GOLDEN STAR SEEKS COURT RULING

Formal bid would follow favourable ruling

Denver, June 2, 2004 Golden Star Resources Ltd. (Golden Star) (TSX:GSC; AMEX:GSS) announced today it is taking further steps to advance its previously announced proposal for a business combination with IAMGold Corporation (IAMGold) (TSX:IMG; AMEX:IAG).

On May 27, 2004 Golden Star proposed a business combination with IAMGold conditional on Golden Star having had an opportunity to perform due diligence on IAMGold and receiving appropriate levels of support from IAMGold's directors and shareholders. On May 31, 2004 the IAMGold board of directors advised that it did not intend to pursue the Golden Star proposal.

In response to an earlier request, Golden Star received yesterday a list of IAMGold shareholders accompanied by a letter from IAMGold's legal counsel. The letter requested details of Golden Star's proposed use of the shareholder list and threatened legal action if Golden Star were to make an offer to IAMGold shareholders regarding its proposed business combination. In particular, IAMGold has alleged that the making of an offer by Golden Star would breach the standstill terms of a confidentiality agreement entered into between the parties in September 2003.

Golden Star believes that the standstill provisions no longer apply based on a careful review of the terms of the confidentiality agreement prior to making its proposal. Golden Star responded to the letter by requesting IAMGold's confirmation by noon today that it would not take legal action if the offer is made. As Golden Star did not receive a positive response from IAMGold to this request, Golden Star took steps to apply to the Ontario Superior Court of Justice Commercial List for a declaration confirming Golden Star's interpretation of the confidentiality agreement. Golden Star believes that the meeting of IAMGold shareholders scheduled for June 8th should be postponed to provide for a court determination of this matter and for shareholders to assess a formal offer from Golden Star.

In the event the court determines that Golden Star is not bound by the standstill provisions of the confidentiality agreement, Golden Star intends to proceed immediately with a formal offer by way of take-over bid for IAMGold.

Pursuant to a Golden Star formal offer, shareholders of IAMGold would receive 1.15 Golden Star common shares for each IAMGold common share, being a premium of 13% to IAMGold shareholders based on the closing market prices for the common shares of IAMGold and Golden Star on the Toronto Stock Exchange on May 27, 2004, immediately prior to Golden Star's proposal.

The formal offer would be conditional upon, among other things, confirmatory due diligence that there is no material adverse fact not included in previous public disclosure by IAMGold, and review of the joint venture and shareholder agreements for IAMGold's producing properties. In addition, the formal offer will be conditional on the proposed business combination between IAMGold and Wheaton River Minerals Ltd. (Wheaton River) not being approved by shareholders.

We continue to believe that Golden Star's formal offer will be clearly superior for IAMGold shareholders when compared with the proposed business combination between IAMGold and Wheaton River, advised Peter Bradford, President and Chief Executive Officer of Golden Star.
