Item 1.01 Entry into a Material Definitive Agreement.

The information provided in Item 2.03 below is incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On January 31, 2005, ViaSat, Inc. entered into a three-year, \$60 million revolving credit facility (the New Facility) in the form of a Second Amended and Restated Revolving Loan Agreement with Union Bank of California, N.A., as administrative agent, Comerica Bank, as collateral agent, and other lenders party thereto. The New Facility amends and restates ViaSat's existing \$30 million revolving credit facility that was scheduled to expire on February 28, 2005 (the Prior Facility).

Borrowings under the New Facility are permitted up to a maximum amount of \$60 million, including up to \$15 million of letters of credit, and bear interest, at ViaSat's option, at either the lender's prime rate or at LIBOR (London Interbank Offered Rate) plus, in each case, an applicable margin based on the ratio of ViaSat's total funded debt to EBITDA (income from operations plus depreciation and amortization). As with the Prior Facility, the New Facility is collateralized by substantially all of ViaSat's personal property assets.

The New Facility contains financial covenants that set a minimum EBITDA limit for the twelve-month period ending on the last day of any fiscal quarter at \$30 million, a minimum tangible net worth as of the last day of any fiscal quarter at \$135 million, and a minimum quick ratio (sum of cash and cash equivalents, accounts receivable and marketable securities, divided by current liabilities) as of the last day of any fiscal quarter at 1.50 to 1.00. The New Facility also contains customary affirmative covenants, including payment of taxes, maintenance of properties and insurance, and compliance with laws and agreements, and negative covenants, including restrictions on incurring indebtedness, creating liens, disposing of property, capital expenditures, dividends, mergers, acquisitions and other investments. If ViaSat does not comply with the various covenants and other requirements under the New Facility, the lenders may, subject to customary cure rights, require the immediate repayment of all outstanding amounts under the New Facility.

The foregoing description of the New Facility does not purport to be complete and is qualified in its entirety by reference to the Second Amended and Restated Revolving Loan Agreement, which is filed as an exhibit to this report and incorporated herein by reference.
