**Item 1.01. Entry into a Material Definitive Agreement.**

On December 18, 2008, Coeur d Alene Mines Corporation (the Company ) entered into a Master Lease Agreement establishing a gold lease facility with Mitsubishi International Corporation ( MIC ). Pursuant to this facility, the Company may lease amounts of gold from MIC and is obligated to deliver the same amounts back to MIC and to pay specified lease fees to MIC that are equivalent to interest at current market rates on the value of the gold leased. The facility is intended to increase the Company s liquidity. As of July 22, 2010, the Company is leasing approximately 15,000 ounces of gold under the facility. Pursuant to a Second Amended and Restated Collateral Agreement, the Company s obligations under the facility are secured by certain collateral. The collateral agreement specifies the maximum amount of gold the Company may lease from MIC, as well as the amount and type of collateral.

On July 16, 2010, the Company and MIC entered into an Amendment No. 4 to the Second Amended and Restated Collateral Agreement to increase the availability under the facility. Under the amended agreement, the maximum amount the Company may lease under the facility, aggregated with lease fees, is \$49.5 million. In addition, the amended agreement provides for a customary commitment fee. The Company agreed to secure its obligations under the facility with up to \$29.7 million of collateral. The initial collateral consists of silver and gold inventory held at a specified refiner. The amendment also requires the Company to lease at least an additional 10,000 ounces of gold within 30 days.

The collateral agreement contains usual and customary covenants and agreements, including limitations on the Company s ability to sell or grant liens in the collateral, as well as covenants as to cooperation, payment of charges and protection of security.

The collateral agreement and the master lease agreement governing the gold lease facility both contain customary events of default.

Copies of the Master Lease Agreement, Second Amended and Restated Collateral Agreement and Amendment No. 4 to the Second Amended and Restated Collateral Agreement are attached hereto as Exhibits 10.1, 10.2 and 10.3 and are incorporated herein by reference. The descriptions of these agreements are summaries only and are qualified in their entirety by the terms of the agreements.
