We have an employment agreement with David G. Nance, entered into on August 1, 2003, under which Mr. Nance serves as our President and Chief Executive Officer. Under Mr. Nance's prior employment agreement with us, which was entered into on August 1, 1996, his base salary was \$302,500 per annum effective August 1, 2000, \$332,750 per annum effective August 1, 2001, \$366,025 per annum effective August 1, 2002. The prior employment agreement provided that Mr. Nance would receive an option to purchase 50,000 shares of our common stock on each of August 1, 2000, August 1, 2001, and August 1, 2002 (for a total of 150,000 shares through August 1, 2002). According to the foregoing terms, he was granted an option to purchase 50,000 shares of our common stock upon the completion of our initial public offering in October 2000; he was granted an option to purchase an additional 50,000 shares of our common stock on August 1, 2001 and he was granted an option to purchase an additional 60,000 shares of our common stock on August 1, 2002. The Compensation Committee granted Mr. Nance the option to purchase 60,000 shares of our common stock on August 1, 2002, rather than an option to purchase 50,000 shares of common stock as required under his employment agreement, due to its decision to discontinue option grants to directors who are also employees. Accordingly, the Compensation Committee granted the 60,000 options to Mr. Nance with the understanding that he would not receive options in his capacity as director.

The current employment agreement with Mr. Nance, which was entered into on August 1, 2003, continues through July 31, 2006, and thereafter renews automatically for one-year terms until either party gives timely written notice of non-renewal. Mr. Nance's base salary under the current employment agreement is \$476,000 per annum effective August 1, 2003. His compensation under the current employment agreement is subject to review annually. Under the terms of his prior and current employment agreements with us, Mr. Nance may receive bonuses in the form of cash, stock options, restricted stock or other consideration as determined by our Compensation Committee, which reviews his compensation annually. Mr. Nance has also received bonuses from time to time in the form of options to purchase our common stock, as contemplated in each of his prior and current employment agreements with us. Such options are exercisable at a price determined by the administrator of our 2000 Stock Option Plan and are fully vested when granted.

All of the options granted under our 1995 Stock Plan and the 2000 Stock Option Plan shall immediately vest and become exercisable upon our merger with or into another corporation, entity or person, or the sale of all or substantially all our assets to another corporation, entity or person, unless such options are assumed or an equivalent option or right substituted by the successor corporation or a parent or subsidiary of the successor corporation.
