Item 1.01 Entry into a Material Definitive Agreement;

Item 8.01 Other Events.

On August 15, 2006, Leap Wireless International, Inc., or Leap, in connection with a public offering of Leap common stock, entered into a forward sale agreement with each of Goldman Sachs Financial Markets, L.P., or GSFM, and Citibank, N.A., or Citibank. The forward sale agreements, which became effective on August 21, 2006, provided for physical, cash or net stock settlement on up to five settlement dates to be specified at Leap's discretion, subject to certain conditions relating to securities law compliance, share price and trading volumes. The initial forward sale price under the forward sale agreements was \$40.11 per share, subject to daily adjustment based on a floating interest factor equal to the federal funds rate, less a spread of 1.0%. Each of GSFM and Citibank had the right to accelerate its forward sale agreement upon the occurrence of certain events.

As previously disclosed in a Current Report on Form 8-K filed on October 17, 2006, which disclosure is incorporated herein by reference, on October 16, 2006, Leap issued and delivered to GSFM and Citibank an aggregate of 6,188,000 shares of Leap common stock, \$0.0001 par value per share, in connection with the physical settlement of a portion of the forward sale agreements. As a result of this settlement, Leap received aggregate cash proceeds in the amount of \$249.9 million.

On October 25, 2006, Leap issued and delivered to GSFM and Citibank an aggregate of a further 252,000 shares of Leap common stock, \$0.0001 par value per share, in connection with the physical settlement of the remainder of Leap's forward sale agreements. As a result of this additional settlement, Leap received aggregate cash proceeds in the amount of \$10.2 million. Leap intends to use the proceeds from this additional settlement for general corporate purposes, including future expenditures for the build-out and launch of wireless licenses.

As of October 25, 2006 and after giving effect to the issuance of the 252,000 shares of Leap common stock under the forward sale agreements described above, Leap had a total of 67,763,650 shares of its common stock issued and outstanding.

GSFM and Citibank, or their respective affiliates, were also initial purchasers in connection with the sale of unsecured 9.375% Senior Notes of Cricket due 2014, acted as joint lead arrangers for our Amended and Restated Credit Agreement dated as of June 16, 2006, were lenders under our Bridge Credit Agreement dated as of August 8, 2006, and have performed financial advisory, investment banking and commercial banking services in the ordinary course of business to us for which they have received customary fees and expenses.

The description of the forward sale agreements contained in this Item 1.01 and Item 8.01 is qualified in its entirety by reference to the full text of the forward sale agreements, copies of which are being filed with this Current Report on Form 8-K as Exhibits 4.1 and 4.2.
