ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

No payments were made in connection with the execution of the Merger Agreement or Option Agreement (each defined in Item 4 below).

ITEM 4. PURPOSE OF TRANSACTION.

On September 5, 2001, Dynamic, Cerner and a wholly owned subsidiary of Cerner entered into an Agreement and Plan of Merger (the "Merger Agreement") pursuant to which Dynamic will be merged with and into the wholly owned subsidiary of Cerner.

Concurrently with the execution of the Merger Agreement, Dynamic and Cerner entered into a Stock Option Agreement (the "Option Agreement") pursuant to which Dynamic has granted Cerner an option to purchase up to 985,746 shares of Dynamic Common Stock at a price, subject to certain customary anti-dilution rights and adjustments, of \$3.00 per share (representing approximately 15% of the outstanding shares on a fully diluted basis without giving effect to the exercise of all currently existing outstanding warrants and options to purchase Dynamic Common Stock). The Option Agreement was granted by Dynamic as an inducement and condition to Cerner's willingness to enter into the Merger Agreement.

The Option Agreement is exercisable, in whole but not in part, only upon the occurrence of a "Triggering Event" (as defined below) prior to termination of the Option Agreement.

The Option Agreement will expire upon: (i) the Effective Time (as defined in the Merger Agreement) of the merger or (ii) the close of business on the earlier of (x) the date which is one year after the occurrence of a Triggering Event, and (y) the date on which it is no longer possible for a Triggering Event to occur.

A "Triggering Event," the occurrence of which serves as a condition precedent to exercise of the Option Agreement and, under certain circumstances, serves to extend the term of the Option Agreement beyond a termination of the Merger Agreement, occurs if the Merger Agreement is terminated and Cerner then or thereafter becomes entitled to receive the termination fee provided for in Section 9.3(a) of the Merger Agreement. A termination fee is payable to Cerner under Section 9.3 of the Merger Agreement if the agreement is terminated as a result of (i) Dynamic's withdrawal, modification, or material qualification in any manner adverse to Cerner of its recommendation that Dynamic shareholders approve the merger, or taking any action or making any statement in connection with the Dynamic shareholder meeting materially inconsistent with such recommendation, (ii) Dynamic's failure to include in the proxy statement/prospectus the recommendation of the Board of Directors of Dynamic in favor of the adoption and approval of the Merger Agreement and the approval of the merger, (iii) the solicitation, initiation or the knowing facilitation or encouragement of a submission of any Acquisition Proposal (as defined below) for Dynamic, (iv) Dynamic's participation in any discussions or negotiations regarding, or furnishing to any person any information with respect to, or taking any other action knowingly to facilitate any inquiries or the making of any proposal that constitutes an Acquisition Proposal for Dynamic, (v) the approval, endorsement or recommendation of, or the execution of or entering into, any letter of intent, agreement in principle, or definitive agreement, by Dynamic's Board of Directors relating to any Acquisition Proposal, (vi) Dynamic's failure to recommend that its security holders reject any tender or exchange offer relating to securities of Dynamic, (vii) Dynamic's grant of a waiver or a release under any standstill or similar agreement with respect to any class of Dynamic equity securities or (viii) Dynamic entering into any agreement with respect to any Acquisition Proposal for Dynamic. An "Acquisition Proposal" for these purposes means any offer or proposal for a merger, consolidation, share exchange, business combination, reorganization, recapitalization, issuance of securities, liquidation, dissolution, tender offer or exchange offer or other similar transaction or series of transactions involving, or any purchase of 10% or more of the assets, or directly or indirectly acquires beneficial ownership of securities representing, or exchangeable for or convertible into, more than 10% of the outstanding securities of any class of voting securities of Dynamic or in which Dynamic issues securities representing 10% of the outstanding

Edgar Filing: DYNAMIC HEALTHCARE TECHNOLOGIES INC - Form SC 13D

securities of any class of voting securities of Dynamic, other than the transactions contemplated by the Merger Agreement.

As more fully set forth in the Option Agreement, Cerner (or a subsequent holder of the Option Agreement or the shares issued thereunder) has the right under specified circumstances to require Dynamic to repurchase the Option Agreement or such shares. In addition, the Option Agreement provides its holders with certain rights to require Dynamic to register the Dynamic Common Stock acquired by or issuable upon the exercise of the Option Agreement under the Securities Act of 1933, as amended.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER.

(a)-(b) By reason of the Option Agreement, Cerner may be deemed to beneficially own 985,746 shares of Common Stock (15% of the outstanding shares). Cerner has sole dispositive and voting power over such shares.

(c) Cerner has not effected any transactions in the Common Stock during the past 60 days.

(d) Cerner does not have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of any shares of Common Stock.

(e) Not applicable.
