**Item 8.01 Other Events.**

On January 7, 2009, Enterprise Products Partners L.P. (the Partnership) entered into an underwriting agreement for the public offering of 9,600,000 common units, and up to 1,440,000 additional common units to cover over-allotments, if any. A copy of the Underwriting Agreement is filed as Exhibit 1.1 hereto. Closing of the issuance and sale of the common units is scheduled for January 12, 2009.

The offering of the common units has been registered under the Securities Act of 1933, as amended (the Securities Act), pursuant to a registration statement on Form S-3 (Registration No. 333-145709) of the Partnership (the Registration Statement), and the prospectus supplement dated January 7, 2009, filed with the Securities and Exchange Commission pursuant to Rule 424(b) of the Securities Act (the Prospectus). Certain legal opinions related to the Registration Statement are filed herewith as Exhibits 5.1 and 8.1.

The underwriting agreement provides that the obligations of the underwriters to purchase the common units are subject to approval of legal matters by counsel and other customary conditions. The underwriters are obligated to purchase all the common units if they purchase any of the common units. The Partnership has agreed to indemnify the underwriters against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the underwriters may be required to make because of any of those liabilities.

The Partnership intends to use the net proceeds from the offering to temporarily reduce borrowings outstanding under its multi-year revolving credit facility, which may be reborrowed to fund capital expenditures and other growth projects, and for general partnership purposes. Affiliates of certain of the underwriters are lenders under the Partnership's multi-year revolving credit facility and, accordingly, will receive a portion of the net proceeds of the offering. The underwriters have performed investment banking and advisory services for the Partnership and its affiliates from time to time for which they have received customary fees and expenses. The underwriters may, from time to time, engage in transactions with and perform services for the Partnership and its affiliates in the ordinary course of their business.
