calculation assumes the purchase of 42,648,084 outstanding shares of common stock (together with the associated rights to purchase preferred stock) of The Earthgrains Company at a purchase price of \$40.25 per share. The transaction value also includes the offer price of \$40.25 per share, less \$15.92 which is the average exercise price of outstanding options, multiplied by 4,925,712, the estimated number of options outstanding under The Earthgrains Company's employee stock option plans.
