- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))**

**Item 1.01. Entry into a Material Definitive Agreement.**

On February 28, 2005, Cash America International, Inc. (the Company) announced the amendment and restatement of its senior revolving credit facility. A copy of the press release announcing the amendment and restatement is attached as Exhibit 99.1 to this current report. Key modifications to the credit facility included, among other things, the expansion of the facility to \$250,000,000 from \$130,000,000, extension of the maturity on the revolving credit facility from July 2006 to February 2010, improved grid pricing, and expanded flexibility for investments and acquisitions.

The amended and restated facility agreement is now referred to as the First Amended and Restated Credit Agreement (the Credit Agreement) dated as of February 24, 2005, among the Company, Wells Fargo Bank, National Association, as administrative agent (the Agent), JPMorgan Chase Bank, N.A., as syndication agent, U.S. Bank National Association, KeyBank National Association and Union Bank of California, N.A., as co-documentation agents, and the other lenders party thereto, and consists of a \$250,000,000 revolving credit facility. The Company's obligations under the Credit Agreement remain unsecured and are guaranteed by its subsidiaries. Borrowings under the Credit Agreement bear interest annually at a rate of (i) LIBOR plus a margin or (ii) the Agent's prime lending rate. Interest rates fluctuate based upon the Company's Leverage Ratio (as defined in the Credit Agreement). The Credit Agreement includes a quarterly commitment fee, which is a stated percentage, based on the Company's Leverage Ratio, multiplied by the daily amount by which the Credit Agreement commitment exceeds the total of outstanding loans and outstanding letters of credit. The affirmative and negative covenants in the Credit Agreement restrict, among other things, the Company's ability to incur indebtedness, dispose of assets, and make distributions. In addition, the Credit Agreement includes the following restrictive financial covenants: Maximum Leverage Ratio, Minimum Fixed Charge Coverage Ratio, and Minimum Net Worth (each as defined in the Credit Agreement).

The foregoing description of the Credit Agreement is qualified in its entirety by the complete terms and conditions of the Credit Agreement itself, which is incorporated by reference into this current report as Exhibit 10.1.

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

The information set forth above in Item 1.01 is incorporated into this Item 2.03 by reference.

**Item 9.01. Financial Statements and Exhibits.**

**Exhibits**
