Item 1.01. Entry into a Material Definitive Agreement.

On December 19, 2008, as part of the Troubled Asset Relief Program (TARP) Capital Purchase Program, Tri-County Financial Corporation (the Company) entered into a Letter Agreement, and the related Securities Purchase Agreement Standard Terms (collectively, the Purchase Agreement), with the United States Department of the Treasury (the Treasury), pursuant to which the Company issued (i) 15,540 shares of Fixed Rate Cumulative Perpetual Preferred Stock, Series A, liquidation preference \$1,000 per share (the Series A preferred stock), and (ii) a warrant for the purchase of 777 shares (after net settlement) of Fixed Rate Cumulative Perpetual Preferred Stock, Series B, liquidation preference \$1,000 per share (the Series B preferred stock) for an aggregate purchase price of \$15,540,000 in cash. The Purchase Agreement is attached as Exhibit 10.1 hereto and is incorporated herein by reference.

The Series A preferred stock will qualify as Tier 1 capital and will pay cumulative dividends at a rate of 5% per annum until February 15, 2014. Beginning February 16, 2014, the dividend rate will increase to 9% per annum. On and after February 15, 2012, the Company may, at its option, redeem shares of the Series A preferred stock, in whole or in part, at any time and from time to time, for cash at a per share amount equal to the sum of the liquidation preference per share plus any accrued and unpaid dividends to but excluding the redemption date. Prior to February 15, 2012, the Company may redeem shares of the Series A preferred stock only if it has received aggregate gross proceeds of not less than \$3,885,000 from one or more qualified equity offerings, and the aggregate redemption price may not exceed the net proceeds received by the Company from such offerings. The redemption of the Series A preferred stock requires prior regulatory approval. The restrictions on redemption are set forth in the Articles Supplementary to the Company s Articles of Incorporation (Articles Supplementary Series A) described in Item 5.03 below.

Contemporaneously with that transaction, the Treasury exercised the warrant and received 777 shares of Series B preferred stock. The warrant is attached as Exhibit 4.3 hereto and is incorporated herein by reference. The Series B preferred stock will pay cumulative dividends at a rate of 9% per annum. On and after February 15, 2012, the Company may, at its option, redeem shares of Series B preferred stock, in whole or in part, at any time and from time to time, for cash at a per share amount equal to the sum of the liquidation preference per share plus any accrued and unpaid dividends to but excluding the redemption date. Prior to February 15, 2012, the Company may redeem shares of the Series B preferred stock only if it has received aggregate gross proceeds of not less than \$194,250 from one or more qualified equity offerings, and the aggregate redemption price may not exceed the net proceeds received by the Company from such offerings. The redemption of the Series B preferred stock requires prior regulatory approval. Further, the Series B preferred stock cannot be redeemed until all of the outstanding shares of Series A preferred stock have been redeemed. The restrictions on redemption are set forth in the Articles Supplementary to the Company s Articles of Incorporation (Articles Supplementary Series B) described in Item 5.03 below.

The Series A preferred stock, the warrant and the Series B preferred stock were issued in a transaction exempt from registration pursuant to Section 4(2) of the Securities Act of 1933, as

amended. Neither the Series A preferred stock nor the Series B preferred stock will be subject to any contractual restrictions on transfer.

The Purchase Agreement also subjects the Company to certain of the executive compensation limitations included in the Emergency Economic Stabilization Act of 2008 (the "EESA"). As a condition to the closing of the transaction, Michael L. Middleton, Gregory C. Cockerham and William J. Pasenelli (the Company's Senior Executive Officers, as defined in the Purchase Agreement) each: (i) voluntarily waived any claim against the Treasury or the Company for any changes to such Senior Executive Officer's compensation or benefits that are required to comply with the regulation issued by the Treasury under the TARP Capital Purchase Program as published in the Federal Register on October 20, 2008 and acknowledging that the regulation may require modification of the compensation, bonus, incentive and other benefit plans, arrangements and policies and agreements (including so-called "golden parachute agreements") as they relate to the period the Treasury holds any equity or debt securities of the Company acquired through the TARP Capital Purchase Program; and (ii) entered into a letter agreement with each Senior Executive Officer that provides that (a) any severance payments made to the Senior Executive Officer will be reduced, as necessary, so as to comply with the requirements of the TARP Capital Purchase Program and (b) any bonus and incentive compensation paid to the Senior Executive Officer is subject to recovery or "clawback" by the Company if the payments were based on materially inaccurate financial statements or any other materially inaccurate performance metric criteria.
