The securities held for the Funds and Accounts may be held through margin accounts maintained with brokers, which extend margin credit as and when required to open or carry positions in their margin accounts, subject to applicable federal margin regulations, stock exchange rules and such firms' credit policies. The positions which may be held in the margin accounts, including the Shares, are pledged as collateral security for the repayment of debit balances in the respective accounts.

The Reporting Persons expect to consider and evaluate on an on-going basis all of their options with respect to the investment in the Company. The Reporting Persons have met with, and may in the future continue to meet with, third parties to encourage them to consider strategic transactions involving the Company that are designed to maximize shareholder value for Company shareholders. In addition, the Reporting Persons may (a) consult with outside advisors to help them formulate their options with regard to their investment in the Company and (b) engage in discussion with management and/or the board of directors of the Company to encourage them to take steps to maximize shareholder value. The Reporting Persons may also pursue other available alternatives in order to maximize the value of the investment in the Company. Such alternatives could include, without limitation, (i) the purchase of additional Shares, options or related derivatives in the open market, in privately negotiated transactions or otherwise and (ii) the sale of all or a portion of the Shares, options or related derivatives now beneficially owned or hereafter acquired by them.

The Reporting Persons may contact and consult with other stockholders of the Company concerning the Company, its prospects and any or all of the foregoing matters.

Except as set forth above, none of the Reporting Persons has any plans or proposals which relate to, or could result in, any of the matters referred to in subsections (a) through (j) of Item 4 of Schedule 13D. The Reporting Persons reserve the right to change their plans or intentions and to take any and all actions that they may deem to be in the best interests of the Funds and the Accounts.

Item 5. Interest in Securities of the Issuer

(a) and (b) Based on the Company's Definitive Proxy Statement dated June 5, 2007, as of May 25, 2007, there were 381,461,210 Shares outstanding. Each of the Reporting Persons may be deemed to beneficially own an aggregate of 24,343,973 Shares (6.4%) comprised of (i) 12,774,473 Shares owned directly by the Funds and the Accounts and (ii) 11,569,500 Shares purchasable upon exercise of call options.

Each of the Reporting Persons has sole power to vote, direct the vote, dispose of or direct the disposition of Shares that they beneficially own.

(c) All transactions in the Shares effected during the past 60 days prior to and including June 11, 2007 are set forth in Exhibit 2 attached hereto. All of such transactions were effected in the over-the-counter market in routine broker transactions.

(d) No person other than the Reporting Persons is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Shares.

(e) Not applicable.

The filing of this Schedule 13D shall not be construed as an admission that the Reporting persons are, for purposes of Section 13(d) or 13(g) of the Act, the beneficial owner of any securities covered by this Schedule 13D.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

The Funds and Accounts may from time to time enter into and unwind cash settled equity swaps, exchange traded over-the-counter puts and calls, warrants, forward purchase or sale transactions, future transactions, cap transactions, floor transactions, collar transactions, or other options or derivative or risk management transactions with respect to the Shares. The return on such contracts may be wholly or partially dependent on the market value of the Shares, the relative value of the Shares in comparison to one or more other financial instruments, indexes, securities, baskets or groups of securities in which Shares may be included, currencies, commodities, bonds, equity securities, loans, interest rates, catastrophe events, weather-related events, credit-related events or conditions or any index or other similar transaction (including any option with respect to any of these transactions) or any combination of these transactions with one or more counterparties.

The Funds and Accounts currently have additional long economic exposure to 19,359,974 Shares through such arrangements (in addition to the 11,569,500 Shares purchasable upon exercise of call options) for an aggregate exposure of 43,703,947 Shares, equal to 11.46% of the Company's outstanding Shares. These arrangements do not currently give the Reporting Persons or the Funds and Accounts voting or investment control over the underlying securities of the Company and, accordingly, the Reporting Persons disclaim any beneficial ownership in any securities held or which may be acquired by the counterparty to such arrangements.

From time to time, each of the Reporting Persons may lend portfolio securities to brokers, banks or other financial institutions. These loans typically obligate the borrower to return the securities, or an equal amount of securities of the same class, to the lender and typically provide that the borrower is entitled to exercise voting rights and retain dividends during the term of the loan.

From time to time, to the extent permitted by applicable law, each of the Reporting Persons may borrow securities, including Shares, for the purpose of effecting, and may effect, short sale transactions, and may purchase securities for the purpose of closing out short sale positions in such securities.

Pursuant to Rule 13d-1(k) promulgated under the Exchange Act, the Reporting Persons have entered into a Joint Filing Agreement attached hereto as Exhibit A, with respect to the joint filing of the Schedule 13D and any amendment or amendments thereto.
