Introduction

The terms Great Wolf Resorts, us, we and our are used in these pro forma financial statements to refer to Great Wolf Resorts, Inc.

The accompanying unaudited pro forma condensed consolidated balance sheet as of September 30, 2005 has been prepared to give pro forma effect to our sale of certain resort assets to a joint venture (the Partnership) comprised of affiliates of CNL Income Properties, Inc. and us, as if the sale had occurred on September 30, 2005. The unaudited pro forma condensed consolidated statement of operations for the nine months ended September 30, 2005 has been prepared to give pro forma effect to the sale and related transactions as if they had occurred on January 1, 2005. All material adjustments necessary to reflect the sale and related transactions are presented in the Transaction Adjustments columns, which are further described in the notes below. The unaudited pro forma condensed consolidated financial statements assume the adjustments described in the accompanying notes to the unaudited pro forma condensed consolidated financial statements.

We have not presented a pro forma condensed consolidated statement of operations for the period December 21, 2004 (commencement of our operations) through December 31, 2004 as the effect of the sale and related transactions on our operations for that 11-day interim period is considered immaterial. The resort-owning entities whose resorts were sold to the Partnership were not included in our predecessor entity's financial statements in periods prior to our commencement of operations on December 21, 2004.

The pro forma condensed consolidated financial statements assume all of the following occurred on September 30, 2005, in the case of our pro forma consolidated balance sheet, and as of January 1, 2005, in the case of our pro forma consolidated statement of operations:

Selling to the Partnership two waterpark resorts: the 309-suite Great Wolf Lodge resort in Wisconsin Dells, Wisconsin and the 271-suite Great Wolf Lodge resort in Sandusky, Ohio (the Properties), both of which we previously owned and operated, following the purchase of the Properties on December 20, 2004. The Properties were valued at a total sales price of \$114.5 million. CNL Income Properties acquired a 70% interest in the Partnership for approximately \$80.1 million;

Entering into agreements to manage the Properties and to license the Great Wolf Lodge brand to the Partnership, pursuant to long-term management and license agreements, respectively;

Establishing an investment in affiliate for the 30% interest in the Properties we retained following the sale;

Escrowing \$17.5 million of our initial \$80.1 million in total proceeds, in order to fund the construction of an approximately 38,000 square-foot waterpark expansion at the Great Wolf Lodge in Wisconsin Dells, Wisconsin and recording a liability of \$8.1 million as the estimated cost of that expansion project;

Removing \$42.9 million of goodwill from our books as part of the carrying value of the resorts disposed of in the sale; and

Terminating a \$75.0 million revolving credit facility secured by the resorts disposed of in the sale, none of which was outstanding at the time of the sale of the Properties.

The Partnership was evaluated in accordance with FASB Interpretation No. 46 (revised December 2003), *Consolidation of Variable Interest Entities, an interpretation of ARB No. 51*, and was determined not to be a variable interest entity. Accordingly, we have accounted for our 30% ownership interest in the Partnership using the equity method of accounting.

The pro forma condensed consolidated financial statements are for informational purposes only and should not be considered indicative of actual results that would have been achieved had the sale and related transactions reflected herein had occurred on the dates or been in effect during the periods indicated. The pro forma financial information should not be viewed as indicative of our financial results or conditions in the future.

This pretax loss amount is estimated at \$(25,876), assuming a transaction date of September 30, 2005. This total pretax loss amount is the net of a \$17,056 pretax gain on the disposition of the tangible assets sold and a \$(42,932) pretax loss from the removal of goodwill.
