PROXY STATEMENT

GENERAL INFORMATION

PROXY SOLICITATION

This proxy statement is furnished to the holders of common stock of Transpro, Inc. in connection with the solicitation by our Board of Directors of proxies for use at the annual meeting of stockholders to be held on Thursday, May 6, 2004, or at any adjournments of the annual meeting. The purposes of the meeting and the matters to be acted upon are described in the accompanying Notice of Annual Meeting of Stockholders. The Board of Directors is not currently aware of any other matters that will come before the meeting.

Proxies for use at the meeting are being solicited by our Board of Directors. Proxies will be mailed to stockholders on or about April 5, 2004 and will be solicited chiefly by mail. We will make arrangements with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to the beneficial owners of the shares and will reimburse them for their expenses in so doing. Should it appear desirable to do so in order to ensure adequate representation of shares at the meeting, our officers, agents and employees may communicate with stockholders, banks, brokerage houses and

Edgar Filing: TRANSPRO INC - Form DEF 14A

others by telephone, e-mail, facsimile, or in person to request that proxies be furnished. We will pay all expenses incurred in connection with this solicitation. In addition, we have retained Morrow & Co., Inc. to aid in the solicitation of proxies. The anticipated fee of Morrow & Co., Inc. is \$5,000 plus out-of-pocket fees and expenses.

REVOCABILITY AND VOTING OF PROXY

A form of proxy for use at the annual meeting and a return envelope for the proxy are enclosed. Stockholders may revoke the authority granted by their execution of proxies at any time before their effective exercise by filing with our Secretary a written notice of revocation or a duly executed proxy bearing a later date, or by voting in person at the meeting. Shares of common stock represented by executed and unrevoked proxies will be voted in accordance with the choice or instructions specified. If no specifications are given, the proxies intend to vote the shares represented to approve Proposals No. 1 and 2 as described in the accompanying Notice of Annual Meeting of Stockholders and in accordance with their best judgment on any other matters which may properly come before the meeting.

RECORD DATE AND VOTING RIGHTS

Only stockholders of record at the close of business on March 9, 2004 are entitled to notice of and to vote at the annual meeting or any adjournments of the annual meeting. On March 9, 2004 there were 7,106,023 shares of common stock outstanding; each share is entitled to one vote on each of the matters to be presented at the annual meeting. The holders of a majority of the outstanding shares of common stock, present in person or by proxy, will constitute a quorum at the annual meeting. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. "Broker non-votes" are shares held by brokers or nominees which are present in person or represented by proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner. Under Delaware law, the effect of broker non-votes on a particular matter depends on whether the matter is one as to which the broker or nominee has discretionary voting authority under the applicable rule of the American Stock Exchange. The effect of broker non-votes on the specific items to be brought before the annual meeting is discussed under each item.

PROPOSAL NO. 1 -- ELECTION OF DIRECTORS

Seven directors, constituting the entire Board, are to be elected at the annual meeting. Unless otherwise specified, the enclosed proxy will be voted in favor of the persons named below to serve until the next annual meeting of stockholders and until their successors have been duly elected and qualified. In the event any of these nominees will be unable to serve as a director, the shares represented by the proxy will be voted for the person, if any, who is designated by the Board of Directors to replace the nominee. All nominees have consented to be named and have indicated their intent to serve if elected. The Board of Directors has no reason to believe that any of the nominees will be unable to serve or that any vacancy on the Board of Directors will occur.

INFORMATION REGARDING THE BOARD OF DIRECTORS

The business and affairs of Transpro are managed under the direction of our Board of Directors, whose members are elected annually by the stockholders. Our Board of Directors has designated a Nominating, Governance and Compensation Committee and an Audit Committee. Messrs. Lederer, Abraham and Banducci are the members of the Nominating, Governance and Compensation Committee; and Messrs. Smith, Colburn and Ms. Oster are the members of the Audit Committee. Each member of the Audit Committee is independent under Rule 10A-3 of the Securities and Exchange Commission and AMEX listing standards. The Board of Directors has determined that Mr. Smith, Chairman of the Audit Committee, and Mr. Colburn are each an "audit committee financial expert" as that term is defined in Item 401(h) of Regulation S-K of the Securities and Exchange Commission. Each member of the Nominating, Governance and Compensation Committee is independent as provided under AMEX listing standards.

The Nominating, Governance and Compensation Committee recommends to the Board salaries and incentive compensation awards for our officers; reviews and approves guidelines for the administration of incentive compensation programs for other management employees; makes recommendations to the Board with respect to major compensation programs; administers our 1995 Stock Plan and our 1995 Nonemployee Directors Stock Option Plan (the "Directors Plan"), grants stock options and restricted shares of common stock under the 1995 Stock Plan; and issues the Report on Executive Compensation required to be included in our proxy statement by the rules of the Securities and Exchange Commission. This committee also oversees corporate governance issues in accordance with applicable law and American Stock Exchange rules, selects and recommends to the Board nominees for election as directors and considers the performance of incumbent directors in determining whether to recommend them for nomination for re-election. The Nominating, Governance and Compensation Committee has recommended each of the seven returning incumbent directors for re-election at the annual meeting. The charter of the Nominating, Governance and Compensation Committee is posted on our website at www.transpro.com.

Edgar Filing: TRANSPRO INC - Form DEF 14A

The Audit Committee is directly responsible for the appointment, compensation and oversight of the audit and related work of our independent auditors. The Audit Committee reviews the degree of their independence; approves the scope of the audit engagement, including the cost of the audit; approves any

3

non-audit services rendered by the auditors and the fees for these services; reviews with the auditors and management our policies and procedures with respect to internal accounting and financial controls and, upon completion of an audit, the results of the audit engagement; and reviews internal accounting and auditing procedures with our financial staff and the extent to which recommendations made by the independent auditors have been implemented. The Audit Committee has adopted a charter that meets the requirements of the Securities and Exchange Commission and the American Stock Exchange. A copy of the Audit Committee charter is attached as Exhibit A to this proxy statement.

During 2003, the Board of Directors held five meetings, the Nominating, Governance and Compensation Committee held three meetings and the Audit Committee held eight meetings. During 2003, each director attended at least 75% of the meetings of the Board of Directors held and of all committees of the Board of Directors on which he or she served while he or she was director or a member of a committee of the Board of Directors, except for Ms. Oster, who attended nine of the thirteen Board and applicable committee meetings.

COMPENSATION OF DIRECTORS

The Chairman of the Board of Directors is paid an annual retainer of \$48,000 per year for his services as Chairman and \$1,000 for each meeting of the Board of Directors attended. The Chairman does not receive any additional compensation for committee participation. All other nonemployee directors are paid \$16,000 per year for their services as a director and \$1,000 for each meeting of the Board of Directors attended. Each nonemployee member of the Audit or Nominating, Governance and Compensation Committee is paid \$2,000 per year for his or her service as a member (\$4,000 if Chairman of the committee), and each committee member is paid \$500 for each meeting of a committee attended. Directors are not paid fees for actions by unanimous written consent but are compensated for participation in telephonic meetings. Each director and committee member is reimbursed for travel and related expenses incurred in attending meetings.

Under our 1995 Nonemployee Directors Stock Option Plan, the Chairman and each nonemployee director are automatically entitled to a grant of options to purchase 3,200 and 1,500 shares of common stock, respectively, on an annual basis, on the first Friday following our annual meeting of stockholders. However, as there were insufficient shares remaining available for grant pursuant to the Directors Plan, no option grants were made to directors in 2003.

We maintain a matching gift program for the benefit of our directors. Pursuant to the matching gift program, in 2003, we matched gifts to charitable organizations made by the directors in amounts up to \$2,500 for each director.

We are party to an employment agreement with Charles E. Johnson, our President and Chief Executive Officer, and a director. For a description of the terms of this agreement, see "Executive Compensation -- Employment, Termination of Employment and Change of Control Arrangements."

COMMUNICATIONS WITH DIRECTORS

In order to provide our security holders and other interested parties with a direct and open line of communication to the Board of Directors, the Board of Directors has adopted the following procedures for communications to directors. Transpro security holders and other interested persons may communicate with the chairmen of the Company's Nominating, Governance and Compensation Committee, or Audit Committee or with the non-management directors of the Company as a group by sending an email to directors@transpro.com. The email should specify which of the foregoing is the intended recipient. Communications may also be sent by mail addressed in care of the corporate Secretary, Transpro, Inc., 100 Gando Drive, New Haven, CT 06513.

All communications received in accordance with these procedures will be reviewed initially by our corporate Secretary. The Secretary will relay all such communications to the appropriate director or directors unless the Secretary determines that the communication:

- o does not relate to the business or affairs of Transpro or the functioning or constitution of the Board of Directors or any of its committees;

4

- o relates to routine or insignificant matters that do not warrant the attention of the Board of Directors;
- o is an advertisement or other commercial solicitation or communication;
- o is frivolous or offensive; or
- o is otherwise not appropriate for delivery to directors.

The director or directors who receive any such communication will have discretion to determine whether the subject matter of the communication should be brought to the attention of the full Board of Directors or one or more of its committees and whether any response to the person sending the communication is appropriate. Any such response will be made only in accordance with applicable law and regulations relating to the disclosure of information.

Our Secretary will retain copies of all communications received pursuant to these procedures for a period of at least one year. The Nominating, Governance and Compensation Committee of the Board of Directors will review the effectiveness of these procedures from time to time and, if appropriate, recommend changes.

We have not established a formal policy regarding director attendance at our annual meetings of stockholders, but our directors generally do attend the annual meeting. The Chairman of the Board presides at the annual meeting of stockholders, and the Board of Directors holds one of its regular meetings in conjunction with the annual meeting of stockholders. Accordingly, unless one or more members of the Board are unable to attend, all members of the Board are present for the annual meeting. Five of the seven members of the Board at the time of the Company's 2003 annual meeting of stockholders attended that meeting.

NOMINATION OF DIRECTORS

Edgar Filing: TRANSPRO INC - Form DEF 14A

The Nominating, Governance and Compensation Committee has adopted specifications applicable to members of the Board of Directors, and nominees for the Board of Directors recommended by the Nominating, Governance and Compensation Committee must meet these specifications. The specifications provide that a candidate for director should:

- o Have a reputation for industry, integrity, honesty, candor, fairness and discretion;
- o Be knowledgeable in his or her chosen field of endeavor, which field should have such relevance to our businesses as would contribute to the company's success;
- o Be knowledgeable, or willing and able to become so quickly, in the critical aspects of our businesses and operations; and
- o Be experienced and skillful in serving as a competent overseer of, and trusted advisor to, senior management of a publicly held corporation.

In addition, nominees for the Board of Directors should contribute to the mix of skills, core competencies and qualifications of the Board through expertise in one or more of the following areas: accounting and finance, the automotive industry, international business, mergers and acquisitions, leadership, business and management, strategic planning, government relations, investor relations, executive leadership development, and executive compensation.

The Nominating, Governance and Compensation Committee will consider nominees recommended by stockholders for election at the 2005 Annual Meeting of Stockholders that are submitted prior to the end of 2004 to our Secretary at Transpro's offices, 100 Gando Drive, New Haven, Connecticut 06513. Any recommendation must be in writing and must include a detailed description of the business experience and other qualifications of the recommended nominee as well as the signed consent of the nominee to serve if nominated and elected, so that the candidate may be properly considered. All stockholder recommendations will be reviewed in the same manner as other potential candidates for Board membership.

The Nominating, Governance and Compensation Committee has not received any nominees for election to the Board from any stockholder or group that has held more than 5% of our common stock for a period of one year.

5

CODE OF ETHICS

Our Board of Directors has approved a Code of Business Conduct in accordance with the rules of the Securities and Exchange Commission and the American Stock Exchange that governs the conduct of each of our employees and directors, including our principal executive officer, principal financial officer, principal accounting officer and controller. Our Code of Business Conduct is maintained on our website at www.transpro.com.

VOTE REQUIRED

The seven nominees receiving the affirmative vote of holders of a majority of the shares of common stock issued, outstanding and entitled to vote, present or represented at the meeting, a quorum being present, shall be elected as directors. Broker non-votes with respect to this matter will be treated as neither a vote "for" or a vote "against" the matter, although they will be

Edgar Filing: TRANSPRO INC - Form DEF 14A

counted in determining if a quorum is present. However, instructions on the accompanying proxy card to withhold authority to vote for one or more nominees will be considered in determining the number of votes required to attain a majority of the shares present or represented at the meeting and entitled to vote. Accordingly, an instruction to withhold authority by a stockholder present in person or by proxy at the meeting has the same legal effect as a vote "against" the nominee because it represents a share present or represented at the meeting and entitled to vote, thereby increasing the number of affirmative votes required to approve the nominee.

THE BOARD OF DIRECTORS DEEMS "PROPOSAL NO. 1 -- ELECTION OF DIRECTORS" TO BE IN THE BEST INTERESTS OF TRANSPRO AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL OF THIS PROPOSAL.

EXECUTIVE COMPENSATION

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Nominating, Governance and Compensation Committee (the "Compensation Committee") is comprised of three independent non-employee directors. As members of the Compensation Committee, it is our responsibility to administer Transpro's executive compensation programs, monitor corporate performance and its relationship to compensation of executive officers, and make appropriate recommendations concerning matters of executive compensation.

Compensation Policies

We have formulated a compensation philosophy that is designed to enable us to attract, retain and reward capable employees who can contribute to the success of Transpro, principally by (i) setting base salaries at the median of the marketplace, (ii) creating an annual incentive opportunity with target award levels somewhat above median marketplace practices and (iii) creating a significant long term incentive opportunity for senior management. We believe that implementation of a system of compensation that emphasizes performance-based compensation provides a strong alignment to stockholders' interests. Five key principles serve as the guiding framework for compensation decisions for all employees of Transpro:

- o To attract and retain the most highly qualified management and employee team.
- o To pay competitively compared to similar automotive companies.
- o To encourage superior employee performance by aligning rewards with stockholder interests, especially through the use of tangible performance targets.
- o To motivate senior executives to achieve Transpro's annual and long-term business goals by providing leveraged equity-based incentive opportunities.
- o To strive for fairness in administration by emphasizing performance related contributions as the basis for pay decisions.

To implement these policies, we have designed the framework for a four-part executive compensation program consisting of base salary, annual incentive plan, long-term incentive opportunities for senior management, and other employment benefits.

Edgar Filing: TRANSPRO INC - Form DEF 14A

Base Salary. We will seek to maintain levels of compensation that are competitive with similar automotive companies. Base salary represents the fixed component of the executive compensation program. Transpro's philosophy regarding base salaries is conservative, and will seek to maintain salaries for the aggregate officer group at approximately the competitive industry average. Periodic increases in base salary will relate to individual contributions evaluated against established objectives, length of service, and the industry's annual competitive pay practice movement. We believe that base salary for 2003 for our Chief Executive Officer and for the other executive officers was generally at the competitive industry average.

Annual Incentive Plan. We have designed an annual incentive plan pursuant to which key Transpro employees will be eligible to receive performance bonuses in a range based upon a percentage of their annual base salary. Payment of the performance bonuses is based upon performance measures set by the Compensation Committee that incorporate overall corporate, strategic business unit and personal targets. In general, with regard to senior executives, a greater degree of emphasis is placed on the long-term incentives described below.

Long-Term Incentives. We believe that the pay program should provide senior executives with an opportunity to increase their ownership and potentially gain financially from Transpro stock price increases. By this approach, the best interests of stockholders and senior executives will be closely aligned. Therefore, senior executives are eligible to receive restricted stock and are also eligible to receive stock options, giving them the right to purchase shares of common stock at a specified price in the future. We believe that the use of restricted stock and stock options as the basis for long-term incentive compensation meets our defined compensation strategy and business needs by achieving increased value for stockholders and retaining key employees.

Other Benefits. Our philosophy is to provide competitive health- and welfare-oriented benefits to executives and employees, but to maintain a conservative posture relative to executive benefits. Consistent with industry practices, we provide an automobile allowance to executive officers.

Compliance with Section 162(m) of the Internal Revenue Code

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to a public corporation for compensation over \$1 million paid to a corporation's chief executive officer and four other most highly compensated executive officers. Qualifying performance-based compensation will not be subject to the cap if certain requirements are met. We intend to structure the compensation of our executive officers in a manner that should ensure that Transpro does not lose any tax deductions because of the \$1 million compensation limit in the foreseeable future.

The salaries for our highest paid executives will be set, in part based on independent studies, at levels approximating the average for companies of comparable size in similar industries and are not expected to approach \$1 million in the foreseeable future. We are a proponent of using more performance and equity-based compensation, which can often be designed to ensure that tax deductibility is not compromised.

Our 1995 Stock Plan incorporates maximum limitations on individual annual stock option and restricted stock grants so as to meet the requirements of Section 162(m). The 1995 Stock Plan also identifies performance measures to be used if we decide to use performance-based vesting restricted stock in the future to meet the requirements of Section 162(m).

2003 Compensation for the Chief Executive Officer

Edgar Filing: TRANSPRO INC - Form DEF 14A

In 2003, Charles E. Johnson was entitled to receive base salary payments at a rate of \$360,000 per year, pursuant to the terms of his employment agreement with the Company. His base salary was increased to \$374,400 effective March 11, 2002 and was increased to \$395,000 effective March 3, 2003. See "Executive Compensation -- Employment, Termination of Employment and Change of Control Arrangements." Mr. Johnson did not receive an annual performance bonus pursuant to the Annual Incentive Plan for 2003. Mr. Johnson did not receive any options to purchase common stock during 2003, as the Compensation Committee believes that prior option grants to Mr. Johnson were adequate to implement its compensation principles.

7

Summary

The Compensation Committee believes that we have implemented a comprehensive compensation program for Transpro executives that is appropriate and competitive with the total compensation programs provided by other similar automotive companies with which we compete. We believe our compensation philosophy ties compensation to stockholder returns and thereby links compensation to the achievement of annual and longer-term operational results of Transpro on behalf of our stockholders. We look forward to providing the stockholders with an update in our next annual report to you.

RETIREMENT PLAN

Each of our named executive officers are covered by a non-contributory defined benefit cash balance plan. We credit an amount, quarterly, to a notional account for each participant under the plan equal to the sum of (i) each participant's total compensation for the quarter (excluding bonus) multiplied by a percentage factor plus (ii) each participant's total compensation for the quarter (excluding bonus) in excess of a fraction of the Social Security wage base multiplied by a percentage factor. The percentage factors are determined under the following table:

rate on the first day of October, November and December of the previous calendar year multiplied by his or her accountbalance at the beginning of the quarter. Upon retirement, the notional account balance will be paid in the form of a lump sum payment or converted to an annuity to provide monthly benefit payments. Upon normal retirement at age 65, Messrs. Johnson, Wisot, Albert, Jackson, and Flynn's estimated annual pension benefits under the cash balance plan are \$6,903, \$6,676, \$8,773, \$12,555, and \$6,999, respectively.

EMPLOYMENT, TERMINATION OF EMPLOYMENT AND CHANGE OF CONTROL ARRANGEMENTS

Charles E. Johnson

Effective March 12, 2001, we entered into an employment agreement with Charles E. Johnson, our President and Chief Executive Officer. The agreement has a two-year term with automatic one-year extensions upon each anniversary date of the agreement unless either party gives at least 90 days' notice to the contrary. The employment agreement can be terminated by Transpro for "serious cause" (as defined in the employment agreement) or in the event Mr. Johnson becomes disabled, and Mr. Johnson can terminate the agreement for "good reason" (as defined in the agreement). The employment agreement provides annual pension benefits, supplemental to the annual benefits paid under our retirement plans, in an amount determined in accordance with the applicable Transpro retirement plan, without giving effect to limits imposed by the Internal Revenue Code and regulations of the IRS on the amount of benefits payable or compensation that may be used in determining benefits that may be paid to an individual under a Federal income tax qualified plan. As of December 31, 2003, our accrued obligation to Mr. Johnson with respect to his supplemental pension benefit was \$15,699. The employment agreement also provides for an annual salary of \$360,000 and a bonus of up to 150% of base salary determined based upon performance targets set annually by the Board. Mr. Johnson's annual base salary was increased in March 2002 to \$374,400 and was increased in March 2003 to \$395,000. In addition, under the agreement, in March 2001 Mr. Johnson received options to purchase 60,000 shares of common stock under our 1995 Stock Plan exercisable one third after one year from date of grant, two-thirds after two years from date of grant and 100 percent after three years from date of grant. In June 2001, Mr. Johnson received options to purchase an additional 40,000 shares that are exercisable 50% after March 12, 2002 and 100% after March 12, 2003. We also agreed to pay Mr. Johnson's reasonable relocation expenses.

Mr. Johnson's employment agreement contains additional provisions which provide that, in the event we terminate Mr. Johnson's employment other than for

Edgar Filing: TRANSPRO INC - Form DEF 14A

"serious cause" or his disability, death or retirement, or if Mr. Johnson terminates his employment for "good reason," we would pay him an amount equal to his salary for one year and would provide his life, disability, accident, medical and hospitalization insurance benefits during a period of one year after termination. In addition, we would pay Mr. Johnson accrued vacation pay and all other amounts to which he is entitled under the agreement prior to termination.

Severance Agreements

Messrs. Wisot, Albert, Jackson and Flynn entered into severance agreements with the Company. Pursuant to their respective severance agreements, if the officer lost his current position (except for termination for "cause" as defined in each severance agreement), or if during the term thereof should there be a material change in ownership, or the sale of a portion of the business, which results in his not having a position similar to his current position including similar pay and benefits then his base salary will continue to be paid until he either secures other full-time employment, or for one year, whichever occurs first.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Our Nominating, Governance and Compensation Committee currently consists of three non-employee directors - Messrs. Lederer, Abraham and Banducci. Under our 1995 Nonemployee Directors Stock Option Plan, the Chairman and each nonemployee director, including members of the Nominating, Governance and Compensation Committee, are automatically entitled to a grant of options to purchase 3,200 and 1,500 shares of common stock, respectively, on an annual basis, on the first Friday following our annual meeting of stockholders. However, as there were insufficient shares remaining available for grant pursuant to the Directors Plan, no option grants were made to directors in 2003.

10

We have from time to time retained the law firm of Foley & Lardner to perform legal services on our behalf. Payments made by us to Foley & Lardner in 2003 were approximately \$33,871. Mr. Abraham is a partner at Foley & Lardner.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors, and persons who beneficially own more than ten percent of our common stock, to file initial reports of ownership and reports of changes in ownership with the SEC and The American Stock Exchange. Executive officers, directors and greater than ten percent beneficial owners are required by the SEC to furnish us with copies of all Section 16(a) forms they file.

Based upon a review of the copies of these forms furnished to us and written representations from our executive officers and directors, we believe that during fiscal 2003 all Section 16(a) filing requirements applicable to our executive officers, directors and greater than ten percent beneficial owners were complied with.

PROPOSAL NO. 2 -- RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee of our Board of Directors has selected PricewaterhouseCoopers LLP as our independent auditors for the year ending December 31, 2004, and has directed that the selection of independent auditors be submitted for ratification by stockholders at the annual meeting. PricewaterhouseCoopers LLP and its predecessor Coopers & Lybrand L.L.P. has audited our financial statements since 1995. A representative of PricewaterhouseCoopers LLP is expected to be present at the annual meeting and will have an opportunity to make a statement if he or she desires and will be available to respond to appropriate questions.

Stockholder ratification of the selection of PricewaterhouseCoopers LLP as our independent auditors is not required by our Bylaws or otherwise. However, the Audit Committee is submitting the selection of PricewaterhouseCoopers LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection were ratified, the Audit Committee in its discretion may direct the appointment of a different independent accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of Transpro and its stockholders.

VOTE REQUIRED

Edgar Filing: TRANSPRO INC - Form DEF 14A

The affirmative vote of holders of a majority of the shares of common stock issued, outstanding and entitled to vote, present or represented at the meeting, a quorum being present, is required for the adoption of this proposal. Broker non-votes with respect to this matter will be treated as neither a vote "for" or a vote "against" the matter, although they will be counted in determining if a quorum is present. However, abstentions will be considered in determining the number of votes required to attain a majority of the shares present or represented at the meeting and entitled to vote. Accordingly, an abstention from voting by a stockholder present in person or by proxy at the meeting has the same legal effect as a vote "against" the matter because it represents a share present or represented at the meeting and entitled to vote, thereby increasing the number of affirmative votes required to approve this proposal.

THE BOARD OF DIRECTORS DEEMS "PROPOSAL NO. 2 -- RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS" TO BE IN THE BEST INTERESTS OF TRANSPRO AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL OF THIS PROPOSAL.

AUDITOR MATTERS

REPORT OF THE AUDIT COMMITTEE

The Audit Committee reviews Transpro's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process. Transpro's independent auditors are responsible for expressing an opinion on the conformity of our audited financial statements to accounting principles generally accepted in the United States.

In this context, the Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements for the fiscal year ended December 31, 2003. The

15

Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee has received from the independent auditors the written disclosures and letter required by Independence Standards Board No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from Transpro and its management. The Audit Committee has also considered whether the independent auditors provision of non-audit services to Transpro is compatible with the auditor's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements for the fiscal year ended December 31, 2003 be included for filing in Transpro's annual report on SEC Form 10-K for the year ended December 31, 2003.

Pursuant to its charter, the Audit Committee is responsible for selection, approving compensation and overseeing the independence, qualifications and performance of the independent accountants. The Audit Committee has adopted a pre-approval policy pursuant to which certain permissible audit and non-audit services may be provided by the independent accountants. Pre-approval is generally provided for up to one year, is detailed as to the particular service or category of services and may be subject to a specific budget. The Audit Committee may also pre-approve particular services on a case-by-case basis. In assessing requests for services by the independent accountants, the Audit Committee considers whether such services are consistent with the auditor's independence; whether the independent accountants are likely to provide the most effective and efficient service based upon their familiarity with the company; and whether the service could enhance our ability to manage or control risk or improve audit quality.

All of the audit-related, tax and other services provided by PricewaterhouseCoopers in fiscal year 2003 and related fees were approved in

No Audit Committee member may simultaneously serve on the audit committees of more than three public companies unless the Board of Directors affirmatively determines that such service would not impair the ability of such member to effectively serve on the Audit Committee. The Audit Committee Chair may be rotated among members periodically at the discretion of the Board of Directors. If practicable, the immediate past chair will continue as a member of the Audit Committee for at least one year to ensure an orderly transition. If an Audit Committee Chair is not designated or present at a meeting, the members of the Audit Committee may designate a Chair for such meeting by majority vote.

The Audit Committee shall meet on at least a quarterly basis, or more frequently as circumstances dictate. The Audit Committee Chair shall prepare and/or approve an agenda in advance of each meeting.

The Chair of the Audit Committee will regularly report the Audit Committee's findings, conclusions and recommendations to the Board of Directors.
