(Registrant's telephone number, including area code)

ITEM 5. Other Events and Regulation FD Disclosure

On November 17, 2003, Consolidated Water Co. Ltd. (the Company) issued a press release describing its results of operations for its three and nine month periods ended September 30, 2003 and its expected diluted earnings per share of \$0.85 to \$0.90 for the year ending December 31, 2003, which is somewhat less than its previous guidance of \$1.00 to \$1.05 per diluted share for fiscal 2003. The shortfall is due in part to the Company's completion of the acquisition of Waterfields Company effective August 1, 2003 rather than June 30, 2003, as anticipated when the initial guidance was issued, and to lower selling prices in Belize under the Company's new 23-year contract with the public water authority on Ambergris Caye. The Company expects lower selling prices in Belize to continue to impact net earnings in the first half of 2004. The Company intends to complete upgrades of its Belize facility by mid-2004 which will enable the Company to operate that facility more efficiently.

ITEM 12. Results of Operations and Financial Condition

See Item 5 above. A copy of the press release is attached as Exhibit 99.1 to this report. The press release is not deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934 and is not incorporated by reference into any Securities Act registration statements.

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
