Exhibit 99.1 Press Release dated August 25, 2014, entitled "Wenchang 13-6 Oilfield Commences Production".

Exhibit 99.1

**CNOOC LIMITED** 

For Immediate Release

#### Wenchang 13-6 Oilfield Commences Production

(Hong Kong, August 25, 2014) - CNOOC Limited (the "Company", NYSE: CEO, SEHK: 00883, TSX: CNU) today announced that its Wenchang 13-6 oilfield has commenced production.

Wenchang 13-6 oilfield, located in the west of Pearl River Mouth Basin with an average water depth of approximately 120 meters, is part of the Wenchang oilfields and shares the existing adjacent facilities for the development. The main production facilities include one wellhead platform and 12 producing wells. There are currently 5 wells producing approximately 1,300 barrels per day.

Wenchang 13-6 is an independent oilfield in which the Company holds 100% interest and acts as the Operator.

These statements are based on assumptions and analyses made by the Company in light of its experience and its perception of historical trends, current conditions and expected future developments, as well as other factors the Company believes are appropriate under the circumstances. However, whether actual results and developments will meet the expectations and predictions of the Company depends on a number of risks and uncertainties which could cause the actual results, performance and financial condition to differ materially from the Company's expectations, including those associated with fluctuations in crude oil and natural gas prices, the exploration or development activities, the capital expenditure requirements, the business strategy, whether the transactions entered into by the Group can complete on schedule pursuant to its terms and timetable or at all, the highly competitive nature of the oil and natural gas industries, the foreign operations, environmental liabilities and compliance requirements, and economic and political conditions in the People's Republic of China. For a description of these and other risks and uncertainties, please see the documents the Company files from time to time with the United States Securities and Exchange Commission, including the 2013 Annual Report on Form 20-F filed on 17 April 2014.

Consequently, all of the forward-looking statements made in this press release are qualified by these cautionary statements. The Company cannot assure that the results or developments anticipated will be realised or, even if substantially realised, that they will have the expected effect on the Company, its business or operations.
