegate pre-approval authority to one or more of its members beyond the Chairman. The member(s) to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting.

Requests or applications to provide services that require specific approval by the Audit Committee will be submitted to the Audit Committee by both the independent auditor and the Chief Financial Officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence.

II. AUDIT-RELATED SERVICES

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of DFC's financial statements or that are traditionally performed by the independent auditor. The Audit Committee believes that the provision of Audit-related services does not impair the independence of the auditor, and has pre-approved the Audit-related services listed below. All other Audit-related services not listed below must be separately pre-approved by the Audit Committee.

Pre-approved Audit-related services:

1. Issuing so-called "Comfort Letters" to verify loan delinquency information which Downey provides investors who purchase loans from Downey and securitize the loans in the secondary market. The investors requesting the Comfort Letters reimburse Downey for the fees the independent auditor charges. Despite this reimbursement, the pre-approved fees cannot exceed \$50,000 for any calendar year.

III. TAX SERVICES

The Audit Committee believes that the independent auditor can provide Tax services to DFC such as tax compliance, tax planning and tax advice without impairing the auditor's independence. The Audit Committee has pre-approved the Tax services listed below. All Tax services involving large and complex transactions not listed below must be separately pre-approved by the Audit Committee.

Pre-approved Tax services:

1. U.S. federal, state and local tax planning, advice and compliance, with annual fees not to exceed \$40,000 for any calendar year.

IV. PROHIBITED NON-AUDIT SERVICES

A list of the SEC's prohibited non-audit services is attached to this Policy as Exhibit 1. The SEC's rules and relevant guidance should be consulted to determine the precise definitions of these services and the applicability of exceptions to certain of the prohibitions.

Exhibit 1

Prohibited Non-Audit Services
