Safe Harbor Statement

During this presentation, we will make certain forward looking statements that are subject to risks and uncertainties that could cause actual results to differ materially. For these statements, we claim the protection of the Safe Harbor for forward-looking statements claimed in the Private Securities Litigation Reform Act of 1995. We strongly recommend that you become familiar with the specific risks and uncertainties that we have outlined for you under the caption Cautionary Statement Concerning Forward-looking Statements in our annual report on Form 10-K for the 2006 fiscal year ending December 30, 2006 and in the joint proxy statement and prospectus filed with the SEC in connection with our planned merger with Caremark Rx, Inc.

---

- Financial Flexibility
- Management Teams
- Shareholder Benefits
- Certainty of Completion
-

Near-Term Revenue Opportunities Unique  
to CVS/Caremark Combination

- o Incremental opportunities of \$800 M to \$1 B in 2008
    - o Half from PBM, half from retail
  - o Revenue estimates based on market research and PharmaCare- CVS experience
  - o Revenue synergy examples:
    - o Improved access/services for PBM specialty participants
    - o Retail to mail conversion (including in-store pick up)
    - o Front store offers for PBM participants (also on-line and mail)
    - o Improved generic substitution & benefit design compliance
    - o Integrated offering leading to higher PBM sales
    - o Ability to market PBM consumer products in CVS stores
    - o Disease management programs with face-to-face interaction
-

CVS/Caremark Merger is in the Best Interests of Shareholders

- o Immediate and concrete financial benefits
- o March 2007 close
- o Significant strategic benefits
- o Clients supportive
- o Proven management teams

CVS/Caremark Merger

ESRX Proposal

- o Highly conditional offer
  - o Financial benefits suspect
  - o Uncertain timing
  - o Lacks strategic rationale
  - o Client attrition
  - o CMX would be 20x the largest integration ESRX has ever done
-

CVS: Well-positioned Leader  
in a Growing Industry

- o Core Business is Thriving
    - o Gaining Share in Front Store and Pharmacy
    - o Organic Growth
    - o Continued Eckerd Turnaround
  - o Sav-on/Osco Integration Complete ... Opportunity Ahead
  - o MinuteClinic Rollout Broadens Healthcare Role
  - o Retail/PBM Model a Winning Formula
-

***Certain Information Regarding the Tender Offer After Closing of the Merger***

The information in this document describing CVS's planned tender offer following closing of the CVS/Caremark merger is for informational purposes only and does not constitute an offer to buy or the solicitation of an offer to sell shares of CVS/Caremark's common stock in the tender offer. The tender offer will be made only pursuant to the Offer to Purchase and the related materials that CVS/Caremark will distribute to its shareholders and only if the CVS/Caremark merger is consummated. Shareholders should read the Offer to Purchase and the related materials carefully because they contain important information, including the various terms and conditions of the tender offer. Subsequent to the closing of the CVS/Caremark merger, shareholders of CVS/Caremark will be able to obtain a free copy of the Tender Offer Statement on Schedule TO, the Offer to Purchase and other documents that CVS/Caremark will be filing with the Securities and Exchange Commission from the Commission's website at [www.sec.gov](http://www.sec.gov). Shareholders may also obtain a copy of these documents, without charge, from Morrow & Co., Inc., the information agent for the tender offer, toll free at 1 (800) 245-1502 when these documents become available. Shareholders are urged to carefully read these materials prior to making any decision with respect to the tender offer. Shareholders and investors who have questions or need assistance may call Morrow & Co., Inc., the information agent for the tender offer, toll free at 1 (800) 245-1502.

***Cautionary Statement Regarding Forward-Looking Statements***

This document contains certain forward-looking statements about CVS and Caremark. When used in this document, the words "anticipates", "may", "can", "believes", "expects", "projects", "intends", "likely", "will", "to be" and expressions and any other statements that are not historical facts, in each case as they relate to CVS or Caremark or to the combined company, the management of either such company or the combined company or the transaction are intended to identify those assertions as forward-looking statements. In making any of those statements, the person making them believes that its expectations are based on reasonable assumptions. However, any such statement may be influenced by factors that could cause actual outcomes and results to be materially different from those projected or anticipated. These forward-looking statements, including, without limitation, statements relating to anticipated accretion, return on equity, cost synergies, incremental revenues and new products and offerings, are subject to numerous risks and uncertainties. There are various important factors that could cause actual results to differ materially from those in any such forward-looking statements, many of which are beyond the control of CVS and Caremark, including macroeconomic condition and general industry conditions such as the competitive environment for retail pharmacy and pharmacy benefit management companies, regulatory and litigation matters and risks, legislative developments, changes in tax and other laws and the effect of changes in general economic conditions, the risk that a condition to closing of the

---

transaction may not be satisfied, the risk that a regulatory approval that may be required for the transaction is not obtained or is obtained subject to conditions that are not anticipated and other risks to consummation of the transaction. The actual results or performance by CVS or Caremark or the combined company, and issues relating to the transaction, could differ materially from those expressed in, or implied by, any forward-looking statements relating to those matters. Accordingly, no assurances can be given that any of the events anticipated by the forward-looking statements will transpire or occur, or if any of them do so, what impact they will have on the results of operations or financial condition of CVS or Caremark, the combined company or the transaction.

***Important Information for Investors and Stockholders***

A Registration Statement on Form S-4, containing a joint proxy statement and prospectus relating to the proposed merger of Caremark and CVS, was declared effective by the Securities and Exchange Commission on January 19, 2007. CVS and Caremark urge investors and shareholders to read the joint proxy statement/prospectus and any other relevant documents filed by either party with the SEC because they will contain important information.

Investors and shareholders may obtain the joint proxy statement / prospectus and other documents filed with the SEC free of charge at the website maintained by the SEC at [www.sec.gov](http://www.sec.gov). In addition, documents filed with the SEC by CVS will be available free of charge on the investor relations portion of the CVS website at <http://investor.cvs.com>. Documents filed with the SEC by Caremark will be available free of charge on the investor relations portion of the Caremark website at [www.caremark.com](http://www.caremark.com).

CVS and certain of its directors and executive officers are participants in the solicitation of proxies from the shareholders of CVS in connection with the merger. A description of the interests of CVS's directors and executive officers in CVS is set forth in the proxy statement for CVS's 2006 annual meeting of shareholders, which was filed with the SEC on March 24, 2006 and in the joint proxy statement/prospectus referred to above. Caremark, and certain of its directors and executive officers may be deemed to be participants in the solicitation of proxies from its shareholders in connection with the merger. A description of the interests of Caremark's directors and executive officers in Caremark is set forth in the proxy statement for Caremark's 2006 annual meeting of shareholders, which was filed with the SEC on April 7, 2006 and in the joint proxy statement/prospectus referred to above.
