EXPLANATORY NOTE

On October 14, 2004, Sanofi-Aventis, a French *société anonyme*, and Aventis, a French *société anonyme* and subsidiary of Sanofi-Aventis in which Sanofi-Aventis holds 97.98% of the share capital, entered into an Agreement and Plan of Merger (the Merger Agreement), pursuant to which, among other things, Aventis will merge with and into Sanofi-Aventis (the Merger). As a result of the Merger, Sanofi-Aventis will continue as the surviving company, Aventis will be dissolved and the shareholders of Aventis (other than Aventis and Sanofi-Aventis) will receive 27 Sanofi-Aventis ordinary shares, nominal value 2 per share, for every 23 Aventis ordinary shares, nominal value 3.82 per share, that they hold (such ratio, the Merger Exchange Ratio). For legal purposes, the Merger Agreement provides that the Merger will be effective as of December 31, 2004.

On December 13, 2004, at a combined ordinary and extraordinary general meeting, the shareholders of Aventis voted to approve the Merger Agreement, the Merger and the dissolution of Aventis. On December 23, 2004, at an extraordinary general meeting, the shareholders of Sanofi-Aventis voted to approve the Merger Agreement and the Merger, as well as the increase in the share capital of Sanofi-Aventis and the issuance of the new Sanofi-Aventis ordinary shares to be issued in payment of the merger consideration.

The Merger Agreement expressly provides that Sanofi-Aventis, as successor to Aventis, agrees to be bound by Aventis's obligations under the Aventis subscription stock options. After the effective time of the Merger, the Aventis subscription stock options will entitle their holders to subscribe for Sanofi-Aventis ordinary shares instead of Aventis ordinary shares. The number of shares subject to the options and their exercise price will be adjusted to give effect to the Merger Exchange Ratio in the following manner:

the number of Sanofi-Aventis ordinary shares that each holder of Sanofi-Aventis options shall have the right to subscribe under any given subscription option plan shall equal that number of Aventis ordinary shares that could formerly have been subscribed under that plan multiplied by the Merger Exchange Ratio of 27/23 (or approximately 1.17391) applicable to shareholders, rounded down to the nearest whole number; and

the exercise price per Sanofi-Aventis ordinary share shall be equal to the exercise price per Aventis ordinary share divided by the Merger Exchange Ratio of 27/23 (or approximately 1.17391) applicable to shareholders, rounded down to the nearest whole euro centime;

with all other terms of exercise remaining unaltered.

At the extraordinary general meeting on December 31, 2004, Sanofi-Aventis shareholders voted to waive their preferential subscription rights with respect to the Sanofi-Aventis ordinary shares that will be issued on the exercise of the Aventis subscription stock options assumed by Sanofi-Aventis.

With respect to the purchase option plans issued by Aventis Inc. (formerly known as Rhône-Poulenc Rorer, Inc.) and Hoechst which provide for the purchase of Aventis shares, the Merger Agreement provides that Sanofi-Aventis shall cause the regulations of these plans to be amended to provide that, after the effective time of the Merger, holders of these purchase options may purchase Sanofi-Aventis shares after adjusting the purchase price and the number of shares subject to option by the Merger Exchange Ratio in the same manner as set forth above, with all other terms of exercise remaining unaltered.

Accordingly, this Registration Statement on Form S-8 registers the aggregate number of Sanofi-Aventis ordinary shares that may be issued on the exercise of outstanding Aventis subscription stock options held by U.S. holders. The following table sets forth (i) the date of the grant, (ii) the number of unexercised subscription stock options held by U.S. holders, (iii) the original exercise price of the options, (iv) the number of Sanofi-Aventis ordinary shares for which the options may be exercised after the Merger and which are being registered pursuant to this Registration Statement and (v) the adjusted exercise price:

Under French law a company may purchase directors and officers' insurance for all or part of the members of its management. A French corporation is responsible to third parties for the consequences of the decisions of its board of directors. However, if those decisions qualify as mismanagement, the relevant member of the board of directors may have to fully or partly indemnify the company. Sanofi-Aventis has purchased insurance for all of its directors.

Item 7. Exemption from Registration Claimed

The information required by Item 7 is not applicable to this Registration Statement.

Item 9. Undertakings

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement,

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers, and controlling persons of the Registrant pursuant to the provisions described in Item 6 of this Registration Statement, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in Paris, France, on December 23, 2004.
