COMPENSATION OF DIRECTORS

Non-employee directors are currently paid \$6,000 per year and \$1,000 per Board or committee meeting attended, plus their expenses in attending such meetings. Directors who are also Company employees are not additionally compensated for their services as members of the Board of Directors.

During 2000, options were granted to four non-employee directors of the Company covering an aggregate of 8,000 shares of common stock at a per share exercise price of \$8.25.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Matthew T. Moroun, a director of the Company, is a stockholder and director of CenTra, Inc., a transportation holding company based in Warren, Michigan ("CenTra"). The Company has had business relationships with certain transportation subsidiaries of CenTra, as described more fully below.

During 2000, certain subsidiaries of CenTra made payments to the Company for transported freight in the aggregate amount of \$142,425.

During 2000, the Company made payments to certain subsidiaries of CenTra in the aggregate amount of \$495,841. The principal components of these payments included tires and road service (\$252,368), and miscellaneous services or expenses (\$243,473).

Management believes that each of the above transactions was entered into on terms as favorable to the Company as could have been obtained from

Edgar Filing: PAM TRANSPORTATION SERVICES INC - Form DEF 14A

unaffiliated third parties, at the time such transactions were negotiated.

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this proxy statement, in whole or in part, the following Report of the Compensation and Stock Option Committee on Executive Compensation and the Stockholder Return Performance Graph shall not be incorporated by reference into any such filings.

REPORT OF THE COMPENSATION AND STOCK OPTION COMMITTEE ON EXECUTIVE COMPENSATION

In accordance with the Proxy Statement Rules of the Security and Exchange Commission, the Compensation and Stock Option Committee of the Board of the Directors of the Company offers the following report regarding compensation policies for executive officers and the Chief Executive Officer of the Company with respect to compensation paid to such persons during the last fiscal year.

During 2000, the Compensation and Stock Option Committee of the Company was comprised of Daniel C. Sullivan, Charles F. Wilkins, Frederick P. Calderone, each a non-employee director of the Company. It is the Committee's responsibility to review and make recommendations to the Board of Directors with respect to compensation of officers of the Company. In formulating its compensation policies and decisions, the Committee endeavors to provide a competitive compensation package that enables the Company to attract and retain key executives and to integrate compensation programs with the Company's annual and long-term business strategies and objectives and focus executive actions on the fulfillment of the objectives.

The Company's executive compensation program generally consist of base salary and annual incentive compensation through the Company's cash bonus plan. Stock options are occasionally utilized in order to align executives' interests more closely with the interests of the stockholders of the Company. The amount of such awards, if any, may be suggested from time to time by the Compensation and Stock Option Committee, subject to final action by the Board of Directors.

The Board of Directors has adopted an Incentive Compensation Plan covering all employees (except employees who are participating in an existing cash bonus plan), including the executive officers, which provides for the payment of a cash bonus for any calendar year in which the Company achieves certain specified operating ratios. For each targeted operating ratio goal, participating employees earn a specified percentage of their base compensation as a cash bonus. The Board of Directors believes this program serves as an incentive to all participating employees (currently approximately 260 employees) to give greater effort on behalf of the Company. Each of the executive officers was paid a cash bonus in 2000 pursuant to this plan.

Effective July 1, 1998, the Company entered into an Employment Agreement (the "Employment Agreement") with Robert W. Weaver, its President and Chief Executive Officer, expiring June 30, 2001, and has the option to extend the Employment Agreement for an additional one-year period. The

Employment Agreement provides that Mr. Weaver will be paid a base salary of \$337,000 for the period July 1, 1998 through June 30, 1999, \$350,000 for the period July 1, 1999 through June 30, 2000, and \$375,000 for the period July 1, 2000 through June 30, 2001. Pursuant to the Employment Agreement, Mr. Weaver was granted an option to purchase 30,000 shares of common stock. The Employment

Edgar Filing: PAM TRANSPORTATION SERVICES INC - Form DEF 14A

Agreement was negotiated between Mr. Weaver and certain directors serving at the time of its approval, and the Compensation and Stock Option Committee believes that the annual compensation to be paid to Mr. Weaver pursuant to the Employment Agreement compares favorably to the compensation paid to the chief executive officers of other public transportation companies similarly situated. Mr. Weaver is entitled to participate in any bonus pool or additional incentive compensation plans authorized and approved by the Board of Directors from time to time. During 2000, pursuant to the Company's Incentive Compensation Plan, Mr. Weaver was paid a bonus of \$47,738. Mr. Weaver did not receive any other bonus or incentive compensation during 2000.

With respect to the other executive officers of the Company, including (i) the Executive Vice President and Chief Operating Officer and (ii) the Vice President of Finance, Chief Financial Officer and Secretary/Treasurer, the Committee believes that the total compensation of these individuals has been competitive within the industry. These officers received a cash bonus during 2000 in the amounts of \$24,719 and \$20,686, respectively, under the Company's Incentive Compensation Plan.

The Company's future compensation policies will be developed in light of the Company's profitability and with the goal of rewarding members of management for their contributions to the Company's success. It is the Company's intention that the compensation to be paid to its executive officers will not exceed the present maximum allowable amount for purposes of deductibility set forth in the Internal Revenue Code.

INDEPENDENT PUBLIC ACCOUNTANTS

Edgar Filing: PAM TRANSPORTATION SERVICES INC - Form DEF 14A

Arthur Andersen LLP served as the independent auditors of the Company for the fiscal year ended December 31, 2000 and has been appointed by the Board of Directors to continue in that capacity in fiscal 2001. Representatives of Arthur Andersen LLP will be present at the Annual Meeting and will be available to respond to appropriate questions from stockholders and will have the opportunity to make a statement if they desire to do so.

Audit Fees. The aggregate fees billed by Arthur Andersen LLP for professional services rendered for the audit of the Company's annual financial statements for the year ending December 31, 2000 and the reviews of the financial statements included in the Company's Forms 10-Q during 2000 were \$47,250.

AUDIT COMMITTEE CHARTER

ORGANIZATION

The Audit Committee of P.A.M. Transportation Services, Inc. (the "Corporation") shall be composed of at least three members of the Board of Directors of the Corporation (the "Board"), each of whom is outside of the management of the Corporation and is free of any relationship that, in the opinion of the Board, would interfere with his or her exercise of independent judgment as an Audit Committee member. In accordance with the requirements of the National Association of Securities Dealers, Inc. (the "NASD"), each member of the Audit Committee must have a minimum level of financial literacy, and one member must have accounting or financial management experience resulting in the individual's financial sophistication. The Audit Committee shall annually elect from among its members a Chairman, who shall preside over meetings of the Audit Committee.

STATEMENT OF POLICY

The Audit Committee shall provide assistance to the Board in fulfilling its responsibility to the shareholders, potential shareholders, and investment community relating to the Corporation's accounting and financial reporting practices, and the quality and integrity of the Corporation's financial statements.

RESPONSIBILITIES

In furtherance of the policy of the Audit Committee, it will be the responsibility of the Audit Committee to:

- maintain free and open means of communication among Board members, the outside auditors, the internal auditors and the financial management of the Corporation.
- select and appoint the outside auditors, which firm is ultimately accountable to the Audit Committee and the Board.
- evaluate the performance of the outside auditors and, if the Audit Committee deems it to be in the best interests of the Corporation, replace the outside auditors.
- confirm and assure the independence of the outside auditors, and in connection therewith, review the fees paid to the outside auditors for both audit and non-audit services.

- meet with the outside auditors and financial management of the Corporation during the fourth quarter of the fiscal year to review the scope of the proposed annual audit and the audit procedures to be utilized. This meeting will include the attendance of the Chairman of the Committee only.
- discuss with the outside auditors the matters required to be discussed by Statement on Auditing Standards No. 61 relating to the conduct of the audit.
- review, with the outside auditors and the Corporation's financial and accounting personnel, the adequacy and effectiveness of the accounting and financial controls of the Corporation, and elicit any recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of such internal controls to expose any payments, transactions, or procedures that might be deemed illegal or otherwise improper.
- review with management and the outside auditors:
 - the Corporation's annual financial statements and related footnotes, prior to filing by the Corporation of the Form 10-K with the Securities and Exchange Commission;
 - the outside auditors' annual audit of the financial statements and their report thereon prior to the issuance of such report;
 - any problems or difficulties the outside auditors may have encountered and any management letter provided by the outside auditors and the Corporation's response to any such letter;
 - any significant changes to the Corporation's auditing and accounting principles and practices suggested by the Corporation's outside auditors or by management; and
 - at periodic meetings with management, the Corporation's major financial risk exposures and the steps management has taken to monitor and control such exposures.
- provide sufficient opportunity for the outside auditors to meet with the members of the Audit Committee without members of management present. Among the items to be discussed in these meetings are the outside auditors' evaluation of the Corporation's financial, accounting, and auditing personnel, and the cooperation that the outside auditors received during the course of the audit.
- investigate any matter brought to its attention within the scope of its

- prepare the report of the Audit Committee required pursuant to the rules promulgated by the Securities and Exchange Commission to be included in the Corporation's annual proxy statement.
- ensure that the Chairman of the Audit Committee, and other members of the Committee if considered necessary, reviews with the Chief Financial Officer and other members of management any proposed release of significant financial information by the Corporation to the public.
- submit the minutes of all meetings of the Audit Committee to, or discuss the matters discussed at each Audit Committee meeting with, the Board, and make such recommendations to the Board as the Audit Committee may deem appropriate.
- review and reassess the adequacy of this Audit Committee Charter on an annual basis and recommend any proposed changes to the Board for adoption.

Filing of Quarterly Reports on Form 10-Q

If significant events, transactions and changes in accounting estimates, which were considered by the independent auditors in performing the quarterly review, have affected the quality of the Company's financial reporting, the auditors should contact the Audit Committee Chairman to discuss the effect before the Company files its Form 10-Q.

In addition, the Audit Committee will perform such other functions as assigned by law, NASD rules, the Corporation's charter or bylaws, or the Board.

While the Audit Committee has the responsibilities and powers set forth in this charter, it is not the duty of the Committee to specifically plan or conduct audits or to determine that the Corporation's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the outside auditors. Nor is it the duty of the Committee to conduct investigations, to resolve disagreements, if any, between management and the outside auditors, or to assure compliance with laws and regulations or rules of the NASD.
