On October 29, 2004, BackWeb Technologies Ltd. entered into a Source Code License and Distribution Agreement with F-Secure Corporation (distributor), an existing distributor of BackWeb s products. The agreement allows the distributor to receive source code to one of BackWeb s software products for the purposes of combination with one or more of the distributor s proprietary products for subsequent distribution by the distributor. Under the terms of the agreement, BackWeb will receive approximately \$1.5 million in up front cash payments, plus approximately \$150,000 per year in annual maintenance fees.
