Item 1.01: Entry into a Material Definitive Agreement.

On November 6, 2007, Milestone Scientific, Inc. ("Milestone") entered into a Collaboration Agreement (the "Agreement") with a global diversified healthcare company (the "Collaborator") to conduct a feasibility study to evaluate the potential application of Milestone's proprietary CompuFlo® Injection System for injecting medicaments.

Under the terms of the Agreement, Milestone will provide, at no cost to the Collaborator, a mutually agreed to quantity of CompuFlo® Injection Systems and training on proper operation of the systems for use in the feasibility study. All other costs and expenses associated with the feasibility study will be the responsibility of the Collaborator.

The Collaborator may terminate the Agreement at any time upon at least ten (10) days prior written notice to Milestone, provided that the Collaborator shall be responsible for any reasonable, non-cancelable costs and expenses incurred by Milestone or its approved subcontractors prior to the date of termination.

¹ The name of the company is not provided pursuant to the confidentiality provisions in the Agreement.
