Item 2.01 Completion of Acquisition or Disposition of Assets

On January 29, 2010, Gibraltar Industries, Inc., a Delaware corporation (the Company) and its subsidiaries engaged in the precision processing of cold-rolled strip steel, Gibraltar Steel Corporation of Gibraltar, a New York corporation, and Gibraltar Strip Steel, Inc., a Delaware corporation, (collectively with the Company, the Seller) entered into an Asset Purchase Agreement (the Agreement) with The Worthington Steel Company, LLC, an Ohio limited liability company (the Purchaser) and The Worthington Steel Company Inc., an Ohio corporation (an affiliate of the Purchaser). On February 1, 2010, the Seller sold, and the Purchaser purchased, the majority of the assets of the Seller's Processed Metal Products segment. Under the terms of the Agreement, the total consideration received by the Company was approximately \$30,100,000 paid to the Company in cash, net of a working capital adjustment. There was no material relationship, other than in respect of the transaction, between the parties. The foregoing description of the Agreement is qualified in its entirety by reference to the terms, provisions, and covenants of the Agreement, a copy of which has been filed as Exhibit 10.1 to this report on Form 8-K and is incorporated herein by reference. The Agreement has been filed to provide investors and security holders with information regarding its terms, provisions, conditions, and covenants and is not intended to provide any other factual information respecting the Seller. In particular the Agreement contains representations and warranties the Purchaser and Seller made to and solely for the benefit of each other, allocating among themselves various risks of the transaction. The assertions embodied in those representations and warranties are qualified or modified by information in confidential disclosure schedules that the parties have exchanged in connection with signing the Agreement. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Agreement, which subsequent information may or may not be fully reflected in our public disclosures. Accordingly, investors and security holders should not rely on the representations and warranties in the Agreement as characterizations of the actual state of any fact or facts.

On January 29, 2010, Gibraltar Industries, Inc. and its wholly owned subsidiary, Gibraltar Steel Corporation of New York, a New York corporation, as co-borrowers, entered into Amendment No. 1 (the Amendment) to the Third Amended and Restated Credit Agreement with KeyBank National Association and the lenders named therein (the Credit Agreement). Amendment No. 1 to the Credit Agreement amends the definition of Processed Metal Products Disposition to define the disposal of certain assets used in the Processed Metal Products business. In addition, Amendment No. 1 requires that 100% of the net cash proceeds from the Processed Metal Products Disposition be applied to the debt outstanding under the Amended and Restated Credit Agreement. The foregoing description of the Amendment is qualified in its entirety by reference to the terms, provisions, and covenants of such Amendment, a copy of which has been filed as Exhibit 10.2 to this report on Form 8-K and is incorporated herein by reference. Robert E. Sadler, Jr., a director of the Company, is the Vice Chairman of the Board of Manufacturers and Traders Trust Company, one of the lenders under the Credit Agreement.
