Table of Contents

The matters set forth in Item 3 above and Item 6 below are incorporated in this Item 4 by reference as if fully set forth herein.

Through International, Mr. Mittal and Mrs. Mittal previously controlled Mittal Steel. The Reporting Persons intend to continue to exercise control of Mittal Steel. The Reporting Persons have the power to elect the majority of the members of Mittal Steel's board of directors, and to exercise voting control over the decisions adopted at Mittal Steel's general meetings of shareholders, including matters involving mergers or other business combinations, the acquisition or disposition of assets, and the incurrence of indebtedness.

On October 25, 2004, Mittal Steel announced that its Board of Managing Directors had approved a definitive agreement under which International Steel Group Inc. (ISG) will merge with and into Park Acquisition Corp., a Delaware corporation and a wholly owned subsidiary of Mittal Steel (Merger Sub), and Merger Sub will continue as the surviving corporation of the merger (the ISG Merger). The ISG Merger is subject to approval by the shareholders of ISG and Mittal Steel, as well as regulatory approvals and satisfaction of other customary closing conditions. Mittal Steel expects that the ISG Merger will be completed in the first quarter of 2005. Under the terms of the agreement with ISG, ISG shareholders will receive \$21.00 per share in cash and a number of Class A Common Shares equal to \$21.00 divided by the average closing price of Class A Common Shares for the 20 trading days prior to closing, up to a maximum of 0.6087 shares and a minimum of 0.4793 shares. The value in the ISG Merger would be \$42.00 per ISG share, or \$4.5 billion in the aggregate if the average price of Class A Common Shares for the 20 trading days prior to two days before the effective date of the ISG Merger is between \$34.50 and \$43.81 per share. ISG shareholders will be able to elect between cash and Class A Common Shares, subject to pro ration such that 50% of the total consideration will be in cash and 50% will be in Class A Common Shares. Pursuant to the Parent Shareholder Support Agreement, dated as of October 24, 2004, between International and ISG (the Support Agreement), International has agreed to vote the shares of Mittal Steel held by it in favor of the ISG Merger. The foregoing reference to the Support Agreement is qualified in its entirety by reference to the full text of the Support Agreement, a copy of which is included as Exhibit 3 to this Statement and is incorporated herein by reference.

Each of the Reporting Persons intends to review its investment in Mittal Steel on a regular basis and, as a result thereof, may at any time or from time to time determine, either alone or as part of a group, (a) to acquire additional securities of Mittal Steel, through open market purchases, privately negotiated transactions or otherwise, (b) to dispose of all or a portion of the securities of Mittal Steel owned by it in the open market, in privately negotiated transactions, in one or more registered public offerings or otherwise, or (c) to take any other available course of action, which could involve one or more of the types of transactions or have one or more of the results described in the next paragraph of this Item 4. Notwithstanding anything contained herein, each of the Reporting Persons specifically reserves the right to change its intention with respect to any or all of such matters. In reaching any decision as to its course of action (as well as to the specific elements thereof), each of the Reporting Persons currently expects that it would take into consideration a variety of factors, including, but not limited to, the following: Mittal Steel's business and prospects; other developments concerning Mittal Steel and its businesses generally; other business opportunities available to the Reporting Persons; changes

in law and government regulations; general economic conditions; and financial and stock market conditions, including the market price of the Class A Common Shares.

Other than as set forth in this Statement, the Reporting Persons have no present plans or proposals which relate to or would result in:

- (a) The acquisition by any person of additional securities of Mittal Steel, or the disposition of securities of Mittal Steel;
- (b) An extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving Mittal Steel or any of its subsidiaries;
- (c) A sale or transfer of a material amount of assets of Mittal Steel or of any of its subsidiaries;
- (d) Any change in the present board of directors or management of Mittal Steel, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board;
- (e) Any material change in the present capitalization or dividend policy of Mittal Steel;
- (f) Any other material change in Mittal Steel's business or corporate structure;
- (g) Changes in Mittal Steel's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of Mittal Steel by any person;
- (h) A class of securities of Mittal Steel being delisted from a national securities exchange or ceasing to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
- (i) A class of equity securities of Mittal Steel becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Exchange Act; or
- (j) Any action similar to any of those enumerated above.

Item 5. Interest in Securities of the Issuer.

All share ownership percentages stated in this Statement for Class A Common Shares are calculated assuming conversion of all outstanding Class B Common Shares into Class A Common Shares.

LuxCo is the owner of 139,659,790 Class A Common Shares and 385,340,210 Class B Common Shares. As a result, LuxCo is the beneficial owner of 525,000,000 Class A Common Shares, representing 80.5% of the Class A Common Shares outstanding.

Mr. Mittal is the direct owner of 30,000 Class A Common Shares and holds options to acquire an additional 213,333 Class A Common Shares, together representing less than 0.1% of the Class A Common Shares outstanding. Mr. Mittal and Mrs. Mittal share equally beneficial ownership of 100% of International and share equally beneficial ownership of 100% of LuxCo and accordingly, Mr. Mittal is the beneficial owner of 623,493,333 Class A Common Shares, representing 95.6% of the Class A Common Shares outstanding.

Mrs. Mittal is the direct owner of 5,000 Class A Common Shares and holds options to acquire an additional 40,000 Class A Common Shares, together representing less than 0.1% of the Class A Common Shares outstanding. Mrs. Mittal and Mr. Mittal share equally beneficial ownership of 100% of International and share equally beneficial ownership of 100% of LuxCo and accordingly, Mrs. Mittal is the beneficial owner of 623,295,000 Class A Common Shares, representing 95.6% of the Class A Common Shares outstanding.

The calculation of the foregoing percentages is based on the 194,509,790 Class A Common Shares and 457,490,210 Class B Common Shares outstanding on December 17, 2004.

(b) International has the power to vote or to direct the vote or dispose or direct the disposition of 26,100,000 Class A Common Shares and 72,150,000 Class B Common Shares, which it shares with Mr. Mittal and Mrs. Mittal, who share equally beneficial ownership of International. As a result, International shares with Mr. Mittal and Mrs. Mittal the power to vote or to direct the vote or dispose or direct the disposition of 98,250,000 Class A Common Shares, representing 15.1% of the Class A Common Shares outstanding.

LuxCo has the power to vote or to direct the vote or dispose or direct the disposition of 139,659,790 Class A Common Shares and 385,340,210 Class B Common Shares, which it shares with Mr. Mittal and Mrs. Mittal, who share equally beneficial ownership of LuxCo. Accordingly, LuxCo shares with Mr. Mittal and Mrs. Mittal the power to vote or to direct the vote or dispose or direct the disposition of 525,000,000 Class A Common Shares, representing 80.5% of the Class A Common Shares outstanding.

Mr. Mittal has the sole power to vote or to direct the vote or dispose or direct the disposition of the 30,000 Class A Common Shares that he owns directly and would have the sole power to vote or to direct the vote or dispose or direct the disposition of the 213,333 Class A Common Shares that are the subject of the options he holds, assuming exercise of such options, together representing less than 0.1% of the Class A Common Shares outstanding. Mr. Mittal and Mrs. Mittal share equally beneficial ownership of 100% of International and share equally beneficial ownership of 100% of LuxCo (each sharing the power to vote or to direct the vote or dispose or direct the disposition of Class A Common Shares with each of them as described in the preceding two paragraphs) and accordingly, Mr. Mittal shares the power to vote or to direct

Table of Contents

the vote or dispose or direct the disposition of 623,250,000 Class A Common Shares, representing 95.6% of the Class A Common Shares outstanding.

Mrs. Mittal has the sole power to vote or to direct the vote or dispose or direct the disposition of the 5,000 Class A Common Shares that she owns directly and would have the sole power to vote or to direct the vote or dispose or direct the disposition of the 40,000 Class A Common Shares that are the subject of the options she holds, assuming exercise of such options, together representing less than 0.1% of the Class A Common Shares outstanding. Mrs. Mittal and Mr. Mittal share equally beneficial ownership of 100% of International and share equally beneficial ownership of LuxCo (each sharing the power to vote or to direct the vote or dispose or direct the disposition of Class A Common Shares with each of them as described in the first two paragraphs of this Item 5(b)) and accordingly, Mrs. Mittal shares the power to vote or to direct the vote or dispose or direct the disposition of 623,250,000 Class A Common Shares, representing 95.6% of the Class A Common Shares outstanding.

The calculation of the foregoing percentages is based on the 194,509,790 Class A Common Shares and 457,490,210 Class B Common Shares outstanding on December 17, 2004.

(c) Except as disclosed in this Statement, none of the Reporting Persons has effected any transaction in the Class A Common Shares during the past 60 days.

(d) To the best knowledge of the Reporting Persons, no other person has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Class A Common Shares beneficially owned by the Reporting Persons.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understanding or Relationships with Respect to Securities of the Issuer.

The response to Item 4 of this Statement is incorporated in this Item 6 by reference.

Pursuant to the Support Agreement, International agreed to vote the shares of Mittal Steel held by it in favor of the transactions contemplated by the Merger Agreement, dated as of October 24, 2004, among Mittal Steel, Park Acquisition Corp. and ISG (the Merger Agreement). International further agreed to refrain from the sale, assignment, disposal or transfer of the shares of Mittal Steel held by it to the extent such sale, assignment, disposal or transfer would prevent the approval of the Merger Agreement by Mittal Steel's shareholders or would be inconsistent with the terms of the Merger Agreement. The foregoing summary of the terms of the Support Agreement is qualified in its entirety by reference to the full text of the Support Agreement, a copy of which is included as Exhibit 3 to this Statement and is incorporated herein by reference.

A shareholder's and registration rights agreement was entered into as of August 13, 1997 by Mittal Steel (formerly Ispat International N.V.), LNM Holdings S.L., (subsequently renamed Ispat International Investments, S.L., Sociedad Unipersonal) and Mr. Mittal (the

Table of Contents

Shareholder s Agreement). Pursuant to the Shareholder s Agreement, no person holding record or beneficial ownership of Class B Common Shares may transfer (as defined in the Shareholder s Agreement) such Class B Common Shares, except to a permitted transferee (Permitted Transferee). A Permitted Transferee means: (i) Mr. Mittal; (ii) his parents, spouse, children (natural or adopted), grandchildren or other issues; (iii) trusts the primary beneficiaries of which are any of the foregoing persons or any charitable organization designated by any of them, which trusts are controlled, directly or indirectly, by any of the persons under clause (i), (ii) or (v); (iv) corporations, partnerships, limited liability companies and other persons if at least 80% of the economic interest in any such person is owned by any of the persons under clause (i) and (ii) or any charitable organization designated by any of them; and (v) in the case of any person in clause (i) and (ii), the heirs, executors, administrators or personal representatives upon the death of such person or upon the incompetence or disability of such person for the purposes of the protection and management of such individual s assets. The Shareholder s Agreement further provides that if at any time a record or beneficial holder of Class B Common Shares ceases to be a Permitted Transferee, such holder (i) will not be entitled to exercise the voting rights attached to such Class B Common Shares and (ii) will notify the Board of Directors that it is no longer a Permitted Transferee, which notification shall be deemed to be a request to convert such Class B Common Shares into Class A Common Shares. Notwithstanding the foregoing, if at any time a holder of Class B Common Shares enters into a contract to transfer to a person that is not a Permitted Transferee (a Non-Permitted Transferee) a number of Class A Common Shares equivalent to that which would result from the conversion of all or a portion of such holder s Class B Common Shares and thereafter such conversion is opposed by creditors of Mittal Steel in accordance with applicable Dutch law, which opposition has not been finally determined within six months after the commencement thereof, such holder shall be free to transfer its Class B Common Shares to such Non-Permitted Transferee. By its terms, the Shareholder s Agreement may not be amended, other than for manifest error, except by approval of a majority of the Class A Common Shareholders (other than the controlling shareholder and Permitted Transferees) at a general shareholders meeting. The foregoing summary of the terms of the Shareholder s Agreement is qualified in its entirety by reference to the full text of the Shareholder s Agreement, a copy of which is included as Exhibit 4 to this Statement and is incorporated herein by reference.
