### Item 7.01. Regulation FD Disclosure

On April 30, 2009, BearingPoint, Inc. ( **BearingPoint** ) and certain of its domestic U.S. subsidiaries (together with BearingPoint, the **Debtors** ) filed their unaudited monthly operating reports for the period of February 18, 2009 through and as of February 28, 2009, and for the month ended March 31, 2009 (each a **Monthly Operating Report**, and collectively, the **Monthly Operating Reports** ), with the United States Bankruptcy Court for the Southern District of New York (the **Bankruptcy Court** ) (*In re BearingPoint, Inc.*, Case No. 09-10691 (REG)). Copies of these reports are contained in the attached Exhibits 99.1 and 99.2 and are incorporated herein by reference.

As previously announced, BearingPoint is pursuing the sale of all or substantially all of its businesses and assets to a number of parties. BearingPoint expects that these sale transactions will result in modification of the plan of reorganization filed with the Bankruptcy Court on February 18, 2009 and, if BearingPoint is successful in selling all or substantially all of its assets, in the liquidation of BearingPoint's business and BearingPoint ceasing to operate as a going concern.

On March 23, 2009, BearingPoint and certain of its subsidiaries entered into a definitive agreement to sell a significant portion of their assets related to BearingPoint's North American Public Services business to Deloitte LLP for \$350 million, subject to adjustment. On April 17, 2009, the Bankruptcy Court approved this sale, which remains subject to the satisfaction of certain closing conditions. There can be no assurance that the transaction will be completed.

On April 2, 2009, BearingPoint International Bermuda Holdings Limited, BearingPoint's indirect subsidiary, entered into a Share Sale Agreement with PwC Advisory Co., Ltd. ( **PwC Japan** ), the Japanese member firm of the PricewaterhouseCoopers global network of firms, for the sale of BearingPoint's consulting business in Japan to PwC Japan (the **PwC Japan Transaction** ) for approximately \$45 million. There can be no assurance that the transaction will be completed.

On April 17, 2009, BearingPoint and certain of its subsidiaries entered into a definitive agreement with PricewaterhouseCoopers LLP ( **PwC** ) pursuant to which BearingPoint agreed to sell a substantial portion of its assets related to its Commercial Services business unit, including Financial Services (collectively, the **CS Business** ), to PwC. In addition, an affiliate of PwC also entered into a definitive agreement to purchase the equity interests of BearingPoint Information Technologies (Shanghai) Limited ( **BearingPoint China GDC** ), a subsidiary of BearingPoint that operates a global development center in China, and certain assets of a separate global development center in India. The aggregate purchase price for these three transactions is approximately \$25 million. On April 27, 2009, the Bankruptcy Court approved bidding procedures in connection with an auction of all or substantially all of the assets of the CS Business and BearingPoint China GDC proposed to be held on May 27, 2009 (the **Auction** ), and BearingPoint has requested a hearing to approve the winning bid at the Auction on May 28, 2009. The consummation of the transaction is also subject to (i) BearingPoint not receiving higher or better offers at the Auction, (ii) the approval of the Bankruptcy Court of the definitive agreements and (iii) other customary closing conditions. There can be no assurance that the proposed sale will be approved by the Bankruptcy Court or that the transaction will be completed.

On April 20, 2009, BearingPoint's Board of Directors authorized BearingPoint to enter into a non-binding term sheet for the sale of its Europe, Middle East and Africa business to local management. In addition, BearingPoint is in discussions with local management and other interested parties to sell its Latin America and other Asia Pacific practices. There can be no assurance that any of these transactions will be completed.
