Item 1.01 Entry into a Material Definitive Agreement.

On March 1, 2005 the Company, T&H Electrical Corporation, T&H Electrical Acquisition Corporation, and Gregory A. Turnage, John E. Harrell, and David M. Farmer, as guarantors, executed an Asset Purchase Agreement (the Agreement), effective as of February 28, 2005, providing for the sale of substantially all of the assets of T&H Electrical Corporation to T&H Electrical Acquisition Corporation for a purchase price of \$4,465,000, subject to adjustment. The closing of the transactions contemplated by the Agreement was consummated on March 2, 2005. Mr. Harrell was the President of T&H Electrical Corporation prior to the sale and is now the President of the buyer. Mr. Turnage was previously the President of T&H Electrical Corporation as well.

In determining the sales price for the disposed-of assets and liabilities, the Company evaluated past performance, expected future performance, management issues, bonding requirements, market forecasts and the carrying value of such assets and liabilities and received a fairness opinion from an independent consulting and investment banking firm in support of this determination.

On March 3, 2005, the Company issued a press release announcing the closing of the aforementioned asset sale transaction, which is filed as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein in its entirety.

The description of the Agreement provided in this item 1.01 is qualified in its entirety by reference to the Agreement itself, which is filed as Exhibit 10.1 to this current report on Form 8-K.
