LIBERTY CORPORATION REPORTS FOURTH QUARTER RESULTS

Greenville, SC (February 4, 2003) The Liberty Corp. (NYSE:LC) today reported financial results for quarter and year ended December 31, 2002. Liberty owns and operates 15 network-affiliated television stations along with other ancillary businesses.

For the quarter, net revenue increased 28% to \$61.6 million compared with \$48 million for the prior-year period, while broadcast cash flow increased 41% to \$30.2 million from \$21.5 million for the same period one year ago. Broadcast cash flow, a commonly used measurement to evaluate the operating performance of media properties, is operating income plus depreciation and amortization, non-cash compensation, corporate cash expenses, non-recurring and certain other items.

For the year ended December 31, 2002, net revenue increased 16% compared with the prior year and broadcast cash flow has increased 31% for the year.

Being the top-rated television station in virtually all our markets, including being the leading source of local news and information, has led to another outstanding year for our group, said Hayne Hipp, Chief Executive Officer of Liberty. We believe our continued track record of operational excellence, as well as our debt-free balance sheet, will continue to serve us well in 2003.

A major group broadcaster, Liberty owns 15 network-affiliated television stations, including eight NBC affiliates (WAVE-TV, Louisville, KY; WIS-TV, Columbia, SC; WLBT-TV, Jackson, MS; WFIE-TV, Evansville, IN; WSFA-TV, Montgomery, AL; KCBD-TV, Lubbock, TX; WALB-TV, Albany, GA and KPLC-TV, Lake Charles, LA); five ABC affiliates (KLTV-TV, Tyler, TX; KTRE-TV, the satellite affiliate of KLTV in Lufkin, TX; WLOX-TV, Biloxi, MS; WWAY-TV, Wilmington, NC and KAIT-TV, Jonesboro, AR); and two CBS affiliates (WTOL-TV, Toledo, OH and KGBT-TV, Harlingen, TX). In addition, Liberty owns CableVantage Inc., a cable advertising sales subsidiary; Take Ten Productions, a video production facility; and Broadcast Merchandising Company, a professional broadcast equipment dealership.

The Private Securities Litigation Reform Act of 1995 provides a safe harbor for forward-looking statements. Certain information contained herein or in any other written or oral statements made by, or on behalf of the Company, is or may be viewed as forward-looking. The words expect, believe, anticipate or similar expressions identify forward-looking statements. Although the Company has used appropriate care in developing any such forward-looking information, forward-looking information involves risks and uncertainties that could significantly impact actual results. These risks and uncertainties include, but are not limited to, the following: changes in national and local markets for television advertising; changes in general economic conditions, including the performance of financial markets and interest rates; competitive, regulatory, or tax changes that affect the cost of or demand for the Company's products; and adverse litigation results. The Company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future developments, or otherwise. Broadcast cash flow is a commonly used measurement to evaluate the operating performance of media properties, and is not a measure of financial performance under generally accepted accounting principles.
