On September 17, 2006, Sterling Financial Corporation, a Washington corporation ( Sterling ), entered into an Agreement and Plan of Merger (the Merger Agreement ) with Northern Empire Bancshares, a California corporation ( Northern Empire ). Under the terms of the Merger Agreement, Northern Empire will be merged with and into Sterling, with Sterling being the surviving corporation in the merger. The Merger Agreement also provides that Sterling may elect to merge Northern Empire 's financial institution subsidiary, Sonoma National Bank, with and into Sterling 's financial institution subsidiary, Sterling Savings Bank, with Sterling Savings Bank being the surviving institution.

Under the terms of the Merger Agreement, which has been unanimously approved by the Boards of Directors of both companies, each share of Northern Empire common stock will be converted into 0.8050 shares of Sterling common stock and \$2.71 in cash, subject to certain conditions. Based upon the closing price for Sterling 's common stock on September 15, 2006 of \$33.04 per share, the consideration is equivalent to \$29.31 per share of Northern Empire common stock. Outstanding options to purchase shares of Northern Empire common stock will be assumed and converted into options to purchase Sterling common stock. The transaction, which is valued at approximately \$335 million, is expected to close in the second quarter of 2007, pending Sterling and Northern Empire shareholder and regulatory approval, and satisfaction of other customary closing conditions. The parties have agreed to pay termination fees in the event the Merger Agreement is terminated under certain conditions. All of the directors and certain officers of Northern Empire have entered into voting agreements pursuant to which they have agreed to vote their shares in favor of the transaction.
