Dimensional reported in its Schedule 13G that, in its role as investment advisor or manager, it possesses investment and/or voting power over the shares of common stock that are owned by the Funds, and may be deemed to be the beneficial owner of such shares. Dimensional further stated that all shares of common stock reported in its Schedule 13G are owned by the Funds and disclaimed beneficial ownership of all such shares.

ELECTION OF DIRECTORS

A Board of nine directors is to be elected at the Annual Meeting, to serve until the next Annual Meeting and until their successors shall have been elected and shall qualify. The shares represented by proxies received by the Board of Directors will be voted, in the absence of any contrary direction therein, for the election of the nominees hereinafter listed and described. The Board of Directors believes that the persons named will be available, but, if any nominee is unable or unwilling to serve as director, the proxies will be voted for another individual to be selected by the Board of Directors.

A majority of the outstanding Common Stock shares of the Company will constitute a quorum at the Annual Meeting. Election as a director requires a plurality of the votes cast at the Annual Meeting, so the nine nominees who receive the largest number of votes cast will be elected as directors. An affirmative vote of a majority of the shares present in person or by proxy and entitled to vote at the Annual Meeting is required for approval of any proposal submitted to shareholders (except for election of directors). Abstentions, withheld votes and broker non-votes are counted for purposes of determining the presence or absence of a quorum. Abstentions are counted as votes against a proposal, whereas broker non-votes are not counted for purposes of determining

Edgar Filing: CHICAGO RIVET & MACHINE CO - Form DEF 14A

whether a proposal has been approved. For any nominee, withheld votes will have no effect on the election of that nominee.

In the election of directors, voting rights are cumulative, which means that each shareholder is entitled to as many votes as are equal to the number of his or her shares multiplied by the number of directors to be elected (nine). Each shareholder may cast all of such votes for one nominee or may distribute them among two or more nominees in his or her discretion. In the absence of any contrary written direction in the proxy, the proxy will confer discretionary authority on the persons named therein as representatives to cumulate votes selectively among the nominees in the manner just described.

SECURITY OWNERSHIP OF MANAGEMENT

The following table sets forth certain information regarding the Board of Directors, the Board of Directors' nominees for director and each executive officer of the Company named in the Summary Compensation Table, including their ages, principal occupations and beneficial ownership of common shares of the Company, and information regarding the beneficial ownership of such shares by all directors and executive officers of the Company as a group:

ADDITIONAL INFORMATION CONCERNING THE BOARD OF DIRECTORS AND COMMITTEES

The Board of Directors has determined that Edward L. Chott, Kent H. Cooney, William T. Divane, Jr., George P. Lynch and John R. Madden are "independent directors" under the rules of the American Stock Exchange.

The Board of Directors of the Company held a total of five meetings during 2006.

The Board of Directors has appointed an Audit Committee, which presently consists of Directors Edward L. Chott, Kent H. Cooney, William T. Divane, Jr., and John R. Madden, each of whom is an "independent director" under the rules of the American Stock Exchange applicable to audit committee members. The Audit Committee is a separately designated committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. The Board of Directors has determined that each member of the Audit Committee is able to read and understand fundamental financial statements and that Messrs. Cooney and Madden are each qualified as an "audit committee financial expert," as defined by the Securities and Exchange Commission pursuant to the Sarbanes-Oxley Act of 2002. Member Kent H. Cooney's background as described in footnote 7 on page 6 of this proxy statement, along with his training and experience as a CPA and former partner with the public accounting firm of McGladrey & Pullen LLP, provide the basis for this determination. Member John R. Madden's background as described in footnote 5 on page 6 of this proxy statement, along with his training and previous experience as a bank examiner for the Federal Deposit Insurance Corporation provide the basis for this determination. The Audit Committee met five times during 2006. The duties of the Audit Committee include selecting the Company's independent auditor, reviewing the arrangements and scope of the independent auditor's examination, reviewing internal accounting procedures and controls, and reviewing the independence of the auditor in regard to the Company

7

Edgar Filing: CHICAGO RIVET & MACHINE CO - Form DEF 14A

and its management. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is located on the Company's website: www.chicagorivet.com.

The Board of Directors has also appointed a Compensation Committee, which presently consists of Directors Edward L. Chott, William T. Divane, Jr., George P. Lynch and John R. Madden, each of whom is an "independent director" under the rules of the American Stock Exchange. The duties of the Compensation Committee include considering and recommending to the Board of Directors the compensation and benefits of all officers of the Company, including the General Manager of H & L Tool Company, Inc. The Committee is solely responsible for developing its recommendations to the Board but the Committee may, in its discretion, solicit information from management of the Company. The Committee may create sub-committees, consisting of a minimum of two members of the Committee and may delegate authority to those sub-committees. The Compensation Committee met four times during 2006. The Board of Directors has adopted a written charter for the Compensation Committee, a copy of which is located on the Company's website: www.chicagorivet.com.

Director compensation for non-employee directors is determined by the Board of Directors, and the current director fees have been in effect since 2004.

The Board of Directors has also appointed an Executive Committee, which presently consists of Directors Michael J. Bourg, John R. Madden, John A. Morrissey and Walter W. Morrissey. Under the by-laws of the Company and the resolution of the Board of Directors appointing the Executive Committee, the Executive Committee has all of the authority of the Board of Directors in the management of the Company, except as otherwise required by law. The Executive Committee met twelve times during 2006.

The Board of Directors has also appointed a Nominating Committee, which presently consists of Directors Edward L. Chott, William T. Divane, Jr., and John R. Madden, each of whom is an "independent director" under the rules of the American Stock Exchange. The duties of the Nominating Committee include identifying individuals qualified to serve as directors of the Company and recommending to the Board of Directors nominees for the board and members of board committees. The Nominating Committee met twice in 2006. The Board of Directors has adopted a written charter for the Nominating Committee, a copy of which is located on the Company's website: www.chicagorivet.com.

The Nominating Committee will consider director candidates recommended by shareholders. In considering candidates submitted by shareholders, the Nominating Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating Committee may also take into consideration the number of shares held by the recommending shareholder and the length of time that such shares have been held. To have a candidate

8

considered by the Nominating Committee, a shareholder must submit the recommendation in writing and must include the following information:

- The name of the shareholder and evidence of the person's ownership of Company stock, including the number of shares owned and the length of time of ownership; and
- The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of the Company and the person's consent to be named as a director if selected by the Nominating Committee and nominated by the Board.

Edgar Filing: CHICAGO RIVET & MACHINE CO - Form DEF 14A

The shareholder recommendation and information described above must be sent to the Corporate Secretary at 901 Frontenac Road, Naperville, IL 60563 and must be received by the Corporate Secretary not less than 120 days prior to the anniversary date of the mailing of the Company's proxy statement in connection with the previous year's annual meeting of shareholders.

The Nominating Committee believes that the minimum qualifications for serving as a director of the Company are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the business and affairs of the Company and have an impeccable record and reputation for honest and ethical conduct in both his or her professional and personal activities. In addition, the Nominating Committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest and independence from management and the Company. The Nominating Committee also seeks to have the Board represent a diversity of backgrounds and experience.

The Nominating Committee identifies potential nominees by asking current directors and executive officers to notify the Committee if they become aware of persons, meeting the criteria described above, who have had a change in circumstances that might make them available to serve on the Board, including business and civic leaders in the communities in which the Company's facilities are located. The Nominating Committee also, from time to time, may engage firms that specialize in identifying director candidates. As described above, the Committee will also consider candidates recommended by shareholders.

Once a person has been identified by the Nominating Committee as a potential candidate, the Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating Committee determines that the candidate warrants further consideration, the Chairman or another member of the Committee contacts the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Nominating Committee requests information from the candidate, reviews the person's accomplishments and qualifications and conducts one or more interviews with the candidate. Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater

9

first-hand knowledge of the candidate's qualifications. The Committee's evaluation process does not vary based on whether or not a candidate is recommended by a shareholder.

It is Company policy that each of our directors attend the Annual Meeting. All of our directors were in attendance at the 2006 Annual Meeting.

SHAREHOLDER COMMUNICATIONS WITH DIRECTORS

The Board has established a process to receive communications from shareholders. Shareholders may contact any member (or all members) of the Board or the non-management directors as a group, any Board committee or any chair of any such committee by mail. To communicate with the Board of Directors, correspondence should be addressed to the Board of Directors or any such individual director or group or committee of directors by either name or title. All such correspondence should be sent "c/o Corporate Secretary" at 901 Frontenac Road, Naperville, IL 60563.

With the exception of material that is in the nature of advertising, promotions of a product or service, or patently offensive material as determined

Edgar Filing: CHICAGO RIVET & MACHINE CO - Form DEF 14A

by the Corporate Secretary, all communications received as set forth in the preceding paragraph will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the Corporate Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope is addressed.

POLICY REGARDING RELATED PERSON TRANSACTIONS

The Audit Committee has adopted a policy regarding related person transactions. For the purposes of this policy, a "Related Person Transaction" is a transaction, arrangement, or relationship in which the Company was, is, or will be a participant and the amount involved exceeds \$120,000, and in which any "Related Person" had, has, or will have a direct or indirect material interest. A "Related Person" means: (i) any person who is, or at any time since the beginning of the Company's last fiscal year was, a director or executive officer of the Company or a nominee to become a director of the Company; (ii) any person who is known to be the beneficial owner of more than 5% of the Company's common stock; (iii) any immediate family member of any of the foregoing persons; and (iv) any firm, corporation, or other entity in which any of the foregoing persons is employed or is a general partner or principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest. Any Related Person Transaction, identified as such prior to consummation, shall be consummated or amended only if approved in accordance with the policy.

The Secretary, in concert with the Chief Operating Officer, will assess whether the proposed transaction is a Related Person Transaction for purposes of the policy. If it is determined that the

10

proposed transaction is a Related Person Transaction, the proposed transaction shall be submitted to the Audit Committee for consideration at the next committee meeting or, in those instances in which the Secretary, in consultation with the Chief Operating Officer, determines that it is not practicable or desirable for the Company to wait until the next Audit Committee meeting, to the chairman of the Audit Committee (who has been delegated authority to act between committee meetings). The Audit Committee, or where submitted to the chairman of the Audit Committee, the chairman, shall consider all of the relevant facts and circumstances available to the committee or the chairman, including (if applicable) but not limited to: (i) the benefits to the Company; (ii) the impact on a director's independence in the event the Related Person is a director, an immediate family member of a director, or an entity in which a director is a partner, shareholder, or executive officer; (iii) the availability of other suppliers or customers for comparable products or services; (iv) the terms of the transaction; and (v) the terms available to unrelated third parties or to employees generally. The Audit Committee (or the chairman) shall approve only those Related Person Transactions that are in, or are not inconsistent with, the best interests of the Company and its shareholders, as the committee (or the chairman) determines in good faith.

At the Audit Committee's first meeting of each fiscal year, the committee shall review any previously approved Related Person Transactions that remain ongoing and have a remaining term or remaining amounts payable to or receivable from the Company. Based on all relevant facts and circumstances, taking into consideration the Company's contractual obligations, the committee shall determine if it is in, or not inconsistent with, the best interests of the Company and its shareholders to continue, modify, or terminate the Related Person Transaction. The policy also contains procedures to ratify any Related Person Transaction not previously approved in accordance with the policy.

The fastener industry is characterized by intense competition for customers, market share and executive talent. The objective of the Executive Compensation Program of the Company (the "Program") is to align compensation with business objectives and performance to enable the Company to attract, retain, and reward key executives whose contributions are critical to ensuring the long-term success of the Company and increasing profitability, thereby enhancing shareholder value. The following principles guided compensation decisions for key executives of the Company: compensation opportunity is related to performance; compensation decisions are designed to achieve financial objectives, build shareholder value and reward individual and corporate performance; compensation is competitive and equitable; and the proportion of total pay that is at risk against individual and Company performance objectives increases with the more senior positions.

We believe that these objectives are attainable through a compensation

Edgar Filing: CHICAGO RIVET & MACHINE CO - Form DEF 14A

package that contains two key elements of compensation: base salary and cash bonuses.

12

Base salaries for executives are established based upon the executive's qualifications and experience, scope of responsibilities and past performance. Base salaries are reviewed and adjusted from time to time after taking into account corporate and individual performance, as well as market levels for positions with similar responsibilities. In setting 2006 base salaries, the Compensation Committee considered, among other things, competitive salary scales, changes in responsibilities and duties and the contributions of each officer toward the long-term growth and profitability of the Company.

Cash bonuses are intended to reward individual contributions to the Company's overall performance during the year and can therefore be highly variable from year to year. Such bonuses are awarded based upon the subjective evaluation by the Board of Directors based upon a recommendation of the Compensation Committee of each executive's contribution towards the Company's overall success. In determining the amount of bonuses for 2006, the Compensation Committee considered, among other things, the improvement in profitability, individual contributions related to the Company's sales efforts and progress related to the successful consolidation of fastener operations.

In May 2006, John Osterman, the Company's former President, Chief Operating Officer and Treasurer retired. Following his retirement, the Company retained Mr. Osterman to provide certain consulting services to the Company, including assistance with respect to the shutdown and orderly wind up of business at the Company's Jefferson, Iowa facility and assistance and advice for the orderly transfer of knowledge related to the operation of the Company. Mr. Osterman's consulting agreement with the Company covers a period of 12 months, commencing July 1, 2006 and provides for an aggregate fee of \$60,000 to be paid in four quarterly installments during the term of the agreement.

The Chicago Rivet & Machine Co. Profit Sharing Trust (the "Employees' Trust") is a part of the Chicago Rivet & Machine Co. Profit Sharing Plan (the "Plan") established by the Company for the benefit of its employees. Participants eligible to share in Company contributions include all employees of the Company who have completed one year of service with the Company, except that all individuals employed on October 1, 2003 became participants on that date.

The Company makes contributions to the Employees' Trust pursuant to a formula based on the Company's annual earnings. The Company may also contribute such other amounts out of current or retained earnings as may be determined by the Board of Directors. The Company's contributions are allocated among eligible participants in proportion to their respective compensation, subject to statutory limitations.

Each participant has a balance in the Employees' Trust consisting of his share of Company contributions, amounts forfeited by other participants and investment earnings. Each participant's balance vests over a five-year period, beginning with the second year of employment. Full vesting

13

also occurs, regardless of length of employment, when a participating employee reaches normal retirement age, dies or becomes permanently and totally disabled.

The Plan also contains a 401(k) feature pursuant to which participants may elect to have a portion (up to 60%) of their compensation (but not to exceed the

Edgar Filing: CHICAGO RIVET & MACHINE CO - Form DEF 14A

maximum permitted by law) contributed to the Employees' Trust in lieu of receiving it in cash. Each eligible employee, for this purpose, becomes a participant following completion of two months of employment. These contributions are always fully vested and nonforfeitable.

Contributions received by the Employees' Trust are held by the Trustee and invested in accordance with participants' investment directions among certain investment funds established by the administrative committee and sponsored by the Trustee.

Distribution of a participant's vested balance is made on termination of employment, or later, if the participant so requests, subject to certain limitations. Distribution is made in a lump sum. Participants may request a loan from the Plan of an amount that does not exceed the lesser of 50% of the participant's 401(k) account balance or \$50,000.

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), generally disallows a tax deduction to public companies for compensation in excess of \$1 million paid to the Company's CEO or any of the four other most highly compensated executive officers. Certain performance-based compensation, however, is exempt from the deduction limit. Given the amount of compensation paid the CEO and the four other most highly compensated executive officers, the limits on deductibility of Section 162(m) of the Code on the Company's tax return are not applicable to the Company.

The Audit Committee of the Board of Directors is composed of Edward L.

Edgar Filing: CHICAGO RIVET & MACHINE CO - Form DEF 14A

Chott, Kent H. Cooney, William T. Divane, Jr., and John R. Madden, each of whom are "independent directors" as defined by the rules of the American Stock Exchange applicable to audit committee members. The Audit Committee operates under a charter approved by the Board of Directors.

Management is responsible for the Company's financial statements and the financial reporting process and has represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing a report thereon. The Audit Committee is responsible for oversight of these processes. The Audit Committee has reviewed and discussed the financial statements with members of management and with the independent accountants. The Audit Committee, in addition to reviewing with the independent auditors their opinion on the conformity of the audited financial statements with generally accepted accounting principles, discussed their judgment as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as the standards of the Public Company Accounting Oversight Board (United States) required to be discussed with the Audit Committee.

Further, the Audit Committee has discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees," as amended. The Audit Committee has discussed the independent accountants' independence, including the matters in the written disclosures provided to the Audit Committee as required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," with both management and with the independent accountants.

Based upon the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for 2006, which will be filed with the Securities and Exchange Commission. The Audit Committee has approved the engagement of Grant Thornton LLP as independent accountants for 2007.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The firm of Grant Thornton LLP served as the Company's independent registered public accounting firm for the year ended December 31, 2006. A representative of that firm is expected to be present at the Company's 2007 Annual Meeting of Shareholders with the opportunity to make a statement, if so desired, and to be available to respond to appropriate questions.

The Audit Committee has selected Grant Thornton LLP to serve as the Company's independent registered accounting firm for 2007.

On February 28, 2005, the Company was notified by PricewaterhouseCoopers LLP that they would not stand for re-election as the Company's independent registered public accounting firm for the year ending December 31, 2005. PricewaterhouseCoopers LLP agreed, however, to continue to serve as the Company's independent registered public accounting firm until completion of its procedures on the financial statements of the Company for the year ended December 31, 2004. On March 21, 2005, PricewaterhouseCoopers LLP completed its procedures on the financial statements of the Company for the year ended

Edgar Filing: CHICAGO RIVET & MACHINE CO - Form DEF 14A

December 31, 2004, and ceased serving as the Company's independent registered public accounting firm.

On March 23, 2005, the Audit Committee engaged Grant Thornton LLP to serve as the Company's independent registered public accounting firm for the year ended December 31, 2005.

The report of PricewaterhouseCoopers LLP on the Company's financial statements for the year ended December 31, 2004 did not contain an adverse opinion or a disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting principle. During the year ended December 31, 2004 and through March 21, 2005, there were no disagreements with PricewaterhouseCoopers LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PricewaterhouseCoopers LLP, would have caused PricewaterhouseCoopers LLP to make reference thereto in its report on the Company's financial statements for that year. During the year ended December 31, 2004 and through March 21, 2005, there were no "reportable events" (as defined in SEC Regulation S-K Item 304(a)(1)(v)).

Between January 1, 2003 and the engagement of Grant Thornton LLP on March 23, 2005, neither the Company nor anyone acting on behalf of the Company consulted with Grant Thornton LLP regarding either (i) the application of accounting principles to a specified completed or contemplated transaction or the type of audit opinion that might be rendered on the Company's financial statements; as such, no written or oral advice was provided or (ii) any matter that was either the subject of a disagreement with PricewaterhouseCoopers LLP or a "reportable event."
