ITEM 5. OTHER EVENTS.

On May 16, 2003, Alliance Resource Holdings II, Inc. ("Holdings II") a privately-held company owned by current members of management ("Management") of Alliance Resource Partners, L.P. (the "Partnership"), retired in full the outstanding balances due under two promissory notes issued by Holdings II to The Beacon Group Energy Investment Fund, L.P., MPC Partners, L.P., and certain of their affiliates (collectively, the "Beacon Investors") at the time Management purchased the Beacon Investors' interests in Alliance Resource Holdings, Inc. ("Holdings"), the parent of the Partnership's special general partner. Holdings II's payment obligations under the promissory notes were secured under a security and pledge agreement by a pledge to the Beacon Investors of all the outstanding capital stock of Holdings II and other equity interests in affiliated entities owned directly or indirectly by Management. Under the security and pledge agreement, a payment default by Holdings II with respect to the promissory notes could have resulted in a foreclosure by the Beacon Investors on these equity interests and permitted the Beacon Investors to assume control of the Partnership's business and affairs. As a result of Holdings II's

payment in full of its obligations under the promissory notes, the security and pledge agreement and the related control rights of the Beacon Investors have been terminated, and all of Holdings II's obligations owed to the Beacon Investors and all secured and other residual interests in the Partnership's general partners held by the Beacon Investors have been terminated and/or retired. Management now owns directly or indirectly all of the interests in the Partnership's general partners. The repayment of the promissory notes was accomplished through the use of a combination of cash held by Holdings II and certain of its affiliates and the proceeds from a commercial borrowing recently completed by Holdings II, where such loan is secured, in part, by a pledge of the Partnership's common units owned by the Partnership's special general partner.

A description of the initial issuance of the promissory notes, including the contracts pursuant to which the purchases from the Beacon Investors were originally consummated, is contained in the Partnership's Current Report on Form 8-K filed May 9, 2002.
