CAL WATER ANNOUNCES THIRD QUARTER 2005 RESULTS;
BOARD DECLARES 244TH CONSECUTIVE QUARTERLY DIVIDEND

SAN JOSE, CA - California Water Service Group (NYSE : CWT) today announced net income of \$13.1 million and diluted earnings of \$0.71 per share for the third quarter of 2005, compared to net income of \$10.8 million and diluted earnings of \$0.59 per share in the third quarter of 2004.

Revenue for the third quarter increased 4%, or \$4.0 million, to \$101.1 million. Rate increases added \$4.4 million to revenue, while sales to new customers added \$1.2 million. Partially offsetting these higher revenues was a \$1.6 million decrease due to reduced usage by existing customers compared to the same period last year.

Total operating expenses for the third quarter increased 3%, or \$2.4 million. Water production costs decreased by 2%, or \$0.8 million, due to lower customer water usage and power costs. Other operations expenses were unchanged from the same period last year, and income taxes increased \$1.9 million or 27% due to higher pre-tax earnings. Maintenance expense increased by 7%, or \$0.2 million, as the Company made necessary repairs and upgrades to pumping equipment and water mains. Depreciation expense increased 12%, or \$0.8 million, due to higher 2004 capital expenditures.

Third quarter 2005 earnings were enhanced by a \$0.8 million increase in other income, primarily due to an increase of \$0.7 million for sales of property no longer used and useful in serving customers.

"We are pleased with our results for the quarter, although our sales continue to be impacted by reduced customer usage in some of our operating areas. By pursuing reasonable rate relief, holding the line on expenses, and continuing to execute our strategic real estate sales program, we were able to deliver good results," said President and Chief Executive Officer Peter C. Nelson.

At its meeting today, the Company's Board of Directors declared the 244th consecutive dividend in the amount of \$0.2850 per share of common stock, to be paid on November 18, 2005, to stockholders of record on November 7, 2005. The regular dividend on Series C preferred stock was also declared.

Investors are invited to listen to the Company's analyst teleconference, which is scheduled for 4:00 p.m. EDT / 1:00 p.m. PDT on October 27, 2005. The call-in number is 1-866-243-8959 and the ID No. is 789267. A replay is available through December 26, 2005, by calling 1-888-266-2081 and entering pass code 789267.

This news release contains forward-looking statements within the meaning established by the Private Securities Litigation Reform Act of 1995 ("Act"). The forward-looking statements are intended to qualify under provisions of the federal securities laws for "safe harbor" treatment established by the Act. Forward-looking statements are based on currently available information, expectations, estimates, assumptions and projections, and management's judgment about the Company, the water utility industry and general economic conditions. Such words as expects, intends, plans, believes, estimates, assumes, anticipates, projects, predicts, forecasts or variations of such words or similar expressions are intended to identify forward-looking statements. The forward-looking statements are not guarantees of future performance. They are subject to uncertainty and changes in circumstances. Actual results may vary materially from what is contained in a forward-looking statement. Factors that may cause a result different than expected or anticipated include: governmental and regulatory commissions' decisions, including decisions on proper disposition of property; changes in regulatory commissions' policies and procedures; the timeliness of regulatory commissions' actions concerning rate relief; new legislation; the ability to satisfy requirements related to the Sarbanes-Oxley Act and other regulations on internal controls; electric power interruptions; increases in suppliers' prices and the availability of supplies including water and power; fluctuations in interest rates; changes in environmental compliance and water quality requirements; acquisitions and our ability to successfully integrate acquired companies; the ability to successfully implement business plans; changes in customer water use patterns; the impact of weather on water sales and operating results; access to sufficient capital on satisfactory terms; civil disturbances or terrorist threats or acts, or apprehension about the possible future occurrences of acts of this type; the involvement of the United States in war or other hostilities; restrictive covenants in or changes to the credit ratings on our current or future debt that could increase our financing costs or affect our ability to borrow, make payments on debt or pay dividends; and, other risks and unforeseen events. When considering forward-looking statements, you should keep in mind the cautionary statements included in this paragraph. The Company assumes no obligation to provide public updates of forward-looking statements.
