ITEM 5.02 DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS

On October 3, 2007, the United States (U.S.) Bankruptcy Court for the Southern District of New York entered a final order (the Supplemental Order) granting the motion of Delphi Corporation (Delphi) and certain of its U.S. subsidiaries, which together with Delphi filed voluntary petitions for reorganization relief under chapter 11 of the U.S. Bankruptcy Code (each a Debtor), to continue the Short-Term At Risk Performance Payment Program (the Program) for the six-month period running from July 1, 2007 through December 31, 2007 (the Performance Period) under substantially the same terms and conditions outlined in the order authorizing the Debtors to implement an annual incentive plan for the first half of 2007 as disclosed in Form 8-K filed on March 30, 2007 with new corporate and divisional targets for the Performance Period. The performance targets are subject to certain adjustments on a dollar-for-dollar basis to reflect any positive or negative variance between the assumptions underlying the Debtors forecasted financial results for the Performance Period and the terms of the agreements reached with Delphi s labor unions and General Motors Corporation. In addition, the unsecured creditors committee in Delphi s bankruptcy proceedings is authorized to adjust by up to \$200 million, for measurement purposes, the corporate performance, but not below the target, to account for direct net savings realized by the Debtors as a result of any action, event or circumstance not contemplated by such forecasted financial results. The Program applies to approximately 450 individuals holding executive positions with Delphi or one of its affiliated Debtors in the U.S. during the Performance Period, including Delphi s President and Chief Executive Officer, Chief Financial Officer, and each other named executive officer. By voluntary agreement, Delphi s current Executive Chairman will not participate in the Program. The Program authorized by the Supplemental Order would pay approximately \$20.2 million for the achievement of target levels of performance and has a maximum payout of \$37.6 million. An annual incentive plan mirroring the Program continues to apply to approximately 110 individuals holding executive positions at non-Debtor subsidiaries of Delphi. The foregoing description does not purport to be complete and is qualified in its entirety by reference to the Supplemental Order, a copy of which is attached hereto as Exhibit 99(a).
