PROXY STATEMENT

We are furnishing this proxy statement in connection with the solicitation of proxies by our board of directors for use at our annual meeting of stockholders to be held December 3, 2002, and at any adjournment of the meeting. The meeting will be held at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders.

As of October 14, 2002, the record date for determining the stockholders entitled to vote at the meeting, there were outstanding and entitled to vote 31,773,481 shares of Veritas DGC common stock, par value \$.01 per share, 1,171,261 Veritas Energy Services Inc. exchangeable shares and 274,311 Veritas Energy Services class A exchangeable shares series 1. In this proxy statement, all such shares are referred to collectively as "shares," and all holders of shares are referred to collectively as "stockholders." This proxy

Edgar Filing: VERITAS DGC INC - Form DEF 14A

statement addresses you if you are a stockholder. All shares vote together as a single class and each share entitles its holder to one vote on each matter presented at the meeting. Holders of a majority of the outstanding shares must be present, in person or by proxy, to constitute a quorum for the transaction of business. Abstentions will be treated as present for purposes of determining whether a quorum is present.

The proxy accompanying this proxy statement, when properly signed and returned, permits you to vote by proxy on all matters to come before the meeting or any adjournment of the meeting. If you specify your choice on the proxy with respect to a matter being voted upon, your shares will be voted as you specify. UNLESS YOU SPECIFY OTHERWISE, YOUR SHARES WILL BE VOTED IN FAVOR OF THE SIX NOMINEES TO THE BOARD OF DIRECTORS AND IN FAVOR OF THE APPROVAL OF THE VERITAS DGC INC. SHARE INCENTIVE PLAN IF YOU SIGN, DATE AND RETURN YOUR PROXY.

We are not aware of any business to be acted upon at the meeting other than what is set forth in the accompanying Notice. If, however, other matters are properly brought before the meeting, or any adjournment of the meeting, the persons appointed as proxies will have discretion to vote or abstain from voting on any such matter according to their best judgment.

You may revoke your proxy by (i) giving written notice to Larry L. Worden, Vice President, General Counsel and Secretary, Veritas DGC Inc., 10300 Town Park Drive, Houston, Texas 77072, (ii) signing and delivering a later dated proxy to Mr. Worden at any time before its exercise, or (iii) attending the meeting and voting in person. Our inspector of election, who is required to decide impartially any interpretive questions as to the conduct of the vote, will tabulate the votes at the meeting and certify the results.

We will bear the cost of soliciting proxies in the accompanying form. In addition to solicitations by mail, our employees may solicit proxies in person, by telephone, fax or electronic mail.

This proxy statement and form of proxy is first being sent or given to stockholders on or about October 29, 2002.

ELECTION OF DIRECTORS

The stockholders will elect six directors at the meeting.(1) Each director elected will hold office until the next annual meeting of stockholders, until his successor is elected and qualifies or until his earlier death, resignation or removal. By signing, dating and returning the accompanying proxy, you will grant your proxy to vote your shares as you direct. Unless you specify otherwise, your shares will be voted FOR the six nominees to the board of directors if you sign, date and return your proxy. All nominees previously have been elected directors by the stockholders. If any nominee becomes unavailable for election, the proxy may be voted for a substitute nominee selected by the persons named in the proxy or the board of directors may be reduced accordingly; however, we are not aware of any circumstances likely to render any nominee unavailable.

The six nominees who receive a majority of the votes cast will be the duly elected directors of Veritas DGC. Abstentions and broker non-votes will not be counted as a vote for or against any nominee, and will not affect the outcome of the election. Cumulative voting is not allowed.

The board of directors recommends a vote FOR all six nominees.

COMMITTEES AND MEETINGS OF DIRECTORS

During fiscal year 2002, the board of directors met on 13 regularly and specially scheduled occasions. Committees of the board of directors held meetings as follows: audit -- eight meetings; compensation -- one meeting; nominating and corporate governance committee -- one meeting; and health, safety and environment -- two meetings. During fiscal year 2002, all directors attended at least 75% of the meetings of the board of directors and committees on which they served.

The audit committee assists the board of directors in assuring that our accounting and reporting practices are in accordance with all applicable requirements. The audit committee has reviewed and discussed our audited financial statements for the year ended July 31, 2002 with management and has discussed with PricewaterhouseCoopers LLP, the independent accountants for Veritas DGC, the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU Section 380) with respect to those statements. The audit committee has received the written disclosures and the letter from PricewaterhouseCoopers LLP required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), and has discussed with PricewaterhouseCoopers LLP, its independence in connection with its audit of our most recent financial statements. The audit committee has reviewed the services provided by PricewaterhouseCoopers LLP and has determined that the services provided are compatible with the maintenance of PricewaterhouseCoopers LLP's independence. Based on this review and these discussions, the audit committee

Edgar Filing: VERITAS DGC INC - Form DEF 14A

recommended to the board of directors that these audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended July 31, 2002. The

information in this paragraph shall not be deemed to be soliciting material, or be filed with the Securities and Exchange Commission or subject to Regulation 14A or 14C or to liabilities of Section 18 of the Securities Act of 1933, nor shall it be deemed to be incorporated by reference into any filing under the Securities Act or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate these paragraphs by reference.

The members of the audit committee are independent, as defined in Sections 303.01(B) (2) (a) and (3) of the NYSE's listing standards. Clayton P. Cormier, James R. Gibbs, and Jan Rask are the members of the audit committee. The board of directors has determined that each member of the audit committee is financially literate and that Mr. Cormier has the necessary accounting and financial expertise to serve as chairman. The board adopted a revised charter for the audit committee on June 12, 2001, a copy of which was provided to stockholders as an exhibit to the company's Proxy Statement dated October 29, 2001 filed on Schedule 14A.

The compensation committee administers our compensation plans, including stock option and restricted stock plans, and approves officers' compensation, including awards of stock options and restricted stock.

The nominating and corporate governance committee (prior to September 26, 2002, the committee was known as the "nominating committee") recommends nominees for election to the board of directors at each annual meeting and to fill existing or anticipated vacancies on the board of directors. The nominating and corporate governance committee will consider nominees recommended by stockholders. In accordance with the company's audit committee charter, the committee also recommends nominees for appointment to the company's audit committee.

The health, safety and environment committee assists the board of directors by overseeing our environmental and occupational health and safety policies and programs and monitoring related current and future environmental and occupational health and safety regulatory issues.

DIRECTOR COMPENSATION

Each of our directors who is not also an employee is paid an annual fee of \$15,000 plus travel expenses, a fee of \$1,500 per regular or special board of directors meeting, \$750 per telephonic board of directors meeting and \$750 per regular, special or telephonic committee meeting attended. Effective on the date of the annual meeting of stockholders, the annual fee of each director will be increased to \$25,000, the fee for attendance at board and committee meetings (other than telephonic meetings) will be \$1500 per meeting and the fees for attendance at telephonic board and committee meetings will be \$750 per meeting. Also effective on the date of the annual meeting of stockholders, the chairman of the audit committee will be paid a fee of \$10,000 annually in addition to the other fees paid non-employee directors.

We maintain a stock option plan for non-employee directors providing for stock options to be granted to each non-employee director. Under the current stock option plan for non-employee directors, each eligible director is granted options to purchase 5,000 shares on the date of the first meeting of the board

Edgar Filing: VERITAS DGC INC - Form DEF 14A

of directors each calendar year. If a director is initially elected or appointed to the board of directors other than at the first meeting of the calendar year, the board of directors may grant an option to such director for a number of shares not to exceed 5,000. The exercise price for each option granted is the fair market value of the underlying shares, defined as the closing sale price of a share of common stock on the day immediately before the date of grant. Each option is exercisable as follows: 25% of the options are immediately exercisable on the date of grant and an additional 25% become exercisable on each succeeding anniversary of the date of grant until all are exercisable on the third anniversary of the date of grant. All options granted to non-employee directors expire ten years after the date of grant.

-4-

In the event stockholders approve the Veritas DGC Inc. Share Incentive Plan, non-employee directors will be eligible to receive (1) nonqualified options, (2) share appreciation rights, (3) deferred share units, (4) restricted shares, and (5) performance shares. The committee appointed under that plan will determine the type of awards granted and the terms of each grant. If stockholders approve the Share Incentive Plan, no further options will be granted under the current non-employee director stock option plan. For a description of the Share Incentive Plan, see the section of this proxy statement entitled "Description of Veritas DGC Inc. Share Incentive Plan."

APPROVAL OF THE VERITAS DGC SHARE INCENTIVE PLAN

In September 2002, the board of directors approved the Veritas DGC Inc. Share Incentive Plan. We seek stockholder approval of the plan.

We currently have six different plans under which non-qualified stock options and restricted stock are granted to employees, including officers, and non-employee directors. Each of our current plans is described generally in Note 8 "Employee Benefits" to our financial statements included in our Form 10-K for the fiscal year ended July 31, 2002, which description is incorporated in this proxy statement by reference. In the event the Share Incentive Plan is approved, no further grants would be made under those existing plans, thus reducing the number of active plans from six to one. In addition, the Share Incentive Plan would allow us the future flexibility to offer employees incentives other than non-qualified options and restricted stock, such as incentive stock options, share appreciation rights, deferred share units, and performance shares. We believe that the granting of stock based awards provides employees with the incentive to exert maximum effort for the success of the Company and to participate in its success. In addition, such awards help us retain and attract high quality employees.

VOTE REQUIRED

By signing, dating and returning the accompanying proxy, you will grant your proxy to vote your shares as you direct. Unless you specify otherwise, your shares will be voted FOR the approval of the Share Incentive Plan if you sign, date and return your proxy. The affirmative vote of a majority of the votes cast will be required to approve the Share Incentive Plan. Abstentions and broker non-votes will not be counted as a vote for or against the approval of the plan, and will not affect the outcome of the vote. Cumulative voting is not allowed.

The board of directors recommends a vote FOR the approval of the Share Incentive Plan.

Edgar Filing: VERITAS DGC INC - Form DEF 14A

DESCRIPTION OF THE VERITAS DGC INC. SHARE INCENTIVE PLAN

The following summary of the Share Incentive Plan, which was adopted by our board of directors subject to the approval of our stockholders, is qualified by reference to the full text of the plan, which is attached to this proxy statement as Annex A.

GENERAL PROVISIONS

The plan provides that the following types of awards may be granted under the plan or in any combination: (1) nonqualified options to purchase our common stock, \$.01 par value per share, ("Veritas DGC Shares"), (2) incentive stock options to purchase Veritas DGC Shares, (3) Veritas DGC Share appreciation rights ("SARs"), (4) deferred Veritas DGC Share units, (5) restricted Veritas DGC Shares and (6) performance shares to persons (including officers, directors, employees, consultants and advisors) who have substantial responsibility for the management and growth of Veritas DGC or any of its affiliates as determined by the committee (described below) that administers the plan.

-5-

Administration. A committee of at least two persons who are members of and appointed by the compensation committee of our board of directors or to the extent it chooses to operate as the committee, the compensation committee of our board of directors will administer the plan. The committee will designate the persons to be granted awards and the type and amount of awards to be granted and will have authority to interpret the plan, adopt, alter and repeal administrative regulations, accelerate the time at which awards may be exercised or will vest, and determine and amend the terms of the awards.

Plan Term. The plan is effective as of the date our stockholders approve it. No award will be granted under the plan after July 31, 2012.

Eligibility. The committee may make awards under the plan to persons, including our officers, directors, employees, consultants and advisors who have substantial responsibility for the management and growth of Veritas DGC or any of its affiliates. The plan provides that options intended to qualify as incentive stock options may only be granted to key employees of Veritas DGC or its parent or subsidiary corporations. The committee, in its sole discretion, will select the persons eligible to participate in the plan. The approximate number of individuals who are eligible to participate in the plan is 300.

Limitations on Awards. Subject to certain adjustment provisions in the plan, the committee may grant as awards an aggregate maximum of the sum of the following numbers of Veritas DGC Shares to eligible persons during the plan term: (i) 1,200,000 (no more than 300,000 of which may be granted in a form other than options), (ii) the number of shares available for issuance under the Veritas DGC Inc. Restricted Stock Agreements, Veritas DGC Inc. Restricted Stock Plan, Veritas DGC Inc. 2001 Key Employee Restricted Stock Plan, Veritas DGC Inc. 1992 Employee Nonqualified Stock Option Plan, Veritas DGC Inc. 1992 Non-Employee Director Stock Option Plan and Veritas DGC Inc. 2001 Key Employee Nonqualified Stock Option Plan (collectively, "Existing Stock Plans") which are not the subject of an option or restricted stock award granted under one of the Existing Stock Plans as of the date our stockholders approve the Share Incentive Plan; and (iii) the number of shares subject to unexercised options or unvested restricted stock awards granted under the Existing Stock Plans prior to the date the Share Incentive Plan is approved by our stockholders that expire or are canceled, terminated or forfeited after the date our stockholders approve the Share Incentive Plan. Of those dedicated Veritas DGC Shares, the maximum number

Edgar Filing: VERITAS DGC INC - Form DEF 14A

of shares with respect to which options characterized by the Company as incentive stock options may be granted under the Share Incentive Plan is 2,000,000; the maximum number with respect to which options and SARs may be granted to any person under the Share Incentive Plan during any three consecutive calendar years is 500,000; and the maximum number with respect to which performance shares may be granted to any person under the Share Incentive Plan during any three consecutive calendar years cannot exceed 250,000. Should an outstanding award granted under the Share Incentive Plan expire, terminate, be settled in cash in lieu of Veritas DGC Shares or be surrendered for any reason, the shares allocated to any unexercised portion of that award may again be subject to award under the Share Incentive Plan.

If the exercise price of an option is paid in Veritas DGC Shares or if Veritas DGC Shares are withheld from payment of an award to satisfy tax obligations with respect to the award, such Veritas DGC Shares also will not count against any of the above limits.

Award Transferability. Except as specified in the applicable award agreement or in a domestic relations court order, an award may not be transferred other than by will or under the laws of descent and distribution. In the discretion of the committee, any attempt to transfer an award other than under the terms of the plan and the applicable agreement may terminate that award. During the recipient's lifetime, only the recipient may exercise any award under the plan.

-6-

AWARDS

The plan authorizes the committee to grant options, share appreciation rights, deferred share units, restricted shares and performance shares. A description of each type of award follows:

Options

General. The plan provides that the committee is authorized to grant incentive and nonqualified options to purchase Veritas DGC Shares subject to such terms and conditions as the committee may determine in its sole discretion.

Option Price. The price for which Veritas DGC Shares may be purchased shall not be less than the fair market value of the Veritas DGC Shares on the date the option is granted; provided, however, that the price for which Veritas DGC Shares may be purchased shall not be less than 110 percent of the fair market value of the Veritas DGC Shares on the date an option characterized as an incentive stock option is granted if such option is granted to a person who, at the time of the grant, owns (or is deemed to own under section 424(d) of the Code) shares of outstanding stock possessing more than 10% of the total combined voting power of all classes of stock of Veritas DGC or of Veritas DGC's parent, if any, or subsidiary corporations (a "10% Owner").

Duration of Options. Unless the option agreement specifies a shorter term, an option expires on the tenth anniversary of the date the option is granted (fifth anniversary of the date an option characterized as an incentive stock option is granted to a 10% Owner). Unless the option agreement specifies otherwise, an option shall not continue to vest after the termination of the option holder's employment or affiliation relationship with Veritas DGC and its affiliates for any reason other than death, disability or retirement. The plan gives the committee discretion to accelerate the vesting of an option on a case-by-case basis at any time.

Edgar Filing: VERITAS DGC INC - Form DEF 14A

Except as otherwise provided in an option agreement, an option granted to a person other than a non-employee director terminates on the earlier of the date of the expiration of the general term of the option or 90 days after the date of the termination of the option holder's employment or affiliation relationship with Veritas DGC and all its affiliates for any reason other than death, disability or retirement.

In the case of an option granted to a person other than a non-employee director, unless the option agreement specifies otherwise, if the employment or affiliation relationship between Veritas DGC and all affiliates and an option holder terminates due to death before the date of expiration of the general term of the option, the option will terminate on the earlier of the date of expiration of the general term of the option or the first anniversary of the option holder's death.

In the case of an option granted to a person other than a non-employee director, unless the option agreement specifies otherwise, if the employment or affiliation relationship between Veritas DGC and all affiliates and the option holder terminates due to disability before the date of the expiration of the general term of the option, the option shall terminate on the earlier of the expiration of the general term of the option or the first anniversary of the date of the termination of the employment or affiliation relationship due to disability.

Unless the option agreement specifies otherwise, if the option holder is an employee of Veritas DGC or an affiliate and the employee retires, the option shall terminate on the earlier of the expiration of the general term of the option or three years (one day less than three months in the case of an option characterized as an incentive stock option) after the date of the option holder's retirement.

Unless the option agreement specifies otherwise, an option granted to a non-employee director

-7-

shall terminate on the earlier of the expiration of the general term of the option or three years after his cessation of services as a director of Veritas DGC.

Exercise of Options. An option may be exercised at the time, in the manner, and subject to the conditions the committee specifies in the option agreement in its sole discretion. Payment of the exercise price of an option may be made in such manner as the committee may provide, including cash, delivery of Veritas DGC Shares already held for at least six months, a broker-assisted cashless exercise. No option holder will have any rights as a stockholder with respect to Veritas DGC Shares covered by an option.

Share Appreciation Rights

The committee shall specify in a SAR award agreement the term of a SAR as well as vesting and termination provisions. Upon the exercise of a SAR, the award holder is entitled to receive, for each Veritas DGC Share with respect to which a SAR is exercised, an amount (the "appreciation") equal to the excess of the fair market value of a Veritas DGC Share on the exercise date over the grant price of the SAR which may not be less than the fair market value of a Veritas DGC Share on the date of the grant of the SAR and in no event less than par value of one share. The committee, in its sole discretion and subject to

Edgar Filing: VERITAS DGC INC - Form DEF 14A

applicable law, determines the form in which to pay the appreciation -- solely in cash, solely in Veritas DGC Shares (valued at fair market value on the date of the exercise of the SAR) or partly in cash and partly in Veritas DGC Shares. Only the actual number of Veritas DGC Shares delivered pursuant to the exercise of SARs will be charged against the aggregate maximum number of Veritas DGC Shares available for awards under the plan. However, the number of Veritas DGC Shares subject to the SAR shall be reduced by the number of underlying Veritas DGC Shares as to which the exercise related unless the SAR Agreement provides otherwise. The plan gives the committee discretion to accelerate the vesting of an SAR on a case-by-case basis at any time.

Deferred Share Units

The committee is authorized to award deferred Veritas DGC Share units subject to such terms and conditions as the committee may determine in its sole discretion. The committee shall maintain a bookkeeping ledger account that reflects the number of deferred share units credited under the plan for the benefit of a holder. Deferred Veritas DGC Share units shall be similar to restricted Veritas DGC Shares (described below) except that no Veritas DGC Shares are actually transferred to the recipient until a later date specified in the recipient's award agreement. Each deferred share unit shall have a value equal to the fair market value of a Veritas DGC Share on the date the Veritas DGC Share is actually transferred to the recipient. The plan gives the committee discretion to credit the holder's bookkeeping account with dividend units with respect to dividends declared on Veritas DGC Shares, subject to the same vesting and payout restrictions as applicable to the holder's deferred Veritas DGC Share units, and to accelerate the vesting of deferred Veritas DGC Share units on a case by case basis at any time.

Restricted Veritas DGC Shares

The committee is authorized to award restricted Veritas DGC Shares subject to such terms and conditions as the committee may determine in its sole discretion. The committee has authority to determine the number of restricted Veritas DGC Shares to be awarded, the price, if any, to be paid by the recipient of the restricted Veritas DGC Shares, the date or dates on which the restricted Veritas DGC Shares will vest, and the transferability restrictions on a holder's rights with respect to restricted shares. The plan gives the committee discretion to accelerate the vesting of restricted Veritas DGC Shares on a case-by-case basis at any time.

Subject to the terms and conditions of the plan, holders of restricted shares shall have all the rights of a stockholder including, without limitation, the right to vote such shares if holders of unrestricted Veritas DGC Shares of the same class have the right to vote during any period in which such shares are

-8-

subject to forfeiture and restrictions on transfer. Dividends paid with respect to restricted shares in Veritas DGC Shares or rights to acquire Veritas DGC Shares will be added to and become a part of the restricted shares; dividends paid in other property or in cash will be paid to the holder currently.

Performance Shares

The committee is authorized to award performance shares, which are subject to the attainment of one or more performance goals, to eligible persons selected by it.

Edgar Filing: VERITAS DGC INC - Form DEF 14A

A performance share consists of a grant of Veritas DGC Shares upon or subject to the attainment of one or more objective performance goals. A performance share will be paid, vested or otherwise deliverable solely upon the attainment of one or more pre-established, objective performance goals established by the committee. The committee must establish objective goals within the first 90 days of the performance period or within the first 25% of the performance period, whichever is earlier, and in any event, while the outcome is substantially uncertain. A performance goal is objective if a third party having knowledge of the relevant facts could determine whether the goal has been met. A performance goal may be based upon one or more business criteria that apply to the individual, one or more of business units of Veritas DGC or Veritas DGC as a whole, and may include any of the following: earnings per share; earnings per share growth; total stockholder return; economic value added; cash return on capitalization; increased revenue; revenue ratios (per employee or per customer); net income; stock price; market share; return on equity; return on assets; return on capital; return on capital compared to cost of capital; return on capital employed; return on invested capital; stockholder value; net cash flow; operating income; earnings before interest and taxes; cash flow; cash flow from operations; cost reductions; cost ratios (per employee or per customer); proceeds from dispositions; project completion time and budget goals; net cash flow before financing activities; customer growth; and total market value. Goals may also be based on performance relative to a peer group of companies. Unless otherwise provided, performance goals need not be based upon an increase or positive result and could include, for example, maintaining the status quo or limiting economic losses (measured by reference to the specific business criteria). In interpreting plan provisions applicable to performance and performance share awards, it is intended that the plan will conform with the standards of section 162(m) of the Code and Treasury Regulations Section 1.162-27(e)(2)(i), and the committee in establishing such goals and interpreting the plan shall be guided by such provisions. Prior to the payment of any compensation based on the achievement of performance goals, the committee must certify in writing that applicable performance goals and any of the material terms thereof were, in fact, satisfied. Subject to the foregoing provisions, the committee shall determine the terms, conditions and limitations applicable to any performance share awards made pursuant to the plan.

Subject to the terms and conditions of the plan, holders of performance shares shall not have the rights of a stockholder until such shares have been earned and distributed.

PROVISIONS RELATING TO A CHANGE OF CONTROL

As a general matter, upon the occurrence of a change of control as defined in the plan all outstanding Veritas DGC Share options, SARs, deferred Veritas DGC Share units, restricted Veritas DGC Shares and performance shares will become fully exercisable and vested.

OTHER PROVISIONS

Cancellation of Options. Without the prior approval of stockholders, the committee may not cancel any option that has an exercise price on the date of cancellation that exceeds the fair market value of the Shares that may be purchased under the option.

Tax Withholding. The plan permits employees to satisfy all or a portion of their federal, state,

Edgar Filing: VERITAS DGC INC - Form DEF 14A

local, foreign or other tax liabilities with respect to awards under the plan by delivering previously-owned shares (that have been owned by the holder for a least six months) or by having Veritas DGC withhold from the shares otherwise deliverable to such holder shares having a value not to exceed the required employer's minimum statutory withholding tax obligations.

Adjustments. In the event of specified changes in Veritas DGC's capital structure, the committee will have the power to adjust the number and kind of shares authorized by the plan (including any limitations on individual awards), and the number, option price and kinds of shares covered by outstanding awards.

Amendments. The committee may amend or terminate the plan at any time in its sole discretion, provided that no amendment may change the aggregate number of Veritas DGC Shares that may be issued or the class of employees eligible to receive incentive stock options under the plan without prior stockholder approval.

Persons Residing Outside of the United States. Notwithstanding any provision of the plan to the contrary, the committee, in its sole discretion, may take the action necessary to ensure that the plan complies with the laws of other countries in which Veritas DGC or its affiliates operate or have employees. Such action may be taken either before or after an award is made, and may include, without limitation, determining plan coverage and eligibility, amending the plan or the terms of any award, establishing subplans and modifying exercise or other procedures.

MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES

Nonqualified Stock Options. The grant of nonqualified stock options under the plan will not result in the recognition of any U.S. federal taxable income by the option holder. The option holder will recognize ordinary income on the date of exercise of the nonqualified stock option equal to the difference between (1) the fair market value on the date of exercise and (2) the exercise price. The tax basis of these Veritas DGC Shares for the purpose of a subsequent sale includes the option price paid and the ordinary income reported on exercise of the nonqualified stock option. To the extent it is subject to federal income taxation, Veritas DGC or one of the subsidiaries will be entitled to a deduction in the amount reportable as income by the option holder on the exercise of a nonqualified stock option.

Incentive Stock Options. We believe that certain options granted under the plan may qualify as "incentive stock options" within the meaning of section 422(d) of the Code. The grant of options under the plan that are characterized as incentive stock options will not result in the recognition of any U.S. federal taxable income by the option holder. To the extent that an option granted under the plan qualifies as an incentive stock option under section 422 of the Code, generally, the exercise of such option will also not result in the recognition of any U.S. federal income tax, but the difference between the exercise price and the fair market value of the Veritas DGC Shares at the time of exercise is an item of tax preference which may require payment of an alternative minimum tax. On the sale of the Veritas DGC Shares acquired through exercise of an option granted under the plan that qualifies as an incentive stock option under section 422(d) of the Code (assuming such sale does not occur within two years of the date of grant of the option or within one year from the date of exercise), any gain (or loss) will be taxed as long term capital gain (or loss) and Veritas DGC will not be entitled to any deduction in connection with the sale (or the grant or exercise of the option). However, if a holder sells the Veritas DGC Shares acquired upon exercise of such an option before the later of (i) two years from the date of grant and (ii) one year from the date of exercise, the holder will be treated as having received, at the time of sale, compensation taxable as ordinary income, and Veritas DGC will be entitled to a corresponding deduction, subject to the compensation deduction limitation

Edgar Filing: VERITAS DGC INC - Form DEF 14A

(described below). The amount treated as compensation income in the excess of the fair market value of the Veritas DGC Shares at the time of exercise over the exercise price, and any amount realized in excess of the fair market value of the Veritas DGC Shares at the time of exercise would be treated as long or short term capital gain, depending on how long such shares were held.

-10-

Share Appreciation Rights. The grant of SARs under the plan will not result in the recognition of any taxable income by the recipient. The recipient will recognize ordinary income in the year of exercise in an amount equal to the amount of appreciation paid to him upon the exercise of a SAR. Upon the exercise of a SAR, Veritas DGC or one of its subsidiaries will be entitled to a deduction in the amount equal to the income recognized by the recipient.

Restricted Veritas DGC Shares. A recipient of restricted Veritas DGC Shares under the plan will not recognize taxable income at the time of grant, and neither Veritas DGC nor any of its subsidiaries will be entitled to a deduction at that time, assuming that the restrictions constitute a substantial risk of forfeiture for federal income tax purposes. Upon the expiration of the forfeiture restrictions, the recipient will recognize ordinary income in an amount equal to the excess of the fair market value of the shares at such time over the amount, if any, paid for such shares. Veritas DGC or one of its subsidiaries will be entitled to a corresponding deduction. Dividends paid during the period that the forfeiture restrictions apply will also be treated as compensation income to the recipient and deductible as such by Veritas DGC or one of its subsidiaries.

However, a recipient of restricted Veritas DGC Shares may elect, pursuant to the terms of the grant agreement, to be taxed at the time of grant of the restricted Veritas DGC Shares based on the fair market value of the shares on the date of the grant. If this election is made, (1) Veritas DGC or one of its subsidiaries will be entitled to a deduction at the time of grant of the restricted Veritas DGC Shares based on the fair market value of the shares on the date of the grant, (2) dividends paid during the period the forfeiture restrictions apply will be taxable as dividends and will not be deductible by Veritas DGC or any of its subsidiaries, and (3) there will be no further federal income tax consequences when the forfeiture restrictions lapse.

Deferred Share Units. The grant of deferred Veritas DGC Share units under the plan will not result in the recognition of any taxable income by the recipient. At the time deferred Veritas DGC Share units are settled in Veritas DGC Shares, the recipient will recognize ordinary income, and the Company or one of its subsidiaries will be entitled to a corresponding deduction. Generally, the measure of the income and deduction will be the fair market value of the Veritas DGC Shares at the time the deferred Veritas DGC Shares are settled.

Performance Shares. The recipient of performance shares will recognize ordinary income and Veritas DGC or one of its subsidiaries will be entitled to a corresponding deduction when the shares are earned and distributed.

Compensation Deduction Limitation. Under section 162(m) of the Code, Veritas DGC's federal income tax deductions for certain compensation paid to designated executives is limited to \$1 million per year. These executives include Veritas DGC's Chief Executive Officer and Veritas DGC's next four highest compensated officers. Section 162(m) of the Code provides an exception to this deduction for certain "performance based" compensation approved by a committee consisting solely of at least two "outside directors". Veritas DGC believes that options to purchase Veritas DGC Shares, SARs and performance

Edgar Filing: VERITAS DGC INC - Form DEF 14A

shares granted under the plan should qualify as performance based compensation for purposes of section 162(m) of the Code.

CURRENT EQUITY COMPENSATION PLANS

Currently we have six equity compensation plans in effect -- three non-qualified stock option plans and three restricted stock plans.

-11-

Since our fiscal year ended July 31, 1999, we have granted our key employees and non-employee directors non-qualified stock options or restricted stock once each fiscal year in March. However, we did not make grants to key employees in the fiscal year ended July 31, 2002 and instead made them in August 2002. For that reason, we have presented the following tables containing information for our fiscal year ended July 31, 2002, before we granted these options and restricted shares in August, and as of September 30, 2002, after the grants. Both of the following tables present data related to all of our equity-based compensation plans for both non-employee directors and key employees -- the first as of July 31, 2002 and the second as of September 30, 2002 -- and provide information related to potential ownership dilution as of those dates:

Both plans have been amended since 1997 without stockholder approval, including amendments to the 1992 employee non-qualified stock option plan that added an additional 1,754,550 shares authorized for issuance under the plan.
- (2) Restricted stock vests upon completion of specified years of service. No payment is required from the recipient.

Edgar Filing: VERITAS DGC INC - Form DEF 14A

of annual base salary as follows: Mr. Robson -- three years; Messrs. Ludlow, Wells, Tripodo and Fitzgerald -- two years; and Messrs. VandenBrand and Worden -- one year. Payment of these amounts will be made over the specified period unless we exercise our option to pay them in a lump sum. Within thirty days after a change in control of Veritas DGC, each executive officer is entitled to a lump sum payment under his employment agreement calculated by multiplying the following number times the sum of his annual base salary and his annual bonus: Messrs. COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Edgar Filing: VERITAS DGC INC - Form DEF 14A

None of the three voting members of the compensation committee -- Messrs. Gibbs, Gilbert, and MacNeill -- is or has been at any time an executive officer or employee of Veritas DGC or any of its subsidiaries nor has any of them had any relationship with Veritas DGC that would otherwise require disclosure.

Mr. Robson, chairman and chief executive officer of Veritas DGC, was an ex officio non-voting member of the compensation committee until he resigned from the committee on September 25, 2002. Prior to his resignation, he was invited to and attended meetings of the compensation committee from time to time. At no time was he allowed to vote on any item that came before the committee, nor was he allowed to be present during the committee's discussions of his compensation.

COMPENSATION COMMITTEE REPORT

The compensation committee of the board of directors has furnished the following report on executive compensation for fiscal year 2002:

We seek to relate a significant portion of potential total executive compensation to Veritas DGC's financial performance. Our executive compensation consists of three elements: base compensation, bonus and stock-based benefits.

-16-

We intend the base compensation for executive officers to afford a reasonable degree of financial security and flexibility to those individuals whom we regard as acceptably discharging the levels and types of responsibility implicit in the various executive positions. In setting base compensation we initially consider the compensation plans of executives in other companies, including companies in the oil services industry. We target base compensation at levels consistent with median levels for public companies of our relative size. We generally do not consider the compensation plans of executives in other seismic companies, because some of our principal competitors are subsidiaries of larger, more diversified oilfield service concerns, and compensation data was not publicly available for the comparable executive positions in those subsidiaries. Moreover, the few publicly held seismic operators have such disparate operating and financial characteristics and were of such dissimilar sizes, that the compensation committee has found little basis for reliable comparison. In setting the salaries of the executive officers, we also consider the executive's salary history, level of responsibility, breadth of knowledge, past performance, credentials and experience with Veritas DGC, as well as his perceived future utility to Veritas DGC.

We last increased the base pay for certain executive officers, including Messrs Robson, Wells and Tripodo, effective in March 2001. At that time, the compensation committee set the base salary for Mr. David B. Robson, Chairman and Chief Executive Officer, at \$415,000 per year. This salary was established by comparing the compensation of chief executive officers in a group of comparative companies. Mr. Robson's base salary remained at \$415,000 for the fiscal year ended July 31, 2002.

We require a minimum level of company financial performance before the executive officers earn any annual bonuses, and we award bonuses for achieving higher levels of performance directly tied to the level achieved. In fiscal 1998, we recommended and the board of directors adopted an incentive compensation program pursuant to which some 300 managerial personnel (including the named executive officers) became eligible to earn bonuses based upon two criteria: (1) Veritas DGC's actual results of operations as a percentage of

Edgar Filing: VERITAS DGC INC - Form DEF 14A

those results anticipated in the annual budget approved by the board of directors at the beginning of the fiscal year; and (2) the attainment of individual performance goals assigned at the beginning of the year. Based on their achievement of performance objectives in fiscal year 2002, we awarded the following bonuses to the named executive officers (these bonuses were paid in September 2002): Mr. Robson -- \$298,369; Mr. Ludlow -- \$90,100; Mr. Wells -- \$88,400; Mr. Tripodo -- \$95,040; and Mr. Fitzgerald -- \$76,500.

We believe periodic grants of stock options to executive officers helps to align the executive's economic interests with those of stockholders and to provide a direct and continuing focus on the goal of increasing stockholder value. We will consider such grants every year. The options that would normally have been granted in March 2002 to key employees, including the executive officers, were not granted until August 2002. On August 6, 2002, options were granted to the following executive officers to purchase the specified number of shares for \$10.96 per share, the fair market value at the time of the grant: Mr. Robson -- 94,662; Mr. Ludlow -- 36,268; Mr. Wells -- 35,584; Mr. Tripodo -- 32,847; and Mr. Fitzgerald -- 30,794. Each option granted expires five years from the date of grant. Each grant is exercisable as follows: 25% of the options were immediately exercisable on August 6, 2002 and an additional 25% become exercisable on August 6 of each succeeding year until all are exercisable on August 6, 2005.

Section 162(m) of the Internal Revenue Code of 1986, as amended, currently imposes a \$1 million limitation on the deductibility of certain compensation paid to the chief executive officer and four highest paid executives. Certain performance-based compensation and certain other compensation that has been approved by stockholders are not subject to the deduction limit. The deductibility of compensation paid to Veritas DGC's officers has not, to date, been limited by the application of Section 162(m). The compensation committee has and will continue to take into account the potential application of Section 162(m) on incentive compensation awards and other compensation decisions.

-17-

The compensation committee believes that the compensation program for the executives of the company is comparable with the compensation programs provided by comparable companies and serves the best interests of stockholders of Veritas DGC. The committee also believes that annual performance pay is appropriately linked to individual performance, annual financial performance of Veritas DGC and stockholder value.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

COMMON STOCK PERFORMANCE GRAPH

The following graph illustrates the performance of our shares compared with the cumulative total return on (i) Standard & Poor's 500 Stock Index and (ii) an index of peer companies we selected for the period beginning July 31, 1997 and ending July 31, 2002. The graph assumes that the value of the investment in our shares and each index was \$100 at July 31, 1997. In all cases the cumulative total return assumes, as contemplated by the Securities and Exchange Commission rules, that any cash dividends on the common stock of each entity included in the data presented below were reinvested in that security.

The index of peer companies for fiscal year 2002 consists of Dawson Geophysical Company, Petroleum Geo-Services, Inc., Schlumberger Limited, and Seitel, Inc. Until 1999, Western Atlas was

included in the index of peer companies. Once Western Atlas became a wholly owned subsidiary of Baker Hughes Incorporated, the index included Baker Hughes for years 1999 and 2000. After fiscal year 2001, Baker Hughes has been removed from the index of peer companies since its seismic operations were merged with Schlumberger Limited's seismic operations to form WesternGeco, which is already included in the peer group as a part of Schlumberger.

The term "subsidiary corporation" means any corporation (other than the Company) in an unbroken chain of corporations beginning with the Company if, at the time of the action or transaction, each of the corporations other than the last corporation in the unbroken chain owns shares possessing 50 percent or more of the total combined voting power of all classes of shares in one of the other corporations in the chain.

Edgar Filing: VERITAS DGC INC - Form DEF 14A

securities entitled to vote generally in the election of directors to the Board; provided, however, that for purposes of this subsection (a), the following acquisitions shall not constitute a Change in Control: (i) any acquisition by the Company or its Affiliates, (ii) any acquisition by an employee benefit plan (or related trust) sponsored or maintained by the Company or its Affiliates, or (iii) any acquisition consummated with the prior approval of the Board; or

II-1

(c) The Company becomes a party to a consummated merger, plan of reorganization, consolidation or share exchange in which either (i) the Company is not the surviving corporation or (ii) the Company is the surviving corporation and any outstanding Shares are converted into shares of any other company (other than a re-incorporation or the establishment of a holding company involving no change of ownership of the Company) or other securities, cash or other property (excluding payments made solely for fractional shares); or

(f) Any other event that a majority of the Board, in its sole discretion, shall determine constitutes a Change in Control.

Notwithstanding the occurrence of any of the foregoing events of this Section 2.5 which would otherwise result in a Change in Control, the Board may determine in its complete discretion, if it deems to be in the best interest of the Company, that an event or events otherwise constituting a Change in Control shall not be considered a Change in Control. Such determination shall be effective only if it is made by the Board prior to the occurrence of an event

Edgar Filing: VERITAS DGC INC - Form DEF 14A

Edgar Filing: VERITAS DGC INC - Form DEF 14A

or any of its Affiliates as the Committee shall determine from time to time. A consultant or advisor may be selected only if such person's participation in the Plan would not adversely affect (i) the Company's eligibility to use Form S-8 to register under the Securities Act of 1933, as amended, the offering of shares issuable under the Plan by the Company; or (ii) the Company's compliance with any other applicable laws.

III-1

ARTICLE IV

GENERAL PROVISIONS RELATING TO AWARDS

4.1 AUTHORITY TO GRANT AWARDS. The Committee may grant Awards to those Employees of the Company or any of its Affiliates and other eligible persons as it shall from time to time determine, under the terms and conditions of the Plan. Subject only to any applicable limitations set out in the Plan, the number of Shares to be covered by any Award to be granted to any person shall be as determined by the Committee.

4.2 DEDICATED SHARES; MAXIMUM AWARDS. The maximum number of Shares with respect to which Incentive Stock Options may be granted under the Plan is 2,000,000 Shares. The maximum number of Shares with respect to which Options and Share Appreciation Rights may be granted to any person under the Plan during any three consecutive calendar years is 500,000, and the number of Performance Shares that may be issued to an individual during any three consecutive calendar years cannot exceed 250,000. Each of the foregoing numerical limits stated in this Section 4.2 shall be subject to adjustment in accordance with the provisions of Section 4.5. The number of Shares stated in this Section 4.2 shall also be increased by such number of Shares as become subject to substitute Awards granted pursuant to Article IX; provided, however, that such increase shall be conditioned upon the approval of the shareholders of the Company. If any outstanding Award expires or terminates for any reason, is settled in cash in lieu of Shares or any Award is surrendered, the Shares allocable to the unexercised portion of that Award may again be subject to an Award granted under the Plan. If the exercise price of an Option is paid in Shares or Shares are withheld from payment of an Award to satisfy tax obligations with respect to the Award, such Shares will not count against the aggregate number of Shares with respect to which Awards may be granted under the Plan. If a Share Appreciation Right is exercised, only the number of Shares actually issued shall be charged against the maximum number of Shares that may be delivered pursuant to Awards under this Plan.

4.3 NON-TRANSFERABILITY. Except as specified in the applicable Award Agreements or in domestic relations court orders, Awards shall not be transferable by the Holder other than by will or under the laws of descent and distribution, and shall be exercisable, during the Holder's lifetime, only by him or her. In the discretion of the Committee, any attempt to transfer an Award other than under the terms of the Plan and the applicable Award Agreement may

terminate the Award.

IV-1

4.4 REQUIREMENTS OF LAW. The Company shall not be required to sell or issue any Shares under any Award if issuing those Shares would constitute or result in a violation by the Holder or the Company of any provision of any law, statute or regulation of any governmental authority. Specifically, in connection with any applicable statute or regulation relating to the registration of securities, upon exercise of any Option or pursuant to any other Award, the Company shall not be required to issue any Shares unless the Committee has received evidence satisfactory to it to the effect that the Holder of that Award will not transfer the Shares except in accordance with applicable law, including receipt of an opinion of counsel satisfactory to the Company to the effect that any proposed transfer complies with applicable law. The determination by the Committee on this matter shall be final, binding and conclusive. The Company may, but shall in no event be obligated to, register any Shares covered by the Plan pursuant to applicable securities laws of any country or any political subdivision. In the event the Shares issuable on exercise of an Option or pursuant to any other Award are not registered, the Company may imprint on the certificate evidencing the Shares any legend that counsel for the Company considers necessary or advisable to comply with applicable law or, should the Shares be represented by book or electronic entry rather than a certificate, the Company may take such steps to restrict transfer of the Shares as counsel for the Company considers necessary or advisable to comply with applicable law. The Company shall not be obligated to take any other affirmative action in order to cause the exercise of an Option or Share Appreciation Right or vesting under an Award, or the issuance of Shares pursuant thereto, to comply with any law or regulation of any governmental authority.

4.5 CHANGES IN THE COMPANY'S CAPITAL STRUCTURE.

(a) The existence of outstanding Awards shall not affect in any way the right or power of the Company or its shareholders to make or authorize any or all adjustments, recapitalizations, reorganizations or other changes in the Company's capital structure or its business, any merger or consolidation of the Company, any issue of bonds, debentures, preferred or prior preference shares ahead of or affecting the Shares or Share rights, the dissolution or liquidation of the Company, any sale or transfer of all or any part of its assets or business or any other corporate act or proceeding, whether of a similar character or otherwise.

(b) If the Company shall effect a subdivision or consolidation of Shares or other capital readjustment, the payment of a Share dividend, or other increase or reduction of the number of Shares outstanding, without receiving compensation for money, services or property, then (i) the number, class or series and per Share price of Shares subject to outstanding Options or Share Appreciation Rights under the Plan shall be appropriately adjusted in such a manner as to entitle a Holder to receive upon exercise of an Option or Share Appreciation Right, for the same aggregate cash consideration, the equivalent total number and class or series of Shares the Holder would have received had the Holder exercised his or her Option or Share Appreciation Right in full immediately prior to the event requiring the adjustment, and (ii) the number and class or series of Shares then reserved to be issued under the Plan shall be adjusted by substituting for the total number and class or series of Shares then reserved, that number and class or series

IV-2

of Shares that would have been received by the owner of an equal number of outstanding Shares of each class or series of Shares as the result of the event requiring the adjustment.

(c) If while unexercised Options or Share Appreciation Rights remain outstanding under the Plan (i) the Company shall not be the surviving entity in any merger, consolidation or other reorganization (or survives only as a subsidiary of an entity other than an entity that was wholly-owned by the Company immediately prior to such merger, consolidation or other reorganization), (ii) the Company sells, leases or exchanges or agrees to sell, lease or exchange all or substantially all of its assets to any other person or entity (other than an entity wholly-owned by the Company), (iii) the Company is to be dissolved or (iv) the Company is a party to any other corporate transaction (as defined under section 424(a) of the Code and applicable Department of Treasury Regulations) that is not described in clauses (i), (ii) or (iii) of this sentence (each such event is referred to herein as a "Corporate Change"), then, except as otherwise provided in an Option Agreement or Share Appreciation Right Agreement (provided that such exceptions shall not apply in the case of a reincorporation merger), or in Section 4.5(d), or as a result of the Committee's effectuation of one or more of the alternatives described below, there shall be no acceleration of the time at which any Option or Share Appreciation Right then outstanding may be exercised, and no later than ten days after the approval by the shareholders of the Company of such Corporate Change, the Committee, acting in its sole and absolute discretion without the consent or approval of any Holder, shall act to effect one or more of the following alternatives, which may vary among individual Holders and which may vary among Options or Share Appreciation Rights held by any individual Holder (provided that, with respect to a reincorporation merger in which holders of the Company's ordinary shares will receive one ordinary share of the successor corporation for each ordinary share of the Company, none of such alternatives shall apply and, without Committee action, each Option, Share Appreciation Right and Restricted Share shall automatically convert into an Option, Share Appreciation Right or Restricted Share of the successor corporation exercisable, in the case of an Option or Share Appreciation Right, for the same number of ordinary shares of the successor as the Option or Share Appreciation Right was exercisable for ordinary shares of the Company):

(1) accelerate the time at which some or all of the Options or Share Appreciation Rights then outstanding may be exercised so that such Options or Share Appreciation Rights may be exercised in full for a limited period of time on or before a specified date (before or after such Corporate Change) fixed by the Committee, after which specified date all such Options or Share Appreciation Rights that remain unexercised and all rights of Holders thereunder shall terminate;

(2) require the mandatory surrender to the Company by all or selected Holders of some or all of the then outstanding Options or Share Appreciation Rights held by such Holders (irrespective of whether such Options or Share Appreciation Rights are then exercisable under the provisions of the Plan

Edgar Filing: VERITAS DGC INC - Form DEF 14A

or the Option Agreements or Share Appreciation

IV-3

Right Agreements evidencing such Options or Share Appreciation Rights) as of a date, before or after such Corporate Change, specified by the Committee, in which event the Committee shall thereupon cancel such Options and Share Appreciation Rights and the Company shall pay to each such Holder an amount of cash per share equal to the excess, if any, of the per share price offered to shareholders of the Company in connection with such Corporate Change over the exercise prices under such Options or Share Appreciation Rights for such shares;

(3) with respect to all or selected Holders, have some or all of their then outstanding Options or Share Appreciation Rights (whether vested or unvested) assumed or have a new Option or Share Appreciation Right substituted for some or all of their then outstanding Options or Share Appreciation Rights (whether vested or unvested) by an entity which is a party to the transaction resulting in such Corporate Change and which is then employing such Holder or which is affiliated or associated with such Holder in the same or a substantially similar manner as the Company prior to the Corporate Change, or a parent or subsidiary of such entity, provided that (A) such assumption or substitution is on a basis where the excess of the aggregate fair market value of the Shares subject to the Option or Share Appreciation Right immediately after the assumption or substitution over the aggregate exercise price of such Shares is equal to the excess of the aggregate fair market value of all Shares subject to the Option or Share Appreciation Right immediately before such assumption or substitution over the aggregate exercise price of such Shares, and (B) the assumed rights under such existing Option or Share Appreciation Right or the substituted rights under such new Option or Share Appreciation Right as the case may be will have the same terms and conditions as the rights under the existing Option or Share Appreciation Right assumed or substituted for, as the case may be;

(4) provide that the number and class or series of Shares covered by an Option or Share Appreciation Right (whether vested or unvested) theretofore granted shall be adjusted so that such Option or Share Appreciation Right when exercised shall thereafter cover the number and class or series of Shares or other securities or property (including, without limitation, cash) to which the Holder would have been entitled pursuant to the terms of the agreement or plan relating to such Corporate Change if, immediately prior to such Corporate Change, the Holder had been the holder of record of the number of Shares then covered by such Option or Share Appreciation Right; or

(5) make such adjustments to Options and Share Appreciation Rights then outstanding as the Committee deems appropriate to reflect such Corporate Change (provided, however, that the Committee may

determine in its sole and absolute discretion that no such adjustment is necessary).

In effecting one or more of alternatives (3), (4) or (5) above, and except as otherwise may be provided in an Option Agreement or Share Appreciation Right Agreement, the Committee, in its sole and absolute discretion and without the consent or approval of any Holder, may accelerate the time at which some or all Options or Share Appreciation Rights then outstanding may be exercised.

(d) In the event of the occurrence of a Change in Control, an outstanding Option or Share Appreciation Right shall be fully exercisable immediately upon the occurrence of the Change in Control unless otherwise expressly provided in the Holder's Option Agreement or Share Appreciation Right Agreement; provided, however, that nothing in this paragraph (d) of Section 4.5 shall preclude the Committee from effecting any of alternatives (2), (3), (4) or (4) of paragraph (c) of Section 4.5. The provisions of this paragraph (d) of Section 4.5 may not be deleted or amended to adversely affect an Option or Share Appreciation Right granted under the Plan without the prior written consent of the Holder of the Option or Share Appreciation Right, unless the Holder's Option Agreement or Share Appreciation Right Agreement expressly provides otherwise.

(e) In the event of the occurrence of a Change in Control, a Holder of an outstanding Restricted Share Award, Deferred Share Unit Award or Performance Share Award shall have a fully nonforfeitable and transferable interest in his Restricted Share Award, Deferred Share Unit Award, or Performance Share Award immediately upon the occurrence of the Change in Control unless otherwise expressly provided in the Holder's Restricted Share Award, Deferred Share Unit Award or Performance Share Award. The provisions of this paragraph (e) of Section 4.5 may not be deleted or amended to adversely affect a Restricted Share Award, Deferred Share Unit Award or Performance Share Award granted under the Plan without the prior written consent of the Holder of the Award, unless the Holder's Restricted Share Award Agreement, Deferred Share Unit Award Agreement or Performance Share Agreement expressly provides otherwise.

(f) In the event of changes in the outstanding Shares by reason of recapitalizations, reorganizations, mergers, consolidations, combinations, exchanges or other relevant changes in capitalization occurring after the date of the grant of any Option or Share Appreciation Right and not otherwise provided for by this Section 4.5, any outstanding Options and Share Appreciation Rights and any agreements evidencing such Options and Share Appreciation Rights shall be subject to adjustment by the Committee in its sole and absolute discretion as to the number and price of Shares or other consideration subject to such Options and Share Appreciation Rights. In the event of any such change in the outstanding Shares, the aggregate number of Shares available under the Plan may be appropriately adjusted by the Committee, whose determination shall be conclusive.

(g) After a merger of one or more corporations into the Company or after a consolidation of the Company and one or more corporations in which the Company shall

IV-5

be the surviving corporation, each Holder shall be entitled to have his Restricted Shares appropriately adjusted based on the manner in which the Shares were adjusted under the terms of the agreement of merger or consolidation.

(h) The issuance by the Company of Shares of any class or series, or securities convertible into, or exchangeable for, Shares of any class or series, for cash or property, or for labor or services either upon direct sale or upon the exercise of rights or warrants to subscribe for them, or upon conversion or exchange of Shares or obligations of the Company convertible into, or exchangeable for, Shares or other securities, shall not affect, and no adjustment by reason of such issuance shall be made with respect to, the number, class or series, or price of Shares then subject to outstanding Options, Share Appreciation Rights, Deferred Share Unit Awards, Restricted Share Awards, or Performance Share Awards.

(i) The portion of any Incentive Stock Option accelerated in connection with a Change in Control or any other action permitted hereunder shall remain exercisable as an Incentive Stock Option only to the extent the applicable \$100,000 limitation is not exceeded. To the extent exceeded, the accelerated portion of the Option shall be exercisable as a Nonqualified Stock Option under the Code.

IV-6

ARTICLE V

OPTIONS AND SHARE APPRECIATION RIGHTS

5.1 TYPE OF OPTION. The Committee will designate each Option granted under the Plan as either an Incentive Stock Option or a Nonqualified Stock Option and such designation shall be set forth in the applicable Option Agreement. Any Option granted hereunder that is not designated as an Incentive Stock Option will be deemed to be designated a Nonqualified Stock Option under the Plan and not an incentive stock option under the Code. Incentive Stock Options shall be subject to the provisions of Section 5.7 in addition to the provisions hereof applicable to Options generally.

5.2 EXERCISE PRICE. The price at which Shares may be purchased under an Option shall not be less than 100 percent (110 percent in the case of a Holder described in Section 5.7(d) purchasing Shares under an Incentive Stock Option) of the Fair Market Value of the Shares on the date the Option is granted.

5.3 DURATION OF OPTIONS. An Option shall not be exercisable after the earlier of (i) the general term of the Option specified in Section 5.3(a), or (ii) the period of time specified herein that follows the Holder's Retirement, Disability, death or other severance of the employment or affiliation relationship between the Holder and the Company and all Affiliates. Unless the Holder's Option Agreement specifies otherwise, an Option shall not continue to vest after the severance of the employment or affiliation relationship between the Company and all Affiliates for any reason other than the death or Disability of the Holder.

(a) General Term of Option. Unless the Option Agreement

Edgar Filing: VERITAS DGC INC - Form DEF 14A

specifies a shorter general term, an Option shall expire on the tenth anniversary of the date the Option is granted (the fifth anniversary of the date the Option is granted in the case of an Incentive Stock Option granted to a Holder described in Section 5.7(d)).

Early Termination of Option Due to Severance of Employment or Affiliation Relationship (Other Than for Death, Disability or Retirement). Except as may be otherwise expressly provided in an Option Agreement, and subject to Section 12.3, an Option that has been granted to a person other than a Non-Employee Director shall terminate on the earlier of (1) the date of the expiration of the general term of the Option or (2) one day less than three months after the date of the termination of employment or affiliation relationship between the Holder and the Company and all Affiliates for any reason other than the death, Disability or Retirement of the Holder, during which period the Holder shall be entitled to exercise the Option in respect of the number of Shares that the Holder would have been entitled to purchase had the Holder exercised the Option on the date of such termination of employment or affiliation. Unless Company policy or the Committee otherwise provides, the employment or affiliation relationship shall not be considered terminated in the case of (i) sick leave, (ii) military leave, or (iii) any other leave of absence authorized by the Company or the Committee; provided that unless reemployment upon the expiration of such leave is guaranteed by contract or law, such leave is for a period of not more than 90 days. In the case of any Holder on an approved

V-1

leave of absence, continued vesting of the Award while on leave from the employ of the Company and all Affiliates may be suspended until the employee returns to service, unless the Committee otherwise provides or applicable law otherwise requires

(b) Early Termination of Option Due to Death. In the case of an Option granted to a person other than a Non-Employee Director, unless the Option Agreement specifies otherwise, and subject to Section 12.3, in the event of the severance of the employment or Affiliation relationship between the Holder and the Company and all Affiliates due to death before the date of expiration of the general term of the Option, the Holder's Option shall terminate on the earlier of the date of expiration of the general term of the Option or the first anniversary of the date of the Holder's death.

(c) Early Termination of Option Due to Disability. In the case of an Option granted to a person other than a Non-Employee Director, unless the Option Agreement specifies otherwise, and subject to Section 12.3, in the event of the severance of the employment relationship between the Holder and the Company and all Affiliates due to Disability before the date of the expiration of the general term of the Option, the Holder's Option shall terminate on the earlier of the expiration of the general term of the Option or the day before the first anniversary of the date of the termination of the employment or Affiliation relationship between the Holder and the Company and all Affiliates due to Disability.

(d) Early Termination of Option Due to Retirement. Unless the Option Agreement specifies otherwise, and subject to Section 12.3, in the event of the severance of the employment relationship between the

Edgar Filing: VERITAS DGC INC - Form DEF 14A

Holder and the Company and all Affiliates by reason of Retirement before the expiration of the general term of the Option, the Holder's Option shall terminate on the earlier of the expiration of the general term of the Option or three years (one day less than three months in the case of an Incentive Stock Option) after the date of the termination of the employment relationship between the Holder and the Company and all Affiliates due to Retirement.

(e) Early Termination of Option Granted to Non-Employee Director. Except as may be otherwise expressly provided in an Option Agreement, and subject to Section 12.3, an Option that has been granted to a Non-Employee Director shall terminate on the earlier of (1) the date of the expiration of the general term of the Option or (2) the date that is three years after the Non-Employee Director is no longer a director of the Company for any reason.

After the death of the Holder, the Holder's executors, administrators or any person or persons to whom the Holder's Option may be transferred by will or by the laws of descent and distribution, shall have the right, at any time prior to the termination of the Option to exercise the Option, in respect to the number of all of the remaining unexercised and unexpired Shares subject to the Option.

5.4 AMOUNT EXERCISABLE. Each Option may be exercised at the time, in the manner and subject to the conditions the Committee specifies in the Option Agreement in its sole discretion. If a Holder incurs a severance of the employment or affiliation relationship with the

V-2

Company and all Affiliates due to death or Disability, the Holder's Option will be immediately exercisable in full on the date of the severance of the employment or affiliation relationship.

5.5 EXERCISE OF OPTIONS. Subject to the provisions contained in the Plan and in a Holder's Option Agreement, Options may be exercised in whole or in part from time to time by request to the Company. Except in the case of exercise by a third party broker as provided below, payment of the exercise price and any applicable tax withholding amounts must be made at the time of exercise by any combination of the following: (a) cash, certified check, bank draft or postal or express money order for an amount equal to the exercise price under the Option, (b) Mature Shares with a Fair Market Value on the date of exercise equal to the exercise price under the Option, (c) an election to make a cashless exercise through a registered broker-dealer (if approved in advance by the Committee or an executive officer of the Company) or (d) except as specified below, any other form of payment which is acceptable to the Committee. If Mature Shares are used for payment by the Holder, the aggregate Fair Market Value of the Shares tendered must be equal to or less than the aggregate exercise price of the Shares being purchased upon exercise of the Option, and any difference must be paid by cash, certified check, bank draft or postal or express money order payable to the order of the Company.

The Committee may permit a Holder to elect to pay the exercise price by authorizing a third-party broker to sell all or a portion of the Shares acquired upon exercise of the Option and remit to the Company a sufficient portion of the sale proceeds to pay the exercise price and any applicable tax withholding resulting from such exercise.

The Committee shall not permit a Holder to pay such Holder's exercise

Edgar Filing: VERITAS DGC INC - Form DEF 14A

price upon the exercise of an Option by having the Company reduce the number of Shares that will be delivered pursuant to the exercise of the Option. In addition, the Committee shall not permit a Holder to pay such Holder's exercise price upon the exercise of an Option by using Shares other than Mature Shares.

An Option may not be exercised for a fraction of a Share.

5.6 SUBSTITUTION OPTIONS. Options may be granted under the Plan from time to time in substitution for options held by employees of other corporations who are about to become employees of or affiliated with the Company or any Affiliate as the result of a merger or consolidation of the employing corporation with the Company or any Affiliate, or the acquisition by the Company or any Affiliate of the assets of the employing corporation, or the acquisition by the Company or any Affiliate of shares of the employing corporation as the result of which it becomes an Affiliate of the Company. The terms and conditions of the substitute Options granted may vary from the terms and conditions set out in the Plan to the extent the Committee, at the time of grant, may deem appropriate to conform, in whole or in part, to the provisions of the options in substitution for which they are granted.

5.7 LIMITATIONS ON GRANT AND TERMS OF INCENTIVE STOCK OPTIONS.

(a) \$100,000 Limit. To the extent that the aggregate "Fair Market Value" of stock with respect to which incentive stock options first become exercisable by a Holder

V-3

in any calendar year exceeds \$100,000, taking into account both Shares subject to Incentive Stock Options under the Plan and stock subject to incentive stock options under all other plans of the Company or any Affiliate, such options shall be treated as Nonqualified Stock Options. For this purpose, the "Fair Market Value" of the stock subject to options shall be determined as of the date the options were awarded. In reducing the number of options treated as incentive stock options to meet the \$100,000 limit, the most recently granted options shall be reduced first. To the extent a reduction of simultaneously granted options is necessary to meet the \$100,000 limit, the Committee may, in the manner and to the extent permitted by law, designate which Shares are to be treated as shares acquired pursuant to the exercise of an Incentive Stock Option.

(b) Option Period. Each Option and all rights thereunder shall expire no later than 10 years after the Option is granted.

(c) Other Code Limits. Incentive Stock Options may only be granted to key Employees of the Company or its Affiliates. There shall be imposed in any Option Agreement relating to Incentive Stock Options such other terms and conditions as from time to time are required in order that the Option be an "incentive stock option" as that term is defined in Section 422 of the Code.

(d) Limits on 10% Holders. No Incentive Stock Option may be granted to any person who, at the time the Option is granted, owns (or is deemed to own under Section 424(d) of the Code) shares of outstanding Shares possessing more than 10% of the total combined voting power of all classes of stock of the Company or of any Affiliate, unless the exercise price of such Option is at least 110% of the Fair Market Value of the stock subject to the Option and such

Edgar Filing: VERITAS DGC INC - Form DEF 14A

Option by its terms is not exercisable after the expiration of five years from the date such Option is granted.

5.8 SHARE APPRECIATION RIGHTS. The Committee may grant Share Appreciation Rights under the Plan. Each Share Appreciation Right shall be evidenced by a Share Appreciation Right Agreement which shall specify the term of the Share Appreciation Right as well as vesting and termination provisions. Subject to the terms of the Plan, a Share Appreciation Right granted under the Plan shall confer on the Holder a right to receive, upon exercise thereof, payment of an amount equal to the excess of (a) the Fair Market Value of one Share on the date of exercise over the (b) the grant price of the right, which shall not be less than the Fair Market Value of one Share on the date of grant of the Share Appreciation Right and in no event less than par value of one Share. The Committee may impose such conditions or restrictions on the exercise of any Share Appreciation Right as it may deem appropriate.

The Committee, in its sole discretion, shall determine the form in which payment shall be made of the amount determined under preceding paragraph, either solely in cash, solely in Shares (valued at Fair Market Value on the date of exercise of the Share Appreciation Right), or partly in Shares and partly in cash, provided that the Committee shall have determined that such exercise and payment are consistent with applicable law. To the extent that a Share Appreciation Right is exercised, only the actual number of delivered Shares shall be charged against the maximum amount of Shares that may be delivered pursuant to Awards under this Plan. The

V-4

number of shares subject to the Share Appreciation Right shall, however, be reduced by the number of underlying shares as to which the exercise related, unless the Share Appreciation Right Agreement otherwise provides.

5.9 NO RIGHTS AS SHAREHOLDER. A Holder of an Option or Share Appreciation Right, as such, shall have no rights as a shareholder.

V-5

ARTICLE VI

RESTRICTED SHARE AWARDS

6.1 RESTRICTED SHARE AWARDS. The Committee may make Awards of Restricted Shares to eligible persons selected by it. The amount of, the vesting and the transferability restrictions applicable to any Restricted Share Award shall be determined by the Committee in its sole discretion. If the Committee imposes vesting or transferability restrictions on a Holder's rights with respect to Restricted Shares, the Committee may issue such instructions to the Company's share transfer agent in connection therewith as it deems appropriate. The Committee may also cause the certificate for Shares issued pursuant to a Restricted Share Award to be imprinted with any legend which counsel for the Company considers advisable with respect to the restrictions or, should the Shares be represented by book or electronic entry rather than a certificate, the Company may take such steps to restrict transfer of the Shares as counsel for the Company considers necessary or advisable to comply with applicable law.

Each Restricted Share Award shall be evidenced by a Restricted Share

Edgar Filing: VERITAS DGC INC - Form DEF 14A

Award Agreement that contains any vesting, transferability restrictions and other provisions not inconsistent with the Plan as the Committee may specify.

6.2 HOLDER'S RIGHTS AS SHAREHOLDER. Subject to the terms and conditions of the Plan, each Holder of Restricted Shares shall have all the rights of a shareholder with respect to the Shares included in the Award during any period in which such Shares are subject to forfeiture and restrictions on transfer, including without limitation, the right to vote such Shares, if unrestricted Shares of the same class have the right to vote. Dividends paid with respect to Restricted Shares in cash or property other than Shares or rights to acquire Shares shall be paid to the Holder currently. Dividends paid in Shares or rights to acquire Shares shall be added to and become a part of the Restricted Shares.

VI-1

ARTICLE VII

PERFORMANCE SHARE AWARDS

7.1 PERFORMANCE SHARE AWARDS. The Committee may make Awards of Performance Shares to eligible persons selected by it. The amount of, the vesting and the transferability restrictions applicable to any Performance Share Award shall be based upon the attainment of such Performance Goals as the Committee may determine. A Performance Goal for a particular Performance Share Award must be established by the Committee prior to the earlier to occur of (x) 90 days after the commencement of the period of service to which the Performance Goal relates or (y) the lapse of 25 percent of the period of service, and in any event while the outcome is substantially uncertain. A Performance Goal must be objective such that a third party having knowledge of the relevant facts could determine whether the goal is met. Such a Performance Goal may be based on one or more business criteria that apply to the Holder, one or more business units of the Company, or the Company as a whole, with reference to one or more of the following: earnings per share, earnings per share growth, total shareholder return, economic value added, cash return on capitalization, increased revenue, revenue ratios (per employee or per customer), net income, stock price, market share, return on equity, return on assets, return on capital, return on capital compared to cost of capital, return on capital employed, return on invested capital, shareholder value, net cash flow, operating income, earnings before interest and taxes, cash flow, cash flow from operations, cost reductions, cost ratios (per employee or per customer), proceeds from dispositions, project completion time and budget goals, net cash flow before financing activities, customer growth and total market value. Goals may also be based on performance relative to a peer group of companies. Unless otherwise stated, such a Performance Goal need not be based upon an increase or positive result under a particular business criterion and could include, for example, maintaining the status quo or limiting economic losses (measured, in each case, by reference to specific business criteria). In interpreting Plan provisions applicable to Performance Goals and Performance Share Awards, it is intended that the Plan will conform with the standards of Section 162(m) of the Code and Treasury Regulations Section 1.162-27(e)(2)(i), and the Committee in establishing such goals and interpreting the Plan shall be guided by such provisions. Prior to the payment of any compensation based on the achievement of Performance Goals, the Committee must certify in writing that applicable Performance Goals and any of the material terms thereof were, in fact, satisfied. Subject to the foregoing provisions, the terms, conditions and limitations applicable to any Performance Share Awards made pursuant to the Plan shall be determined by the Committee. If the Committee imposes vesting or transferability restrictions on a Holder's rights with respect to Performance Shares, the Committee may issue such instructions to the Company's share transfer agent in connection therewith as it

Edgar Filing: VERITAS DGC INC - Form DEF 14A

deems appropriate. The Committee may also cause the certificate for Shares issued pursuant to a Performance Share Award to be imprinted with any legend which counsel for the Company considers advisable with respect to the restrictions or, should the Shares be represented by book or electronic entry rather than a certificate, the Company may take such steps to restrict transfer of the Shares as counsel for the Company considers necessary or advisable to comply with applicable law.

VII-1

Each Performance Share Award shall be evidenced by a Performance Share Award Agreement that contains any vesting, transferability restrictions and other provisions not inconsistent with the Plan as the Committee may specify.

7.2 HOLDER'S RIGHTS AS SHAREHOLDER. Subject to the terms and conditions of the Plan, each Holder of Performance Shares shall have all the rights of a shareholder with respect to the Shares included in the Award during any period in which such Shares are subject to forfeiture and restrictions on transfer, including without limitation, the right to vote such Shares, if unrestricted Shares of the same class have the right to vote. Dividends paid with respect to Performance Shares in cash or property other than Shares or rights to acquire Shares shall be paid to the Holder currently. Dividends paid in Shares or rights to acquire Shares shall be added to and become a part of the Performance Shares.

7.3 INCREASES PROHIBITED. None of the Committee nor, the Board of the Company may increase the amount of compensation payable under a Performance Share Award. If the time at which a Performance Share Award will vest is accelerated for any reason, the number of Shares subject to the Performance Share Award shall be reduced pursuant to Department of Treasury Regulation section 1.162-27(e)(2)(iii) to reasonably reflect the time value of money.

VII-2

ARTICLE VIII

DEFERRED SHARE UNIT AWARDS

8.1 DEFERRED SHARE UNIT AWARDS. The Committee may make Awards of Deferred Share Units to eligible persons selected by it. The amount of, the vesting and the transferability restrictions applicable to any Deferred Share Unit Award shall be determined by the Committee in its sole discretion. The Committee shall maintain a bookkeeping ledger account which reflects the number of Deferred Share Units credited under the Plan for the benefit of a Holder.

Each Deferred Share Unit Award shall be evidenced by a Deferred Share Unit Award Agreement that contains any vesting, transferability restrictions and other provisions not inconsistent with the Plan as the Committee may specify. Deferred Share Unit Awards shall be similar to Restricted Shares except that no Shares are actually transferred to the Holder until a later date specified in the Holder's Deferred Share Unit Award Agreement. Each Deferred Share Unit shall have a value equal to the Fair Market Value of a Share.

8.2 PAYMENTS UNDER DEFERRED SHARE UNIT AWARDS. Payments pursuant to a Deferred Share Unit Awards shall be made at such time as the Committee specifies in the Holder's Award Agreement. Payment under a Deferred Share Unit Award shall

Edgar Filing: VERITAS DGC INC - Form DEF 14A

be made in Shares that have an aggregate Fair Market Value equal to the value of the Deferred Share Units.

At the discretion of the Committee, Holders of Deferred Share Unit Awards may be entitled to be credited with dividend units with respect to dividends declared with respect to Shares. Any such dividends may be subject to the same vesting and payout restrictions as apply to the Holder's original Deferred Share Unit Awards.

8.3 HOLDER'S RIGHTS AS SHAREHOLDER. Subject to the terms and conditions of the Plan, each Holder of Deferred Share Units shall have no rights of a shareholder with respect to the Holder's Deferred Share Units.

VIII-1

ARTICLE IX

SUBSTITUTION AWARDS

Awards may be granted under the Plan from time to time in substitution for options and stock awards held by employees of other corporations who are about to become employees of or affiliated with the Company or any Affiliate as the result of a merger or consolidation of the employing corporation with the Company or any Affiliate, or the acquisition by the Company or any Affiliate of the assets of the employing corporation, or the acquisition by the Company or any Affiliate of shares of the employing corporation as the result of which it becomes an Affiliate of the Company. The terms and conditions of the substitute Awards granted may vary from the terms and conditions set out in the Plan to the extent the Committee, at the time of grant, may deem appropriate to conform, in whole or in part, to the provisions of the options and stock awards in substitution for which they are granted.

IX-1

ARTICLE X

ADMINISTRATION

The Plan shall be administered by the Committee. All questions of interpretation and application of the Plan and Awards shall be subject to the determination of the Committee. A majority of the members of the Committee shall constitute a quorum. All determinations of the Committee shall be made by a majority of its members. Any decision or determination reduced to writing and signed by a majority of the members shall be as effective as if it had been made by a majority vote at a meeting properly called and held. The Plan shall be administered in such a manner as to permit the Options which are designated as Incentive Stock Options to qualify as Incentive Stock Options. In carrying out its authority under the Plan, the Committee shall have full and final authority and discretion, including but not limited to the following rights, powers and authorities, to:

(a) determine the persons to whom and the time or times at which Awards will be made;

(b) determine the number and exercise price of Shares covered in each Award, subject to the terms of the Plan;

Edgar Filing: VERITAS DGC INC - Form DEF 14A

(c) determine the terms, provisions and conditions of each Award, which need not be identical and need not match the default terms set forth in the Plan;

(d) accelerate the time at which any outstanding Option or Share Appreciation Right may be exercised or Restricted Share Award or Deferred Share Unit Award will vest;

(e) subject to Section 7.3, accelerate the time at which any Performance Share Award will vest;

(f) prescribe, amend and rescind rules and regulations relating to administration of the Plan; and

(g) make all other determinations and take all other actions deemed necessary, appropriate or advisable for the proper administration of the Plan.

The actions of the Committee in exercising all of the rights, powers, and authorities set out in this Article and all other Articles of the Plan, when performed in good faith and in its sole judgment, shall be final, conclusive and binding on all parties.

Notwithstanding any provision of the Plan to the contrary, neither the Committee nor the Board shall have the power to cancel an Option with an exercise price that exceeds the Fair Market Value of the Shares that may be purchased under such Option on the date of cancellation without the approval of the Company's shareholders.

ARTICLE XI

AMENDMENT OR TERMINATION OF PLAN

The Committee may amend, terminate or suspend the Plan at any time, in its sole and absolute discretion. However, to the extent required under Section 162, 422 or 424 of the Code or any other applicable law, or deemed necessary or advisable by the Board, any amendment to the Plan shall be subject to shareholder approval.

ARTICLE XII

MISCELLANEOUS

12.1 NO ESTABLISHMENT OF A TRUST FUND. No property shall be set aside nor shall a trust fund of any kind be established to secure the rights of any Holder under the Plan. All Holders shall at all times rely solely upon the general credit of the Company for the payment of any benefit which becomes payable under the Plan.

12.2 NO EMPLOYMENT OR AFFILIATION OBLIGATION. The granting of any Award shall not constitute an employment contract, express or implied, nor impose upon

Edgar Filing: VERITAS DGC INC - Form DEF 14A

the Company or any Affiliate any obligation to employ or continue to employ, or utilize the services of, any Holder. The right of the Company or any Affiliate to terminate the employment or affiliation of any person shall not be diminished or affected by reason of the fact that an Award has been granted to him.

12.3 FORFEITURE. Notwithstanding any other provisions of the Plan, an Option Agreement, Share Appreciation Right Agreement, Restricted Share Agreement, Deferred Share Unit Agreement or Performance Share Agreement if the Committee finds by a majority vote after full consideration of the facts that the Holder, before or after termination of such Holder's employment or affiliation relationship with the Company or an Affiliate for any reason committed or engaged in willful misconduct, gross negligence, a breach of fiduciary duty, fraud, embezzlement, theft, a felony, a crime involving moral turpitude or proven dishonesty in the course of such Holder's employment by or affiliation with the Company or an Affiliate, the Holder shall forfeit all outstanding Awards. The decision of the Committee shall be final. No decision of the Committee, however, shall affect the finality of the discharge of the Holder by the Company or an Affiliate in any manner.

12.4 TAX WITHHOLDING. Except with respect to each Holder who is a Non-Employee Director, the Company or any Affiliate shall be entitled to deduct from other compensation payable to each Holder any sums required by federal, state or local tax law to be withheld with respect to the vesting or exercise of an Option or Share Appreciation Right, or lapse of restrictions on Restricted Shares or Performance Shares. In the alternative, the Company may require the Holder of an Award to pay such sums for taxes directly to the Company or any Affiliate in cash or by check within ten days after the date of vesting, exercise or lapse of restrictions. In the discretion of the Committee, and with the consent of the Holder, the Company may reduce the number of Shares issued to the Holder upon such Holder's exercise of an Option to satisfy the tax withholding obligations of the Company or an Affiliate; provided that the Fair Market Value of the Shares held back shall not exceed the Company's or the Affiliate's minimum statutory withholding tax obligations. The Committee may, in its discretion, permit a Holder to satisfy any minimum tax withholding obligations arising upon the vesting of Restricted Shares or Performance Shares by delivering to the Holder of the Restricted Share Award or Performance Share Award a reduced number of Shares in the manner specified herein. If permitted by the Committee and acceptable to the Holder, at the time of vesting of Restricted Shares or Performance Shares, the Company shall (i) calculate the amount of the Company's or an Affiliate's minimum statutory tax withholding obligation on the assumption

that all such vested Restricted Shares are made available for delivery, (ii) reduce the number of such Shares made available for delivery so that the Fair Market Value of the Shares withheld on the vesting date approximates the minimum amount of tax the Company or an Affiliate is obliged to withhold and (iii) in lieu of the withheld Shares, remit cash to the United States Treasury and other applicable governmental authorities, on behalf of the Holder, in the amount of the minimum withholding tax due. The Company shall withhold only whole Shares to satisfy its minimum withholding obligation. Where the Fair Market Value of the withheld Shares does not equal the Company's minimum withholding tax obligation, the Company shall withhold Shares with a Fair Market Value slightly less than the amount of its minimum withholding obligation and the Holder of the Restricted Share Award, Deferred Share Unit Award or Performance Share Award must satisfy the remaining minimum withholding obligation in some other manner permitted under this Section 12.4. The withheld Shares not made available for delivery by the Company shall be retained as treasury shares or will be

Edgar Filing: VERITAS DGC INC - Form DEF 14A

cancelled and, in either case, the Holder's right, title and interest in such Shares shall terminate. The Company shall have no obligation upon vesting or exercise of any Option, Share Appreciation Right or Deferred Share Unit or lapse of restrictions on Restricted Shares or Performance Shares until the Company or an Affiliate has received payment sufficient to cover all minimum tax withholding amounts due with respect to that vesting, exercise or lapse of restrictions. Neither the Company nor any Affiliate shall be obligated to advise a Holder of the existence of the tax or the amount which it will be required to withhold.

12.5 WRITTEN AGREEMENT. Each Award shall be embodied in a written agreement which shall be subject to the terms and conditions of the Plan and shall be signed by the Holder and by a member of the Committee on behalf of the Committee and the Company or an executive officer of the Company, other than the Holder, on behalf of the Company. The agreement may contain any other provisions that the Committee in its discretion shall deem advisable which are not inconsistent with the terms of the Plan.

12.6 INDEMNIFICATION OF THE COMMITTEE. The Company shall indemnify each present and future member of the Committee against, and each member of the Committee shall be entitled without further action on his or her part to indemnity from the Company for, all expenses (including attorney's fees, the amount of judgments and the amount of approved settlements made with a view to the curtailment of costs of litigation, other than amounts paid to the Company itself) reasonably incurred by such member in connection with or arising out of any action, suit or proceeding in which such member may be involved by reason of such member being or having been a member of the Committee, whether or not he or she continues to be a member of the Committee at the time of incurring the expenses, including, without limitation, matters as to which such member shall be finally adjudged in any action, suit or proceeding to have been negligent in the performance of such member's duty as a member of the Committee. However, this indemnity shall not include any expenses incurred by any member of the Committee in respect of matters as to which such member shall be finally adjudged in any action, suit or proceeding to have been guilty of gross negligence or willful misconduct in the performance of his duty as a member of the Committee. In addition, no right of indemnification under the Plan shall be available to or enforceable by any member of the Committee unless, within 60 days after institution of any action, suit or proceeding, such member shall have offered the Company, in writing, the opportunity to handle and defend same at its own expense. This

right of indemnification shall inure to the benefit of the heirs, executors or administrators of each member of the Committee and shall be in addition to all other rights to which a member of the Committee may be entitled as a matter of law, contract or otherwise.

12.7 GENDER. If the context requires, words of one gender when used in the Plan shall include the other and words used in the singular or plural shall include the other.

12.8 HEADINGS. Headings of Articles and Sections are included for convenience of reference only and do not constitute part of the Plan and shall not be used in construing the terms of the Plan.

12.9 OTHER COMPENSATION PLANS. The adoption of the Plan shall not affect any other option, incentive or other compensation or benefit plans in effect for the Company or any Affiliate, nor shall the Plan preclude the Company

Edgar Filing: VERITAS DGC INC - Form DEF 14A

from establishing any other forms of incentive compensation arrangements for Employees.

12.10 OTHER AWARDS. The grant of an Award shall not confer upon the Holder the right to receive any future or other Awards under the Plan, whether or not Awards may be granted to similarly situated Holders, or the right to receive future Awards upon the same terms or conditions as previously granted.

12.11 PERSONS RESIDING OUTSIDE OF THE UNITED STATES. Notwithstanding any provision of the Plan to the contrary, in order to comply with the laws in other countries in which the Company and its Affiliates operate or have Employees, the Committee, in its sole discretion, shall have the power and authority to:

(a) determine which Affiliates shall be covered by the Plan;

(b) determine which persons employed outside the United States are eligible to participate in the Plan;

(c) amend or vary the terms of the Plan and the terms and conditions of any Award granted to persons who reside outside the United States;

(d) establish subplans and modify exercise procedures and other terms and procedures to the extent such actions may be necessary or advisable. Any subplans and modifications to Plan terms and procedures established under this Section 12.11 by the Committee shall be attached to the Plan document as Appendices; and

(e) take any action, before or after an Award is made, that it deems advisable to obtain or comply with any necessary local government regulatory exemptions or approvals.

Notwithstanding the above, the Committee may not take any actions hereunder, and no Awards shall be granted, that would violate the Exchange Act, the Code, any securities law or governing statute or any other applicable law.

12.12 GOVERNING LAW. The provisions of the Plan shall be construed, administered and governed under the laws of the State of Texas.
