**Item 5.02(e) Compensatory Arrangements of Certain Officers**

Leadership Corporate Incentive Plan

On October 28, 2008, the Compensation Committee (the *Committee*) of the Board of Directors of Advanced Energy Industries, Inc. approved the Leadership Corporate Incentive Plan (the *Leadership Plan*), which provides the company's executive officers and other key leaders with the opportunity to earn cash bonuses based on achievement of corporate and individual performance criteria. Beginning with the fiscal year 2009, the Leadership Plan replaces the company's Leadership Performance Incentive Plan. Advanced Energy also maintains a separate employee corporate incentive plan (the *Employee Plan*). Participants in the Leadership Plan do not participate in the Employee Plan. Pursuant to the Leadership Plan and Employee Plan, the company will fund a bonus pool equal to 10% of the company's annual operating income, to be shared among participants in both plans. Individual bonuses under the Leadership Plan will be awarded only if specified corporate performance thresholds with respect to annual revenue and operating income are met. The amount of any individual bonus under the Leadership Plan will be based upon such participant's pre-established target bonus, performance review and accomplishment of individual performance objectives determined by management, subject to consideration of the total size of the bonus pool and the limitation that no participant in the Leadership Plan shall receive a bonus greater than 150% of such participant's target bonus. The target bonuses for executive officers under the Leadership Plan, expressed as a percentage of base salary, are 90% of base salary for Hans Georg Betz, Chief Executive Officer and 60% of base salary for each of Lawrence D. Firestone, Executive Vice President and Chief Financial Officer, and Yuval Wasserman, Executive Vice President, Sales, Marketing and Service.

The individual performance objectives applicable to the participants in the Leadership Plan relate to profitability, growth, quality and other key metrics set forth in the company's annual operating plan that is approved annually by the Board of Directors.

---
