AGENDA ITEM ONE ELECTION OF DIRECTORS

Pursuant to the Bylaws of Smart Choice, the Board of Directors has set the number of directors for the ensuing year at five, all of whom are proposed to be elected at the Annual Meeting. In the event any nominee is unable or declines to serve as a director at the time of the meeting, the persons named as proxies will have discretionary authority to vote the proxies for the election of such person or persons as may be nominated in substitution by the Board of Directors. Management knows of no current circumstances which would render any nominee named herein unable to accept nomination or election. Directors shall be elected by a plurality of the votes cast by the holders of shares entitled to vote in the election of directors at a meeting of shareholders at which a quorum is present.

Members of the Board of Directors are elected annually to serve until the next annual meeting of shareholders and until their successors are elected and qualified.

The Board of Directors of Smart Choice presently has a standing Audit Committee, composed of Robert Abrahams and Tilman J. Falgout, III, which is authorized to nominate Smart Choice's independent auditors and to review with the independent auditors the scope and results of the audit engagement. The Board of Directors has not adopted an Audit Committee Charter. Messrs. Falgout and Abrahams are "independent," as that term is defined in Rule 4200(a)(14) of the National Association of Securities Dealer's listing standards. The Audit Committee held one meeting during the fiscal year ended April 30, 2001. The report of the Audit Committee appears below.

Smart Choice does not have a Compensation Committee or a Directors Nominating Committee, such functions being reserved to the entire Board of Directors. The Board of Directors held one meeting during the year ended April 30, 2001.

REPORT OF AUDIT COMMITTEE

The Audit Committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of Smart Choice. In discharging its oversight responsibility as to the audit process, the Audit Committee has reviewed and discussed with management Smart Choice's audited financial statements as of and for the year ended April 30, 2001 and has discussed with Grant Thornton LLP, the independent auditors and accountants for Smart Choice, the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees) with respect to those statements.

The Audit Committee has received and reviewed the letter from Grant

Edgar Filing: SMART CHOICE AUTOMOTIVE GROUP INC - Form DEF 14A

Thornton required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with Grant Thornton its independence in connection with its audit of Smart Choice's most recent financial statements. The Audit Committee has also considered whether Grant Thornton's provision of non-audit services to Smart Choice is compatible with maintaining such firm's independence. See "Independent Public Accountants." Based on the foregoing, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Smart Choice's Annual Report on Form 10-K for the fiscal year ended April 30, 2001.

Respectfully submitted,

Tilman J. Falgout, III
Robert Abrahams

DIRECTOR COMPENSATION

No director of Smart Choice other than Robert Abrahams receives any separate compensation for his service as a director. Mr. Abrahams has entered into an agreement with Smart Choice pursuant to which he receives monthly payments in the amount of \$5,000 as payment for certain consulting services related to Smart Choice's credit policies and as compensation for his service as a member of the Board of Directors.

Notwithstanding anything to the contrary set forth in any of Smart Choice's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this proxy statement, in whole or in part, the following

Edgar Filing: SMART CHOICE AUTOMOTIVE GROUP INC - Form DEF 14A

Report of the Board of Directors on Executive Compensation and the Shareholder Return Performance Graph shall not be incorporated by reference into any such filings.

REPORT OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

Because Smart Choice does not have a compensation committee, the Board of Directors establishes compensation levels for the company's executive officers, including the Chief Executive Officer. Smart Choice's compensation program for executive officers consists primarily of base salary, bonus, and short and long-term incentives in the form of stock option grants. Executives also participate in various other benefit plans, including medical and 401(k) plans, versions of which are generally available to all employees of Smart Choice. The philosophy of the Board is to pay base salaries to executives at levels that enable Smart Choice to attract, motivate and retain highly qualified executives, and to reward executives through the granting of bonuses, based upon the contribution of the executive and the overall financial results of the company. Stock options may also be granted under Smart Choice's 1998 Executive Incentive Compensation Plan, which will have no value if Smart Choice's stock price does not appreciate, but will provide substantial reward if the stock price appreciates significantly.

In addition to base salary, each executive officer is eligible to receive an annual bonus based on performance criteria established by the Board of Directors. The amount of bonus and the performance criteria vary with the position and role of the executive within the company, although all bonuses are tied to the company's financial performance.

The Board of Directors may from time to time provide additional incentive compensation to the executive officers and other employees of Smart Choice through the award of stock options under the company's 1998 Executive Incentive Compensation Plan.

The Board of Directors will continue to evaluate Smart Choice's compensation policies in light of the company's financial position and results of operations and with the goal of rewarding members of management for their contributions to Smart Choice's success and aligning the financial interests of executive officers with those of the Smart Choice's shareholders.

SHAREHOLDER RETURN PERFORMANCE GRAPH

Set forth below is a line graph comparing the cumulative total shareholder return on Smart Choice's common stock with (i) the cumulative total return of the Nasdaq Market Index (U.S. companies), and (ii) the MG Group Index 744 - Auto Dealerships ("Automobile Index"), for the period commencing on April 30, 1997 and ending on April 30, 2001.

Smart Choice believes the Automobile Index is an accurate reflection of Smart Choice's peer group as the Automobile Index is comprised of companies involved in the sale of automobiles and other vehicles through dealerships. The graph assumes that the value of the investment in Smart Choice's common stock and each index was \$100 on April 30, 1997.

COMPLIANCE WITH SECTION 16(A) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934 requires Smart Choice's directors, certain officers, and persons who own more than 10% of the outstanding common stock of Smart Choice, to file with the Securities and Exchange Commission reports of changes in ownership of the common stock of Smart Choice held by such persons. Officers, directors and greater than 10% shareholders are also required to furnish Smart Choice with copies of all forms they file under this regulation. To Smart Choice's knowledge, based solely on a review of the copies of such reports furnished to Smart Choice, during the fiscal year ended April 30, 2001, all Section 16(a) filing requirements applicable to its officers, directors and greater than 10% shareholders were complied with.

CERTAIN TRANSACTIONS

Gary Smith, a former director and officer of Smart Choice, leases to Smart Choice certain real property and improvements located in Pinellas Park, Florida on which Smart Choice operates two of its used car dealerships. The aggregate amount of the lease payments made by Smart Choice to Mr. Smith during the fiscal year ended April 30, 2001 was approximately \$135,000.

CHANGES IN AND DISAGREEMENTS WITH ACCOUNTANTS ON ACCOUNTING AND FINANCIAL DISCLOSURE

On December 1, 1999 the appointment of BDO Siedman, LLP ("BDO") as independent public accountants for Smart Choice was terminated. On January 28, 2000 Smart Choice engaged Grant Thornton LLP as its new independent accountants.

BDO's report on the financial statements of Smart Choice for 1998 and 1997 did not contain an adverse opinion or a disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles.

During the two most recent fiscal years and the subsequent interim period preceding the dismissal of BDO, there were no disagreements with BDO on any matter of accounting principles or practices, financial statement

Edgar Filing: SMART CHOICE AUTOMOTIVE GROUP INC - Form DEF 14A

disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of BDO, would have caused it to make reference to the subject matter of the disagreements in connection with its report.

No event listed in Paragraphs (A) through (D) of Item 304 a(1)(v) of Regulation S-K occurred within Smart Choice's two most recent fiscal years and the subsequent interim period preceding the dismissal of BDO.

During the two most recent fiscal years and subsequent interim period preceding the engagement of Grant Thornton LLP, Smart Choice did not consult with Grant Thornton LLP on (i) the application of accounting principles to a specified transaction, (ii) the type of audit opinion that might be rendered on Smart Choice's financial statements, or (iii) any matter that was either the subject of a disagreement or a reportable event.

INDEPENDENT PUBLIC ACCOUNTANTS

Grant Thornton LLP served as Smart Choice's independent auditors for the fiscal year ended April 30, 2001. Smart Choice has not as yet executed an engagement letter with respect to the audit of Smart Choice's financial statements for the fiscal year ending April 30, 2002, but expects to do so in due course.

9

12

A representative of Grant Thornton is expected to be present at the Annual Meeting, will have an opportunity to make a statement, and will be available to respond to appropriate questions which shareholders might have. Smart Choice knows of no direct or indirect material financial interest or relationship that members of Grant Thornton have with Smart Choice.

AUDIT FEES. The aggregate fees billed by Grant Thornton for professional services rendered for the audit of Smart Choice's annual financial statements for the year ended April 30, 2001 and the review of the financial statements included in Smart Choice's Forms 10-Q for that year were approximately \$158,500.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES. During the year ended April 30, 2001, Grant Thornton did not perform any services with regard to financial information systems design and implementation.

ALL OTHER FEES. The aggregate fees for non-audit services provided by Grant Thornton during the fiscal year ended April 30, 2001 were approximately \$6,500.

The Audit Committee of the Board of Directors has considered whether the provision of non-audit services by Grant Thornton to Smart Choice is compatible with maintaining such firm's independence. See also "Report of Audit Committee."

REPORT ON FORM 10-K

Smart Choice's Annual Report on Form 10-K for the fiscal year ended April 30, 2001, as filed with the Securities and Exchange Commission, is available to shareholders who make written request therefor to the Secretary of Smart Choice, Ronald Anderson, at the offices of Smart Choice, 1555 North Semoran Boulevard, Winter Park, Florida 32792. Copies of exhibits filed with that report or referenced therein will be furnished to shareholders of record upon request and payment of Smart Choice's expenses in furnishing such documents.

SHAREHOLDER PROPOSALS

Edgar Filing: SMART CHOICE AUTOMOTIVE GROUP INC - Form DEF 14A

In connection with Smart Choice's Annual Meeting of shareholders to be held in 2002, if Smart Choice does not receive notice of a matter or proposal to be considered by August 3, 2002, then the persons appointed by the Board of Directors to act as the proxies for such Annual Meeting (named in the form of proxy) will be allowed to use their discretionary voting authority with respect to any such matter or proposal at the Annual Meeting, if such matter or proposal is raised at that Annual Meeting. Any such proposals must comply in all respects with the rules and regulations of the Securities and Exchange Commission.

10

13

OTHER MATTERS

Management does not know of any matter to be brought before the meeting other than those described above. If any other matter properly comes before the meeting, the persons designated as proxies will vote on each such matter in accordance with their best judgment.
