**PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS
May 20, 2005**

GENERAL INFORMATION

Who May Vote

Holders of our common stock, as reflected in our records on April 12, 2005, may vote at the meeting. This proxy statement and the enclosed proxy card are being sent to our stockholders on or about April 22, 2005.

Each share of common stock that you owned on the record date entitles you to one vote on each matter properly brought before the meeting.

Holding Shares as a [Beneficial Owner] (or in [Street Name])

Most stockholders are considered the [beneficial owners] of their shares, that is, they hold their shares through a broker, bank or nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially or in [street name].

Stockholder of Record: If your shares are registered directly in your name with our transfer agent, you are considered the stockholder of record with respect to those shares. If you are a stockholder of record, we are sending these proxy materials directly to you. As our stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Annual Meeting. We have enclosed a proxy card for your vote.

Beneficial Owner: If your shares are held in a stock brokerage account or by a bank or nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank, or nominee (who is considered the stockholder of record with respect to those shares). As the beneficial owner, you have the right to direct your broker, bank, or nominee on how to vote if you follow the instructions you receive from your broker, bank, or nominee. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting, unless you bring to the meeting an account statement or letter from the nominee indicating that you beneficially owned the shares on April 12, 2005, the record date for voting.

How to Vote

You may vote in person at the meeting or by proxy. All valid proxies properly executed and received by us prior to or at the meeting will be voted in accordance with the instructions they contain. We recommend that you vote by proxy even if you plan to attend the meeting. You can always change your vote at the meeting.

How Proxies Work

This proxy statement is furnished in connection with the solicitation of proxies by Ultra Clean's Board of Directors for use at the Annual Meeting and at any adjournment of that meeting. Giving us your proxy means you authorize us to vote your shares at the meeting in the manner you direct. You may vote for all, some or none of our director candidates. You may also vote for or against the other proposals, or abstain from voting.

If no instruction is specified as to how your shares will be voted on a particular matter, your shares be voted FOR the election of each of the named nominees for director, FOR the ratification of the appointment of Deloitte & Touche LLP as our independent auditors and, with respect to any other matter that may come before the Annual Meeting, as recommended by our Board of Directors or otherwise in the proxies' discretion.

If you hold your shares in street name, your broker, bank or nominee will include a voting instruction card with this proxy statement. You should vote your shares by following the instructions provided on the voting instruction card. In addition to voting in writing, your broker, bank or nominee may also provide instructions for voting using the telephone or over the Internet.

Revoking a Proxy

All stockholders have the right to revoke a previously submitted proxy at any time before the Annual Meeting, or by voting in person at the Annual Meeting. If you are a stockholder of record, you may revoke your proxy before it is voted by:

- Submitting a new proxy with a later date than the previously submitted proxy;
- Notifying our Secretary in writing before the meeting; or
- Voting in person at the meeting.

If you are a beneficial holder, you should follow the instructions provided to you by your broker, bank or nominee as to how to revoke your proxy. You may also revoke your proxy by voting in person at the meeting, provided you comply with the requirements indicated below.

Attending in Person

Any stockholder of record may vote in person. All meeting attendees may be asked to present a valid, government-issued photo identification, such as a driver's license or passport, before entering the meeting.

If you are a beneficial owner and your shares are held in the name of your broker, bank or nominee, you must bring to the meeting an account statement or letter from the nominee indicating that you beneficially owned the shares on April 12, 2005, the record date for voting.

Matters to be Presented

We are not aware of any matters to be presented other than those described in this proxy statement. If any matters not described in this proxy statement are properly presented at the meeting, the proxies will use their own judgment to determine how to vote your shares.

OWNERSHIP OF ULTRA CLEAN HOLDINGS, INC. SHARES

Outstanding Shares and Voting Rights

At the close of business on April 12, 2005, the record date, we had 16,372,689 shares of common stock outstanding. Each share of our common stock is entitled to one vote on all matters properly submitted for stockholder vote.

In order to carry on the business of the meeting, we must have a quorum. This means stockholders entitled to cast a majority of the votes at a meeting of stockholders must be represented at the meeting, either in person or by proxy.

The election of directors requires a plurality of the votes cast "for" the election of directors. "Plurality" means that the seven nominees who receive the highest number of votes will be elected as directors. In the election of directors, votes may be cast in favor of or withheld with respect to any or all nominees.

The affirmative vote of the holders of a majority of the shares of common stock present in person or represented by proxy and entitled to vote on the item will be required to ratify the appointment of our independent auditors for the current fiscal year.

If any other matter is properly submitted to the stockholders at the Annual Meeting, its adoption generally will require the affirmative vote of the holders of a majority of the shares of common stock present in person or represented by proxy and entitled to vote on that matter.

In accordance with Delaware law, only votes cast "for" a matter constitute affirmative votes. A properly executed proxy marked "abstain" with respect to any matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Since abstentions will not be votes cast for the particular matter, they will have the same effect as negative votes or votes against that matter. Broker non-votes are counted as present for the purpose of determining the presence of a quorum. Broker non-votes occur when shares held by a broker on behalf of a beneficial owner are not voted with respect to a particular proposal, which generally occurs when the broker has not received voting instructions from the beneficial owner and lacks the

discretionary authority to vote the shares itself. We believe that the election of directors and ratification of our independent auditors are considered routine matters for which brokerage firms may vote shares held on behalf of beneficial owners who have not voted with respect to the particular proposal.

FP-Ultra Clean, LLC, holder of approximately 55% of our common stock, has informed us that it intends to vote all of its shares in favor of the nominated slate of directors and for the ratification of the appointment of Deloitte & Touche LLP as our independent auditors.

Security Ownership of Certain Beneficial Owners and Management

The table below sets forth information as of March 31, 2005 regarding the beneficial ownership (as defined by Rule 13d-3(d)(1) under the Exchange Act) of our common stock by the following:

- each person or group known by us to own beneficially more than five percent of our common stock;

2

- each of our directors and named executive officers individually; and
- all directors and officers as a group.

In accordance with Securities and Exchange Commission rules, beneficial ownership includes voting or investment power with respect to securities and includes the shares issuable pursuant to stock options that are exercisable within 60 days of March 31, 2005. Shares issuable pursuant to stock options are deemed outstanding for computing the ownership percentage of the person holding such options but are not outstanding for computing the ownership percentage of any other person. The percentage of beneficial ownership for the following table is based on 16,372,689 shares of common stock outstanding as of March 31, 2005.

Unless otherwise indicated, the address of each of the named individuals is c/o Ultra Clean Holdings, Inc., 150 Independence Drive, Menlo Park, California 94025. To our knowledge, except as indicated in the footnotes to this table and pursuant to applicable community property laws, the persons named in the table have sole voting and investment power with respect to all shares of common stock.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) requires our directors and executive officers and 10% or greater beneficial holders to file certain reports with the Securities and Exchange Commission regarding ownership of, and transactions in, our equity securities. We have reviewed copies of the reports we received and written representations from the individuals required to file the reports.

Based solely on our review of such reports and representations, we believe that all of our directors, executive officers and beneficial stockholders of at least 10% of our common stock filed, on a timely basis, all reports required by Section 16(a) of the Exchange Act for the year ended December 31, 2004, except for one late Form 4 filing for Ms. Hayward, which has since been filed.

PROPOSAL 1: ELECTION OF DIRECTORS

Our Board of Director[s Nominating and Corporate Governance Committee has recommended for nomination the director candidates named below. All of these nominees currently serve as our directors. All of our directors are elected for one-year terms.

If a director nominee becomes unavailable before the election, your proxy authorizes the people named as proxies to vote for a replacement nominee if the Nominating and Corporate Governance Committee names one.

Director Independence. Our Board of Directors has determined that Brian R. Bachman, Susan H. Billat, Kevin C. Eichler and Thomas M. Rohrs are each independent in accordance with applicable NASDAQ Stock Market and Securities and Exchange Commission rules. Our Board of Directors has also determined that we are a [controlled company] under NASDAQ Stock MarkeRule 4350(c)(5) because FP-Ultra Clean, LLC currently owns over 50% of our common stock. In making its determinations of director independence, our Board of Directors considered Mr. Rohrs' relationships with Applied Materials, Inc., one of our largest customers. In addition to Mr. Rohrs' past employment with Applied Materials described in the biographical information below, our Board of Directors considered Mr. Rohrs' relationships with officers and other employees of Applied Materials and his recent experience as an employee of, and consultant to, Applied Materials, in connection with which he earned significant compensation. Effective as of April 29, 2005, Mr. Rohrs no longer serves as a consultant to Applied Materials. Mr. Rohrs was not an executive officer of Applied Materials in the current or in any of the past three fiscal years. Our Board of Directors has concluded that Mr. Rohrs' relationships with Applied Materials and its officers and other employees would not otherwise interfere with the exercise of his independent judgment in carrying out his responsibilities as a director of Ultra Clean and he is independent under applicable NASDAQ rules.

OUR BOARD UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE [FOR] THE ELECTION OF EACH OF THE NOMINEES FOR DIRECTOR.

Name	Age	Director Since

Compensation Committee.

The Compensation Committee was created by our Board of Directors to:

- oversee our compensation and benefits policies generally, including the issuance of stock options;
- evaluate senior executive performance and review our management succession plan;
- oversee and set compensation for our senior executives; and
- prepare the report on executive compensation that Securities and Exchange Commission rules require, which can be found on page 13 of this proxy statement.

A copy of this committee's charter is available in the corporate governance section of our website at www.uct.com.

Our Compensation Committee consists of Messrs. Bachman, Deb, ibnAle and Rohrs. Our Board of Directors has determined that Messrs. Bachman and Rohrs are independent as defined under NASDAQ Stock Market and the Securities and Exchange Commission rules. Messrs. Deb and ibnAle are not independent, as permitted by NASDAQ Stock Market rules applicable to "controlled companies." The Compensation Committee met three times in 2004.

Nominating and Corporate Governance Committee.

The Nominating and Corporate Governance Committee was created by our Board of Directors to:

6

-
- identify qualified individuals to fill any independent director positions on our Board of Directors and recommend such individuals to our Board of Directors for election at the next annual or special meeting of stockholders at which directors are to be elected or to fill any vacancies or newly created directorships that may occur between such meetings;
 - recommend directors for appointment to committees of our Board of Directors;
 - make recommendations to our Board of Directors as to determinations of director independence;
 - evaluate the performance of our Board of Directors;
 - oversee and set compensation for our directors; and

- develop, recommend and oversee compliance with our corporate governance guidelines and code of business conduct and ethics.

A copy of this committee's charter is available in the corporate governance section of our website at www.uct.com.

The current members of our Nominating and Corporate Governance Committee are Messrs. Deb, ibnAle, Eichler and Rohrs. Our Board of Directors has determined that Messrs. Eichler and Rohrs are independent as defined under NASDAQ Stock Market and Securities and Exchange Commission rules. Messrs. Deb and ibnAle are not independent, as permitted by NASDAQ Stock Market rules applicable to controlled companies. The Nominating and Corporate Governance Committee met once in 2004.

Consideration of Director Nominees

Stockholder Nominee. The Nominating and Corporate Governance Committee will consider properly submitted stockholder nominations for candidates for membership on our Board of Directors as described below under "Identifying and Evaluating Nominees for Directors," and will advise the recommending stockholder or group of stockholders as to its final decision. In evaluating such nominations, the Nominating and Corporate Governance Committee seeks to achieve a balance of knowledge, experience and capabilities on our Board of Directors and to address the membership criteria set forth under "Director Qualifications" in our corporate governance guidelines. To be considered, recommendations must be received by the committee, with a biographical summary, at the address listed on page 2 of this proxy statement.

Director Qualifications. The Nominating and Corporate Governance Committee Charter contains our Board of Directors membership criteria that apply to nominees recommended by the Nominating and Corporate Governance Committee for a position on our Board of Directors. In addition, the Nominating and Corporate Governance Committee will take into account the independence, financial literacy and financial expertise standards required under our Board of Directors committees' charters and applicable laws, rules and regulations, and the ability of the candidate, in light of the candidate's other activities and our corporate governance guidelines, to devote the necessary time and attention to serving as a director and a committee member.

Identifying and Evaluating Nominees for Directors. The Nominating and Corporate Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Nominating and Corporate Governance Committee periodically assesses the appropriate size of our Board of Directors and whether any vacancies on our Board of Directors are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Nominating and Corporate Governance Committee considers various potential candidates for director. Candidates may come to the attention of the Nominating and Corporate Governance Committee through current directors, professional search firms engaged by us, stockholders or other persons. These candidates are evaluated at regular or special meetings of the Nominating and Corporate Governance Committee and may be considered at any point during the year. As described above, the Nominating and Corporate Governance Committee considers certain properly submitted stockholder nominations for candidates for our Board of Directors. If any materials are provided by a stockholder in connection with the nomination of a director candidate, such materials are forwarded to the Nominating and Corporate Governance Committee.

Director Compensation

Each non-employee director is paid a \$20,000 annual retainer fee, a \$5,000 annual fee per committee on which each non-employee director serves and a \$5,000 annual fee per committee on which each non-employee director serves as the chairperson. In addition, upon joining our board, each non-employee director is granted options to purchase 15,000 shares of our common stock that will vest over four years, and each year, immediately following our Annual Meeting, each non-employee director is granted options to purchase 7,500 shares (or, if the director has served less than one year, a pro rata amount) of our common stock that will also vest over four years. In addition to the standard director compensation described above, in March 2004, we granted Mr. Rohrs 62,500 shares of restricted stock (subject to vesting over four years) in recognition of his past service as a director of Ultra Clean as a private company. Beginning in 2005, Messrs. ibnAle and Deb have waived their right to receive compensation, including equity awards, for their service on our Board of Directors and its committees.

A description of our agreements with Mr. Granger, our only employee director, can be found under "Agreements with Executive Officers."

Certain Relationships and Related Transactions

Relationship with Francisco Partners

FP-Ultra Clean, LLC currently holds approximately 55% of our outstanding common stock. Two of our directors, Messrs. 5% Series A Senior Notes due 2009. In connection with the acquisition of our business from Mitsubishi Corporation, we issued and sold to FP-Ultra Clean, LLC, in a series of transactions from November 15, 2002 through December 2, 2002, an aggregate of \$29,250,000 of our Series A Senior Notes. We are required to pay the registration expenses in connection with each demand registration. We may decline to honor any of these demand registrations if the aggregate gross proceeds expected to be received does not equal or exceed \$5 million or if we have effected a demand registration within the preceding 90 days. If a demand registration is underwritten and the managing underwriter advises us that the number of securities offered to the public needs to be reduced, priority of inclusion in the demand registration shall be such that first priority shall be given to FP-Ultra Clean, LLC and its permitted transferees.

In addition to our obligations with respect to demand registrations, if we propose to register any of our securities, other than a registration on form S-8 or S-4 or successor forms of these forms, whether or not such registration is for our own account, FP-Ultra Clean, LLC will have the opportunity to participate in such registration. Expenses relating to these [] incidental registrations [] are required to be paid by us.

If an incidental registration is underwritten and the managing underwriter advises us that the number of securities offered to the public needs to be reduced, priority of inclusion shall be such that first priority shall be given to us and second priority shall be given to FP-Ultra Clean, LLC and its permitted transferees. We and the stockholders selling securities under a registration statement are required to enter into customary indemnification and contribution arrangements with respect to each registration statement.

We incurred fees for travel-related services, including the cost of airplane tickets, provided by Acorn Travel to Ultra Clean for a total of \$159,715 in the year ended December 31, 2004.

PROPOSAL 2: RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT AUDITORS

The Audit Committee has appointed Deloitte & Touche LLP to serve as our independent auditors for the fiscal year ending December 31, 2005. We are asking you to ratify this appointment, although your ratification is not required. A representative of Deloitte & Touche LLP will be present at the meeting, will have the opportunity to make a statement and will be available to respond to appropriate questions.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE [FOR] RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT AUDITORS.

Set forth below are the aggregate fees incurred for the professional services provided by our principal accounting firm, Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates (collectively, "Deloitte & Touche"), in 2004 and 2003.

	Fiscal Year Ended	
	<u>December 31,</u> <u>2004</u>	<u>December 31,</u> <u>2003</u>
Audit fees	\$384,370	\$886,370
Audit-related fees	210,362	0
Tax fees	121,700	71,790
Other fees	0	100,000

Audit fees consist of services rendered to us and our subsidiaries for the audit of our annual financial statements, reviews of our quarterly financial statements and audit services provided in connection with other statutory or regulatory filings. Fiscal 2003 also includes review of our registration statement on Form S-1 and other materials and services related to our initial public offering.

Audit-related fees consist of fees billed for services related to the performance of the audit or review of our consolidated financial statements and are not reported under "Audit Fees." Fiscal 2004 also includes fees related to services related to evaluating a potential acquisition that was terminated during the third quarter of 2004.

Tax fees consist of fees billed for professional services for tax compliance and tax advice. These services consist of assistance regarding federal, state and international tax compliance and assistance with the preparation of various tax returns.

Other fees consist of non-audit services, including fees in connection with the analysis of gross margin by customer.

All services provided by Deloitte & Touche were pre-approved in accordance with the Audit Committee's pre-approval policies.

Report of the Audit Committee

The Audit Committee is currently composed of three directors, each of whom meet the requirements of applicable NASDAQ Stock Market and Securities and Exchange Commission rules for independence. Until March 24, 2005, the one-year anniversary of our initial public offering, Mr. ibnAle, who is not independent due to his affiliation with FP-Ultra Clean, LLC, our controlling stockholder, was also a member of the Audit Committee as permitted by NASDAQ Stock Market and Securities and Exchange Commission rules. The key responsibilities of our committee are set forth in our charter, which was adopted by us and approved by our Board of Directors and is attached to this proxy statement as [Appendix A](#).

We serve in an oversight capacity and are not intended to be part of Ultra Clean's operational or managerial decision-making process. Ultra Clean's management is responsible for preparing the consolidated financial statements, and its independent auditors are responsible for auditing those statements. Our principal purpose is to monitor these processes.

In this context, we met and held discussions with management and the independent auditors. Management represented to us that Ultra Clean's consolidated financial statements were prepared in accordance with generally accepted accounting principles applied on a consistent basis, and we have reviewed and discussed the quarterly and annual earnings press releases and consolidated financial statements with management and the

independent auditors. We also discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees), as amended, and rule 2-07 (communications with Audit Committee) of Regulation S-X.

We discussed with the independent auditors the auditors' independence from Ultra Clean and its management, including the matters, if any, in the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees). We also considered whether the independent auditors' provision of audit and non-audit services to Ultra Clean is compatible with maintaining the auditors' independence.

Based on the reviews and discussions referred to above, we have recommended to our Board of Directors, and our Board of Directors has approved, that the audited financial statements be included in Ultra Clean's Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the Securities and Exchange Commission.

We have appointed Deloitte & Touche LLP as Ultra Clean's independent auditors for 2005.
