- (2) The securities registered hereby represent an addition to the 1,500,000 shares of common stock issuable under the Bluefly, Inc. 1997 Stock Option Plan which were registered previously on a registration statement on Form S-8 (File No. 333-76079, filed on April 12, 1999).
- (3) Estimated in accordance with Rule 457(c) and (h) of the Securities Act of 1933, as amended (the "Act"), solely for the purpose of calculation of the registration fee. The fee was based on the fact that options for 2,837,018 shares have been granted at a weighted average exercise price of \$2.90 and the remaining 1,062,982 are based on the average of the high and low price for shares of common stock, par value \$.01 per share, of the Registrant on the Nasdaq SmallCap Market on January 5, 2001 (\$0.67).

EXPLANATORY NOTES

This Amendment No.2 to Registration Statement on Form S-8 is being filed to register an additional 3,900,000 shares of the Registrant's common stock, \$.01 par value per share ("Common Stock"), issuable pursuant to the Registrant's 1997 Stock Option Plan (as amended to date, the "Plan"). Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not Applicable.

Item 6. Indemnification of Directors and Officers.

Sections 722 and 726 of the New York Business Corporation Law (the "BCL") grant the Registrant broad powers to indemnify and insure its directors and officers against liabilities they may incur in such capacities. In accordance therewith, the Registrant's Restated Certificate of Incorporation (the "Charter"), and Amended and Restated By-Laws, as amended, provide for the fullest indemnification of an officer or a director of the Registrant under the BCL. The Charter also eliminates personal liability for any breach of directors'

duty to the Registrant and its shareholders, provided that such breach does not result from (a) (i) an act or omission in bad faith, (ii) intentional misconduct or (iii) a knowing violation of law, (b) a transaction from which a director personally gained, in fact, a financial profit or other advantage to which the director was not entitled, (c) acts of the director in violation of Section 719 of the BCL or (d) an act or omission prior to the adoption of such provision in the Charter.

The Registrant has entered into agreements with an officer that requires the Registrant to indemnify such person against any loss, cost, damage, injury or other expense, including attorneys' fees, incurred by reason of the fact that such person served as a director or officer of the Registrant, provided that such indemnification is consistent with the BCL.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

The following exhibits are filed as part of this Registration Statement:

Exhibit Number. -----	Description. -----
4.1	Bluefly, Inc. 1997 Stock Option Plan, as amended to date.
5.1	Opinion of Swidler Berlin Shereff Friedman, LLP.
23.1	Consent of PricewaterhouseCoopers LLP
23.2	Consent of Swidler Berlin Shereff Friedman, LLP (contained in Exhibit 5.1).

Item 9. Undertakings.

The undersigned hereby undertakes that it will:

- (1) file, during any period in which it offers or sell securities, a post-effective amendment to this registration statement to:
 - (i) include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) reflect in the prospectus any facts or events which, individually or together, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
 - (iii) include any additional or changed material information on the

Edgar Filing: BLUEFLY INC - Form S-8 POS

plan of distribution;

- (2) for determining liability under the Securities Act, treat each post-effective amendment as a new registration statement of the securities offered, and the offering of the securities at that time to be the initial bona fide offering;
- (3) file a post-effective amendment to remove from registration any of the securities that remain unsold at the end of the offering;
- (4) for determining any liability under the Securities Act, treat the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the small business issuer under Rule 424(b) (1), or (4) or 497(h) under the Securities Act as part of this registration statement as of the time the Commission declared it effective; and
- (5) for determining any liability under the Securities Act, treat each post-effective amendment that contains a form of prospectus as a new registration statement for the securities offered in the registration statement, and that offering of the securities at that time as the initial bona fide offering of those securities.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the issuer pursuant to the foregoing provisions, or otherwise, the issuer has been advised that, in the opinion of the Commission, such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the issuer of expenses incurred or paid by a director, officer or controlling person of the issuer in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the issuer will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
