ANNUAL MEETING OF STOCKHOLDERS
May 3, 2006**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Tri-County Financial Corporation (Tri-County Financial or the Company) to be used at the annual meeting of stockholders of the Company, which will be held in the Board Room at the main office of Community Bank of Tri-County (the Bank), 3035 Leonardtown Road, Waldorf, Maryland on Wednesday, May 3, 2006 at 10:00 a.m. The accompanying notice of meeting and this Proxy Statement are being first mailed to stockholders on or about April 3, 2006.

VOTING AND REVOCABILITY OF PROXIES

Who Can Vote at the Meeting. You are entitled to vote your Tri-County Financial common stock if the records of the Company show that you held your shares as of the close of business on March 17, 2006. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by your broker, bank or nominee. As the beneficial owner, you have the right to direct your broker on how to vote your shares. Your broker, bank or nominee has enclosed a voting instruction card for you to use in directing it on how to vote your shares.

As of the close of business on March 17, 2006, 1,769,028 shares of Tri-County Financial common stock were outstanding. Each share of common stock has one vote.

Attending the Meeting. If you are a stockholder as of the close of business on March 17, 2006, you may attend the meeting. However, if you hold your shares in street name, you will need proof of ownership to be admitted to the meeting. A recent brokerage statement or letter from a bank, broker or other nominee are examples of proof of ownership. If you want to vote your shares of Tri-County Financial common stock held in street name in person at the meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

Vote Required. The annual meeting will be held if at least a majority of the outstanding shares of common stock entitled to vote, constituting a quorum, is represented at the meeting. If you return valid proxy instructions or attend the meeting in person, your shares will be counted for purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes also will be counted for the purpose of determining the existence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker, bank or other nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

In voting on the election of directors, you may vote in favor of both nominees, withhold votes as to both or either nominee. There is no cumulative voting for the election of directors. Directors must be elected by an affirmative vote of a majority of the shares cast at the annual meeting. Votes that are withheld will have the same effect as a negative vote.

In voting on the ratification of the appointment of Stegman & Company as independent auditors, you may vote in favor of the proposal, vote against the proposal or abstain from voting. This proposal will

Table of Contents

be decided by the affirmative vote of a majority of the shares represented at the annual meeting and entitled to vote. On this matter abstentions will have the same effect as a negative vote.

Voting by Proxy. This proxy statement is being sent to you by the Board of Directors of Tri-County Financial to request that you allow your shares of Tri-County Financial common stock to be represented at the annual meeting by the persons named in the enclosed proxy card. All shares of Tri-County Financial common stock represented at the meeting by properly executed, dated proxies will be voted according to the instructions indicated on the proxy card. If you sign, date and return a proxy card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors. **The Board of Directors recommends that you vote FOR each of the nominees for director and FOR ratification of the appointment of Stegman & Company as independent auditors.**

If any matter not described in this proxy statement is properly presented at the annual meeting, the persons named in the proxy card will use their judgment to determine how to vote your shares. This includes a motion to adjourn or postpone the meeting to solicit additional proxies. If the annual meeting is postponed or adjourned, your Tri-County Financial common stock may also be voted by the persons named in the proxy card on the new meeting date, unless you have revoked your proxy. The Company does not know of any other matters to be presented at the meeting.

Stockholders who execute proxies retain the right to revoke them at any time. Unless so revoked, the shares represented by such proxies will be voted at the annual meeting and all adjournments thereof. Proxies may be revoked by written notice delivered in person or mailed to the Secretary of the Company, by the filing of a later-dated proxy before a vote being taken on a particular proposal at the annual meeting or by attending the annual meeting and voting in person. The presence of a stockholder at the annual meeting will not in and of itself revoke such stockholder's proxy.

If your Tri-County Financial common stock is held in street name, you will receive instructions from your broker, bank or other nominee that you must follow to have your shares voted. Your broker, bank or other nominee may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form provided by your broker, bank or other nominee that accompanies this proxy statement. If you wish to change your voting instructions after you have returned your voting instruction form to your broker, bank or other nominee, you must contact your broker, bank or other nominee.

Participants in the Bank's ESOP. If you participate in the Community Bank of Tri-County Employee Stock Ownership Plan (the ESOP), you will receive a voting instruction form that reflects all shares you may direct the ESOP trustees to vote on your behalf under the plan. Under the terms of the ESOP, the trustees vote all shares held by the ESOP, but each ESOP participant may direct the trustees how to vote the shares of common stock allocated to his or her account. The trustees, subject to the exercise of their fiduciary duties, will vote all unallocated shares of Company common stock held by the ESOP and allocated shares for which no voting instructions are received in the same proportion as shares for which they have received timely voting instructions. The deadline for returning your voting instructions to the plan's trustees is April 26, 2006.

PROPOSAL 1 ELECTION OF DIRECTORS

Tri-County Financial's Board of Directors currently consists of seven members. The Company's Articles of Incorporation provide that directors are to be elected for terms of three years, approximately one-third of whom are to be elected annually. Since the Company is trading on the OTC Electronic Bulletin Board, there is no independence requirement for the Company's directors. However, if the Company were to apply the current listing standards of the Nasdaq Stock Market, each of the directors would be considered independent, except for C. Marie Brown, Michael L. Middleton and H. Beaman Smith, who are not independent because they are employees of the Company and the Bank.

The Board of Directors has nominated Herbert N. Redmond, Jr. and A. Joseph Slater, Jr. to serve for an additional three-year term and until their successors are elected and qualified. It is intended that the persons named in the proxies solicited by the Board will vote for the election of the named nominees.

If any nominee is unable to serve, the shares represented by all valid proxies will be voted for the election of such substitute nominee as the Board of Directors may recommend. Alternatively, the Board of Directors may adopt a resolution to reduce the size of the Board. At this time, the Board knows of no reason why any nominee might be unable to serve.

***Chairman**

The Company's Audit Committee meets with the Company's independent auditors in connection with their annual audit and reviews the Company's accounting and financial reporting policies and practices. All of the members of the Audit Committee are independent as defined under the listing standards of the Nasdaq Stock Market. The Board of Directors has determined that the Audit Committee does not have a member who is an audit committee financial expert as defined under the rules and regulations of the Securities and Exchange Commission. While the Board recognizes that no individual Board member meets the qualifications required of an audit committee financial expert, the Board believes that appointment of a new director to the Board and to the Audit Committee at this time is not necessary as the level of financial knowledge and experience of the current members of the Audit Committee, including the ability to read and understand fundamental financial statements, is cumulatively sufficient to discharge adequately the Audit Committee's responsibilities. The Audit Committee acts under a written charter adopted by the Board of Directors, a copy of which is attached as *Appendix A* to this proxy statement. The report of the Audit Committee required by the rules of the Securities and Exchange Commission is included in this proxy statement. See *Audit Committee Report*.

The Company's Nominating Committee is its Governance Committee. The Governance Committee selects nominees for election as directors. All of the members of the Governance Committee are independent as defined under the listing standards of the Nasdaq Stock Market, except for Mr. Smith, who is an employee of the Company and the Bank. The Governance Committee operates under a written charter that governs its composition and responsibilities, a copy which is attached as *Appendix B* to this proxy statement.

In its deliberations, the Governance Committee considers a candidate's knowledge of the banking business and involvement in community, business and civic affairs, and also considers whether the candidate would adequately represent of the Company's market area. Any nominee for director made by the Governance Committee must be highly qualified with regard to some or all the attributes listed in the preceding sentence. In searching for qualified director candidates to fill vacancies on the Board, the Governance Committee solicits its current directors for the names of potential qualified candidates. The Governance Committee may also ask its directors to pursue their business contacts for the names of potentially qualified candidates. The Governance Committee would then consider the potential pool of director candidates, select the top candidate based on the candidates' qualifications and the Governance Committee's

needs, and conduct a thorough investigation of the proposed candidate's background to ensure there is no past history that would cause the candidate not to be qualified to serve as a director of the Company. If a stockholder has submitted a proposed nominee, the Governance Committee would consider the proposed nominee, along with any other proposed nominees recommended by individual directors, in the

Table of Contents

same manner in which the Governance Committee would evaluate nominees for director recommended by the Board of Directors.

The Governance Committee will consider recommendations for directorships submitted by stockholders. Stockholders who wish the Governance Committee to consider their recommendations for nominees for the position of director should submit their recommendations in writing to the Governance Committee in care of the Secretary, Tri-County Financial Corporation, 3035 Leonardtown Road, Waldorf, Maryland 20601. Each written recommendation must set forth (1) the name of the recommended candidate, (2) the number of shares of stock of the Company that are beneficially owned by the stockholder making the recommendation and by the recommended candidate, and (3) a detailed statement explaining why the stockholder believes the recommended candidate should be nominated for election as a director. In addition, the stockholder making such recommendation must promptly provide any other information reasonably requested by the Governance Committee. To be considered by the Governance Committee for nomination for election at an annual meeting of stockholders, the recommendation must be received by January 1 preceding that annual meeting. Recommendations by stockholders that are made in accordance with these procedures will receive the same consideration given to other candidates recommended by directors or executive management.

The Company does not have a separate compensation committee. The Governance Committee considers compensation matters and makes recommendations to the Board of Directors. The final determination on compensation matters is made by the full Board of Directors.

Board Policies Regarding Communications With the Board of Directors. The Board of Directors maintains a process for stockholders to communicate with the Board of Directors. Stockholders wishing to communicate with the Board of Directors should send any communication to Secretary, Tri-County Financial Corporation, 3035 Leonardtown Road, Waldorf, Maryland 20601. Any communication must state the number of shares beneficially owned by the stockholder making the communication. The Secretary will forward such communication to the full Board of Directors or to any individual director or directors to whom the communication is addressed unless the communication is unduly hostile, threatening, illegal or similarly inappropriate, in which case the Secretary has the authority to discard the communication or take appropriate legal action regarding the communication.

Attendance at Annual Meetings. The Company does not have a policy regarding Board member attendance at annual meetings of stockholders. All of the Company's directors attended the Company's 2005 annual meeting of stockholders.

Director Retirement Plan. The Bank maintains a retirement plan for members of the Board of Directors of the Bank (the Directors Plan). Under the Directors Plan, each non-employee director of the Bank will receive an annual retirement benefit for ten years following his termination of service on the Bank s Board in an amount equal to the product of his Benefit Percentage, his Vested Percentage, and \$3,500. A participant s Benefit Percentage is 0% for less than five years of service, 33¹/₃% for five to nine years of service, 66²/₃% for 10 to 14 years of service, and 100% for 15 or more years of service. A participant s Vested Percentage equals ~~33~~ ³³/₃ if the participant was serving on the Board on January 1, 1995 (the Effective Date), increases to ~~66~~ ⁶⁶/₃% if the participant completes one year of service after the Effective Date, and becomes 100% if the participant completes a second year of service after the Effective Date. However, if a participant retires from service on the Board due to disability (as determined by the Board of Directors of the Bank) or for any reason after attaining age 65, the participant s Vested Percentage will become 100% regardless of his years of service. A participant s vested percentage will also become 100% in the event of a change in control (as defined in the Directors Plan). If a participant terminates service on the Board due to disability, the Bank will pay the participant each year for ten years an amount equal to the product of his Benefit Percentage and \$3,500. The Directors Plan also provides death benefits to a participant s surviving spouse under certain conditions.

The Directors Plan also establishes a deferred compensation program for members of the Board of Directors of the Bank. Under the Directors Plan, Directors of the Bank may elect to defer all or any portion of the fees and/or salary otherwise payable to him or her in cash for any calendar year in which the Directors Plan is in effect. Deferred amounts will be credited to a bookkeeping account in the participant s name, which will also be credited annually with the greater of: (1) the investment return that would have resulted if such deferred amounts had been invested in savings accounts having a return equal to the highest interest rate that the Bank pays on certificates of deposit, which rate is adjusted on each January 1st; or (2) the consolidated return on equity of the Company for the calendar year as determined under generally accepted accounting principles. Participants may determine the time and form of benefit payments and may cease future deferrals at any time. Changes in participant elections generally become effective only as of the following January 1st, except that (1) elections designating a beneficiary or ceasing future contributions will be given immediate effect, and (2) participants may change elections as to the timing or form of distributions only with respect to subsequently deferred compensation.

(1) Represents bonuses paid pursuant to the Bank's Executive Incentive Compensation Plan (the **Incentive Plan**), under which the Bank establishes a bonus pool equal to 10% of net income after taxes (but before deduction of bonuses payable under the **Incentive Plan**) multiplied by a multiplier equal to the average of:

(i) the percentage

obtained when the Company's return on equity (ROE) is divided by the median ROE of a peer group comprised of commercial banks in the fifth Federal Reserve district;

(ii) the percentage obtained when the median percentage of noncurrent to gross loans of the peer group is divided by the percentage of the Bank's noncurrent to gross loans; and

(iii) the percentage increase in the Company's earnings-per-share from the previous year (EPS Increase) divided by the targeted EPS Increase for the year established by the Board. In no event will the third component exceed 150%, and it will be deemed to be 0% if the percentage, as so computed, is less than 50%. The multiplier shall not exceed 1.0. The bonus pool is allocated among officers in proportion to the ratio a designated percentage of their base salary (the Allocation Base) bears to the total

Allocation Bases of all participating officers. In addition, stock options with a value, as measured by the Company for purposes of compliance with the reporting requirements of FASB Statement No. 123, equal to 50% of the bonus to which the participant is entitled under the Incentive Plan will be awarded. Measures of performance may be adjusted at the discretion of the Board of Directors.

Employment Agreements. The Bank maintains an employment agreement with Mr. Middleton, which currently provides for an annual salary of \$250,000, subject to annual increases to reflect cost of living adjustments. The agreement provides for Mr. Middleton's employment for a period of five years, subject to annual one-year extensions. The agreement provides for termination for cause or upon certain events specified in the agreement. The agreement is also terminable by the Bank without cause, in which case Mr. Middleton would be entitled to compensation as in effect on the date of termination up to the expiration date of the agreement payable in a lump sum or in periodic payments (at the option of Mr. Middleton), plus full life, health, disability and other benefits as in effect on the date of termination up to the expiration date of the agreement.

If following a change in control of the Company or the Bank, as defined in the agreement (1) Mr. Middleton voluntarily terminates his employment for any reason within the 30-day period beginning on the date of a change of control, (2) Mr. Middleton voluntarily terminates employment within 90 days of an event that occurs during the period which begins on the date six months before a change of control and ends on the later of the second anniversary of the change of control or the expiration of the employment agreement, and which event constitutes good reason, as defined in the employment agreement, or (3) the Bank terminates Mr. Middleton's employment for any reason other than for just cause, as defined in the agreement, then Mr. Middleton shall be entitled to receive an amount equal to 2.99 times the average annual compensation payable by the Bank and includable in Mr. Middleton's gross income for the most recent five taxable years. In addition, Mr. Middleton would be entitled to be reimbursed for excise taxes imposed on any

Table of Contents

excess parachute payments, as defined in Section 280G of the Internal Revenue Code of 1986, made under the employment agreement and under any other plans, programs or agreements (such as the Salary Continuation Agreement described below), as well as any additional excise and income taxes imposed as a result of such reimbursement. A change of control refers to certain enumerated events, including the acquisition of ownership of 25% or more of the Company's common stock by any person or group. The agreement provides, among other things, for annual review of compensation, for participation in an equitable manner in any stock option plan or incentive plan to the extent authorized by the Bank's Board of Directors for its key management employees and for participation in pension, group life insurance, medical coverage and in other employee benefits applicable to executive personnel.

The Bank maintains similar employment agreements with Ms. Brown and Messrs. Cockerham and Pasenelli, except that those agreements do not include any provision for an excess parachute payment tax reimbursement. Ms. Brown's agreement provides for a current annual salary of \$175,000, Mr. Cockerham's agreement provides for a current annual salary of \$172,500 and Mr. Pasenelli's provides for a current annual salary of \$170,000, subject to annual increases to reflect cost of living adjustments. Each agreement has a three-year term with a provision for extension for an additional year annually if determined by the Board. Each agreement provides for a change in control payment equal to two times the officer's five-year average annual compensation in circumstances similar to those in which Mr. Middleton would receive a change in control payment.

Salary Continuation Agreements. The Bank and Mr. Middleton entered into a Salary Continuation Agreement. The Bank is presently funding its obligations to Mr. Middleton pursuant to the Salary Continuation Agreement through a life insurance policy that the Bank owns and with respect to which it is the sole death beneficiary. Pursuant to his Salary Continuation Agreement, if Mr. Middleton terminates employment with the Bank on or after his 62nd birthday, or within 24 months subsequent to a change in control (as defined in his Employment Agreement), or terminates employment on account of a disability, he will be entitled to receive \$10,671 per month for 180 months commencing on his 65th birthday (or his termination of employment, if later). If Mr. Middleton's employment is terminated for reasons other than disability before his 62nd birthday, the monthly amount payable to him for 180 months commencing on his 65th birthday will be \$10,671 multiplied by a fraction, the numerator of which is the number of years of service completed by Mr. Middleton at the time of his termination of employment, and the denominator of which is the number of years of service he would have completed had he remained employed with the Bank until his 62nd birthday. Mr. Middleton may elect that his pension commence immediately following termination of employment prior to his 65th birthday, provided that he make such election at least 13 months before his termination of employment. If Mr. Middleton makes such election, his pension will be reduced on the basis of an interest factor equal to the five-year Treasury Constant Maturity Rate (but not greater than 6% annually). If Mr. Middleton dies while an employee of the Bank, or after termination of employment, but before the date on which his pension would have become payable, his designated beneficiary will receive \$10,671 per month for 180 months commencing as of the first day of the month following his death. If Mr. Middleton dies after payment of his pension has commenced, his designated beneficiary will receive the balance of the 180 monthly payments. Mr. Middleton will forfeit his entitlement to all benefits under the Salary Continuation Agreement if his employment with the Bank is terminated for cause as specified in his Employment Agreement. In addition, Mr. Middleton would be entitled to be reimbursed for excise taxes imposed on any excess parachute payments, as defined in Section 280G of the Internal Revenue Code, made under the Salary Continuation Agreement and under any other plans, programs or agreements (such as the Employment Agreement), as well as any additional excise and income taxes imposed as a result of such reimbursement.

The Bank entered into similar Salary Continuation Agreements with Ms. Brown and Messrs. Cockerham and Pasenelli. Their Salary Continuation Agreements are identical to Mr. Middleton's Salary Continuation Agreement, except (1) the full monthly benefit for Ms. Brown and Messrs. Cockerham and Pasenelli is \$3,627, \$6,020 and \$6,176, respectively; (2) the full monthly benefit is payable if termination of

employment occurs on or after age 65, on account of disability, or within 12 months subsequent to a change in control; and (3) they do not include any provision for an excess parachute payment tax reimbursement.

The Company has entered into Guaranty Agreements with each of the Named Executive Officers pursuant to which it has agreed to be jointly and severally liable for amounts payable under their employment agreements.

RELATIONSHIPS AND TRANSACTIONS WITH THE COMPANY AND THE BANK

The Bank has followed a policy of offering loans to its officers, directors and employees for the financing and improvement of their personal residences as well as consumer loans. These loans are made in the ordinary course of business and upon substantially the same terms, including collateral, interest rate and origination fees, as those prevailing at the time for comparable transactions, and do not involve more than the normal risk of collectibility or present any unfavorable features.

Jenkins, Jr. is the principal of Jenkins Law Firm, LLC, which performed legal services for the Bank and its borrowers during fiscal year 2005 and is expected to perform similar services during the current fiscal year. Steffens Company, which performed engineering services for the Bank during 2005 and is expected to perform similar services during the current fiscal year.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to regulations promulgated under the Securities Exchange Act, the Company's officers, directors and persons who own more than 10% of the outstanding common stock are required to file reports detailing their ownership and changes of ownership in such common stock, and to furnish the Company with copies of all such reports. Based solely on its review of the copies of such reports received during the past fiscal year or with respect to the last fiscal year or written representations from such persons that no annual reports of changes in beneficial ownership were required, the Company believes that during 2005, all of its officers, directors and all of its stockholders owning in excess of 10% of the outstanding common stock have complied with the reporting requirements, except for one late report filed by each of Ms. Brown and Messrs. Cockerham, Jenkins, Middleton, Pasenelli, Redmond, Shepherd, Slater and Smith, each with regard to an award of stock options.

Audit Committee Report

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate future filings, including this proxy statement, in whole or in part, the following report of the Audit Committee shall not be incorporated by reference into any such filings.

The Audit Committee of the Board of Directors is responsible for developing and monitoring the Company's audit program. Additionally, the Audit Committee selects the auditors and reviews their independence and their annual audit. The Audit Committee also receives and reviews the reports and findings and other information presented to them by the Company's officers regarding financial reporting and practices. The Audit Committee is comprised of three directors, each of whom is independent under the Nasdaq Stock Market listing standards. The Audit Committee acts under a written charter adopted by the Board of Directors, a copy of which is attached as *Appendix A* to this proxy statement.

The Audit Committee reviewed and discussed the annual financial statements with management and the independent auditors. As part of this process, management represented to the Audit Committee that the financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee also received and reviewed written disclosures and a letter from the auditors concerning their independence as required under applicable standards for auditors of public companies. The Audit Committee discussed with the auditors the contents of such materials, the auditors' independence and the additional matters required under Statement on Auditing Standards No. 61. Based on such review and discussions, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the Securities and Exchange Commission.

The Audit Committee's responsibility is to monitor and review the Company's financial reporting process, including its system of internal controls and the preparation of consolidated financial statements. It is not the duty or the responsibility of the Audit Committee to conduct auditing or accounting reviews. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's independent accountants are in fact independent.
