Item 1.01. Entry into a Material Definitive Agreement.

On May 11, 2011 (the Closing Date), Town Sports International, LLC (the Borrower), a subsidiary of Town Sports International Holdings, Inc. (the Company), entered into a new senior secured credit agreement, dated as of May 11, 2011 (the Credit Agreement), among the Borrower, the Company, as a Guarantor, the lenders party thereto, Deutsche Bank Trust Company Americas, as Administrative Agent, and Keybank National Association, as Documentation Agent. The Credit Agreement replaces the Borrower's existing Credit Agreement, dated as of February 27, 2007 (the Existing Credit Agreement), among the Borrower, the Company, as a Guarantor, the lenders party thereto and Deutsche Bank Trust Company Americas, as administrative agent.

The Credit Amendment provides for senior secured credit facilities comprising (a) a \$300 million term loan facility and (b) a \$50 million revolving credit facility. The loans under the term loan facility (Term Loans) were drawn on the Closing Date and the proceeds were or will be used to pay off amounts outstanding under the Existing Credit Agreement, to pay the redemption price for all of the Company's outstanding 11% Senior Discount Notes due February 4, 2014, and to pay related fees and expenses. None of the revolving facility was drawn upon as of the Closing Date, but loans under the revolving facility (Revolving Loans) may be drawn from time to time pursuant to the terms of the Credit Agreement.

The term loan facility matures on May 11, 2018, and the revolving facility matures on May 11, 2016.

Term Loans and Revolving Loans bear interest at a rate equal to an applicable margin plus, at the Borrower's option, either a LIBOR rate adjusted for certain additional costs (the Eurodollar Rate) or a base rate equal to the greater of (a) the prime lending rate in effect on such day, (b) the federal funds effective rate in effect on such day plus 1/2 of 1% and (c) the Eurodollar Rate for a one-month interest period plus 1%. The applicable margin in respect of the Term Loans will be (i) in the case of Eurodollar Rate loans, 5.50% and (ii) in the case of base rate loans, 4.50%. The applicable margin in respect of the Revolving Loans will initially be (i) in the case of Eurodollar Rate loans, 5.50% and (ii) in the case of base rate loans, 4.50%, in each case, with a step-down of 0.25% or 0.50% during periods when the Borrower meets certain respective leverage ratios. The Eurodollar Rate has a floor of 1.50% and the base rate a floor of 2.50% with respect to the outstanding Term Loans.

The Borrower may prepay Term Loans and Revolving Loans without premium or penalty in accordance with the Credit Agreement, except that a prepayment premium of 2.00% is payable prior to the first anniversary of the Closing Date and a prepayment premium of 1.00% is payable prior to the second anniversary of the Closing Date. Mandatory prepayments are required in certain circumstances relating to cash flow in excess of certain expenditures, asset sales, insurance recovery and incurrence of certain other debt.

The borrowings of the Borrower under the senior secured credit facilities are guaranteed and secured by assets and pledges of capital stock by the Borrower, the Company and the wholly-owned domestic subsidiaries of the Company.

Table of Contents

The Credit Agreement also contains financial covenants that require the Borrower to maintain a ratio of consolidated debt to adjusted EBITDA of no greater than 5.25 to 1.00, with step-downs of 0.25 in each of the next three quarters, and a ratio of adjusted EBITDA to consolidated interest expense of no less than 2.00 to 1.00.

The Credit Agreement also contains a covenant that limits capital expenditures to \$40,000,000 for the four quarters ending in any quarter during which the ratio of consolidated secured indebtedness to adjusted EBITDA is greater than 3.00 to 1.00 and to \$50,000,000 for the four quarters ending in any quarter during which the ratio is less than or equal to 3.00 to 1.00 but greater than 2.50 to 1.00; such covenant does not limit capital expenditures if the ratio is less than or equal to 2.50 to 1.

The Credit Agreement also contains certain customary affirmative and negative covenants (similar to those under the Existing Credit Agreement). The covenants may limit or restrict the Borrower and the Company's ability to, among other things, incur indebtedness and other liabilities; create liens; merge or consolidate; dispose of assets; make investments; pay dividends and make payments to shareholders; make payments on certain indebtedness; enter into sale leaseback transactions; and make capital expenditures, in each case, subject to certain qualifications and exceptions.

The Credit Agreement also includes customary events of default (including non-compliance with the covenants or other terms of the Credit Agreement) which may allow the lenders to terminate the commitments under the revolving facility and declare all outstanding Term Loans and Revolving Loans immediately due and payable.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to the Credit Amendment, a copy of which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.

Item 1.02. Termination of a Material Definitive Agreement.

On May 11, 2011 the Borrower terminated its Existing Credit Agreement and replaced it with the Credit Agreement when it repaid all outstanding borrowings under the Existing Credit Agreement, which totaled \$164,001,000. The Existing Credit Agreement provided for revolving commitments of \$63,750,000 maturing on February 27, 2012, as well as term loans in an aggregate amount of approximately \$185,000,000 (\$164,001,000 of which was outstanding as of March 31, 2011), maturing over a period ending February 27, 2014.

On May 11, 2011, the Company called for redemption all of its outstanding 11% Senior Discount Notes due 2014 (the Notes) and, by depositing funds with the Trustee sufficient to pay principal, premium and interest in respect of the Notes to, but not including, the date of redemption and any other amounts due under the related Indenture, dated as of February 4, 2004, between the Company and The Bank of New York, as trustee, satisfied and discharged its obligations under the related Indenture. The Notes will be redeemed on June 10, 2011, at a redemption price of 101.833% of the principal amount thereof, plus accrued and unpaid interest
