For these purposes, a “U.K. bail-in power” is any write-down, conversion, transfer, modification or suspension power existing

A reference to the “relevant U.K. resolution authority” is to any authority with the ability to exercise a U.K. bail-in power.

Remedies: An “Event of Default” with respect to the Senior Notes shall result if:

- a court of competent jurisdiction makes an order which is not successfully appealed within 30 days; or

- an effective shareholders’ resolution is validly adopted,

for the winding-up of LBG, other than under or in connection with a scheme of amalgamation or reconstruction not involving a bankruptcy or insolvency.

If an Event of Default occurs, the Trustee or the holder or holders of at least 25% in aggregate principal amount of the outstanding Senior Notes of the relevant series may declare to be due and payable immediately in accordance with the terms of the Indenture the principal amount of, and any accrued but unpaid interest, and any Additional Amounts (as defined in the Indenture), on the Senior Notes of that series.

Defaults

A “Default” with respect to the Senior Notes shall result if:

- any installment of interest in respect of the Senior Notes of the relevant series is not paid on or before its Interest Payment Date and such failure continues for 14 days; or
- all or any part of the principal of the Senior Notes of the relevant series is not paid when it otherwise becomes due and payable, whether upon redemption or otherwise, and such failure continues for seven days.

If a Default occurs, the Trustee may commence a proceeding for the winding-up of LBG, provided that the Trustee may not declare the principal amount of, or any other amount in respect of, any outstanding Senior Notes to be due and payable (except in a winding-up of LBG, as provided above under “Events of Default”).

Discontinuance of LIBOR:	Notwithstanding any contrary provisions, nothing shall impair the right of a holder, absent the holder’s consent, to sue for any payments due but unpaid with respect to the Senior Notes. If no published LIBOR is available and banks are unable or unwilling to provide quotations for the calculation of LIBOR, then the applicable interest rate for the applicable floating rate interest period will be the rate of interest applicable during the preceding interest period.
Governing Law:	The Senior Notes and the Indenture will be governed by the laws of the State of New York.
