INTRODUCTION

On December 1, 2006, International Uranium Corporation (IUC) and Denison Mines Inc. (DMI) combined their business operations by way of arrangement under the Ontario Business Corporations Act (the Denison Arrangement). Pursuant to the Denison Arrangement, DMI amalgamated with a subsidiary of IUC. The amalgamated companies continued as Denison Mines Inc. Under the Denison Arrangement, IUC acquired all of the shares of the newly amalgamated DMI in exchange for IUC shares on the basis of 2.88 IUC shares for each DMI share. Effective December 1, 2006, IUC s articles were amended to change its name to Denison Mines Corp. In this Form 40-F, Denison Mines Corp. formerly known as International Uranium Corporation, is referred to as the Company.

DISCLOSURE CONTROLS AND PROCEDURES

A. Evaluation of Disclosure Controls and Procedures

The Company maintains disclosure controls and procedures to ensure that information required to be disclosed in the Company s filings under the Securities Exchange Act of 1934, as amended (the Exchange Act) is recorded, processed, summarized and reported in accordance with the requirements specified in the rules and forms of the Securities and Exchange Commission (the SEC). The Company carried out an evaluation, under the supervision and with the participation of its management, including the Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of the Company s disclosure controls and procedures (as defined in the Exchange Act Rule 13a-15(e)) as of the end of the period covered by this report. Based upon that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that the Company s disclosure controls and procedures as of December 31, 2007, are effective to ensure that information required to be disclosed by the Registrant in reports it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC s rules and forms and is accumulated and communicated to the Registrant s management, including its Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely required disclosure. The Company s disclosure controls and procedures are designed to provide reasonable assurance of achieving their objectives and, as indicated in the preceding paragraph, the CEO and CFO believe that the Company s disclosure controls and procedures are effective at that reasonable assurance level, although the CEO and CFO do not expect that the disclosure controls and procedures or internal control over financial reporting will prevent or detect all errors and all fraud. A control system, no matter how well conceived or operated, can provide only reasonable, not absolute, assurance that the objectives of the control system are met. The Company will continue to periodically review its disclosure controls and procedures and may make such modifications from time to time as it considers necessary.

B. Management s Annual Report on Internal Control Over Financial Reporting

The Company s management is responsible for establishing and maintaining an adequate system of internal control over financial reporting. Internal control over financial reporting is a process to provide reasonable assurance regarding the reliability of the Company s financial reporting for external purposes in accordance with accounting principles generally accepted in Canada and the United States of America. Management conducted an assessment of the Company s internal control over financial reporting based on the framework established by the Committee of Sponsoring Organizations of the Treadway Commission in Internal Control Integrated Framework. Based on this assessment, management concluded that, as of December 31, 2007, the Company s internal control over financial reporting is effective.

C. Report of the Independent Auditors, PricewaterhouseCoopers LLC

The report of the Company s independent auditors regarding internal control over financial reporting is included as an Exhibit to this Form 40-F.

D. Changes in Internal Control Over Financial Reporting

There was no change in the Company’s internal control over financial reporting that occurred during the twelve month period covered by this annual report that has materially affected, or is reasonably likely to materially affect, the Company’s internal control over financial reporting.
