PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
APRIL 25, 2001

VOTING INFORMATION

This Proxy Statement is being mailed to stockholders of NorStar Group, Inc. (the "Company") on or about April 5, 2001 and is furnished in connection with the Board of Directors' solicitation of proxies for the annual meeting of stockholders to be held on April 25, 2001, for the purposes of considering and acting upon the matters specified in the Notice of Annual Meeting of Stockholders accompanying this Proxy Statement. If the form of proxy which accompanies this Proxy Statement is executed and returned, it may be revoked by the person giving it at any time prior to the voting thereof by written notice to the Secretary, by delivery of a later dated proxy or by requesting to vote in person at the meeting. Without extra compensation, certain directors, officers and employees of the Company may make additional solicitations in person or by telephone or facsimile. Expenses incurred in the solicitation of proxies, including postage, printing and handling, and actual expenses incurred by brokerage houses, custodians, nominees and fiduciaries in forwarding documents

Edgar Filing: NORSTAR GROUP INC - Form DEFR14A

to beneficial owners, will be paid by the Company.

Each holder of the Company's Common Stock, par value \$.01 per share (the "Common Stock") is entitled to one vote per share upon each matter submitted to the vote of stockholders at this annual meeting. For purposes of the meeting, a quorum means a majority of the issued and outstanding shares of Common Stock entitled to vote at the annual meeting. As of the close of business on March 19, 2001, the record date for stockholders entitled to vote at the annual meeting, there were outstanding 20,843,025 shares of Common Stock. In determining whether a quorum exists at the meeting, all shares represented in person or by proxy will be counted. A holder of Common Stock may, with respect to the election of directors, (i) vote for the election of all named director nominees; (ii) withhold authority to vote for all named director nominees; or (iii) vote for the election of all named director nominees other than any nominee with respect to whom the stockholder withholds authority to vote by so indicating in the appropriate space in the proxy. In the absence of a specific direction from the stockholder, proxies will be voted for the election of all named director nominees, each to hold office until the next annual meeting of stockholders or until his successor is duly elected and qualified.

Proxies relating to "street name" shares that are voted by brokers will be treated as shares present for purposes of determining the presence of a quorum, but will be treated as shares entitled to vote only as indicated below ("broker non-votes"). The affirmative vote of the holders of a majority of the shares of Common Stock present in person or by proxy at the meeting and entitled to vote is required in the election of directors. Withholding authority to vote for a director nominee will in effect count as a vote against the director nominee. Broker non-votes will have no effect in the election of directors.

The Board of Directors knows of no other matter which may come up for action at the meeting. However, if any other matter properly comes before the meeting, the persons named in the proxy form enclosed will vote in accordance with their judgment upon such matter.

Stockholders wishing to include proposals in the Company's proxy statement and form of proxy for the year 2002 annual meeting must submit such proposals so that they are received by the Secretary of the Company at the Company's headquarters in Fort Lauderdale, Florida by no later than November 30, 2001. Stockholders wishing to present proposals at the annual meeting (but not include them in the proxy statement) are required to notify the Secretary of the Company in writing by no later than February 1, 2002 and no earlier than December 1, 2001.
