Schedule 13D

This Amendment No. 1 to Schedule 13D (the "Amendment") amends and supplements the Schedule 13D dated December 19, 1996 and filed with the Securities and Exchange Commission (the "Commission") on December 20, 1996. Unless set forth below, all previous items are unchanged. Capitalized terms used herein which are not defined herein have the meanings given to such terms in the Schedule 13D previously filed with the Commission.

Item 1. Security and Issuer

This Amendment No. 1 to Schedule 13D relates to the Common Stock, par value \$0.01 per share ("Common Stock"), of Core Molding Technologies, Inc., a Delaware corporation (the "Issuer") formerly known as Core Materials Corporation. The Issuer's principal executive offices are located at 800 Manor Park Drive, P.O. Box 28183, Columbus, Ohio 28183.

Item 2. Identity and Background

(a) This statement is being filed jointly pursuant to Rule 13d-1(k) promulgated by the Securities and Exchange Commission pursuant to Section 13 of the Securities Act of 1934, as amended (the "Act") by each of (i) International Truck and Engine Corporation ("ITEC"), a corporation organized under the laws of the State of Delaware (formerly known as Navistar International Transportation Corp), and (ii) Navistar International Corporation, a corporation organized under the laws of the state of Delaware ("NIC"), of which ITEC is a direct, wholly-owned subsidiary. ITEC and NIC are collectively referred to herein as the "Reporting Persons." The directors and executive officers of ITEC and NIC, together with their principal occupations or employment, citizenship and business address of each, are listed on Schedule I attached hereto, which is incorporated herein by reference.

(b) The principal executive offices of the Reporting Persons are located at 4201 Winfield Drive, P.O. Box 1488, Warrenville, Illinois 60555.

(c) NIC is a holding company whose wholly-owned subsidiaries produce International(R) brand commercial trucks, MaxxForce brand diesel engines, IC brand school and commercial buses, and Workhorse brand chassis for motor homes and step vans. It also is a private-label designer and manufacturer of diesel engines for the pickup truck, van and SUV markets. ITEC is the principle wholly-owned manufacturing subsidiary of NIC. The companies also provides truck and diesel engine parts and service. Another wholly owned subsidiary offers financing services.

(d) During the last five years, neither of the Reporting Persons nor, to the best knowledge of the Reporting Persons, any of the persons listed on Schedule I, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) During the last five years, neither of the Reporting Persons nor, to the best knowledge of the Reporting Persons, any of the persons listed on Schedule I, was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is the subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 5. Interest in Securities of the Issuer

(a) ITEC beneficially owns an aggregate of 664,000 shares of Common Stock, constituting approximately 9.9% of the outstanding shares of Common Stock as reported in the Issuer's most recent Form 10-Q for the quarter ended June 30, 2007. By virtue of its ownership of all of the outstanding common stock of ITEC, NIC may be deemed to possess indirect beneficial ownership of the shares of Common Stock beneficially owned by ITEC. The filing of this Amendment by ITEC and NIC shall not be construed as an admission that NIC is, for purposes of Section 13(d) or 13(g) of the Act, the beneficial owner of any securities covered by this Amendment.

Table of Contents

(b) ITEC has sole power to vote and sole power to dispose the shares of Common Stock identified in paragraph (a) above. By virtue of its ownership of all of the outstanding common stock of ITEC, NIC may be deemed to possess indirect beneficial ownership of the shares of Common Stock beneficially owned by ITEC. The filing of this Amendment by ITEC and NIC shall not be construed as an admission that NIC is, for purposes of Section 13(d) or 13(g) of the Act, the beneficial owner of any securities covered by this Amendment.

(c) On July 17, 2007, ITEC sold 3,600,000 shares of Common Stock to the Issuer at a price of \$7.25 per share, pursuant to a Stock Repurchase Agreement, dated July 17, 2007, between ITEC, thereby reducing its beneficial ownership of Common Stock to 664,000 shares (the Remaining Shares). Other than this transaction, neither of the Reporting Persons nor, to the best knowledge of the Reporting Persons, any of the persons listed on Schedule I, has effected any transaction in the Common Stock within the 60 days prior to the date of the Amendment.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer

Under Section 4.02 of the Stock Repurchase Agreement, ITEC has agreed for the 12-month period ending July 17, 2008, not to, subject to certain exceptions, directly or indirectly offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend or otherwise transfer or dispose of any of the Remaining Shares, or enter into any swap or other arrangement that transfers to another any of the economic consequences of ownership of the Remaining Shares.

Except as described in the Amendment, no contracts, arrangements, understandings or relationships (legal or otherwise) exist among the Reporting Persons and any of the persons listed on Schedule I or between the Reporting Persons or, to the best knowledge of the Reporting Persons, any of the persons listed on Schedule I, and any other person with respect to any securities of the Issuer, including but not limited to transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, put or calls, guarantees of profits, division of profits or losses, or the giving or withholding of proxies.
