ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

On February 8, 2005, Coconut Palm acquired from the Company 5,000,000 shares of Common Stock and warrants to purchase 10,000,000 shares of Common Stock for the purchase price of \$25,000,000 pursuant to the terms of the Purchase Agreement (as defined in Item 4 below). Coconut Palm obtained the \$25,000,000 in a private placement of its equity. No other financing was required to effect the transaction.

ITEM 4. PURPOSE OF THE TRANSACTION.

On February 8, 2005, the Company and Coconut Palm consummated the transactions contemplated by that certain Purchase Agreement, dated November 17, 2004, by and between the Company and Coconut Palm (the Purchase Agreement), pursuant to which the Company issued and Coconut Palm purchased: (i) 5,000,000 units (each a Unit and collectively the Units) at a purchase price of \$5.00 per Unit for an aggregate purchase price of \$25,000,000. Each Unit consists of: (i) one share of the Company's Common Stock; (ii) a warrant to purchase one additional share of the Company's Common Stock at an exercise price of \$6.00 per share, which is immediately exercisable and will expire after three years; and (iii) a warrant to purchase one additional share of the Company's Common Stock at an exercise price of \$7.00 per share, which is immediately exercisable and will expire after five years.

Pursuant to the Purchase Agreement, the Company has agreed to file a registration statement with the Securities and Exchange Commission to register the resale by Coconut Palm of the shares underlying the Units within sixty (60) days after the closing of the Purchase Agreement.

Based on the number of shares of Common Stock of the Company outstanding on February 8, 2005, following the closing of the Purchase Agreement, Coconut Palm acquired ownership of record of approximately 55.5% of the Common Stock outstanding, and beneficial ownership of 78.9% of the Common Stock, which includes 10,000,000 shares of the Common Stock underlying the warrants which are immediately exercisable. As a result of the consummation of the transactions contemplated by the Purchase Agreement, Coconut Palm has acquired enough shares of the Company's Common Stock to control the Company.

In connection with the Purchase Agreement, Coconut Palm entered into a Voting Agreement, dated November 17, 2004 (the Voting Agreement) with the Company's then majority shareholder, Michael D. Herman. Pursuant to the terms of the Voting Agreement, Michael D. Herman agreed to vote his beneficially owned shares of Common Stock in favor of the issuance and sale of the Units by the Company to Coconut Palm at the Annual Meeting of Shareholders of the Company held February 4, 2005 (the Annual Meeting) and to grant Coconut Palm an irrevocable proxy to vote such shares of Common Stock: (i) in favor of the issuance and sale of the Units by the Company to Coconut Palm, as contemplated by the Purchase Agreement; and (ii) against any actions or approval that could compete with or could serve to materially interfere with, delay, discourage adversely or inhibit the timely consummation of the issuance and

sale of the Units by the Company to Coconut Palm, as contemplated by the Purchase Agreement. The Voting Agreement terminated on February 8, 2005, upon the consummation of the transactions contemplated by the Purchase Agreement.

In connection with the Purchase Agreement, the Company has agreed to use its best efforts to enter into a definitive agreement as soon as practicable to divest itself of certain non-core assets of the Company acquired in connection with its purchase of: (i) Percipia, Inc. and its wholly-owned subsidiary Percipia Networks, Inc.; and (ii) the assets of Telecom FM, at a purchase price equal to the amount paid by the Company for such assets plus the amount of any intercompany debt incurred and advances made in connection with such purchases by the Company. Such non-core assets are currently held in separate wholly-owned subsidiaries of the Company.

In connection with the investment by Coconut Palm, the Company plans to pursue a strategic alternative to its current line of business by entering into the pest and termite control services industry. The Company's proposed strategy for entering into the pest and termite control services industry may require it to enter into acquisitions, the consideration for which may be shares of the Company's Common Stock. As a result, at the Annual Meeting the Company obtained shareholder approval of a proposal to amend the Company's Articles of Incorporation to, among other things, increase the number of authorized shares of the Company's capital stock to 108,000,000 shares, of which 100,000,000 million shares are Common Stock and 8,000,000 shares are preferred stock.

In addition, in connection with the transactions under the Purchase Agreement, the shareholders of the Company approved a proposal to increase the size of its Board of Directors from 5 to 7 members at the Annual Meeting. Further, at the Annual Meeting, the shareholders elected six directors to the Company's Board of Directors, including Richard C. Rochon and Mario B. Ferrari, both of whom are affiliates of and were designees of Coconut Palm. Also, Coconut Palm has the right pursuant to the Purchase Agreement to nominate one additional director to fill the newly created vacancy, which such nominee will be elected by a majority vote of the Board of Directors within 30 days of the Annual Meeting, as provided by the Company's bylaws. Moreover, Stephen P. Oppenheim, who was elected as a director at the Annual Meeting, has agreed to resign from the Board of Directors at a future date, and Coconut Palm has the right to nominate an additional director to fill the vacancy created by Mr. Oppenheim's resignation, which such nominee will be elected by a majority vote of the Board of Directors within 30 days after the vacancy is created, as provided in the Company's bylaws.

Except as described in this Item 4, the Reporting Persons have no present plans or proposals which relate to or would result in: (i) the acquisition by any person of additional securities of the Company, or the disposition of securities of the Company; (ii) an extraordinary corporate transaction such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries; (iii) changes in the Company's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Company by any person; (iv) causing a class of securities of the Company to be delisted from a national securities exchange or to cease to be authorized to be quoted on an inter-dealer quotation system of a registered national securities association; (v) a class of equity securities of the Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended; or (vi) any action similar to any of those enumerated above.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER.

- (5) The Reporting Persons are deemed to beneficially own, in the aggregate, 15,000,000 shares of the Company's Common Stock, constituting approximately 78.9% of the outstanding shares of the Company's Common Stock.
