**PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
To Be Held June 7, 2006**

These proxy materials are furnished in connection with the solicitation of proxies by the Board of Directors (the Board) of Immersion Corporation, a Delaware corporation (the Company), for the Annual Meeting of Stockholders to be held at the Techmart Network Meeting Center, 5201 Great America Parkway, Santa Clara, California 95054, on Wednesday, June 7, 2006, at 9:30 a.m. California time, and at any adjournment or postponement of the Annual Meeting. These proxy materials were first mailed to stockholders on or about April 28, 2006.

PURPOSE OF MEETING

The specific proposals to be considered and acted upon at the Annual Meeting are summarized in the accompanying Notice of Annual Meeting of Stockholders. Each proposal is described in more detail in this Proxy Statement.

VOTING RIGHTS AND SOLICITATION OF PROXIES

The Company's common stock is the only type of security entitled to vote at the Annual Meeting. On April 12, 2006, the record date for determination of stockholders entitled to vote at the Annual Meeting, there were 24,534,736 shares of common stock outstanding. Each stockholder of record on April 12, 2006 is entitled to one vote for each share of common stock held by such stockholder on April 12, 2006. Shares of common stock may not be voted cumulatively in the election of directors. All votes will be tabulated by the inspector of elections appointed for the meeting, who will separately tabulate affirmative and negative votes, abstentions, and broker non-votes.

Quorum Required

The Company's bylaws provide that the holders of a majority of the Company's common stock, issued and outstanding and entitled to vote at the Annual Meeting, present in person or represented by proxy, shall constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be counted as present for the purpose of determining the presence of a quorum.

Votes Required

Generally, stockholder approval of a matter, other than the election of directors, requires the affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote on the matter. Directors are elected by a plurality of the votes of the shares present in person or by proxy and entitled to vote on the election of directors. Shares voted to abstain on a matter will be treated as entitled to vote on the matter and will thus have the same effect as no votes. Broker non-votes are not counted as entitled to vote on a matter in determining the number of affirmative votes required for approval of the matter, but are counted as present for quorum purposes. The term broker non-votes refers to shares held by a broker in street name, which are present by proxy but are not voted on a matter pursuant to rules prohibiting brokers from voting on non-routine matters without instructions from the beneficial owner of the shares. The election of directors and the ratification of the appointment of the independent registered public accounting firm are generally considered to be routine matters on which brokers may vote without instructions from beneficial owners.

Table of Contents

Proxies

Whether or not you are able to attend the Company's Annual Meeting, you are urged to complete and return the enclosed proxy, which is solicited by the Company's Board, and which will be voted as you direct on your proxy when properly completed. In the event no directions are specified, such proxies will be voted as follows: (i) FOR Proposal No. 1, the election of the Board nominees named in this Proxy Statement or otherwise nominated as described in this Proxy Statement; (ii) FOR Proposal No. 2, the ratification of the Company's independent registered public accounting firm; and (iii) in the discretion of the proxy holders as to other matters that may properly come before the Annual Meeting. You may also revoke or change your proxy at any time before the Annual Meeting. To do this, send a written notice of revocation or another signed proxy with a later date before the beginning of the Annual Meeting to Victor Viegas, President, Chief Executive Officer, and Director of the Company, at the Company's principal executive office. You may also automatically revoke your proxy by attending the Annual Meeting and voting in person. All shares represented by a valid proxy received prior to the Annual Meeting will be voted.

Solicitation of Proxies

The cost of solicitation of proxies will be borne by the Company, and in addition to soliciting stockholders by mail through its regular employees, the Company may request banks, brokers, and other custodians, nominees, and fiduciaries to solicit their customers who have stock of the Company registered in the names of a nominee and, if so, will reimburse such banks, brokers, and other custodians, nominees and fiduciaries for their reasonable out-of-pocket costs. Solicitation by officers and employees of the Company may also be made of some stockholders in person or by mail or telephone following the original solicitation.

**PROPOSAL NO. 1
ELECTION OF DIRECTORS**

Pursuant to the Company's Amended Certificate of Incorporation (the "Certificate of Incorporation"), the Company's Board is divided into three classes—Class I, II, and III directors. Each director is elected for a three-year term of office, with one class of directors being elected at each annual meeting of stockholders. Each director holds office until his or her successor is elected and qualified or until his or her earlier death, resignation, or removal. In accordance with the Certificate of Incorporation, Class I directors are to be elected at the 2006 Annual Meeting, Class II directors are to be elected at the annual meeting in 2007, and Class III directors are to be elected at the annual meeting in 2008.

At the 2006 Annual Meeting, two Class I directors are to be elected to the Board to serve until the annual meeting of stockholders to be held in 2009 and until their successors have been elected and qualified, or until their earlier death, resignation, or removal.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE
FOR THE CLASS I DIRECTOR NOMINEES LISTED HEREIN.**

Board of Directors

Independence of Directors

The Board follows Nasdaq Marketplace Rule 4200 for director independence standards. In accordance with these standards, our Board has determined that, except for Mr. Viegas, as President and Chief Executive Officer, and Mr. Van Naarden, who served as a consultant to Immersion until April 2004, each of the members of our Board has no relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and is otherwise independent in accordance with the applicable listing standards of the Nasdaq Stock Market (Nasdaq) as currently in effect.

Board Structure and Meetings

In 2005, the Board held seven meetings. The Board has a standing Audit Committee, Compensation Committee, and Nominating/ Corporate Governance Committee. During 2005, the Audit Committee met seven times, the Compensation Committee met four times, and the Nominating/ Corporate Governance Committee did not meet. In 2005, each of the directors, except Mr. Rubinstein, attended at least 75% of the meetings of the Board and any committees of the Board on which he serves.

Director Attendance at Annual Meetings

The Company will make every effort to schedule its annual meeting of stockholders at a time and date to accommodate attendance by directors taking into account the directors' schedules. All directors are encouraged to attend the Company's annual meeting of stockholders. One non-employee director attended the Company's 2005 annual meeting of stockholders.

Corporate Governance and Board Committees

The Board has adopted a Code of Business Conduct and Ethics (the Code) that outlines the principles of legal and ethical business conduct under which the Company does business. The Code, which is applicable to all directors, employees, and officers of the Company, is available on the Company's Web site at www.immersion.com/corpgov. Any substantive amendment or waiver of this Code may be made only by the Board upon a recommendation of the Audit Committee, and will be disclosed on the Company's Web site. In addition, disclosure of any amendment or waiver of the Code for directors and executive officers will also be made by the filing of a Form 8-K with the Securities and Exchange Commission (the SEC).

The Board has also adopted a written charter for each of the Audit, Compensation, and Nominating/ Corporate Governance Committees. Each charter is available on the Company's Web site at www.immersion.com/corpgov.

Audit Committee

The Audit Committee retains the Company's independent registered public accounting firm, makes such examinations as are necessary to monitor the corporate financial reporting and the internal and external audits of the Company and its subsidiaries, provides to the Board the results of its examinations and recommendations derived therefrom, outlines to the Board improvements made, or to be made, in internal accounting controls, and provides the Board such additional information and materials as it may

Table of Contents

deem necessary to make the Board aware of significant financial matters that require Board attention. The members of the Audit Committee through November 2, 2005 were Messrs. Blank, Hodgman, and Saltich. Mr. Blank resigned from the Board and all of the committees of the Board on which he served on November 2, 2005 and was replaced by Mr. Rubinstein on the Audit Committee. In February 2006, Ms. Liggett replaced Mr. Rubinstein on the Audit Committee. The Board has determined that each member of the Audit Committee in 2005 met, and each current member meets, the independence criteria set forth in the applicable rules of Nasdaq and the SEC for audit committee membership. In addition, the Board has determined that all members of the Audit Committee in 2005 possessed, and each current member possesses, the level of financial literacy required by applicable Nasdaq and SEC rules and that in accordance with section 407 of the Sarbanes-Oxley Act of 2002, at least one member of the Audit Committee, Mr. Hodgman, is qualified as an audit committee financial expert. A report of the Audit Committee is set forth below.

Compensation Committee

The Compensation Committee reviews and makes recommendations to the Board concerning reward policies, programs, and plans, and approves employee and director compensation and benefits programs. The members of the Compensation Committee through November 2, 2005 were Messrs. Blank and Rubinstein. Mr. Blank resigned from the Board and all of the committees of the Board on which he served on November 2, 2005 and was replaced by Mr. Saltich on the Compensation Committee. The members of the Compensation Committee in 2006 are Messrs. Rubinstein and Saltich. Each member of the Compensation Committee is independent for purposes of the Nasdaq rules. A report of the Compensation Committee is set forth below.

Nominating/Corporate Governance Committee

The Nominating/Corporate Governance Committee evaluates and recommends candidates for Board positions to the Board and recommends to the Board policies on Board composition and criteria for Board membership. The Nominating/Corporate Governance Committee also recommends to the Board, and reviews on a periodic basis, the Company's succession plan, including policies and principles for selection and succession of the Chief Executive Officer in the event of an emergency or the resignation or retirement of the Company's Chief Executive Officer. In addition, the Nominating/Corporate Governance Committee periodically reviews policies of the Company and the compliance of senior executives of the Company with respect to these policies. The Nominating/Corporate Governance Committee also reviews the Company's compliance with Nasdaq corporate governance listing requirements. The members of the Nominating/Corporate Governance Committee through November 2, 2005 were Messrs. Blank, Hodgman, Rubinstein, and Saltich. Mr. Blank resigned from the Board and all of the committees of the Board on which he served on November 2, 2005. In February 2006, Ms. Liggett was appointed to the Nominating/Corporate Governance Committee and Mr. Rubinstein resigned from the committee. Each member of the Nominating/Corporate Governance Committee is independent for purposes of the Nasdaq rules.

The Nominating/Corporate Governance Committee evaluates all directors whose terms will expire at the next annual meeting of stockholders and are willing to continue in service in order to determine whether to recommend to the Board such directors for election at the annual meeting. The Nominating/Corporate Governance Committee considers the following factors in any such evaluation:

the appropriate size of the Board and its committees;

the perceived needs of the Board for particular skills, background, and business experience;

the relevant skills, background, reputation, and business experience of nominees compared to the skills, background, reputation, and business experience already possessed by other members of the Board;

nominees' independence from management;

Table of Contents

applicable regulatory and listing requirements, including independence requirements and legal considerations, such as antitrust compliance;

the benefits of a constructive working relationship among directors; and

the desire to balance the considerable benefit of continuity with the periodic injection of the fresh perspective provided by new members.

The Nominating/Corporate Governance Committee's goal is to assemble a Board that brings to the Company a variety of perspectives and skills derived from high quality business and professional experience. Directors should possess the highest personal and professional ethics, integrity, and values, and be committed to representing the best interests of the Company's stockholders. They must also have an inquisitive and objective perspective and mature judgment. Director candidates must have sufficient time available in the judgment of the Nominating/Corporate Governance Committee to perform all Board and committee responsibilities. Board members are expected to prepare for, attend, and participate in all Board and applicable committee meetings.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the Nominating/Corporate Governance Committee may also consider such other factors as it may deem, from time to time, are in the best interests of the Company and its stockholders. The Nominating/Corporate Governance Committee believes that to comply with Nasdaq and SEC rules, at least one member of the Board meet the criteria for an audit committee financial expert, and at least a majority of the members of the Board meet the definition of independent director. The Nominating/Corporate Governance Committee also believes it appropriate for one or more key members of the Company's management to participate as members of the Board.

The Nominating/Corporate Governance Committee will consider the criteria and policies set forth above in determining if the Board requires additional candidates for director. The Nominating/Corporate Governance Committee will consider candidates for directors proposed by directors or management, may poll directors and management for suggestions, or conduct research to identify possible candidates, and may engage, if the Nominating/Corporate Governance Committee believes it is appropriate, a third party search firm to assist in identifying qualified candidates. All such candidates will be evaluated against the criteria and pursuant to the policies and procedures set forth above. All director nominees, including incumbents, must submit a completed form of directors' and officers' questionnaire as part of the nominating process. The evaluation process may also include interviews and additional background and reference checks for non-incumbent nominees at the discretion of the Nominating/Corporate Governance Committee.

The Nominating/Corporate Governance Committee will also evaluate any recommendation for director nominee proposed by a stockholder, provided that such recommendation is sent in writing to the Corporate Secretary at 801 Fox Lane, San Jose, California 95131 at least 120 days prior to the anniversary of the date proxy statements were mailed to stockholders in connection with the prior year's annual meeting of stockholders. The recommendation must also contain the following information:

the candidate's name, age, contact information and present principal occupation or employment; and

a description of the candidate's qualifications, skills, background, and business experience during, at a minimum, the last five years, including his/her principal occupation and employment and the name and principal business of any corporation or other organization in which the candidate was employed or served as a director.

The Nominating/Corporate Governance Committee will evaluate any candidates recommended by stockholders against the same criteria and pursuant to the same policies and procedures applicable to the evaluation of all other proposed candidates, including incumbents, and will select the nominees that in the Nominating/Corporate Governance Committee's judgment best suit the needs of the Board at that time.

Table of Contents

However, if the Nominating/Corporate Governance Committee determines that a recommendation does not satisfy the above-described requirements, the Committee will not consider such recommendation.

As an alternative for stockholders to suggest director nominees to the Nominating/Corporate Governance Committee, a stockholder may nominate directors for consideration at an annual or special meeting pursuant to the methods proscribed in our bylaws, as summarized below. Any stockholder entitled to vote in the election of directors generally may nominate one or more persons for election as directors at a meeting only if timely notice of such stockholder's intent to make such nomination or nominations has been given in writing to the Company's Secretary. To be timely, notice of a stockholder's nomination for a director to be elected at an annual meeting shall be received at the Company's principal executive offices not less than 120 days in advance of the date that the Company's proxy statement was released to stockholders in connection with the previous year's annual meeting of stockholders, except that if no annual meeting was held in the previous year or the date of the annual meeting has been changed by more than 30 days from the date contemplated at the time of the previous year's proxy statement, to be timely, such notice must be received not later than the close of business on the tenth day following the day on which the date of the special meeting was announced; provided, however, that in the event that the number of directors to be elected at an annual meeting is increased, and there is no public announcement by the Company naming the nominees for the additional directorships at least 130 days prior to the first anniversary of the date that the Company's proxy statement was released to stockholders in connection with the previous year's annual meeting, a stockholder's notice shall be considered timely, but only with respect to nominees for the additional directorships, if it shall be delivered to the Company's Secretary at the Company's principal executive offices not later than the close of business on the 10th day following the day on which such public announcement is first made by the Company.

In the event of a nomination for director to be elected at a special meeting, notice by the stockholders, to be timely, shall be delivered to the Company's Secretary not earlier than the 90th day prior to such special meeting and not later than the close of business on the later of the 70th day prior to such special meeting or the 10th day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board to be elected at such meeting.

Each such notice shall set forth: (a) the name and address of the stockholder who intends to make the nomination, of the beneficial owner, if any, on whose behalf the nomination is being made and of the person or persons to be nominated; (b) a representation that the stockholder is a holder of record of stock of Immersion entitled to vote for the election of directors on the date of such notice and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (c) a description of all arrangements or understandings between the stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder; (d) such other information regarding each nominee proposed by such stockholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC, had the nominee been nominated, or intended to be nominated, by the Board; and (e) the consent of each nominee to serve as a director of Immersion if so elected.

If the chairman of the meeting for the election of directors determines that a nomination of any candidate for election as a director at such meeting was not made in accordance with the applicable provisions of our bylaws, such nomination shall be void.

Director Compensation

In 2005, non-employee directors received \$2,500 for attending regularly scheduled Board meetings. On February 27, 2006, the Board adjusted its director compensation, such that, effective that date, the Chairman of the Board and the Chairman of the Audit Committee each receive retainer fees of \$15,000 per year. Other non-employee directors receive retainer fees of \$10,000 per year. In addition, non-employee directors who are members of any committees receive \$3,000 for attending regularly scheduled Board meetings. Non-employee directors who are not members of any committees receive \$2,500 for attending regularly scheduled Board meetings. Directors are entitled to reimbursement of reasonable travel expenses they incur in connection with attending Board and committee meetings. Non-employee directors of the Company are granted an option to purchase 40,000 shares of common stock under the Company's Amended 1997 Stock Option Plan (the "1997 Stock Option Plan") on the date the director joins the Board. Non-employee directors also receive annual option grants to purchase 10,000 shares of the Company's common stock. Subject to continued service to the Company, 25% of the options granted to non-employee directors vest on the first anniversary of their grant date, with the remaining portion vesting in 36 equal monthly installments. Options granted to non-employee directors on or after February 27, 2006 are subject to accelerated vesting upon a change of control of the Company.

In 2005, the Board approved stock option grants to all of the Company's non-employee directors. Mr. Viegas, the Company's only employee director, did not receive an option grant during 2005. The options granted to Messrs. Blank, Hodgman, Rubinstein, Saltich, and Van Naarden, the non-employee directors of the Company during 2005, are described in the following table:

	Date of Grant	Shares Subject to Option	Exercise Price Per Share (1)

John Hodgman	02/02/05	10,000	\$	6.98
Jonathan Rubinstein	02/02/05	10,000	\$	6.98
Jack Saltich	02/02/05	10,000	\$	6.98
Robert Van Naarden	02/02/05	10,000	\$	6.98

(1) All options were granted at an exercise price equal to the closing price of the Company's stock on the date of grant, as reported on Nasdaq.

On July 1, 2003, the Company entered into a consulting agreement with Mr. Robert Van Naarden to assist with certain marketing initiatives of its wholly owned subsidiary, Immersion Medical. Under the terms of the consulting agreement, Mr. Van Naarden received \$15,000 per month and reimbursement of reasonable out-of-pocket travel expenses. The initial term of the consulting agreement was six months and was renewable for subsequent three-month terms unless either party notified the other in writing at least ten days prior to the expiration of the then-current term of its election to terminate the agreement. During the year ended December 31, 2004, the Company paid Mr. Van Naarden \$50,000 as compensation for his services pursuant to this consulting agreement. The Company and Mr. Van Naarden mutually terminated the consulting agreement as of April 21, 2004.

(4) The potential realizable value represents the hypothetical gains of the options granted based on assumed annual compound stock appreciation rates over the exercise price per share (before taxes). The assumed 5% and 10% rates of stock price appreciation are provided in accordance with SEC rules and do not represent the Company's estimate or projection of the future common stock price. Actual gains, if any, on stock option exercises are dependent on the future performance of the Company's common stock over all market conditions and the option holder's continued employment through the vesting period. This table does not take into account any appreciation in the price of the common stock from the date of grant to date. There can be no assurance that any of the value reflected in this table will be achieved.

The option holder does not realize any cash until the shares of common stock issued upon exercise of the options are sold.

AUDIT COMMITTEE REPORT

Under the guidance of a written charter adopted by the Board, the purpose of the Audit Committee is to retain an independent registered public accounting firm, to make such examinations as are necessary to monitor the corporate financial reporting of the internal and external audits of the Company and its subsidiaries, to provide to the Board the results of its examinations and recommendations derived therefrom, to outline to the Board the improvements made, or to be made, in internal accounting controls, and to provide the Board such additional information and materials as it may deem necessary to make the Board aware of significant financial matters that require the attention of the Board. During fiscal 2005, the Audit Committee met seven times and discussed the interim financial information contained in each quarterly earnings announcement as well as the Quarterly Reports on Form 10-Q for the Company's first, second, and third quarters of fiscal 2005 with the President and Chief Executive Officer; the Chief Financial Officer and Vice President, Finance; the Vice President, Corporate Controller; and Deloitte & Touche LLP, the Company's independent registered public accounting firm, prior to the public release of such information. Each member of the Audit Committee meets the independence requirements of Nasdaq and the SEC.

Management is primarily responsible for the system of internal controls and the financial reporting process. The independent registered public accounting firm is responsible for expressing an opinion on the financial statements based on an audit conducted in accordance with generally accepted auditing standards. The Audit Committee is responsible for monitoring and overseeing these processes.

In this context and in connection with the audited financial statements contained in the Company's Annual Report on Form 10-K for fiscal 2005, the Audit Committee:

reviewed and discussed the audited financial statements with the Company's management;

discussed with Deloitte & Touche LLP, with and without management present, the matters required to be discussed under Statement of Auditing Standards No. 61, Communication with Audit Committees, as amended, including the overall scope of Deloitte & Touche LLP's audit, the results of its examination, its evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting;

reviewed the written disclosures and the letter from Deloitte & Touche LLP required by the Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees; discussed with the independent registered public accounting firm their independence; and concluded that the nonaudit services performed by Deloitte & Touche LLP are compatible with maintaining its independence;

based on the foregoing reviews and discussions, recommended to the Board that the audited financial statements be included in the Company's 2005 Annual Report on Form 10-K for the fiscal year ended December 31, 2005 filed with the SEC; and

instructed Deloitte & Touche LLP that the Committee expects to be advised if there are any subjects that require special attention.

In fiscal 2004, management completed the documentation, testing, and evaluation of Immersion's system of internal controls over financial reporting in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act of 2002 and related regulations. Continuing into fiscal 2005, the second year of certification, management improved the internal control evaluation process, which is now being institutionalized into the Company's standard operations and processes. The Audit Committee was kept apprised of the progress of the evaluation and provided oversight and advice to management throughout this process. In particular, the Audit Committee received periodic updates provided by management and Deloitte & Touche

LLP at each regularly scheduled committee meeting. The Audit Committee also held special meetings to discuss issues as they arose. At the conclusion of the process, management provided the Audit Committee with, and the Audit Committee reviewed, a report on the effectiveness of the Company's internal control over financial reporting. The Audit Committee also received the report of management contained in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005 filed with the SEC, as well as Deloitte & Touche LLP's Report of Independent Registered Public Accounting Firm included in the Company's Annual Report on Form 10-K related to its audit of (i) the consolidated financial statements and financial statement schedule, (ii) management's assessment of the effectiveness of the internal control over financial reporting, and (iii) the effectiveness of internal control over financial reporting. The Audit Committee continues to oversee the Company's efforts related to its internal control over financial reporting and management's preparations for the evaluation in fiscal 2006.

COMPENSATION COMMITTEE REPORT

This Compensation Committee Report describes the compensation policies and rationale applied to the compensation paid to the Company's executive officers for the fiscal year ended December 31, 2005. The Compensation Committee has the authority to administer the Company's stock option plans, establish the level of base salary payable to the Chief Executive Officer (CEO) and the other executive officers of the Company, and the responsibility of approving the bonus program to be in effect for the CEO and the other executive officers. The Compensation Committee of the Board is comprised of non-employee directors, each of whom is independent for purposes of the Nasdaq rules.

General Compensation Policy. The Committee's fundamental compensation policy is to align compensation with business objectives and performance and to enable the Company to attract, retain, and reward executive officers whose contributions are necessary for the long term success of the Company. Accordingly, each executive officer's compensation package consists of: (i) base salary, (ii) annual cash bonus, and (iii) long-term stock-based incentive awards.

Base Salary. The base salary for each executive officer is reviewed annually by the Compensation Committee and adjustments are made based on personal performance, taking into account the average salary levels in effect for comparable positions with companies having total revenues similar to the Company's. Each individual's base pay is positioned relative to the total compensation package, including cash bonus incentives and long-term stock-based incentives.

Long-term Incentive Compensation. During the fiscal year ended December 31, 2005, the Committee made discretionary option grants to certain of the executive officers of the Company under the Company's 1997 Stock Option Plan based on each officer's personal performance. Option grants to executive officers were approved at the Committee's first meeting of the year in February 2005, unless the executive officer joined the Company after such meeting, in which case the executive officer was granted an option effective with his start date with the Company. Typically, the size of each grant was set at a level that is deemed appropriate to create a meaningful opportunity for stock ownership based upon the individual's position with the Company, the individual's potential for future responsibility and promotion, the individual's performance in the recent period, and the number of unvested options held by the individual at the time of the new grant. The relative weight given to each of these factors varied from individual to individual.

Options generally vest over four years. Thus, the vesting of each option is contingent upon the executive officer's continued employment with the Company. Accordingly, the options provided compensation to the executive officer only if he remained in the Company's employ, and then only if the market price of the Company's common stock appreciated over the option term.

Table of Contents

CEO Compensation. Mr. Viegas' compensation as President and Chief Executive Officer was initially established pursuant to his employment agreement dated November 5, 2001, the terms of which were set by arms length bargaining and have been approved by the Board. Under the terms of his employment agreement, Mr. Viegas is entitled to receive a minimum base salary of \$200,000 per year and is eligible to receive an annual bonus based upon the achievement of certain financial and/or other performance targets established by the Board. In March 2003, the Compensation Committee increased Mr. Viegas' salary to \$225,000 annually. In 2005, Mr. Viegas did not receive any option grants and he did not receive any bonus. In February 2006, the Compensation Committee increased Mr. Viegas' salary to \$275,000 annually. In deciding to increase Mr. Viegas' salary, the Compensation Committee considered Mr. Viegas' prior accomplishments, his role in the Company, his expected future contributions, and the compensation levels of CEOs of similar-sized high technology companies in the Silicon Valley region. The Committee believes that the terms of Mr. Viegas' employment agreement are consistent with agreements in similar companies and with peer executives at Immersion. The terms of Mr. Viegas' employment agreement are further described in the section entitled Employment Contracts and Change In Control Arrangements.

Compliance with Internal Revenue Code Section 162(m). The Company's policy with respect to compensation paid to its executive officers is to deduct such compensation that qualifies under Section 162(m) of the Internal Revenue Code, as amended, as an expense. Section 162(m) of the Internal Revenue Code and related Treasury Department regulations restrict deductibility of executive compensation paid to the Company's Chief Executive Officer and each of the four other most highly compensated executive officers holding office at the end of any year to the extent such compensation exceeds \$1,000,000 for any of such officers in any year and does not qualify for an exception under the statute or regulations. Income from options granted under the Company's 1997 Stock Option Plan would generally qualify for an exemption from these restrictions so long as the options are granted by a committee whose members are non-employee directors. The Company expects that the Compensation Committee will generally be comprised of non-employee directors, and that to the extent such Committee is not so constituted for any period of time, the options granted during such period will not be likely to result in compensation exceeding \$1,000,000 in any year. The Committee does not believe that in general other components of the Company's compensation will be likely to exceed \$1,000,000 for any executive officer in the foreseeable future and therefore concluded that no further action with respect to qualifying such compensation for deductibility was necessary at this time. In the future, the Committee will continue to evaluate the advisability of qualifying its executive compensation for deductibility of such compensation.

PROPOSAL NO. 2**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Company is asking the stockholders to ratify the Audit Committee's engagement of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2006, and in the event the stockholders fail to ratify the appointment, the Audit Committee will reconsider its engagement. Even if the engagement is ratified, the Audit Committee, in its discretion, may direct the engagement of a different independent registered public accounting firm at any time during the year if the Audit Committee feels that such a change would be in the best interest of the Company and its stockholders. Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

Deloitte & Touche LLP has been the independent registered public accounting firm that audits the financial statements of the Company since 1997. In accordance with standing policy, Deloitte & Touche LLP periodically changes the personnel who work on the audit. The Company has no current consulting agreements with Deloitte & Touche LLP.

The following table sets forth the aggregate fees billed to the Company for the fiscal years ended December 31, 2005 and 2004 by the Company's principal accounting firm, Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates:

(1) Audit fees consist of fees billed, or expected to be billed, for professional services rendered for the audits of the Company's consolidated financial statements and management's assessment that it maintained effective internal controls over financial reporting, along with reviews of interim condensed consolidated financial statements included in quarterly reports, services that are normally provided by Deloitte & Touche LLP in connection with statutory and regulatory filings or engagements, and attestation services.

(2) Audit-related fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Company's consolidated financial statements and are not reported under Audit Fees.

Table of Contents

(3) Tax fees consist of tax compliance/preparation and other tax services. Tax compliance/preparation consists of fees billed for tax return preparation, claims for refunds, and tax payment planning services related to federal, state, and international taxes. Other tax services consist of fees billed for services including tax advice, tax strategy, and other miscellaneous tax consulting and planning.

(4) All other fees consist of fees for all other services other than those reported above. The Company's intent is to minimize services in this category.

The Audit Committee has determined that all services performed by Deloitte & Touche LLP are compatible with maintaining the independence of Deloitte & Touche LLP. In addition, since the effective date of the SEC rules stating that an independent public accounting firm is not independent of an audit client if the services it provides to the client are not appropriately approved, the Audit Committee has approved, and will continue to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services, and other services.

The Audit Committee has adopted a policy for the pre-approval of services provided by the independent registered public accounting firm, pursuant to which it may pre-approve certain audit fees, audit-related fees, tax fees, and fees for other services. Under the policy, the Audit Committee may also delegate authority to pre-approve certain specified audit or permissible non-audit services to one or more of its members. A member to whom pre-approval authority has been delegated must report his pre-approval decisions, if any, to the Audit Committee at its next meeting. Unless the Audit Committee determines otherwise, the term for any service pre-approved by a member to whom pre-approval authority has been delegated is twelve months.

Vote Required

Stockholder ratification of the selection of Deloitte & Touche LLP as the independent registered public accounting firm is not required by our bylaws or otherwise. The Board, however, is submitting the selection of Deloitte & Touche LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee and the Board will reconsider whether or not to retain Deloitte & Touche LLP. Even if the selection is ratified, the Audit Committee and the Board in their discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and our stockholders.

Approval of this proposal requires the affirmative vote of a majority of the votes cast at the annual meeting of stockholders, as well as the presence of a quorum representing a majority of all outstanding shares of the Company, either in person or by proxy. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum but will not have any effect on the outcome of the proposal.

AND RECOMMENDS THAT STOCKHOLDERS VOTE FOR PROPOSAL 2.
SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), requires the Company's executive officers, directors, and persons who beneficially own more than 10% of our common stock to file initial reports of ownership and reports of changes in ownership with the SEC. These persons are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms filed by such persons.

Based solely on the Company's review of the forms furnished to it and written representations from certain reporting persons, the Company believes that all filing requirements applicable to its executive officers, directors, and persons who beneficially own more than 10% of the Company's common stock were complied with during the fiscal year ended December 31, 2005.

The following table sets forth as of March 28, 2006, certain information with respect to the beneficial ownership of the Company's common stock by (i) each stockholder who is known by the Company to be the beneficial owner of more than 5% of the Company's outstanding shares of common stock, (ii) each of the Company's directors, (iii) the Named Executive Officers, and (iv) all directors and named executive officers as a group. Beneficial ownership has been determined in accordance with Rule 13d-3 under the Exchange Act. In addition, shares are deemed to be beneficially owned by a person if the person has the right to acquire shares (for example, upon exercise of an option or warrant) within 60 days of the date as of which the information is provided; in computing the percentage ownership of any person, the amount of shares is deemed to include the amount of shares beneficially owned by such person (and only such person) by reason of such acquisition rights.
