Some of the underwriters and their affiliates have engaged in, and may in the future engage in, investment banking and other commercial dealings in the ordinary course of business with the Company or its affiliates. On December 14, 2010, pursuant to the Underwriting Agreement, the Company issued and sold \$400 million aggregate principal amount of the 2016 Notes and \$400 million aggregate principal amount of the 2021 Notes. The offering of the Notes was registered under an effective Registration Statement on Form S-3 (Registration No. 333-164823). The Notes were issued pursuant to an indenture, dated as of February 19, 2010 (the Base Indenture ), between the Company and U.S. Bank National Association, as trustee (the Trustee ), as supplemented by a second supplemental indenture, dated as of December 14, 2010 (the Second Supplemental Indenture and, together with the Base Indenture, the Indenture ), between the Company and the Trustee. A copy of the Base Indenture was filed as Exhibit 4.1 to our current report on Form 8-K, filed with the SEC on February 19, 2010 and is incorporated herein by reference. A copy of the Second Supplemental Indenture (including forms of the Notes) is attached hereto as Exhibit 4.2 and is incorporated herein by reference. The descriptions of the Indenture, the Second Supplemental Indenture and the Notes in this report are summaries and are qualified in their entirety by the terms of the Indenture, the Second Supplemental Indenture and the Notes.

The net proceeds from the offering of approximately \$790 million, after deducting the underwriting discount and estimated offering expenses payable by the Company, are expected to be used to for general corporate purposes, which may include the repayment of existing indebtedness.

Interest on the 2016 Notes will accrue at a rate of 3.50% per annum and interest on the 2021 Notes will accrue at a rate of 5.00% per annum. Interest will be paid on the Notes from December 14, 2010 or from the most recent interest payment date to which interest has been paid or duly provided for, semi-annually in arrears on January 15 and July 15 of each year, commencing July 15, 2011, until the principal is paid or made available for payment. The 2016 Notes will mature on January 15, 2016 and the 2021 Notes will mature on January 15, 2021.

The Company may redeem the 2016 Notes and, prior to October 15, 2020, the 2021 Notes in whole or in part at any time prior to maturity at the applicable redemption prices which includes a make-whole premium, as described under the caption Description of Notes Optional Redemption in the prospectus relating to the offering of the Notes. The Indenture contains covenants that restrict the Company's ability, with certain exceptions, to (i) merge or consolidate with another entity or transfer all or substantially all of its property and assets, and (ii) incur liens. These covenants are subject to important exceptions and qualifications, as described in the sections titled Description of Notes Certain Covenants Merger, Consolidation, or Sale of Assets and Description of Notes Certain Covenants Limitation on Liens in the prospectus relating to the offering of the Notes. The Indenture also provides for customary events of default.
