PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS

INTRODUCTION

This Proxy Statement is furnished by the Board of Directors of Noble International, Ltd., a Delaware corporation, (the "Company") in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders to be held on May 16, 2003 and at any adjournments thereof. The Annual Meeting has been called to consider and vote upon (1) the election of Class I Directors; (2) the ratification of Deloitte & Touche LLP as the Company's independent public accountants, and (3) such other business as may properly come before the Annual Meeting or any adjournment(s) thereof. This Proxy Statement and the accompanying Proxy are being sent to Stockholders on or about April 22, 2003.

PERSONS MAKING THE SOLICITATION

The Proxy is solicited on behalf of the Board of Directors of the Company. The original solicitation will be by mail. Following the original solicitation, the Board of Directors expects that certain individual Stockholders will be further solicited through telephone or other oral communications from the Board of Directors. The Board of Directors does not intend to use specially engaged employees or paid solicitors. The Board of Directors intends to solicit Proxies for shares which are held of record by brokers, dealers, banks or voting trustees, or their nominees, and may pay the reasonable expenses of such record holders for completing the mailing of solicitation materials to persons for whom they hold shares. All solicitation expenses will be borne by the Company.

Edgar Filing: NOBLE INTERNATIONAL LTD - Form DEF 14A

TERMS OF THE PROXY

The enclosed Proxy indicates the matters to be acted upon at the Annual Meeting and provides boxes to be marked to indicate the manner in which the Stockholder's shares are to be voted with respect to such matters. By appropriately marking the boxes, a Stockholder may specify whether the proxy shall vote for or against or shall be without authority to vote the shares represented by the Proxy. The Proxy also confers upon the proxy discretionary voting authority with respect to such other business as may properly come before the Annual Meeting.

If the Proxy is executed properly and is received by the proxy holder prior to the Annual Meeting, the shares represented by the Proxy will be voted. An abstention and a broker non-vote would be included in determining whether a quorum is present at the meeting, but would otherwise not affect the outcome of any vote. Where a Stockholder specifies a choice with respect to the matter to be acted upon, the shares will be voted in accordance with such specification. Any Proxy which is executed in such a manner as not to withhold authority to vote for the election of the specified nominees as Directors (see "Matters To Be Acted Upon -- Item 1: Election of Class I Directors") shall be deemed to confer such authority. A Proxy may be revoked at any time prior to its exercise by giving written notice of the revocation thereof to Michael C. Azar, Secretary, Noble International, Ltd., 28213 Van Dyke Avenue, Warren, Michigan 48093, by attending the meeting and electing to vote in person, or by a duly executed Proxy bearing a later date.

MATTERS TO BE ACTED UPON

ITEM 1: ELECTION OF CLASS I DIRECTORS

DIRECTORS

The nominees for the Board of Directors are set forth below. The Company has a classified Board of Directors that is divided into three (3) classes with three year terms of office ending in different years. The term of the Class I Directors expires this year. The Company's Bylaws give the Board the power to set the number of directors at no less than nine nor more than twelve. The size of the Company's Board is currently set at nine. There are currently three (3) Board positions designated for Class I Directors of which three (3) will be filled by election at the Annual Meeting to be held on May 16, 2003.

Three (3) persons have been nominated by the Board of Directors to serve as the Class I Directors until the 2006 Annual Meeting of Stockholders. The Board of Directors recommends that the three (3) nominees, Lee Musgrove Canaan, Jonathan P. Rye and Van E. Conway be elected to serve as the Class I Directors until the 2006 Annual Meeting of Stockholders. Information on the background and qualification of the nominees is set forth on the following page.

The Board knows of no reason why any nominee for director would be unable to serve as a director. In the event that any of them should become unavailable prior to the Annual Meeting, the Proxies will be voted for a substitute nominee or nominees designated by the Board of Directors, or the number of directors may be reduced accordingly. In no event will the Proxies be voted for more than three (3) persons.

VOTE REQUIRED

The favorable vote of a plurality of the shares of Common Stock of the Company present in person or by proxy at the Annual Meeting is required for the election of each nominee for Class I Director. THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" EACH OF THE NOMINEES LISTED ABOVE.

1997 STOCK OPTION PLAN

In November 1997, the Board of Directors of the Company adopted, and in April 1998, the Company's Stockholders approved, the Noble International, Ltd. 1997 Stock Option Plan (the "1997 Plan"). The 1997 Plan provides for the grant to employees, officers, directors, consultants and independent contractors of non-qualified stock options as well as for the grant of stock options to employees that qualify as incentive stock options under Section 422 of the Internal Revenue Code of 1986 ("Code"). Although the Company has approximately 2,000 employees technically eligible to participate in the 1997 Plan, it is anticipated the stock options will be granted only to a limited number of management level personnel. The 1997 Plan terminates on November 24, 2007. The purpose of the 1997 Plan is to enable the Company to attract and retain qualified persons as employees, officers and directors and others whose services are required by the Company, and to motivate such persons by providing them with an equity participation in the Company. The 1997 Plan reserved 700,000 shares of

Edgar Filing: NOBLE INTERNATIONAL LTD - Form DEF 14A

the Company's Common Stock for issuance, subject to adjustment upon occurrence of certain events affecting the capitalization of the Company.

The 1997 Plan is administered by the Compensation Committee of the Board of Directors (the "Committee"), which has, subject to specified limitations, the full authority to grant options and establish the terms and conditions for vesting and exercise thereof. The exercise price of incentive stock options granted under the 1997 Plan is required to be no less than the fair market value of the common stock on the date of grant (110% in the case of a greater than 10% Stockholder). The exercise price of non-qualified stock options is required to be no less than 85% of the fair market value of the Common Stock on the date of grant. Options may be granted for terms of up to 10 years (5 years in the case of incentive stock options granted to greater than 10% Stockholders). No optionee may be granted incentive stock options such that the fair market value of the options which first become exercisable in any one calendar year exceeds \$100,000. If an optionee ceases to be employed by, or ceases to have a relationship with the Company, such optionee's options expire six months after termination of the employment or consulting relationship by reason of death, one year after termination by reason of permanent disability, immediately upon termination for cause and three months after termination for any other reason.

In order to exercise an option granted under the 1997 Plan, the optionee may pay the full exercise price of the shares being purchased or by utilizing a cashless exercise feature. Payment may be made either: (i) in cash; (ii) at the discretion of the Committee, by delivering shares of Common Stock already owned by the optionee that have a fair market value equal to the applicable exercise price; or (iii) in the form of such other consideration as may be determined by the Committee and permitted by applicable law.

Subject to the foregoing, the Committee has broad discretion to describe the terms and conditions applicable to options granted under the 1997 Plan. The Committee may at any time discontinue granting options under the 1997 Plan or otherwise suspend, amend or terminate the 1997 Plan and may, with the consent of an optionee, make such modification of the terms and conditions of such optionee's option as the Committee shall deem advisable. However, the Committee has no authority to make any amendment or modifications to the 1997 Plan or any outstanding option which would: (i) increase the maximum number of shares which may be purchased pursuant to options granted under the 1997 Plan, either in the aggregate or by an optionee, except in connection with certain antidilution adjustments; (ii) change the designation of the class of employees eligible to receive qualified options; (iii) extend the term of the 1997 Plan or the maximum option period thereunder; (iv) decrease the minimum qualified option price or permit reductions of the price at which shares may be purchased for qualified options granted under the 1997 Plan, except in connection with certain antidilution adjustments; or (v) cause qualified stock options issued under the 1997 Plan to fail to meet the requirements of incentive stock options under Section 422 of the Code. Any such amendment or modification shall be effective immediately, subject to Stockholder approval thereof within 12 months before or after the effective date. No option may be granted during any suspension or after termination of the 1997 Plan.

The 1997 Plan is designed to meet the requirements of an incentive stock option plan as defined in Code Section 422. As a result, an optionee will realize no taxable income, for federal income tax purposes, upon either the grant of an incentive stock option under the 1997 Plan or its exercise, except that the difference between the fair market value of the stock on the date of exercise and the exercise price is included as income for purposes of calculating Alternative Minimum Tax. If no disposition of the shares acquired upon exercise is made by the optionee within two years from the date of grant or within one year from the date the shares are transferred to the optionee, any gain realized upon the subsequent sale of the shares will be taxable as a

Edgar Filing: NOBLE INTERNATIONAL LTD - Form DEF 14A

capital gain. In such case, the Company will be entitled to no deduction for federal income tax purposes in connection with either the grant or the exercise of the option. If, however, the optionee disposes of the shares within either of the periods mentioned above, the optionee will realize earned income in an amount equal to the excess of the fair market value of the shares on the date of exercise (or the amount realized on disposition if less) over the exercise price, and the Company will be allowed a deduction for a corresponding amount.

2001 NON-EMPLOYEE DIRECTOR STOCK INCENTIVE PLAN

On March 30, 2001, the Company's Board of Directors adopted, and in May 2001, the Company's Stockholders approved, the 2001 Non-Employee Director Stock Incentive Plan (the "Non-Employee Director Plan"). The Non-Employee Director Plan is designed to attract and retain the services of experienced and knowledgeable independent directors of the Company for the benefit of the Company and its Stockholders and to provide additional incentive for such directors to continue to work for the best interests of the Company and its Stockholders through continuing ownership of its Common Stock.

Each director who is not, and has not been during the immediately preceding 12-month period, an employee of the Company or any subsidiary of the Company, is eligible to participate in the Non-Employee Director Plan, provided that such director is not separately compensated by the Company as a consultant and does not fail to attend (or otherwise participate in) at least two-thirds (2/3) of the board meetings.

An aggregate of 200,000 shares of Common Stock have been reserved for issuance under the Non-Employee Director Plan. The Non-Employee Director Plan provides for the annual grant of incentive awards consisting of restricted stock grants and stock purchase participation awards. The Non-Employee Director Plan will be administered by the Board of Directors or, if the Board so determines, by a committee of the Board. The annual restricted stock award shares and stock purchase participation award limit will be established by the Board of Directors (or by a committee thereof) at its first meeting following the annual meeting of Stockholders each year.

Restricted stock awards will be subject to such restrictions and conditions to the vesting of awards as the Board of Directors (or committee) deems appropriate, including, without limitation, that the non-employee director remain in the continuous service of the Company for a certain period; provided, however, that no restricted stock award may vest prior to six months from its date of grant other than in connection with a participant's death or disability.

Stock purchase participation awards shall consist of a right to receive shares of Common Stock with a fair market value equal to one-third (1/3) of the net amount spent by the non-employee director on purchases of Common Stock in the public market, subject to the terms and limitations determined by the Board of Directors (or committee). The Board of Directors (or committee) shall impose such restrictions or conditions to the vesting of stock purchase participation awards as it deems appropriate, including, without limitation, that the non-employee director remain in the continuous service of the Company for a specified period.

2001 STOCK INCENTIVE PLAN

On March 30, 2001, the Company's Board of Directors adopted, and in May, 2001, the Company's Stockholders approved, the 2001 Stock Incentive Plan (the "Stock Incentive Plan"). The purpose of the Stock Incentive Plan is to

Edgar Filing: NOBLE INTERNATIONAL LTD - Form DEF 14A

advance the interests of the Company and its Stockholders by enabling the Company and its subsidiaries to attract and retain persons of ability to perform services for the Company and its subsidiaries by providing an incentive to such individuals through equity participation in the Company and by rewarding such individuals who contribute to the achievement by the Company of its economic objectives.

All employees of the Company and its subsidiaries, as well as non-employee directors, consultants and independent contractors, are eligible to participate in the Stock Incentive Plan. It is anticipated that the Stock Incentive Plan will be used primarily for the grant of incentive awards to executive officers of the Company and its subsidiaries.

An aggregate of 400,000 shares of Common Stock have been reserved for issuance under the Stock Incentive Plan. The Stock Incentive Plan provides for the grant of incentive awards consisting of restricted stock grants and stock bonuses. The Stock Incentive Plan will be administered by the Board of Directors or, if the Board so determines, by a committee of the Board.

Restricted stock awards will be subject to such restrictions and conditions to the vesting of awards as the Board of Directors (or committee) deems appropriate, including, without limitation, that the participant remain in the continuous employ or service of the Company or a subsidiary for a certain period or that the participant or the Company (or any subsidiary or division thereof) satisfy certain performance goals or criteria; provided, however, that no restricted stock award may vest prior to six months from its date of grant other than in connection with a participant's death or disability.

10

Stock bonuses shall consist of a grant of shares of Common Stock, subject to the terms and limitations determined by the Board of Directors (or committee). In no event will a stock bonus be granted in consideration of future services. The participant will have all voting, dividend, liquidation and other rights with respect to the shares of Common Stock issued to a participant as a stock bonus upon the participant becoming the holder of record of such shares; provided, however, that the Board of Directors (or committee) may impose such restrictions on the assignment or transfer of shares of Common Stock issued as a stock bonus as it deems appropriate.

2002 EXECUTIVE STOCK APPRECIATION RIGHTS PLAN

In May, 2002, the Company's Board of Directors adopted the 2002 Executive Stock Appreciation Plan (the "SAR Plan"). The purpose of the SAR Plan is to advance the interests of the Company and its Stockholders by enabling the Company and its subsidiaries to attract and retain executives of ability to perform services for the Company and its subsidiaries by providing an incentive to such individuals through equity growth in the Company and by rewarding such individuals who contribute to the achievement by the Company of its economic objectives.

All employees of the Company and its subsidiaries, as well as non-employee directors, consultants and independent contractors, are eligible to participate in the SAR Plan. It is anticipated that the SAR Plan will be used primarily for the grant of incentive awards to executive officers of the Company and its subsidiaries.

An aggregate of 250,000 SAR units have been authorized for issuance under the SAR Plan. The SAR Plan provides for the grant of incentive awards consisting of SAR units. The SAR Plan will be administered by the Board of

Edgar Filing: NOBLE INTERNATIONAL LTD - Form DEF 14A

Directors or, if the Board so determines, by a committee of the Board.

SAR grants will be subject to such restrictions and conditions to the vesting of awards as the Board of Directors (or committee) deems appropriate, including, without limitation, that the participant remain in the continuous employ or service of the Company or a subsidiary for a certain period or that the participant or the Company (or any subsidiary or division thereof) satisfy certain performance goals or criteria.

DIRECTOR COMPENSATION

Directors who are employees of the Company receive no compensation, as such, for their service as members of the Board. In calendar year 2002, pursuant to the Non-Employee Director Plan, Directors who were not employees of the Company received an annual fee of \$20,000, payable in Common Stock of the Company. All directors are reimbursed for expenses incurred in connection with attendance at meetings. In addition, directors are eligible to participate in the Company's 1997 Stock Option Plan and the Company's Non-Employee Director Plan. In calendar year 2002, no options were granted to directors.

EMPLOYMENT AGREEMENT

The Company entered into a three (3) year employment agreement with Robert J. Skandalaris, its Chief Executive Officer, on April 2, 1997. The Employment Agreement provides for an initial term of three years, with an unlimited number of successive three-year renewals subject to the election by either party not to renew the Employment Agreement. Mr. Skandalaris is also entitled to an incentive bonus for each fiscal year in an amount to be determined by the Compensation Committee of the Board, as well as to participate in any executive bonus or other incentive compensation program adopted by the Company. In the event Mr. Skandalaris' employment is terminated by the Company without cause, or by reason of his death or disability, or in the event the Employment Agreement is not renewed, the Company is obligated to pay to Mr. Skandalaris, as severance and/or liquidated damages, an amount equal to three times his annual base salary at the time of termination plus any incentive bonus due under the Employment Agreement. Mr. Skandalaris' employment agreement has been amended to reflect increases in his annual compensation authorized by the Compensation Committee of the Board.

In January 2002, the Company entered into employment agreements with Messrs. Morin, Azar and Harper. Messrs. Morin, Azar and Harper are also entitled to an incentive bonus for each fiscal year in an amount to be determined by the Compensation Committee of the Board, as well as to participate in any executive bonus or other incentive compensation program adopted by the Company. These agreements have automatic renewal terms of one year and provide for varying amounts of severance between three and twelve months of base pay based upon the individual's length of employment with the Company.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers, directors and persons who beneficially own more than 10% of a registered class of the Company's equity securities to file reports of securities ownership and changes in such ownership with the Securities and Exchange Commission (the "SEC"). Officers, directors and greater than 10% beneficial owners are also required by rules promulgated by the SEC to furnish the Company with copies of all Section 16(a) forms they file.

Edgar Filing: NOBLE INTERNATIONAL LTD - Form DEF 14A

Based solely upon a review of the copies of such forms furnished to the Company, or written representations that no Form 5 filings were required, the Company believes that during the period from January 1, 2002 through December 31, 2002, all Section 16(a) filing requirements applicable to its officers, directors and greater than 10% beneficial owners were complied with.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On April 22, 2002, the Company completed a sale and leaseback transaction of its Shelbyville, KY facility to the Company's Chief Executive Officer. The sale price was \$6.2 million which was equal to the book value of the property. The proceeds of the transaction were used to reduce the Company's debt under its current credit facility. The lease has a term of five years and provides for monthly rent of \$70,000. The sale price and rent amount were determined by the estimated fair value of the property and estimated prevailing lease rates for similar properties. Although the Company did not obtain an independent valuation of the property or the terms of the transaction, it believes the terms of the sale and leaseback were at least as favorable to Noble as terms that could have been obtained from an unaffiliated third party. Rent expense for 2002 was approximately \$0.6 million.

On December 31, 2002 the Company completed the sale of NCE to a private equity fund for \$14.0 million in cash. The Company's CEO and certain other officers have an interest in the private equity fund. Due to the related party nature of the transaction, an independent committee of the board of directors was formed to evaluate, negotiate and complete the sale of this operation. In addition, the Company obtained an independent opinion regarding the fairness of the transaction.

Mr. Skandalaris' compensation for fiscal 2002 was \$325,000 in accordance with the terms of his Employment Agreement with the Company. Mr. Skandalaris also received no bonus for fiscal year 2002.

Under section 162(m) of the Internal Revenue Code, adopted in August 1993, and regulations adopted thereunder by the Internal Revenue Service, publicly-held companies may be precluded from deducting certain compensation paid to an executive officer in excess of \$1.0 million in a year. AUDIT COMMITTEE

The Board of Directors has adopted a written charter for the Audit Committee. The three members of the Audit Committee are "independent" as that term is defined in Rule 4200(a)(15) of the National Association of Securities Dealer's listing standards.

Audit Fees. The aggregate amount of fees billed by Deloitte & Touche LLP for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ended December 31, 2002, and the review of the financial statements included in the Company's Quarterly Reports on Form 10-Q for that fiscal year, was \$171,500.

Financial Information System Design and Implementation Fees. There were no fees billed by Deloitte & Touche LLP for professional services rendered to the Company for the fiscal year ended December 31, 2002, for the design and implementation of financial information systems.

All Other Fees. The aggregate amount of fees billed by Deloitte & Touche LLP for all other non-audit services, including various assurance services, tax preparation and tax consulting rendered to the Company for the fiscal year ended December 31, 2002, was \$611,175.

Leased Employees. Deloitte & Touche LLP has informed the Company that none of the hours expended on its engagement to audit the Company's financial statements for the fiscal year ended December 31, 2001, were attributable to work performed by persons other than full time, permanent employees.

The Audit Committee report set forth below shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such acts.

Audit Committee Report. Management is responsible for the Company's internal controls, financial reporting process and compliance with laws and regulations and ethical business standards. The independent auditor is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes on behalf of the Board of Directors. In this context, the Audit Committee has reviewed and discussed with management and the

Edgar Filing: NOBLE INTERNATIONAL LTD - Form DEF 14A

independent auditors the audited financial statements. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee has received from the independent auditors the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from the Company and its management. Moreover, the Audit Committee has considered whether the independent auditor's provision of other non-audit services to the Company is compatible with the auditor's independence. In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002, for filing with the Securities and Exchange Commission. By recommending to the Board of Directors that the audited financial statements be so included, the Audit Committee is not opining on the accuracy, completeness or fairness of the audited financial statements.

PERFORMANCE GRAPH

The following graph demonstrates the cumulative total return, on an indexed basis, to the holders of the Company's Common Stock in comparison with the Russell 2000 Index and an industry index of eighteen publicly traded companies operating primarily in Standard Industrial Classification 371 or 421 (the "Peer Group Index"). The Peer Group Index was selected by the Company because the companies included therein engaged in either the manufacturing of motor vehicles and related parts, accessories and equipment or trucking and courier services, with market capitalizations similar to that of the Company. The Peer Group Index for SIC Code 371 consists of: Hastings Manufacturing, Hayes Lemmerz International, Inc., IMPCO Technologies, Inc., Keystone Automotive Industries, Omni U.S.A., Inc., Orbital Engine Corp Ltd, Riviera Tool Company, Standard Motor Products, Inc., Stoneridge, Inc., Strattec Security Corp., Superior Industries International, Steel Technologies, Inc., Tenneco Automotive, Inc., Tesma International, Inc. and Titan International, Inc., and for SIC Code 421 consists of: CDL, Inc., Dynamex, Inc., and Velocity Express Corporation. The Peer Group Index closely approximates Noble's peer group both in range of products provided and market capitalization. Due to the disposition of Noble Construction Equipment, the Peer Group does not include any companies engaged in the manufacture of construction equipment.

The graph assumes \$10,000 invested on December 31, 1997 in the Common Stock, in the Russell 2000 Index and the Peer Group Index. The historical performance shown on the graph is not necessarily indicative of future price performance.
