PROXY STATEMENT

This statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Celadon Group, Inc. (the "Company") to be voted at the Annual Meeting of Stockholders of the Company (the "Meeting") to be held on Friday, November 21, 2003, beginning at 10:00 a.m., local time, at the Company's corporate headquarters and principal executive offices located at One Celadon Drive, Indianapolis, Indiana 46235-4207. If not otherwise specified, all properly executed proxies received pursuant to this solicitation, and not revoked, will be voted in the election of directors FOR the persons named below.

Stockholders who execute proxies may revoke them at any time before they are exercised by giving written notice of revocation to the Secretary of the Company at the address of the Company, by executing a subsequent proxy relating to the same shares and presenting it to the Secretary of the Company, or by attending the meeting and voting in person (attendance at the meeting, will not, in and of itself, constitute revocation of a proxy).

Directors will be elected by a plurality of the votes present in person or represented by proxy at the Meeting and entitled to vote on election of directors. Approval of any other matters that come before the Meeting for action

Edgar Filing: CELADON GROUP INC - Form DEF 14A

will require the affirmative vote of the holders of a majority of the stock duly voted on the matter. Each share is entitled to one vote on each matter that comes before the Meeting. In the election of directors, stockholders may either vote "FOR" all nominees for election or withhold their votes from one or more nominees for election. Votes that are withheld and shares held by a broker, as nominee, that are not voted (so-called "broker non-voters") in the election of directors will not be included in determining the number of votes cast. With respect to a vote for any other matter that comes before the Meeting for action, stockholders may vote "FOR," "AGAINST" or "ABSTAIN" with respect to such matters. Proxies marked to abstain will have the same effect as votes against such matters, and broker non-votes will have no effect on such matters. Unless a proxy is properly revoked pursuant to the procedures described above, the Board of Directors, as proxy for the stockholder, will have the discretion to vote on any other matters that properly come before the Meeting on behalf of the stockholder as directed by a majority of the Board of Directors in their best judgment.

A majority of the shares of the Company's common stock, present in person or represented by proxy, shall constitute a quorum for purposes of the Meeting. Proxies marked to abstain are counted for purposes of determining a quorum. Dissenters' rights of appraisal will not be available with respect to the matters to be acted on at the Meeting.

This proxy statement and the accompanying form of proxy are first being mailed to stockholders on or about October 17, 2003.

Proxies are being solicited hereunder by the Company. The entire cost of soliciting proxies hereunder will be borne by the Company. Proxies will be solicited by mail, and may be solicited personally by directors, officers or regular employees of the Company who will not be compensated for their services. The Company will reimburse brokers and banks for their reasonable expenses for forwarding material to beneficial owners for whom they hold stock.

As of October 1, 2003, the Company had outstanding 7,709,394 shares of common stock, par value \$.033 per share (the "Common Stock"), entitled to vote at the meeting, each share being entitled to one vote. Only stockholders of record at the close of business on October 10, 2003, will be entitled to vote at the Meeting.

MATTERS TO COME BEFORE THE ANNUAL MEETING

PROPOSAL 1: ELECTION OF DIRECTORS

At the Meeting, five directors are to be elected to hold office until the Annual Meeting of Stockholders in 2004 and until their respective successors have been elected and qualified. It is the intention of the persons named in the enclosed form of proxy to vote for the election as directors of the Company of Stephen Russell, Paul A. Biddelman, Anthony Heyworth, Michael Miller and John Kines. All of the individuals are currently directors of the Company, and all of the named individuals are nominees of the Board of Directors. All directors of the Company hold office until the next annual meeting of stockholders of the Company or until their successors are elected and qualified or they resign.

The table in the section below entitled "Directors and Executive Officers" sets forth certain information about each nominee for election to the Board of Directors, as well as each of the Company's executive officers.

It is intended that the proxies solicited on behalf of the Board of Directors (other than proxies in which the vote is withheld as to one or more nominees) will be voted at the Meeting for the election of the nominees identified below. If any nominee is unable to serve, the shares represented by all such proxies will be voted for the election of such substitute as the Board

Edgar Filing: CELADON GROUP INC - Form DEF 14A

of Directors may recommend. At this time, the Board of Directors knows of no reason why any of the nominees might be unable to serve, if elected.

Executive officers hold office until their successors are chosen and qualified, subject to their removal by the Board of Directors, the terms of any applicable employment-related agreements or their resignation. See "Compensation Committee Report on Executive Compensation--Chief Executive Officer's Compensation."

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE ELECTION OF ALL FIVE NOMINEES.

Stock options that are exercisable upon a non-employee director's termination of directorship for disability or death will remain exercisable by the non-employee director or, in the event of his or her death, by the non-employee director's estate or by the person given authority to exercise such stock options by his or her will or by operation of law, until the earlier of (i) the first anniversary of the non-employee director's termination of directorship or (ii) the remaining term of the stock option. Upon a non-employee director's removal from the Board of Directors for cause, all outstanding stock options of such director will immediately terminate and will be null and void.

On April 30, 2003, Paul Biddelman, Michael Miller, Anthony Heyworth and John Kines were each granted options to purchase 4,000 shares. All of the options have an exercise price of \$8.00 per share.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

ROLE OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Company's Board of Directors (the "Compensation Committee") was formed in September 1993 and is currently comprised of two non-employee directors of the Company. The Compensation Committee is responsible for determining the Company's compensation program for its executive officers, including the Named Executive Officers. The Compensation Committee administers the Stock Option Plan and, subject to the provisions of such plan, determines grants under the plans for all employees, including the Named Executive Officers. The Compensation Committee establishes and administers the Company's bonus program, which is re-evaluated each fiscal year, pursuant to which certain employees and executive officers of the Company may be eligible to receive bonuses.

The Compensation Committee has furnished this report on the Company's executive compensation policies. This report describes the Compensation Committee's compensation policies applicable to the Company's executive officers and provides specific information regarding the compensation of the Company's Chief Executive Officer

11

PRINCIPLES OF EXECUTIVE COMPENSATION AND PROGRAM COMPONENTS

The Company's executive compensation philosophy is designed to attract and retain outstanding executives and to foster employee commitment and align employee and stockholder interests. To this end, the Company has sought to provide competitive levels of compensation that integrate pay with the Company's annual and long-term performance goals and reward above-average corporate performance.

STOCK OPTION PLANS

The Stock Option Plan and the Director Option Plan are intended to enhance the profitability and value of the Company for the benefit of its stockholders by enabling the Company (i) to offer stock-based incentives to employees, thereby creating a means to raise the level of stock ownership by such individuals in order to attract, retain and reward such individuals and strengthen the mutuality of interests between such individuals and stockholders, and (ii) to grant non-discretionary, nonqualified stock options to non-employee directors, thereby creating a means to attract, retain and reward such non-employee directors and strengthen the mutuality of interests between non-employee directors and stockholders. The Stock Option Plan and the Director Option Plan permit the grant of incentive stock options (in the case of employees) and nonqualified stock options on a discretionary, case-by-case basis, after consideration of an individual's position, contribution to the Company, length of service with the Company, number of options held, if any, and other compensation.

CHIEF EXECUTIVE OFFICER'S COMPENSATION

Edgar Filing: CELADON GROUP INC - Form DEF 14A

Mr. Russell is employed pursuant to an employment agreement dated January 21, 1994, as amended thereafter, providing for his continued employment until January 21, 2006. The employment period is automatically renewed for successive two-year terms unless the Company or Mr. Russell gives written notice to the other at least 90 days prior to the expiration of the then current employment period of their intention to terminate Mr. Russell's employment. The employment agreement provides Mr. Russell with a base salary equal to \$521,000 (as adjusted annually for increases in the Consumer Price Index). In addition, Mr. Russell is eligible to participate in an incentive bonus program designed for all members of the Company's senior management pursuant to which he may receive a bonus in an amount equal to between 0% and 105% of his base salary in the discretion of the Compensation Committee. The employment agreement also provides that Mr. Russell is entitled to participate in all employee benefit plans of the Company and all other fringe benefit plans generally available to employees of the Company.

The agreement provides that in the event of termination: (i) by the Company without cause (including the non-renewal of the employment period by the Company) or by Mr. Russell for cause, Mr. Russell will be entitled to receive his salary for the remainder of the then current employment period or one year, whichever is greater; (ii) by reason of his disability, Mr. Russell will be entitled to receive 50% of his salary during the two-year period commencing on the date of his termination; and (iii) by reason of his death, Mr. Russell's estate will be entitled to receive a pro-rata portion of the bonus for the fiscal year in which his death occurs and to receive 50% of his salary until the earlier of the end of the then current employment period or one year after the date of death. The employment agreement includes a two-year non-compete covenant commencing on termination of employment.

12

Upon the occurrence of a change in control (as defined in the employment agreement), the amended agreement provides that if (i) at any time within two years of a change in control or within 180 days prior to a change in control, Mr. Russell's employment is terminated by the Company without cause or by Mr. Russell for cause or (ii) at any time during the 90-day period immediately following the date which is six months after the change in control Mr. Russell terminates his employment for any reason, Mr. Russell shall be entitled to receive (1) a lump sum payment in an amount equal to three times his base salary and three times the highest annual bonus paid to him within three years prior to the change in control; (2) any accrued benefits; (3) a pro-rata portion of the bonus for the fiscal year in which the change in control occurs; (4) continued medical and dental benefits for Mr. Russell (and eligible dependents) for 36 months; (5) outplacement services for one year; and (6) upon the occurrence of the change in control, full and immediate vesting of all stock options and equity awards. The agreement also provides that Mr. Russell is entitled to receive a gross-up payment on any payments made to Mr. Russell that are subject to the excise tax imposed by Section 4999 of the Internal Revenue Code of 1986, as amended (the "Code"); provided, however, that if the total payments made to Mr. Russell do not exceed 110% of the greatest amount that could be paid to Mr. Russell such that the receipt of payments would not give rise to any excise tax, then no gross-up payment will be made and the payments made to Mr. Russell, in the aggregate, will be reduced to an amount that would result in no excise tax being triggered.

written notice to terminate each of their employment or obtain each of their resignations. The agreements provide that in the event of termination of employment, the employee will be entitled to receive: (i) one year's salary less normal withholding; (ii) a pro-rata bonus payment equal to the then current bonus formula for the time employed in the then current fiscal year up to the date of termination in that fiscal year less normal withholdings; (iii) a lump sum payment equal to twelve months of COBRA premiums for the group medical and dental plans; and (iv) a lump sum payment equal to twelve months car allowance. This charter governs the operations of the audit committee. The committee shall review and reassess the charter at least annually and obtain the approval of the board of directors. The committee shall be members of, and appointed by, the board of directors and shall comprise at least three directors, each of whom are independent of management and the Company. Members of the committee shall be considered independent as long as they do not accept any consulting, advisory, or other compensatory fee from the Company and are not an affiliated person of the Company or its subsidiaries, and meet the independence requirements of the stock exchange listing standards. All committee members shall be financially literate, and at least one member shall be a "financial expert," as defined by SEC regulations.

PURPOSE

The audit committee shall provide assistance to the board of directors in fulfilling their oversight responsibility to the shareholders, potential shareholders, the investment community, and others relating to: the integrity of the Company's financial statements; the financial reporting process; the systems of internal accounting and financial controls; the performance of the Company's internal audit function and independent auditors; the independent auditor's qualifications and independence; and the Company's compliance with ethics policies and legal and regulatory requirements. In so doing, it is the responsibility of the committee to maintain free and open communication between the committee, independent auditors, the internal auditors, and management of the Company.

In discharging its oversight role, the committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of the Company and the authority to engage independent counsel and other advisers as it determines necessary to carry out its duties.

DUTIES AND RESPONSIBILITIES

The primary responsibility of the audit committee is to oversee the Company's financial reporting process on behalf of the board and report the results of their activities to the board. While the audit committee has the responsibilities and powers set forth in this Charter, it is not the duty of the audit committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles.

1

Management is responsible for the preparation, presentation, and integrity of the Company's financial statements and for the appropriateness of the accounting principles and reporting policies that are used by the Company. The independent auditors are responsible for auditing the Company's financial statements and for reviewing the Company's unaudited interim financial statements.

The committee, in carrying out its responsibilities, believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances. The committee should take appropriate actions to set the overall corporate "tone" for quality financial reporting, sound business risk practices, and ethical behavior. The following shall be the principal duties and responsibilities of the audit committee. These are set forth as a guide with the understanding that the committee may supplement them as appropriate.

The committee shall be directly responsible for the appointment, retention, and termination of the independent auditors (subject, if applicable, to shareholder ratification), and the independent auditors must report directly to the audit

Edgar Filing: CELADON GROUP INC - Form DEF 14A

committee. The committee also shall be directly responsible for the oversight of the work of the independent auditors, including resolution of disagreements between management and the auditor regarding financial reporting. The committee shall pre-approve all audit and non-audit services provided by the independent auditors and shall not engage the independent auditors to perform the specific non-audit services proscribed by law or regulation. The committee may delegate pre-approval authority to a member of the audit committee. The decisions of any audit committee member to whom pre-approval authority is delegated must be presented to the full audit committee at its next scheduled meeting.

At least annually, the committee shall obtain and review a report by the independent auditors describing:

- The firm's internal quality control procedures.
- Any material issues raised by the most recent internal quality control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues.
- All relationships between the independent auditor and the Company (to assess the auditor's independence).

In addition, the committee shall set clear hiring policies for employees or former employees of the independent auditors that meet the SEC regulations and stock exchange listing standards.

The committee shall discuss with the independent auditors the overall scope and plans for their respective audits, including the adequacy of staffing and compensation. Also, the committee shall discuss with management and the independent auditors the adequacy and effectiveness of the accounting and financial controls, including the Company's policies and procedures to assess, monitor, and manage business risk, and legal and ethical compliance programs (e.g., Company's Code of Conduct).

2

The committee shall meet separately periodically with management and the independent auditors to discuss issues and concerns warranting committee attention. The committee shall provide sufficient opportunity for the independent auditors to meet privately with the members of the committee. The committee shall review with the independent auditor any audit problems or difficulties and management's response.

The committee shall receive a report from the independent auditor, prior to the filing of its audit report with the SEC, on all critical accounting policies and practices of the Company, all material alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, including the ramifications of the use of such alternative treatments and disclosures and the treatment preferred by the independent auditor, and other material written communications between the independent auditor and management.

The committee shall review management's assertion on its assessment of the effectiveness of internal controls as of the end of the most recent fiscal year, subsequent to the effective date of Section 404 of the Sarbanes-Oxley Act of 2002, and the independent auditors' report on management's assertion.

The committee shall review and discuss earnings press releases, as well as

Edgar Filing: CELADON GROUP INC - Form DEF 14A

financial information and earnings guidance provided to analysts and rating agencies.

The committee shall review the interim financial statements and disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations with management and the independent auditors prior to the filing of the Company's Quarterly Report on Form 10-Q. Also, the committee shall discuss the results of the quarterly review and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards.

The committee shall review with management and the independent auditors the financial statements and disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations to be included in the Company's Annual Report on Form 10-K (or the annual report to shareholders if distributed prior to the filing of Form 10-K), including their judgment about the quality, not just the acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. Also, the committee shall discuss the results of the annual audit and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards.

The committee shall establish procedures for the receipt, retention, and treatment of complaints received by the issuer regarding accounting, internal accounting controls, or auditing matters, and the confidential, anonymous submission by employees of the issuer of concerns regarding questionable accounting or auditing matters.

The committee shall receive corporate attorneys' reports of evidence of a material violation of securities laws or breaches of fiduciary duty.

3

The committee also prepares its report to be included in the Company's annual proxy statement, as required by SEC regulations.

The committee shall perform an evaluation of its performance at least annually to determine whether it is functioning effectively.
