Item 2.02. Results of Operations and Financial Condition

On May 5, 2010, ION Geophysical Corporation (the Company) issued a press release containing information regarding the Company s results of operations for the quarter ended March 31, 2010. A copy of the press release is furnished as Exhibit 99.1 hereto.

The information contained in Item 2.02 and Exhibit 99.1 of this report (i) is not to be considered filed under the Securities Exchange Act of 1934, as amended (the Exchange Act) and (ii) shall not be incorporated by reference into any previous or future filings made by or to be made by the Company with the Securities and Exchange Commission (SEC) under the Securities Act of 1933, as amended, or the Exchange Act.

The information contained in this report and the attached exhibit contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These forward-looking statements include statements concerning future sales and market growth, future cash needs and future sources of cash, including availability under our revolving line of credit facility, future compliance with our debt financial covenants, benefits expected to result from the BGP joint venture transactions and other statements that are not of historical fact. Actual results may vary materially from those described in these forward-looking statements. All forward-looking statements reflect numerous assumptions and involve a number of risks and uncertainties. These risks and uncertainties include risks of audit adjustments and other modifications to the Company s financial statements not currently foreseen; risks associated with the timing and development of the Company s products and services and market acceptance of the Company s new and revised product offerings; risks associated with the economic downturn and the volatile credit environment; risks associated with the BGP joint venture; risks associated with the Company s level of indebtedness, including compliance with debt covenants; risks associated with competitors product offerings and pricing pressures resulting therefrom; risks that sources of capital may not prove adequate; risks related to collection of receivables; and risks related to technological and marketplace changes affecting the Company s product line. Additional risk factors, which could affect actual results, are disclosed by the Company from time to time in its filings with the Securities and Exchange Commission, including its Annual Report on Form 10-K for the year ended December 31, 2009, and its Quarterly Reports on Form 10-Q filed during 2010.
